Forward Looking Statements

This Current Report on Form 8-K contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the possible benefits of MANF therapeutic applications and/or advantages presented by Amarantus' PhenoGuard technology, as well as statements about expectations, plans and prospects of the development of Amarantus' new product candidates. These forward-looking statements are subject to a number of risks, uncertainties and assumptions, including the risks that the anticipated benefits of the therapeutic drug candidates or discovery platforms, as well as the risks, uncertainties and assumptions relating to the development of Amarantus' new product receivable in candidates, and in other filings Amarantus periodically makes with the U.S. Securities and Exchange Commission. Actual results may differ materially from those contemplated by these forward-looking statements and Amarantus does not undertake to update any of these forward-looking statements to reflect a change in its views or events or circumstances that occur after the date of this presentation.

Section 8 – Other Events

Item 8.01. Other Events.

On March 6-7, Amarantus Bioscience ("Amarantus" or the "Company") made a joint presentation with Banyan Biomarkers ("Banyan") at the Banyan Traumatic Brain Injury Conference detailing the results of scientific research evaluating the therapeutic potential of the Company's lead drug candidate MANF in Banyan's cell culture testing system of apoptotic and necrotic cell death which mimcs traumatic brain injury. The abstract presented is attached hereto.

Section 9-Financial Statement and Exhibits

Item 9.01 Financial Statements and Exhibits

(d) Exhibits.

99.1 Abstract from Poster presentation session made by Amarantus Bioscience, Inc. and Banyan Biomarkers, Inc. at the 3rd Annual Traumatic Brain Injury Conference
