Yes No

(3) If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant expects to report a net loss of approximately \$(900,000) on revenues of approximately \$75,000 for the twelve months ended December 31, 2013 compared to net loss of approximately \$(1,646,000) on revenues of approximately \$4,119,000 for the year ended December 25, 2012. The anticipated decrease in net loss is principally due to a significant decrease in general and administrative expenses, partially offset by a reduction in gross profit that resulted from the decline in revenue.
