Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 5, 2014, the Board of Directors (the “Board”) of Medifast, Inc. (the “Company”) approved an amendment to Article I, Section 1.5 of the Company’s By-laws (the “Amendment”), effective as of such date, to adopt a majority voting standard for the election of directors in uncontested elections. The Board believes the adoption of the Amendment is in the stockholders’ long-term best interests, and is consistent with the Company’s desire to more closely align the interests of the stockholders with the accountability of the Board. The new majority voting standard provides that to be elected, in an uncontested election, a director nominee must receive a majority of the votes cast in the election such that the number of shares voted “for” the nominee must exceed 50% of the votes cast with respect to that director. In contested elections where the number of nominees exceeds the number of directors to be elected, the voting standard will continue to be a plurality of votes cast.

If a nominee who is an incumbent director is not elected, the director shall offer to tender his or her resignation to the Board. The Nomination Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Nomination Committee’s recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the recommendation of the Nomination Committee or in the Board’s decision.

The foregoing summary of changes to the By-laws is qualified in its entirety by the full text of the Amendment to the By-laws, a copy of which is attached hereto as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
