PROXY STATEMENT

SOLICITATION AND VOTING OF PROXIES

As stated in the enclosed Proxy Statement, we are soliciting proxies on behalf of the Board of Directors of ApolloMed. All proposals presented for our calendar year 2014 Annual Meeting of Stockholders are proposals of the Board of Directors.

EXPENSES OF PROXY SOLICITATION

ApolloMed is paying the expenses of this solicitation of proxies. We expect officers and regular employees of ApolloMed to communicate with stockholders, banks, brokerage houses, custodians, nominees and others by telephone, facsimile, email or in person to request that proxies be furnished. No additional compensation will be paid for these services. We will reimburse banks, brokerage firms and other persons representing beneficial owners of common stock for their reasonable out-of-pocket expenses in forwarding solicitation materials to the beneficial owners. After we make this Proxy Statement and other soliciting materials available, we or our agents may also solicit proxies by mail, telephone, electronic mail or facsimile or in person.

VOTING RIGHTS

If you hold shares through a stock certificate registered directly in your name with ApolloMed's transfer agent, OTC Stock Transfer Inc., you are a stockholder of record with respect to those shares. If you hold shares in a stock brokerage account or through a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. As the beneficial owner, you have the right to instruct your broker, bank or nominee how to vote your shares by the various methods described below. If you are a beneficial owner and wish to vote in person, you must obtain a legal proxy from your broker, bank or nominee and present it to the inspectors of election with your ballot at the Annual Meeting.

As a holder of our common stock, you are entitled to one vote per share on any matter submitted to a vote of the stockholders. Our Bylaws do not permit stockholders to cumulate their votes in the election of directors at an Annual Meeting. Our Board of Directors expects all nominees named above to be available for election. If any nominee is not available, the proxy holders may vote for a substitute whom our Board of Directors may nominate.

We are not aware of any specific matter to be brought before the calendar year 2014 Annual Meeting that is not identified in the notice of the meeting and this Proxy Statement. If, however, stockholders present proposals at the meeting that are not included in this Proxy Statement, the proxies solicited by this Proxy Statement will confer discretionary authority on matters of which we are not aware a reasonable time before the meeting. Accordingly, the proxy holders may use their discretionary authority to vote on any such matter pursuant to the proxies in the enclosed form, the proxy holders intend to vote the shares represented by the proxies on such matters in accordance with the recommendation of the Board of Directors, and the authority to do so is included in the proxy.

Abstentions and broker non-votes count as shares present for determination of a quorum. Broker non-votes can occur if a beneficial owner fails to give voting instructions for the calendar year 2014 Annual Meeting. If you are a beneficial owner holding your shares through a broker or other nominee, and you do not return your voting instruction card to your broker, the broker or other nominee has the ability to vote your shares at the Annual Meeting on “routine” matters under the rules of the New York Stock Exchange. The ratification of the selection of BDO USA, LLP to serve as our independent registered public accountants is considered a routine matter on which brokers will generally have the discretion to give a proxy to vote common stock. None of the other proposals at the Annual Meeting is considered routine and your broker has no authority to vote on them.

Votes of the stockholders of ApolloMed will be counted as follows:

Proposal No. 1, the election of directors, the seven persons receiving the highest number of affirmative votes will be elected. Abstentions and broker non-votes have no effect on the vote.

Proposal No. 2, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending March 31, 2015, requires the affirmative vote of a majority of voting power present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote "AGAINST" this proposal. Brokers may vote on this proposal if not instructed by their clients.

Proposals No. 3, 4 and 6, regarding various amendments to the Certificate, require the affirmative vote of the majority of the voting power present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote "AGAINST" these proposals. Broker non-votes have no effect because by definition they are not entitled to vote on the proposals.

Proposal No. 5, the ratification of the granting of certain subscription and other rights to NNA of Nevada, Inc. requires the affirmative vote of the majority of the voting power present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote "AGAINST" these proposals. Broker non-votes have no effect because by definition they are not entitled to vote on the proposals.

Proposal No. 7 is an advisory vote only and is not binding on us or our Board of Directors. Abstentions and broker non-votes have no effect on the vote.

Proposal No. 8 is an advisory vote only and is not binding on us or our Board of Directors. Abstentions and broker non-votes have no effect on the vote.

There are three ways to vote before the meeting:

By Internet. If you have Internet access, we encourage you to vote on **www.proxyvote.com** by following instructions on the proxy card.

By telephone. You may vote by making a toll-free telephone call from the U.S. or Canada to **1-800-690-6903**.

By mail. You can vote by mail by completing, signing, dating and returning the proxy card enclosed with this Proxy Statement using the postage-paid envelope provided herein.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON SEPTEMBER 30, 2014

We have attached to this Proxy Statement our Annual Report on Form 10-K for the fiscal year ended January 31, 2014 (the "2013 Annual Report"). On May 16, 2014, we changed our fiscal year end from January 31 to March 31. As a result, we filed a transition report on Form 10-QT covering the transition period from February 1, 2014 to March 31, 2014. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

We cordially invite all stockholders to attend the Annual Meeting in person. Your vote is important. Please vote as promptly as possible, whether by Internet or telephone or, by completing, dating, signing and returning the accompanying proxy in the enclosed postage-paid envelope. Your prompt electronic voting or return of the proxy will help us in quickly processing votes and in ensuring that a quorum is present. If you return your proxy or vote electronically, you may nevertheless attend the Annual Meeting and vote your shares in person if you wish.

REVOCABILITY OF PROXY

If you give a proxy, you may revoke it at any time before the proxy holders vote it at the meeting, in any of the following ways:

By voting again by proxy over the Internet or by telephone until 11:59 p.m. PST on September 29, 2014—only your last Internet or telephone vote will be counted.

By mailing a new proxy card.

If you are a record holder, by attending the Annual Meeting and voting in person; attending the Meeting in person will not automatically revoke your proxy unless you vote again at the Meeting or file a written revocation with ApolloMed's Secretary at or before the Meeting.

If you are a beneficial holder, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or nominee and present it to the inspectors of election with your ballot at the Annual Meeting.

If we determine that the date of the calendar year 2015 Annual Meeting will be advanced or delayed by more than 30 days from the anniversary date of the calendar year 2014 Annual Meeting, we will disclose the change in the earliest practicable Quarterly Report on Form 10-Q.

The Company entered into and repaid the Amended Note with SpaGus as described above under "Employment Agreements and Director Agreements for Inside Directors -- Gary Augusta."

Review of Related Person Transactions

The Board of Directors has adopted a Related Person Transaction Policy, which requires the approval of the Audit Committee, or if there is no Audit Committee, our entire Board of Directors, for all covered transactions. The Policy applies to any transaction or series of transactions in which ApolloMed or a subsidiary or an affiliate is a participant, the amount involved exceeds \$120,000 and a "Related Person" as defined in the Policy, including executive officers, directors and their immediate family members, and holders of in excess of 5% of our common stock, has a direct or indirect material interest. Under the Policy, all Related Person Transactions must first be submitted to the Audit Committee, or if there is no Audit Committee, our entire Board of Directors, for review, approval, ratification or other action. Based on its consideration of all of the relevant facts and circumstances, and full disclosure of the Related Person's interest in the transaction, the Audit Committee, or if there is no Audit Committee, our entire Board of Directors, will decide whether or not to approve the transaction and will approve only those transactions that are in the best interests of ApolloMed.

Code of Ethics

ApolloMed has adopted a Code of Ethics applicable to the conduct of our employees. The Board of Directors will review and update the Code of Ethics periodically as necessary. Stockholders can access ApolloMed's Code of Ethics on our website at <http://www.ApolloMed.net/.com>.

Committees of the Board of Directors

Our common stock is currently quoted on the OTCQB electronic trading platform, which does not maintain any standards requiring us to establish or maintain an Audit, Nominating or Compensation committee. As of September 15, 2014, our Board of directors did not maintain an audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, a nominating committee nor a compensation committee. The entire Board of Directors is acting as the Company's audit committee as specified in section 3(a)(58)(B) of the Exchange Act, and the Board of Directors has determined that David Schmidt, a current independent director, is an "audit committee financial expert" as defined by item 407 of Regulation S-K. Our Board of Directors had 8 meetings during our fiscal year ended January 31, 2014. All of our incumbent directors attended at least 75% of those meetings. Our policy with respect to Director attendance can be found on our website at <http://www.ApolloMed.net/.com>.

ApolloMed does not have a standing nominating committee as a result of our small size and the fact that we are not required to maintain one in connection with the OTCQB electronic trading platform on which our common stock is quoted. Our full Board of Directors considers director nominees in connection with our director nomination process. Stockholder director nominees proposed for consideration must be submitted in accordance with our Certificate and our Bylaws and as stated above for stockholder proposals generally. Each of our current outside directors was recommended by either an executive officer or director of ApolloMed.

Director Independence

Our common stock is quoted on the OTCQB electronic trading platform, which does not maintain any standards regarding the "independence" of the directors on our Company's Board, and we are not otherwise subject to the requirements of any national securities exchange or an inter-dealer quotation system with respect to the need to have a majority of our directors be independent. In the absence of such requirements, we have elected to use the definition for director independence under the NASDAQ stock market's listing standards, which defines an independent director as "a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship, which in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director." The definition further provides that, among others, employment of a director by us (or any parent or subsidiary of ours) at any time during the past three years is considered a bar to independence

regardless of the determination of our Board. Based on the foregoing standards, the Board has determined that Ted Schreck, Suresh Nihalani and David Schmidt are “independent” directors.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has approved the selection of BDO USA, LLP (“BDO”) to serve as our independent registered public accounting firm for the fiscal year ending March 31, 2015.

Although this appointment is not required to be submitted to a vote of the stockholders, the Board of Directors believes it is appropriate as a matter of policy to request that the stockholders ratify the appointment. If the stockholders do not ratify the appointment, which requires the affirmative vote of a majority of the shares of the common stock present, in person or by proxy, and entitled to vote at the calendar year 21014 Annual Meeting, the Board of Directors will consider the selection of another independent registered public accounting firm.

Representatives of BDO have been invited to be present at the Annual Meeting, and ApolloMed expects that representatives of BDO will be present at the calendar year 2014 Annual Meeting, where they will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

Effective on May 12, 2014, ApolloMed’s principal accountant, Kabani & Company, Inc. (“Kabani”), was dismissed as ApolloMed’s independent registered public accounting firm. In connection with the audit of ApolloMed’s consolidated financial statements for the years ended January 31, 2014, and 2013, and through the subsequent interim period preceding the dismissal of Kabani, there were no disagreements on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Kabani, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report. Effective on May 12, 2014, the Board of Directors recommended, approved and directed the selection of BDO as ApolloMed’s new independent registered public accounting firm.

The aggregate fees for professional services rendered by Kabani to us for the fiscal years ended January 31, 2014 and January 31, 2013 were as follows:

	2014	2013
Audit fees (1)	\$48,000	\$44,000

Audit-related fees (2)	-	-
Tax fees (3)	-	-
All other fees	-	-
Total	\$48,000	\$44,000

(1) Audit fees represent fees for professional services provided in connection with the audit of our annual financial statements and the review of our financial statements included in our Forms 10-Q quarterly reports and services that are normally provided in connection with statutory or regulatory filings for the 2014 and 2013 fiscal years.

(2) Audit-related fees represent fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and not reported above under "Audit Fees."

(3) Tax fees represent fees for professional services related to tax compliance, tax advice and tax planning.

The policy of our Board of Directors, acting as the Audit Committee, is to pre-approve all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. All services and fees described above for the years ended January 31, 2014 and 2013 were approved by our Board.

APOLLOMED'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING MARCH 31, 2015.

PROPOSAL NO. 3

AMENDMENT OF CERTIFICATE OF INCORPORATION TO PROVIDE FOR INDEMNIFICATION OF MEMBERS OF THE BOARD OF DIRECTORS AND OFFICERS TO THE MAXIMUM EXTENT PERMITTED UNDER DELAWARE LAW

Summary of Proposal

Subject to the affirmative vote of a majority of the shares of the common stock present, in person or by proxy, and entitled to vote at the calendar year 2014 Annual Meeting, the Board of Directors has adopted an amendment of the Certificate that amends and restates Article X of the Certificate in its entirety to provide for the indemnification of members of the Board of Directors, or any committee thereof, and officers to the maximum extent permitted under Delaware law.

Discussion

In recent years there has been a drastic increase in the amount and cost of corporate litigation. Corporate statutes and judicial decisions regarding the duties of directors and officers are often difficult to apply, ambiguous, or conflicting, and therefore often fail to provide directors and officers with adequate, reliable knowledge of legal risks to which they are exposed or information regarding the proper course of action to take. Most states have enacted legislation that allow corporations to reduce the exposure of directors and officers to litigation seeking to impose on such directors and officers heavy monetary liability for their acts or inaction as directors and officers. The costs of such litigation is often very significant and litigation can continue for many years. Plaintiffs often seek damages in such large amounts and the costs of litigation may be so substantial (whether or not the case is meritorious), that the defense or settlement of such litigation is often beyond the personal resources of officers and directors. As a result, many states have determined that it is in the interest of the public to ensure that qualified persons continue to serve as directors and officers of corporations without the threat of lawsuits impeding or influencing such persons business judgment or discouraging such persons from serving at all.

Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware (the "DGCL") empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an

action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been made to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

DGCL Section 145 further provides that to the extent a director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145 of the DGCL in the defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith; that indemnification provided for by DGCL Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; that indemnification provided for by DGCL Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators; and empowers the corporation to purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such whether or not the corporation would have the power to indemnify him or her against such liabilities under DGCL Section 145.

ApolloMed, consistent with most Delaware corporations, under Article X of its Certificate grants directors and certain other employees and agents limited indemnification. Nonetheless, the Certificate does not provide for indemnification, including mandatory advancement of costs, to the full extent permitted under Delaware law. The Board of Directors recognizes that competent and experienced persons are increasingly reluctant to serve as directors or officers of corporations unless they are protected by comprehensive indemnification, due to increased exposure to litigation costs and risks resulting from their service to such corporations, and due to the fact that the exposure frequently bears no reasonable relationship to the compensation of such directors and officers. The Board of Directors believes that an amendment to the Certificate that obligates ApolloMed to fully indemnify directors, any committee of our Board, and officers against any monetary damages associated with any lawsuit will ensure that ApolloMed can continue to attract knowledgeable and experienced directors and officers.

Additionally, on March 28, 2014, ApolloMed entered into certain credit and investment agreements with NNA of Nevada, Inc. ("NNA"), pursuant to which NNA provided certain credit to ApolloMed and its affiliates (the "NNA Financing"). In connection with the NNA Financing, ApolloMed agreed to modify its Certificate to provide for indemnification of members of the Board of Directors, or any committee thereof, to the maximum extent permitted under Delaware law.

Resolution Proposed for Approval by the Stockholders

The following resolution is offered for stockholder approval:

RESOLVED, that the amendment of the Company's Certificate of Incorporation, as amended, to delete Article X thereof and replace it in its entirety with the following is hereby approved and ratified:

ARTICLE X

INDEMNIFICATION OF DIRECTORS, OFFICERS AND OTHERS

(a) Liability to the Corporation or its Stockholders. To the fullest extent permitted by the Delaware General Corporation Law, as it presently exists or may hereafter amended from time to time, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. Neither any amendment to, modification of, nor repeal of this Article, nor the adoption of any provision of the Corporation's Certificate of Incorporation inconsistent with this Article, shall (i) eliminate, or reduce the effect of this Article in respect of any matter occurring, or any cause of action, suit or proceeding accruing or arising or that, but for this Article, would accrue or arise, prior to such amendment, modification, repeal or adoption of an inconsistent provision or (ii) eliminate, reduce or otherwise adversely affect any right or protection of a current or former director of the Corporation existing at the time of such amendment, modification, repeal or adoption. If the Delaware General Corporation law is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director to the Corporation or its stockholders shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as amended.

(b) Indemnification and Insurance.

(i) Right to Indemnification. Each person who was or is a party or is made a party, threatened to be made a party or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “proceeding”), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, a member of any committee of the Corporation’s Board of Directors, or an officer of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans (hereinafter an “indemnitee”), whether the basis of such proceeding is alleged action in an official capacity as a director, committee member, officer or representative or in any other capacity while serving as a director, committee member, officer or representative, shall be indemnified and held harmless by the Corporation to the fullest extent permitted by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but in the case of any such amendment to the fullest extent permitted by law, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expenses, liability and loss (including attorneys’ fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith and such indemnification will continue as to an indemnitee who has ceased to be a director, committee member, officer or representative and shall inure to the benefit of his or her heirs, executors and administrators. Such right shall be a contract right and shall include, except as otherwise provided in this Article X, the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition (hereinafter an “advancement”); provided, however, if the Delaware General Corporation Law requires, such advancement shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified under this Article or otherwise; and provided, further, however, that the Corporation may, but is not obligated with respect to any officer under this Article X, nor shall any officer have any right or entitlement under this Article X, to any advancement with respect to an action brought directly by the Corporation against such officer for malfeasance, defalcation, fraud or other willful misconduct in connection with, or in contravention of, such officer’s duties. Unless otherwise required by law, the burden of proving that the indemnitee is not entitled to be indemnified or to such advancement of expenses under this Article X shall be on the Corporation. Notwithstanding anything to the contrary in this Article X and except as provided in Section (b)(ii) of this Article X with respect to proceedings to enforce rights to indemnification, the Corporation shall not be required by this Article X to indemnify any indemnitee against expenses incurred in connection with a proceeding (or part thereof) initiated by such indemnitee unless the initiation of the proceeding (or part thereof) was approved by the Board of Directors.

(ii) Payment of Indemnitee Claims; Burden of Proof. If a claim under this Article X is not paid in full by the Corporation within thirty days after a written claim has been received by the Corporation, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and if successful, in whole or in part, the indemnitee shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the undertaking, if any is required, has been tendered to the Corporation) that the indemnitee has not met the standards of conduct which make it permissible under the Delaware General Corporation Law for the Corporation to indemnify the indemnitee for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors,

independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the indemnitee is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the indemnitee had not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the indemnitee had not met the applicable standard of conduct.

(iii) Non-Exclusivity of Rights. The rights conferred by this Article X shall not be exclusive of any other right which indemnitees may have or hereafter acquire under bylaw, agreement, vote of directors or stockholders or otherwise, and shall inure to the benefit of the heirs, executors and administrators of such indemnitee.

(iv) Effect of Amendments. Any amendment, modification or repeal of this Article X that adversely affects the right of an indemnitee or his or her successors shall be prospective only and shall not limit or eliminate such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment, modification or repeal.

(vi) Insurance. The Corporation may maintain insurance, at its expense, to protect itself or any indemnitee whether or not the Corporation would have the power or obligation to indemnify such person against such expense, liability or loss under this Article or the Delaware General Corporation Law.

(vii) Other Indemnification. This Article X shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and advance expenses to indemnitees or persons other than indemnitees when and as authorized by the Board of Directors.

If approved by our stockholders, the foregoing amendment to the Certificate would become effective upon filing of a certificate setting forth the amendment with the Secretary of State of Delaware, which we would file promptly after the calendar year 2014 Annual Meeting.

APOLLOMED'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE CERTIFICATE TO PROVIDE FOR THE INDEMNIFICATION OF MEMBERS OF THE BOARD OF DIRECTORS, OR ANY COMMITTEE THEREOF, AND OFFICERS TO THE MAXIMUM EXTENT PERMITTED UNDER DELAWARE LAW.

PROPOSAL NO. 4

**AMENDMENT OF CERTIFICATE OF INCORPORATION
TO DELETE ANY RESTRICTION OR LIMITATION REGARDING PRE-EMPTIVE RIGHTS**

Summary of Proposal

Subject to the affirmative vote of a majority of the shares of the common stock present, in person or by proxy, and entitled to vote at the calendar year 2014 Annual Meeting, the Board of Directors has adopted an amendment of the Certificate to delete any restriction or limitation regarding pre-emptive rights.

Discussion

In connection with the NNA Financing, ApolloMed granted NNA certain preemptive rights regarding the public and non-public offering of any of ApolloMed's equity (including common stock, common stock equivalent, capital stock, capital stock equivalents, preferred stock and restricted stock), or any other securities, warrants, options or debt that are convertible or exchangeable into equity or that include an equity component (such as an "equity kicker") (including any hybrid security) (any such security a "New Security"). Before any offer, sale or purchase of New Securities, ApolloMed is required to amend its Certificate to delete any restriction or limitation regarding NNA's ability to exercise its preemptive rights.

The Board of Directors believes that the ability of ApolloMed to offer preemptive rights to counterparties, including financing parties, is beneficial to ApolloMed and its ability to attract capital at attractive rates.

The Board of Directors further believes that the ability of ApolloMed to grant preemptive rights provides additional flexibility for raising capital and is beneficial to ApolloMed and its ability to attract capital on favorable terms. Additionally, the Certificate was originally adopted in 1997 before the corporation had any operations, and the prohibition on pre-emptive rights is not customary or appropriate for an operating company actively raising capital.

Resolution Proposed for Approval by the Stockholders

The following resolution is offered for stockholder approval:

RESOLVED, that the amendment of the Company's Certificate of Incorporation, as amended, to delete those portions of Article V (as shown below), which prohibit any preemptive rights with respect to any equity securities of the Company, and to make certain typographical and formatting corrections to such Article V, is hereby approved and ratified.

PROPOSAL NO. 5

RATIFICATION OF THE GRANT TO NNA OF NEVADA, INC. OF CERTAIN SUBSCRIPTION AND OTHER RIGHTS RELATED TO FUTURE ISSUANCES OF APOLLOMED'S EQUITY SECURITIES

Summary of Proposal

At the time of the NNA Financing, the Board of Directors approved the rights granted to NNA in connection with the NNA Financing. Although the Board of Directors believes that this approval is not required to be submitted to a vote of the stockholders, the Board of Directors has received a request from NNA to seek stockholder ratification of certain rights granted in connection with the NNA Financing. To pass, this Proposal No. 5 requires the affirmative vote of a majority of the shares of the common stock present, in person or by proxy, and entitled to vote at the calendar year 2014 Annual Meeting. We understand from NNA that they intend to abstain from voting their shares of common stock in connection with this Proposal No. 5.

Discussion

In connection with the NNA Financing, NNA and the Company entered into an Investment Agreement, dated as of March 28, 2014, which was filed as Exhibit 10.2 to Form 8-K filed on March 31, 2014 (the "Investment Agreement"). Under the Investment Agreement, for so long as NNA holds any combination of the Company's common stock, a convertible note issued in connection with the NNA Financing or warrants, also issued in connection with the NNA Financing (each as described in the Company's 8-K filed on March 31, 2014) that in the aggregate either represent or entitle NNA to acquire at least 2,000,000 shares of the Company's common stock (the "Requisite Condition"), among other rights, if the Company makes any public or non-public offering (each, a "Triggering Event") of any New Security (as defined in Proposal No. 4), NNA shall be afforded the opportunity, subject to certain exceptions, to subscribe for a pro rata share of any New Security so offered for the same price and on the same terms as such New Security is proposed to be offered to others (the "Subscription Rights"). The relevant provisions of Investment Agreement addressing the Subscription Rights are as follows:

6.3 Subscription Rights.

(a) Sale of New Securities. For so long as the Requisite Holder Condition is satisfied, if Company at any time or from time to time makes any public or non-public offering of any equity (including Common Stock, Common Stock Equivalent, Capital Stock, Capital Stock Equivalents, preferred stock and restricted stock), or any other securities, warrants, options or debt that are convertible or exchangeable into equity or that include an equity component (such as an “equity kicker”) (including any hybrid security) (any such security a “New Security”), Purchaser shall be afforded the opportunity (provided, in the case of an offering that is not a registered public offering, that Purchaser satisfies any applicable “accredited investor,” “qualified institutional buyer” or other investor criteria applicable to such offering) to subscribe for a pro rata share of any New Security so offered for the same price and on the same terms as such New Security is proposed to be offered to others. Purchaser’s pro rata share, for purposes of this Section 6.3, is the ratio of the number of shares of Common Stock owned by Purchaser immediately prior to the issuance of a New Security (assuming all Common Stock Equivalents owned by Purchaser are converted into or exchanged for shares of Common Stock) to the total number of shares of Common Stock outstanding on a Fully Diluted Basis immediately prior to the issuance of such New Security. Notwithstanding the foregoing, the subscription rights set forth under this Section 6.3 shall not apply to (1) any offering by Company pursuant to an Exempt Issuance or (2) issuances of any securities issued as a result of a stock split, stock dividend, reclassification or reorganization or similar event, but solely to the extent such issuance is made to all holders of Common Stock Equivalents. For the avoidance of doubt, to the extent that Company complies with its obligations pursuant to this Section 6.3 with respect to any securities that are convertible or exchangeable into (or exercisable for) Common Stock or other equity, Purchaser shall not have an additional right to purchase pursuant to this Section 6.3 additional securities as a result of the issuance of New Securities upon the conversion, exchange or exercise of such earlier issued securities (whether or not such Purchaser exercised its right to purchase such earlier issued securities). Purchaser may assign the right to exercise the subscription rights set forth in this Section 6.3 with respect to any Securities to the extent it may otherwise transfer or assign such Securities under this Agreement or a related Transaction Document, and any such assignee shall be treated as the “Purchaser” for purposes of this Section 6.3.

(b) Notice. In the event Company proposes to offer New Securities, it shall give Purchaser written notice (or, if such a written notice would be required to be filed with the SEC, oral notice) of its intention, describing, to the extent then known, the price (or range of prices), anticipated amount of securities, timing and other terms upon which Company proposes to offer the same (including, in the case of a registered public offering and to the extent possible, a copy of the prospectus included in the registration statement filed with respect to such offering) no later than five Business Days, as the case may be, after the initial filing of a registration statement with the SEC with respect to an underwritten public offering, after the commencement of marketing with respect to a Rule 144A offering or after Company commences the marketing of any other offering; provided that for purposes of this Section 6.3, in addition to providing notice to Purchaser in accordance as set forth above, Company shall use its commercially reasonable efforts to effect actual notice of Purchaser as promptly as practicable, including via telephone and/or electronic mail (provided that Company shall contact only those persons listed in Section 9.6 of this Agreement and shall have no obligation to use electronic mail if such electronic mail would be required to be filed with the SEC). Company may provide such notice to Purchaser on a confidential basis (and Purchaser shall keep the information conveyed by notice confidential) prior to public disclosure of such offering. Purchaser shall have (i) twenty Business Days from the date of receipt of notice as set forth above but without accounting for any notice provided pursuant to the proviso above requiring Company to use commercially reasonable efforts to provide notice via telephone and/or electronic mail or, (ii) in the case of a “shelf takedown” from a shelf registration statement, two days from the receipt of such notice (such twenty or two day period, as applicable, the “Response Period”) to notify Company in writing whether it will exercise such subscription rights and as to the amount of New Securities Purchaser desires to purchase, up to its pro rata share of New Securities being offered. Such notice shall constitute a binding commitment by Purchaser to purchase the amount of New Securities so specified at the price and other terms set forth in Company’s notice to it and subject to other customary closing conditions and provided, with respect to a registered offering, that such notice shall not be binding unless and until Company can accept a binding commitment under applicable Laws. The failure of Purchaser to respond within the Response Period shall be deemed to be a waiver of Purchaser’s rights under this Section 6.3 only with respect to the offering described in the applicable notice.

(c) Purchase Mechanism. Subject to the next sentence, each of Company and Purchaser agrees to use its commercially reasonable efforts to secure any regulatory or stockholder approvals or other consents, and to comply with any law or regulation necessary in connection with and prior to the offer, sale and purchase of such New Securities, including calling a meeting of Company’s stockholders to vote on any matters requiring stockholder approval in connection with the offer, sale and purchase of such New Securities (the “Subscription Proposals”), recommending to Company’s stockholders that such stockholders vote in favor of any Subscription Proposals and soliciting proxies for approval of any Subscription Proposals. By the earlier of (i) within one hundred eighty (180) days after Closing and (ii) twenty (20) Business Days prior to the offer, sale and purchase of New Securities, Company shall amend its certificate of incorporation in order to permit Purchaser’s exercise of its rights under this Section 6.3 and such amendment shall be in form and substance reasonably satisfactory to Purchaser.

(d) Failure to Purchase. In the event Purchaser fails to exercise its subscription rights provided in this Section 6.3 within the Response Period, or, if so exercised, such Purchaser is unable to consummate such purchase upon the closing of the sale and issuance of New Securities for any reason, Company shall thereafter be entitled during the period of 60 days following the conclusion of the applicable period to sell or enter into an agreement (pursuant to which the sale of the New Securities covered thereby shall be consummated, if at all, within 30 days from the date of said agreement) to sell the New Securities not elected to be purchased pursuant to this Section 6.3 or which Purchaser

does not or is unable to purchase, at a price and upon terms no more favorable to purchasers of such securities than were specified in Company's notice to such Purchaser. Notwithstanding the foregoing, if such sale is subject to the receipt of any regulatory or stockholder approval or consent or the expiration of any waiting period, the time period during which such sale may be consummated shall be extended until the expiration of five Business Days after all such approvals or consents have been obtained or waiting periods expired, but in no event shall such time period exceed 90 days from the date of the applicable agreement with respect to such sale. In the event Company has not sold the New Securities or entered into an agreement to sell the New Securities within said 60-day period (or sold and issued New Securities in accordance with the foregoing within 30 days from the date of said agreement (as such period may be extended in the manner described above for a period not to exceed 90 days from the date of said agreement)), Company shall not thereafter offer, issue or sell such New Securities without first offering such securities to such Purchaser in the manner provided above.

(e) Non-Cash Consideration. In the case of the offering of securities for a consideration in whole or in part other than cash, including securities acquired in exchange therefor (other than securities by their terms so exchangeable), the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors; provided, however, that such fair value as determined by the Board of Directors shall not exceed the aggregate market price of the securities being offered as of the date the Board of Directors authorizes the offering of such securities.

(f) Cooperation. Company and Purchaser shall cooperate in good faith to facilitate the exercise of such Purchaser's rights pursuant to this Section 6.3, including securing any required approvals or consents.

The NNA Financing, including the Subscription Rights, were each approved by our Board of Directors at the time of the NNA Financing. The Subscription Rights were structured such that NNA does not have any right until a Triggering Event occurs. As of the date of this calendar year 2014 Annual Meeting, the Subscription Rights have not been triggered. Proposal No. 4 above, requests that the stockholders consent to the amendment of the Certificate to delete any restriction or limitation regarding pre-emptive rights therein. In connection with that consent, NNA has requested that the Company seek ratification of the Company granting the Subscription Rights to NNA.

Resolution Proposed for Approval by the Stockholders

The following resolution is offered for stockholder approval:

RESOLVED, that the Subscription Rights granted to NNA of Nevada, Inc. in connection with the NNA Financing, are hereby approved and ratified.

APOLLOMED'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE GRANT TO NNA OF NEVADA, INC. OF CERTAIN SUBSCRIPTION AND OTHER RIGHTS RELATED TO FUTURE ISSUANCES OF APOLLOMED'S EQUITY SECURITIES.

PROPOSAL NO. 6

AMENDMENT OF CERTIFICATE OF INCORPORATION TO EFFECT REVERSE STOCK SPLIT OF THE SHARES OF COMMON STOCK

Summary of Proposal

Subject to the affirmative vote of a majority of the shares of the common stock present, in person or by proxy, and entitled to vote at the calendar year 2014 Annual Meeting, ApolloMed's Board of Directors has adopted an amendment to the Certificate to effect a reverse split of our outstanding shares of common stock by a ratio of not less than one-for-five (1:5) and not greater than one-for-thirty (1:30), with the exact reverse split ratio and effective date to be decided and publicly announced by the Board of Directors prior to the effective time of the reverse stock split amendment. If the stockholders approve this Proposal No. 6, the Board of Directors will have the authority to decide, at any time prior to twelve months after the date of the calendar year 2014 Annual Meeting, whether to implement the reverse stock split and the precise ratio of the reverse stock split within the range specified above. If the Board of Directors decides to implement the reverse stock split, the reverse stock split will become effective upon the filing of an amendment to the Certificate with the Secretary of State of the State of Delaware ("Reverse Split Amendment").

Discussion

If the stockholders approve this Proposal No. 6, the Board of Directors would carry out the reverse stock split only upon the Board of Directors' determination that the reverse stock split would be in the best interests of the stockholders at that time. The Board of Directors believes that it is in the best interests of our stockholders for the Board of Directors to obtain the discretionary authority to implement a reverse stock split in order to list on a national securities exchange, such as the Nasdaq Stock Market or the New York Stock Exchange. Such a listing could make our common stock more attractive to a broader range of institutional and other investors, and would allow us to seek a broader range of financing options. Many brokerage houses and institutional investors have adopted internal policies and practices that either prohibit or discourage them from investing in low-priced stocks or recommending such stocks to their customers because of the trading volatility often associated with such stocks.

The Board of Directors reserves the right, even after stockholder approval, to abandon or postpone the filing of the Reverse Split Amendment if the Board of Directors determines that it is not in the best interests of ApolloMed and the stockholders. If the amendment effecting the reverse stock split proposal approved by the stockholders is not

implemented by the Board of Directors within twelve months from the calendar year 2014 Annual Meeting, the proposal will be deemed abandoned, without any further effect. In that case, the Board of Directors may again seek stockholder approval at a future date for a reverse stock split if it deems a reverse stock split to be advisable at that time.

The reverse stock split will have no effect on the par value of our common stock. ApolloMed will pay cash in lieu of any fractional shares resulting from the reverse stock split. The proposed form of amendment to the Certificate to implement the reverse stock split is attached to this Proxy Statement as Annex A.

Resolution Proposed for Approval by the Stockholders

The following resolution is offered for stockholder approval:

RESOLVED, that the amendment of the Company's Certificate of Incorporation, as amended, to effect a reverse split of our outstanding shares of common stock by a ratio of not less than one-for-five (1:5) and not greater than one-for-thirty (1:30), with whether to implement the reverse stock split to be determined by the Board of Directors, and, if it shall so determine, with the exact reverse split ratio and effective date to be decided and publicly announced by the Board of Directors prior to the effective time of the reverse stock split amendment, is hereby approved and ratified.

If approved by our stockholders, the foregoing amendment to the Certificate would become effective upon filing of a certificate setting forth the amendment with the Secretary of State of Delaware, which the Board will file, if at all, at such time that it determines such amendment would be in the best interests of the stockholders.

APOLLOMED'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE CERTIFICATE TO EFFECT A REVERSE SPLIT OF ITS OUTSTANDING SHARES OF COMMON STOCK BY A RATIO OF NOT LESS THAN ONE-FOR-FIVE (1:5) AND NOT GREATER THAN ONE-FOR-THIRTY (1:30), WITH WHETHER TO IMPLEMENT THE REVERSE STOCK SPLIT TO BE DETERMINED BY THE BOARD OF DIRECTORS, AND, IF IT SHALL SO DETERMINE, WITH THE EXACT REVERSE SPLIT RATIO AND EFFECTIVE DATE TO BE DECIDED AND PUBLICLY ANNOUNCED BY THE BOARD OF DIRECTORS PRIOR TO THE EFFECTIVE TIME OF THE REVERSE STOCK SPLIT AMENDMENT.

PROPOSAL NO. 7

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Background to the Advisory Vote

Under an amendment to the Exchange Act adopted by Congress as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), stockholders can vote to approve, on an advisory (non-binding) basis, no less frequently than once every three years, the compensation of the Named Executive Officers of ApolloMed. In connection with Proposal No. 8 below, which addresses the frequency of our “say-on-pay” vote, the Board of Directors of ApolloMed recommends that the stockholders vote to hold an advisory vote on executive compensation in the Proxy Statement at each Annual Meeting of the stockholders. If that recommendation is approved by our stockholders, the next advisory vote on executive compensation will be held at our calendar year 2015 Annual Meeting.

Discussion

We are hereby providing our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Please refer to our compensation of our Named Executive Officers disclosed above. We seek to closely align the interests of our Named Executive Officers (which for smaller reporting companies like ApolloMed is generally the Chief Executive Officer and the 2 other most highly compensated executive officers) with the interests of our stockholders. Our compensation programs are designed to reward our Named Executive Officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total stockholder value, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

Resolution Proposed for Approval by the Stockholders

The following resolution is offered for stockholder approval:

RESOLVED that the compensation paid to this corporation's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K for smaller reporting companies, including the tables and narrative discussion, is hereby approved.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our Named Executive Officers, as described in this Proxy Statement. This vote is advisory, which means that it is not binding on us, our Board of Directors. Our Board of Directors values the views of our stockholders and will take into account the outcome of the vote when considering future compensation decisions for our Named Executive Officers.

APOLLOMED'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF APOLLOMED'S COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THE "EXECUTIVE COMPENSATION" SECTION OF THIS PROXY STATEMENT.

PROPOSAL NO. 8

ADVISORY VOTE ON THE FREQUENCY OF AN

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Background to the Advisory Vote

The Dodd-Frank Act also provides that stockholders must be given the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently ApolloMed should seek future advisory votes on the compensation of our Named Executive Officers as disclosed in accordance with the compensation disclosure rules of the Securities and Exchange Commission, which we refer to as an advisory vote on the compensation of our Named Executive Officers. In voting on this Proposal No. 8, stockholders may indicate whether they would prefer that we conduct future advisory votes on the compensation of our Named Executive Officers once every one, two or three years. Stockholders also may, if they wish, abstain from casting a vote on this proposal.

Discussion

On this resolution, a stockholder may cast a vote on the preferred voting frequency by selecting the option of one year, two years or three years, or may abstain. The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of our Board of Directors. The option receiving the most votes, whether one year, two years or three years, will be the option chosen by the stockholders.

Our Board of Directors has determined that an annual advisory vote on the compensation of our Named Executive Officers will allow our stockholders to provide timely, direct input on our compensation philosophy, policies and practices as disclosed in our Proxy Statement each year. Our Board of Directors believes that an annual vote is therefore consistent with our efforts to engage in an ongoing dialogue with our stockholders on the compensation of our Named Executive Officers and other corporate governance matters.

ApolloMed recognizes that the stockholders may have different views as to the best approach, and therefore we look forward to hearing from our stockholders as to their preferences on the frequency of an advisory vote on the compensation of our Named Executive Officers.

Resolution Proposed for Approval by the Stockholders

The following resolution is offered for stockholder approval:

RESOLVED that the stockholders recommend, in a non-binding advisory vote, whether a non-binding advisory vote to approve the compensation of this corporation's named executive officers should occur every one, two or three years.

This vote is advisory, which means that it is not binding on us or our Board of Directors. Our Board of Directors will, however, take into account the outcome of the vote when considering the frequency of future advisory votes on the compensation of our Named Executive Officers. Our Board of Directors may decide that it is in the best interests of our stockholders to hold an advisory vote on the compensation of our Named Executive Officers more or less frequently than the frequency receiving the most votes cast by our stockholders.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE OPTION OF “ONE YEAR” AS THE PREFERRED FREQUENCY FOR ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who beneficially own more than 10% of our outstanding common stock, to file with the SEC (“Covered Persons”), initial reports of ownership and reports of changes in ownership of our equity securities. Such persons are required by SEC regulations to furnish us with copies of all such reports they file, and we are required to identify Covered Persons that we know have failed to file or filed late Section 16(a) reports. To our knowledge, we believe that our Covered Persons complied with all Section 16(a) filing requirements applicable to them, except that: Messrs. Francis, Schreck, Augusta, Meyers, Creem, and Schmidt failed to file Forms 3 timely when they became obligated to commence Section 16(a) reporting; Messrs. Hosseinion, Francis, Schreck, Meyers, Creem, Nihalani and Augusta failed to file Forms 4 timely with respect to acquisitions of securities of our common stock.
