SOLICITATION OF PROXY

The accompanying proxy is solicited on behalf of the board of directors (the Board of Directors) of Intellicheck Mobilisa, Inc. (Intellicheck Mobilisa, or the Company), for use at the annual meeting of stockholders of the Company (the Annual Meeting) to be held Wednesday, May 6, 2015 at the Embassy Suites Hotel, 1900 Diagonal Road, Alexandria, Virginia 22314. The meeting will begin promptly at 1:00 p.m., Eastern Time. This proxy statement contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting. In addition to mail, proxies may be solicited by personal interview, telephone or telegraph by our officers and regular employees, without additional compensation. We will bear the cost of solicitation of proxies. Brokerage houses, banks and other custodians, nominees and fiduciaries will be reimbursed for out-of-pocket and reasonable expenses incurred in forwarding proxies and proxy statements. The Board of Directors has set April 2, 2015, as the record date (the Record Date) to determine those holders of record of common stock, par value \$0.001 (Common Stock) who are entitled to notice of, and to vote at the Annual Meeting. Each share of Common Stock entitles its owner to one vote. On the Record Date, there were shares outstanding. On or about April , 2015, this Proxy Statement and the proxy card (the Proxy Card or Proxy) are being mailed to stockholders of record as of the close of business on April 2, 2015.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting on the following:

- The election of five directors, each to serve until the next annual meeting;
- The approval of the Company's 2015 Omnibus Incentive Plan; and
- The ratification of the appointment of EisnerAmper, LLP, as our independent registered public accountant firm.

Who is entitled to vote at the meeting?

You may vote if you owned Common Stock as of the close of business on April 2, 2015. Each share of Common Stock is entitled to one vote.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, a majority of the combined voting power of our Common Stock as of April 2, 2015, must be present at the meeting. This is referred to as a quorum. We believe that on April 2, 2015, there were outstanding shares of Common Stock entitled to vote.

How do I vote?

You can vote in two ways:

by attending the meeting in person; or
by completing, signing and returning the enclosed Proxy Card.

1

Can I change my mind after I submit my Proxy?

Yes, you may change your mind at any time before a vote is taken at the meeting. You can do this by (1) signing another Proxy with a later date and submitting it in the same manner as the prior Proxy was submitted; (2) if you hold your shares in your name, voting again at the meeting; or (3) if you hold your shares in street name, arranging with your broker to vote your shares at the annual meeting.

What if I return my Proxy Card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the nominated directors, and FOR the approval of the appointment of our independent public accountants.

What does it mean if I receive more than one Proxy Card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Continental Stock Transfer and Trust Company. The transfer agent's telephone number is (212) 509-4000.

Will my shares be voted if I do not provide my Proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a Proxy. Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain routine matters, including approval of the appointment of independent public accountants. When a brokerage firm votes its customer's unvoted shares, these shares are counted for purposes of establishing a quorum. At our meeting, these shares will be counted as voted by the brokerage firm in the approval of the appointment of our independent public accountants.

What vote is required to approve each item?

The affirmative vote of a plurality of the votes cast at the annual meeting is required for approval of the election of directors and the affirmative vote of a majority of the votes cast is required for the ratification of the appointment of our independent public accountants.

Do we currently have, or do we intend to submit for shareholder approval, any anti-takeover device?

Our Certificate of Incorporation, Bylaws and other corporate documents do not contain any provisions that contain material anti-takeover aspects. We have no plans or proposals to submit any other amendments to the Certificate of Incorporation or Bylaws, or other measures in the future that have anti-takeover effects.

Directors generally serve for a one-year term and hold office until the next annual meeting of stockholders following the conclusion of their term and the election and qualification of their successors. Executive officers are appointed by and serve at the discretion of the Board of Directors.

Board Leadership Structure

The current Chairman of the Board of Directors is Vice Admiral Michael D. Malone, who is an independent director under NYSE MKT listing standards. The roles of Chairman of the Board and Chief Executive Officer are separate.

The Board of Directors believes that the separation of the offices of the Chairman of the Board and Chief Executive Officer allows the Company's Chief Executive Officer to focus primarily on the Company's business strategy, operations and corporate vision. The Board of Directors consists of a majority of independent directors, and each of the committees of the Board of Directors is comprised solely of independent directors. The Company does not have a policy mandating an independent lead director. The independent directors meet at least annually in executive session without the presence of non-independent directors.

Risk Oversight

While management is responsible for assessing and managing risks to the Company, the Board of Directors is responsible for overseeing management's efforts to assess and manage risk. Risks are considered in virtually every business decision and as part of the Company's overall business strategy. The Board of Directors' risk oversight areas of focus include, but are not limited to:

managing the Company's long-term growth;
strategic and operational planning, including significant acquisitions and the evaluation of our capital structure; and
legal and regulatory compliance.

While the Board of Directors has the ultimate oversight responsibility for the Company's risk management policies and processes, the committees of the Board of Directors also have responsibility for risk oversight. The Audit Committee oversees risks associated with our financial statements and financial reporting, mergers and acquisitions, credit and liquidity, and business conduct compliance. The Compensation Committee considers the risks associated with our compensation policies and practices with respect to both executive compensation and employee compensation generally. The Corporate Governance and Nominating Committee oversee risks associated with our overall governance practices and the leadership structure of the Board of Directors. The Board of Directors stays informed of each committee's risk oversight and other activities via regular reports of the committee chairs to the full Board of Directors. The Board of Directors' role in risk oversight is consistent with our leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and the Board of Directors and committees providing oversight in connection with those efforts.

Section 16(a) Beneficial Ownership Reporting Compliance

The Securities and Exchange Commission has adopted rules relating to the filing of ownership reports under Section 16(a) of the Securities Exchange Act of 1934. One such rule requires disclosure of filings, which under the Commission's rules, are not deemed to be timely. During our review of Forms 3, it was determined that the Company failed to file a timely report regarding the grant of 16,250 stock options on August 11, 2014 to Dr. Roof; however, such failure was remedied by the reporting of this transaction on September 17, 2014. During our review of Forms 4, it was determined that the Company failed to file a timely report regarding the grant of 60,000 stock options on October 1, 2014; however, such failure was remedied by the reporting of this transaction on October 24, 2014.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the fiscal year ended December 31, 2014, the Board of Directors held 3 meetings, the Audit Committee held 4 meetings, the Nominating and Corporate Governance held 4 meetings and the Compensation Committee held 6 meetings outside of the normal quarterly board meetings. All of the directors attended at least 75% of the aggregate of all Board meetings and meetings of committees on which they served. The Board of Directors has determined that Messrs. Smith, Malone, Davis, Georges, and Bedard are each independent directors as defined in Section 803(A) of the NYSE MKT listing standards. The Company does not have a written policy relating to attendance by members of the Board of Directors at annual shareholder meetings. However, it is communicated and understood by all directors that they are required to attend barring any unforeseen circumstance. All directors who were directors at the time of last year's annual shareholder meeting attended last year's annual shareholder meeting.

Compensation Committee

The Board of Directors established a Compensation Committee, which is currently comprised of Mr. Smith, chairperson, Mr. Bedard, Mr. Davis and Mr. Malone, each of whom is independent as defined in Section 803(A) of the NYSE MKT listing standards. The Compensation Committee reviews and recommends to the board the compensation for all officers and directors of the Company and reviews general policy matters relating to the compensation and benefits of all employees. The Compensation Committee also administers the stock option plans.

The Compensation Committee may not delegate its duties. The Compensation Committee has adopted a written charter, which is available on the Company's Web site at <http://www.icmobil.com/about/investor-relations>. The charter sets forth responsibilities, authority and specific duties of the Compensation Committee.

Compensation Committee Report

The Compensation Committee Report is not to be deemed to be soliciting material or to be filed with the SEC or subject to Regulation 14A or 14C or to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that such information be treated as soliciting material or specifically incorporates it by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on this review and discussion, the Compensation Committee has recommended to the Company's Board of Directors that the Compensation Discussion and Analysis be included in this Annual Report on Form 10-K.

Compensation Committee:

Emil R. Bedard, Member
Jack A. Davis, Member
Michael D. Malone, Member

Corporate Governance and Nominating Committee

The Board of Directors established a Corporate Governance and Nominating Committee, which is comprised of Mr. Bedard, chairperson, Mr. Davis and Mr. Georges, each of whom is independent as defined in Section 803(A) of the NYSE MKT's listing standards. The Corporate Governance and Nominating Committee review our internal policies and procedures and by-laws. With respect to nominating director candidates, this committee identifies and evaluates potential director candidates and recommends candidates for appointment or election to the Board. The Nominating and Corporate Governance Committee has adopted a written charter, which is available on the Company's Web site at <http://www.icmobil.com/about/investor-relations>. The charter sets forth responsibilities, authority and specific duties of the Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other board members, and specialized knowledge or experience. Depending upon the current needs of our Board of Directors, certain factors may be considered more than others by the Committee in making its recommendation. In considering candidates for our Board of Directors, the Corporate Governance and Nominating Committee will evaluate the entirety of each

candidate's credentials and, other than the eligibility requirements established by the Corporate Governance and Nominating Committee, will not have any specific minimum qualifications that must be met by a nominee. The Corporate Governance and Nominating Committee will consider candidates for the Board from any reasonable source, including current board members, stockholders, professional search firms or other persons. The Corporate Governance and Nominating Committee will not evaluate candidates differently based on who has made the recommendation.

7

Although we do not currently have a formal policy or procedure for shareholder recommendations of director candidates, the Board of Directors welcomes such recommendations and will consider candidates recommended by stockholders. Because we do not prohibit or restrict such recommendations, we have not implemented a formal policy with respect to shareholder recommendations.

Audit Committee

The Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, which is currently comprised of Vice Admiral Michael D. Malone, chairperson, William P. Georges and Guy L. Smith. The members of the Audit Committee are independent as defined in Section 803(A) of the NYSE MKT's listing standards. The Audit Committee recommends to the Board of Directors the annual engagement of a firm of independent accountants and reviews with the independent accountants the scope and results of audits, our internal accounting controls and audit practices and professional services rendered to us by our independent accountants. The Audit Committee has adopted a written charter, which sets forth the responsibilities, authority and specific duties of the Audit Committee. A copy of the Audit Committee charter is incorporated by reference to Registrant's Proxy Statement on Schedule 14A filed April 27, 2007.

The Board of Directors has determined that it has at least one audit committee financial expert serving on the audit committee. Mr. Malone has vast corporate experience including his position as President of Skarven Enterprises. He is considered an audit committee financial expert and is the Chairman of the Board of Directors.

Audit Committee Report

The following shall not be deemed to be soliciting material or to be filed with the Commission nor shall such information be incorporated by reference into any future filing of Intellicheck Mobilisa under the Securities Act of 1933 or the Exchange Act.

With respect to the audit of the fiscal year ended December 31, 2014, and as required by its written charter which sets forth its responsibilities and duties, the Audit Committee has reviewed and discussed the Company's audited financial statements with management.

In the course of its review, the Audit Committee has discussed with EisnerAmper, LLP, the Company's Independent Registered Public Accounting Firm, those matters required to be discussed by Statement on Accounting Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T.

The Audit Committee has received from and discussed with EisnerAmper LLP, the written disclosures and the letter required by applicable requirements of the PCAOB regarding the firm's communications with the Audit Committee concerning independence and has discussed with EisnerAmper LLP its independence. These disclosures relate to the firm's independence from the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014.

EXECUTIVE COMPENSATION

This compensation discussion describes the material elements of compensation awarded to, earned by, or paid to each of Intellicheck Mobilisa's executive officers who served as named executive officers during the last completed fiscal year. This compensation discussion focuses on the information contained in the following tables and related footnotes and narrative for primarily the last completed fiscal year, but also describes compensation actions taken before or after the last completed fiscal year to the extent it enhances the understanding of Intellicheck Mobilisa's executive compensation disclosure.

The Compensation Committee currently oversees the design and administration of Intellicheck Mobilisa's executive compensation program and compensation for the Board of Directors.

The principal elements of Intellicheck Mobilisa's executive compensation program are base salary, annual cash incentives, long-term equity incentives in the form of stock options and other benefits. Intellicheck Mobilisa's other benefits consist of reimbursed business travel and entertainment expenses, health insurance benefits, vacation and sick pay and a qualified 401(k) savings plan. Intellicheck Mobilisa's philosophy is to position the aggregate of these elements at a level that is commensurate with Intellicheck Mobilisa's size and performance.

Compensation Program Objectives and Philosophy

In General. The objectives of Intellicheck Mobilisa's compensation programs are to:

- attract, motivate and retain talented and dedicated executive officers;
- provide Intellicheck Mobilisa's executive officers with both cash and equity incentives to further Intellicheck Mobilisa's interests and those of Intellicheck Mobilisa's stockholders; and
- provide employees with long-term incentives so Intellicheck Mobilisa can retain them and provide stability during Intellicheck Mobilisa's growth stage.

Generally, the compensation of Intellicheck Mobilisa's executive officers is composed of a base salary, an annual incentive compensation award and equity awards in the form of stock options. In setting base salaries, the Compensation Committee generally reviews the individual contributions of the particular executive. Annual incentive compensation awards for 2013 and 2014 have been paid in accordance with the Executive Compensation Bonus Plan approved by the Compensation Committee based on expected Company performance. In addition, stock options are granted to provide the opportunity for long-term compensation based upon the performance of Intellicheck Mobilisa's common stock over time.

Intellicheck Mobilisa generally intends to qualify executive compensation for deductibility without limitation under Section 162(m) of the Internal Revenue Code. Section 162(m) provides that, for purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or accrued with respect to a covered employee of a publicly-held corporation (other than certain exempt performance-based compensation) is limited to no more than \$1.0 million per year. The non-exempt compensation paid to any of our executive officers for fiscal 2014 as calculated for purposes of Section 162(m) did not exceed the \$1.0 million limit.

Competitive Marketplace for Talent. Intellicheck Mobilisa defines its competitive marketplace for executive talent and investment capital to be the technology and business services industries. To date, Intellicheck Mobilisa has not engaged in the benchmarking of executive compensation but Intellicheck Mobilisa may choose to do so in the future.

Compensation Process. For each of Intellicheck Mobilisa's named executive officers, the Compensation Committee

reviews and approves all elements of compensation, taking into consideration recommendations from Intellicheck Mobilisa's Chief Executive Officer (for compensation other than his own), as well as competitive marketplace guidance. Based upon its review, the Compensation Committee approves salaries for executive officers. The Compensation Committee sets the salary level of each executive officer on a case by case basis, taking into account the individual's level of responsibilities and performance. All executive officer salaries are reviewed on an annual basis. Salary changes for executives are based primarily on their performance in supporting the strategic initiatives of the Chief Executive Officer, economic and competitive

factors, meeting individual goals and objectives set by the Chief Executive Officer, and improving the operating efficiency of the company. Also, where applicable, changes in the duties and responsibilities of each other executive officer may be considered in deciding on changes in annual salary. For 2014, the aggregate of the compensation paid to Intellicheck Mobilisa's Chief Executive Officer and other executive officers was \$1,566,968.

Executive Officer Bonuses. The Board of Directors discontinued the Executive Compensation Bonus Plan in November 2013. Accordingly, during 2014 and 2013, no bonuses were paid under the Executive Compensation Bonus Plan.

Stock Option Grants. The Compensation Committee currently administers Intellicheck Mobilisa's stock option and equity incentive plans for executive officers, employees, consultants and outside directors. Under the plans, the Compensation Committee grants options to purchase Common Stock with an exercise price of no less than the fair market value of the Common Stock on the date of grant. The Compensation Committee believes that providing stock options to the executive officers, who are responsible for Intellicheck Mobilisa's management and growth, gives them an opportunity to own Intellicheck Mobilisa stock and better aligns their interests with the interests of the stockholders. It also promotes retention of the officers because of the vesting provisions of the option grants and the potential for stock price appreciation.

For these reasons, the Compensation Committee considers stock options as an important element of compensation when it reviews executive officer compensation. At its discretion, the Compensation Committee also grants options based on individual and corporate achievements.

Normally, the Chief Executive Officer makes a recommendation to the Committee for awards to be made to executive officers other than the Chief Executive Officer. The Committee approves grants made to the Chief Executive Officer and other executive officers and, in certain cases, recommends grants for approval by the entire Board. The Compensation Committee determines the number of shares underlying each stock option grant based upon the executive officer's and Intellicheck Mobilisa's performance, the executive officer's role and responsibilities at Intellicheck Mobilisa and the executive officer's base salary.

Chief Executive Officer Compensation. Dr. Roof receives an annual base salary of \$250,000. Dr. Roof may also receive an annual bonus based on reasonable objectives established by the Company's Board of Directors. In addition, Dr. Roof is entitled to receive benefits in accordance with the Company's existing benefit policies and is reimbursed for Company expenses in accordance with the Company's expense reimbursement policies.

The determination of the base salary to be paid to the Chief Executive Officer was based on a number of factors including the position's historical compensation and the relative compensation in comparison to the other existing senior executives in the Company. In deciding on future changes in the base salary of the Chief Executive Officer, the Compensation Committee will consider several performance factors. Among these are operating and administrative efficiency and the maintenance of an appropriately experienced management team. The Compensation Committee also evaluates the Chief Executive Officer's performance in the area of finding and evaluating new business opportunities to establish the most productive strategic direction for Intellicheck Mobilisa.

Chief Financial Officer. Effective April 1, 2012, Bill White was appointed Chief Financial Officer of the Company. In connection with his employment at the Company, Mr. White receives a base salary of \$194,250.

Severance and Change-in-Control Agreements

On September 30, 2014, the Company entered into a Severance Agreement with Bill White, the Company's Chief Financial Officer. Under the agreement, if Mr. White is terminated for any reason other than cause, the Company would pay Mr. White one (1) year base salary in accordance with the Company's regular payroll schedule. Mr. White would also be entitled to a gross amount equal to any quarterly bonus target applicable during the quarter, accelerated vesting of all outstanding stock options and coverage of health benefits for a period of up to 12 months. The agreement has a term of three years.

Effective October 1, 2014, the Company entered into an Executive Employment Agreement with Dr. Roof, the Company's Chief Executive Officer. The agreement provides for an annual base salary of \$250,000. Under the agreement, if Dr. Roof is terminated for any reason other than cause, the Company would pay Dr. Roof the greater of:

(a) 12 months if the Separation Date occurs less than 24 months after commencement of Dr. Roof's employment as Chief Executive Officer, and (b) 24 months if the Separation Date occurs 24 months or more after the commencement of Dr. Roof's employment as Chief Executive Officer. Dr. Roof was also granted an option to purchase 60,000 shares of Company stock, subject to a 4 year vesting schedule.

Effective December 15, 2014, the company entered into an Executive Employment Agreement with Mr. Williamsen, the Company's Chief Revenue Officer. The agreement provides for an annual base salary of \$225,000. Mr. Williamsen was also granted an option to purchase 100,000 shares of company stock, subject to a 4 year vesting schedule.

Each of the agreements requires the executive to devote substantially all his time and efforts to our business and contains non-competition and nondisclosure covenants of the officer for the term of his employment and for a one year period thereafter. Each agreement provides that we may terminate the agreement for cause.

Stock Option and Equity Incentive Plans

The principal purpose of the Stock Option and Equity Incentive Plans is to attract, motivate, reward and retain selected employees, consultants and directors through the granting of stock-based compensation awards. The Plans provide for a variety of awards, including non-qualified stock options, incentive stock options (within the meaning of Section 422 of the Code), stock appreciation rights, restricted stock awards, performance-based awards and other stock-based awards.

The Company adopted several Stock Option Plans from 1998 through 2004 (and an amendment to the 2004 plan in 2006 pursuant to which the plan was renamed the 2006 Equity Incentive Plan and amended to provide for the issuance of other types of equity incentives such as restricted stock grants) (collectively, the Plans) covering up to 781,250 of the Company's common shares, pursuant to which officers, directors, key employees and consultants to the Company are eligible to receive incentive stock options and nonqualified stock options. The Compensation Committee of the Board of Directors administers the Plans and determines the terms and conditions of options granted, including the exercise price. The Plans generally provide that all stock options will expire within ten years of the date of grant.

Incentive stock options granted under the Plans must be granted at an exercise price that is not less than the fair market value per share at the date of the grant and the exercise price must not be less than 110% of the fair market value per share at the date of the grant for grants to persons owning more than 10% of the voting stock of the Company. The Plans also entitle non-employee directors to receive grants of non-qualified stock options as approved by the Board of Directors.

Administration. The Plans are currently administered by the Compensation Committee as designated by the Board of Directors. The Compensation Committee has the power to interpret the Plans and to adopt rules for the administration, interpretation and application according to terms of the Plans.

Grant of Awards; Shares Available for Awards. Certain employees, consultants and directors are eligible to be granted awards under the Plans. The Compensation Committee will determine who will receive awards under the Plans, as well as the form of the awards, the number of shares underlying the awards, and the terms and conditions of the awards consistent with the terms of the Plans.

A total of 76,291 shares of Intellicheck Mobilisa's Common Stock are available for issuance or delivery under the existing Plans. The number of shares of the Company's Common Stock issued or reserved pursuant to the Plans will be adjusted at the discretion of the Board of Directors or the Compensation Committee as a result of stock splits, stock dividends and similar changes in the Company's Common Stock.

Stock Options. The Plans permit the Compensation Committee to grant participants incentive stock options, which qualify for special tax treatment in the United States, as well as non-qualified stock options. The Compensation Committee will establish the duration of each option at the time it is granted, with maximum ten-year duration for incentive stock options, and may also establish vesting and performance requirements that must be met prior to the exercise of options. Stock option grants (other than incentive stock option grants) also may have exercise prices that are less than, equal to or greater than the fair market value of the Company's Common Stock on the date of grant. Incentive stock options must have an exercise price that is at least equal to the fair market value of the Company's Common Stock on the date of grant. Stock option grants may include provisions that permit the option holder to exercise all or part of the holder's vested options, or to satisfy withholding tax liabilities, by tendering shares of the Company's Common Stock already owned by the option holder for at least six months (or another period consistent with the applicable accounting rules) with a fair market value equal to the exercise price.

Other Equity-Based Awards. In addition to stock options, the Compensation Committee may also grant certain employees, consultants and directors shares of restricted stock, with terms and conditions as the Compensation Committee may, pursuant to the terms of the 2006 Plan, establish. The 2006 Plan does not allow awards to be made under terms and conditions which would cause such awards to be treated as deferred compensation subject to the rules of Section 409A of the Code.

Change-in-Control Provisions. In connection with the grant of an award, the Compensation Committee may provide that, in the event of a change in control, any outstanding awards that are unexercisable or otherwise unvested will become fully vested and immediately exercisable.

Amendment and Termination. The Compensation Committee may adopt, amend and rescind rules relating to the administration of the Plans, and amend, suspend or terminate the Plans, but no amendment will be made that adversely affects in a material manner any rights of the holder of any award without the holder's consent, other than amendments that are necessary to permit the granting of awards in compliance with applicable laws. Intellicheck Mobilisa attempted to structure the Plans so that remuneration attributable to stock options and other awards will not be subject to a deduction limitation contained in Section 162(m) of the Code.

The following table summarizes options and restricted stock units granted during the years ended December 31, 2014 and 2013 to the named executive officers:

CERTAIN RELATED PARTY TRANSACTIONS

The Corporate Governance and Nominating Committee reviews transactions with firms associated with directors and nominees for director. Intellicheck Mobilisa's management also monitors such transactions on an ongoing basis. Executive officers and directors are governed by Intellicheck Mobilisa's Code of Business Conduct and Ethics, which provides that waivers may only be granted by the Board of Directors and must be promptly disclosed to stockholders.

Proposal No. 2

APPROVAL OF THE 2015 OMNIBUS INCENTIVE PLAN

Background

On March 19, 2015, the Board of Directors approved, subject to shareholder approval, the Intellicheck Mobilisa, Inc. 2015 Omnibus Incentive Plan (the 2015 Plan). If the 2015 Plan is approved by our stockholders, it will authorize the issuance of a number of shares of Company common stock equal to 2,000,000 shares. The 2015 Plan will replace the Intellicheck Mobilisa, Inc. 2006 Equity Incentive Plan (the Predecessor Plan), and no new awards will be granted under the Predecessor Plan. Any awards outstanding under the Predecessor Plan on the date of shareholder approval of the 2015 Plan will remain subject to and be paid under the Predecessor Plan, and any shares subject to outstanding awards under the Predecessor Plan that subsequently cease to be subject to such awards (other than by reason of settlement of the awards in shares) will automatically become available for issuance under the 2015 Plan. As of the date of this Proxy Statement, only 76,291 shares remain available under the Predecessor Plan

The Board of Directors recommends that stockholders approve the 2015 Plan. The purpose of the 2015 Plan is to enhance the Company s ability to attract and retain highly qualified officers, non-employee directors, key employees, consultants and advisors, and to motivate such service providers to serve the Company and to expend maximum effort to improve the business results and earnings of the Company, by providing to such persons an opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company.

The 2015 Plan also allows the Company to promote greater ownership in the Company by such service providers in order to align their interests more closely with the interests of the Company s stockholders. Shareholder approval of the 2015 Plan will also enable the Company to grant awards under the 2015 Plan that are designed to qualify for special tax treatment under Section 422 of the Code, and to enable the Company to design both cash-based and equity-based awards intended to be fully deductible as performance-based compensation under Code Section 162(m). As compared to the Predecessor Plan, the 2015 Plan will provide the Company with greater flexibility as to the types of incentive compensation awards that it may provide, including awards of stock options, stock appreciation rights and other stock-based awards.

Under Code Section 162(m), we are generally prohibited from deducting compensation paid to covered employees in excess of \$1 million per person in any year. Covered employees are defined as the chief executive officer and the three other most highly compensated named executive officers (excluding the chief financial officer). Compensation that qualifies as performance-based is not subject to the \$1 million limit. In general, one of the requirements that must be satisfied to qualify as performance-based compensation is that the material terms of the performance goals under which the compensation may be paid must be disclosed to and approved by a majority vote of our stockholders, generally at least once every five years. For purposes of Code Section 162(m), the material terms of the performance goals generally include (a) the individuals eligible to receive compensation upon achievement of performance goals, (b) a description of the business criteria on which the performance goals may be based, and (c) the maximum amount that can be paid to an individual upon attainment of the performance goals. By approving the 2015 Plan, stockholders also will be approving the material terms of the performance goals under the 2015 Plan. The material terms of the performance goals for the 2015 Plan are disclosed below under Summary of the 2015 Plan. Although shareholder approval of the 2015 Plan will provide flexibility to grant awards under the 2015 Plan that qualify as performance-based compensation under Code Section 162(m), we retain the ability to grant awards under the 2015 Plan that do not qualify as performance-based compensation under Code Section 162(m).

Key Features

The following features of the 2015 Plan will continue to protect the interests of our stockholders:

Limitation on terms of stock options and stock appreciation rights. The maximum term of each stock option and stock appreciation right, or SARs, is ten years.

No repricing or grant of discounted stock options. The 2015 Plan does not permit the repricing of options or stock appreciation rights either by amending an existing award or by substituting a new

18

award at a lower price. The 2015 Plan prohibits the granting of stock options or stock appreciation rights with an exercise price less than the fair market value of the common stock on the date of grant.

Clawback. Awards granted under the 2015 Plan are subject to any then current compensation recovery or clawback policy of the Company that applies to awards under the 2015 Plan.

Double-trigger acceleration. Under the 2015 Plan we do not accelerate vesting of awards that are assumed or replaced by the resulting entity after a change in control unless an employee's employment is also terminated by the Company without cause or by the employee with good reason within two years of the change in control.

Code Section 162(m) Eligibility. Provides flexibility to grant awards under the 2015 Plan that qualify as performance-based compensation under Code Section 162(m).

Dividends. We do not pay dividends or dividend equivalents on stock options, stock appreciation rights or unearned performance shares.

Summary of the 2015 Plan

The principal features of the 2015 Plan are summarized below. The following summary of the 2015 Plan does not purport to be a complete description of all of the provisions of the 2015 Plan. It is qualified in its entirety by reference to the complete text of the 2015 Plan, which is attached to this proxy statement as Annex A.

Eligibility

Awards may be granted under the 2015 Plan to officers, employees, consultants and advisors of the Company and its affiliates and to non-employee directors of the Company. Incentive stock options may be granted only to employees of the Company or its subsidiaries. As of March 27, 2015, approximately 36 individuals were eligible to receive awards under the 2015 Plan, including four (4) executive officers and five (5) non-employee directors.

Administration

The 2015 Plan may be administered by the Board of Directors or the Compensation Committee. The Compensation Committee, in its discretion, selects the individuals to whom awards may be granted, the time or times at which such awards are granted, and the terms of such awards.

Number of Authorized Shares

The number of shares of common stock authorized for issuance under the 2015 Plan is 2,000,000 shares, representing approximately 20% of the fully diluted common shares outstanding as of March 27, 2015. The Board of Directors believes this amount is necessary to allow it to better align employees to the future success of the Company and to give the Company flexibility going forward to do so. In addition, as of the date of shareholder approval of the 2015 Plan, any awards then outstanding under the Predecessor Plan will remain subject to and be paid under the Predecessor Plan and any shares then subject to outstanding awards under the Predecessor Plan that subsequently expire, terminate, or are surrendered or forfeited for any reason without issuance of shares will automatically become available for issuance under the 2015 Plan. Up to 2,000,000 shares may be granted as incentive stock options under Code Section 422. The shares of common stock issuable under the 2015 Plan will consist of authorized and unissued shares, treasury shares, or shares purchased on the open market or otherwise.

If any award is canceled, terminates, expires or lapses for any reason prior to the issuance of shares or if shares are issued under the 2015 Plan and thereafter are forfeited to the Company, the shares subject to such awards and the forfeited shares will not count against the aggregate number of shares of common stock available for grant under the 2015 Plan. In addition, the following items will not count against the aggregate number of shares of common stock available for grant under the 2015 Plan: (a) the payment in cash of dividends or dividend equivalents under any outstanding award, (b) any award that is settled in cash rather than by issuance of shares of common stock, (c) shares

surrendered or tendered in payment of the option price or purchase price of an award or any taxes required to be withheld in respect of an award, or (d) awards granted in assumption of or in substitution for awards previously granted by an acquired company.

Awards to Non-employee Directors

No more than \$100,000 may be granted in equity-based awards during any one year to a non-employee member of the Board of Directors, based on the grant date fair value for accounting purposes in the case of stock options or stock appreciation rights and based on the fair market value of the common stock underlying the award on the grant date for other equity-based awards. This limit does not apply to shares received by a non-employee director at his or her election in lieu of all or a portion of the director's retainer for board service (as described below).

Adjustments

If certain changes in the common stock occur by reason of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in stock, or other increase or decrease in the common stock without receipt of consideration by the Company, or if there occurs any spin-off, split-up, extraordinary cash dividend or other distribution of assets by the Company, the number and kind of securities for which stock options and other stock-based awards may be made under the 2015 Plan, including the individual award limits for performance-based compensation under Code Section 162(m), shall be equitably adjusted by the Company. In addition, if there occurs any spin-off, split-up, extraordinary cash dividend or other distribution of assets by the Company, the number and kind of securities subject to any outstanding awards and the exercise price of any outstanding stock options or SARs shall be equitably adjusted by the Company.

Types of Awards

The 2015 Plan permits the granting of any or all of the following types of awards:

Stock Options. Stock options entitle the holder to purchase a specified number of shares of common stock at a specified price (the exercise price), subject to the terms and conditions of the stock option grant. The Compensation Committee may grant either incentive stock options, which must comply with Code Section 422, or nonqualified stock options. The Compensation Committee sets exercise prices and terms, except that stock options must be granted with an exercise price not less than 100% of the fair market value of the common stock on the date of grant (excluding stock options granted in connection with assuming or substituting stock options in acquisition transactions). Unless the Compensation Committee determines otherwise, fair market value means, as of a given date, the closing price of the common stock. At the time of grant, the Compensation Committee determines the terms and conditions of stock options, including the quantity, exercise price, vesting periods, term (which cannot exceed ten years) and other conditions on exercise.

Stock Appreciation Rights. The Compensation Committee may grant SARs, as a right in tandem with the number of shares underlying stock options granted under the 2015 Plan or as a freestanding award. Upon exercise, SARs entitle the holder to receive payment per share in stock or cash, or in a combination of stock and cash, equal to the excess of the share's fair market value on the date of exercise over the grant price of the SAR. The grant price of a tandem SAR is equal to the exercise price of the related stock option and the grant price for a freestanding SAR is determined by the Compensation Committee in accordance with the procedures described above for stock options. Exercise of a SAR issued in tandem with a stock option will reduce the number of shares underlying the related stock option to the extent of the SAR exercised. The term of a freestanding SAR cannot exceed ten years, and the term of a tandem SAR cannot exceed the term of the related stock option.

Restricted Stock, Restricted Stock Units and Other Stock-Based Awards. The Compensation Committee may grant awards of restricted stock, which are shares of common stock subject to specified restrictions, and restricted stock units, which represent the right to receive shares of the common stock in the future. These awards may be made subject to repurchase, forfeiture or vesting restrictions at the Compensation Committee's discretion. The restrictions may be based on continuous service with the Company or the attainment of specified performance goals, as determined by the Compensation Committee. Stock units may be paid in stock or cash or a combination of stock and

cash, as determined by the Compensation Committee. The Compensation Committee may also grant other types of equity or equity-based awards subject to the terms of the 2015 Plan and any other terms and conditions determined by the Compensation Committee.

20

Performance Awards. The Compensation Committee may grant performance awards, which entitle participants to receive a payment from the Company, the amount of which is based on the attainment of performance goals established by the Compensation Committee over a specified award period. Performance awards may be denominated in shares of common stock or in cash, and may be paid in stock or cash or a combination of stock and cash, as determined by the Compensation Committee. Cash-based performance awards include annual incentive awards.

No Repricing

Without shareholder approval, the Compensation Committee is not authorized to (a) lower the exercise or grant price of a stock option or SAR after it is granted, except in connection with certain adjustments to our corporate or capital structure permitted by the 2015 Plan, such as stock splits, (b) take any other action that is treated as a repricing under generally accepted accounting principles or (c) cancel a stock option or SAR at a time when its exercise or grant price exceeds the fair market value of the underlying stock, in exchange for cash, another stock option or SAR, restricted stock, restricted stock units or other equity award, unless the cancellation and exchange occur in connection with a change in capitalization or other similar change.

Clawback

All cash and equity awards granted under the 2015 Plan will be subject to the requirements of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act regarding the recovery of erroneously awarded compensation, any implementing rules and regulations under such act, any policies adopted by the Company to implement such requirements, and any other compensation recovery policies as may be adopted from time to time by the Company.

Performance-Based Compensation under Section 162(m)

Performance Goals and Criteria. Under Code Section 162(m), we generally are prohibited from deducting compensation paid to our principal executive officer and our three other most highly compensated executive officers (other than our principal financial officer) in excess of \$1 million per person in any year. However, compensation that qualifies as performance-based is not subject to the \$1 million limit.

If the Compensation Committee intends to qualify an award under the 2015 Plan as performance-based compensation under Code Section 162(m), the performance goals selected by the Compensation Committee may be based on the attainment of specified levels of one, or any combination, of the following performance criteria for the Company on a consolidated basis, and/or specified subsidiaries or business units, as reported or calculated by the Company (except with respect to the total shareholder return and earnings per share criteria): (i) cash flow; (ii) earnings per share, as adjusted for any stock split, stock dividend or other recapitalization; (iii) earnings measures (including EBIT and EBITDA); (iv) return on equity; (v) total shareholder return; (vi) share price performance, as adjusted for any stock split, stock dividend or other recapitalization; (vii) return on capital; (viii) revenue; (ix) income; (x) profit margin; (xi) return on operating revenue; (xii) brand recognition/acceptance; (xiii) customer metrics (including customer satisfaction, customer retention, customer profitability, or customer contract terms); (xiv) productivity; (xv) expense targets; (xvi) market share; (xvii) cost control measures; (xviii) balance sheet metrics; (xix) strategic initiatives; (xx) implementation, completion or attainment of measurable objectives with respect to recruitment or retention of personnel or employee satisfaction; (xxi) return on assets; (xxii) growth in net sales; (xxiii) the ratio of net sales to net working capital; (xxiv) shareholder value added; (xxv) improvement in management of working capital items (inventory, accounts receivable or accounts payable); (xxvi) sales from newly-introduced products; (xxvii) successful completion of, or achievement of milestones or objectives related to, financing or capital raising transactions, strategic acquisitions or divestitures, joint ventures, partnerships, collaborations, or other transactions; (xxviii) product quality, safety, productivity, yield or reliability (on time and complete orders); (xxix) funds from operations; (xxx) regulatory body approval for commercialization of a product; (xxxii) debt levels or reduction or debt ratios; (xxxii) economic

value; (xxxiii) operating efficiency; (xxxiv) research and development achievements; or (xxxv) any combination of the forgoing business criteria. The Compensation Committee can also select any derivations of these business criteria (e.g., income shall include pre-tax income, net income, operating income, etc.).

Performance goals may, in the discretion of the Compensation Committee, be established on a Company-wide basis, or with respect to one or more business units, divisions, subsidiaries or business segments, as applicable. Performance goals may be absolute or relative to the performance of one or more comparable companies or indices.

The Compensation Committee may determine at the time that the performance goals are established the extent to which measurement of performance goals may exclude the impact of charges for restructuring, discontinued operations, extraordinary items, debt redemption or retirement, asset write downs, litigation or claim judgments or settlements, acquisitions or divestitures, foreign exchange gains and losses, and other unusual non-recurring items, and the cumulative effects of tax or accounting changes (each as defined by generally accepted accounting principles and as identified in the Company's financial statements or other SEC filings).

In addition, compensation realized from the exercise of options and SARs granted under the 2015 Plan is intended to meet the requirements of the performance-based compensation exception under Code Section 162(m). These awards must have an exercise price equal at least to fair market value at the date of grant, are granted to covered individuals by a Compensation Committee consisting of at least two outside directors, and the 2015 Plan limits the number of shares that may be the subject of awards granted to any individual during any calendar year.

Limitations. Subject to certain adjustments for changes in our corporate or capital structure described above, participants who are granted awards intended to qualify as performance-based compensation under Code Section 162(m) may not be granted stock options or stock appreciation rights for more than 500,000 shares in any calendar year or more than 500,000 shares for all share-based awards that are performance awards in any calendar year. The maximum dollar value granted to any participant pursuant to that portion of a cash award granted under the 2015 Plan for any calendar year to any employee that is intended to satisfy the requirements for performance-based compensation under Code Section 162(m) may not exceed \$1,000,000 for an annual incentive award and \$1,000,000 for all other cash-based awards.

Transferability

Awards are not transferable other than by will or the laws of descent and distribution, except that in certain instances transfers may be made to or for the benefit of designated family members of the participant for no value.

Change in Control

Effect of Change in Control. Under the 2015 Plan, in the event of a change in control, outstanding awards will be treated in accordance with the applicable transaction agreement. If no treatment is provided for in the transaction agreement, each award holder will be entitled to receive the same consideration that stockholders receive in the change in control for each share of stock subject to the award holder's awards, upon the exercise, payment or transfer of the awards, but the awards will remain subject to the same terms, conditions, and performance criteria applicable to the awards before the change in control, unless otherwise determined by the Compensation Committee. In connection with a change in control, outstanding stock options and SARs can be cancelled in exchange for the excess of the per share consideration paid to stockholders in the transaction, minus the option or SARs exercise price.

Subject to the terms of the applicable award agreements, awards granted to non-employee directors will fully vest on an accelerated basis, and any performance goals will be deemed to be satisfied at target. For awards granted to all other service providers, vesting of awards will depend on whether the awards are assumed, converted or replaced by the resulting entity.

For awards that are not assumed, converted or replaced, the awards will vest upon the change in control. For performance awards, the amount vesting will be based on the greater of (1) achievement of all performance goals at

the target level or (2) the actual level of achievement of performance goals as of the Company's fiscal quarter end preceding the change in control, and will be prorated based on the portion of the performance period that had been completed through the date of the change in control.

22

For awards that are assumed, converted or replaced by the resulting entity, no automatic vesting will occur upon the change in control. Instead, the awards, as adjusted in connection with the transaction, will continue to vest in accordance with their terms. In addition, the awards will vest if the award recipient has a separation from service within two years after the change in control by the Company other than for cause or by the award recipient for good reason (as defined in the applicable award agreement). For performance awards, the amount vesting will be based on the greater of (1) achievement of all performance goals at the target level or (2) the actual level of achievement of performance goals as of the Company's fiscal quarter end preceding the change in control, and will be prorated based on the portion of the performance period that had been completed through the date of the separation from service.

Definition of Change in Control. A change in control of the Company generally means any single transaction or event, other than an Acquisition, pursuant to which (i) a majority of the members of the Board resign or are replaced, or (ii) one person or a number of persons acting together as a group own more than 50 percent of the combined voting power of Company. The term Acquisition means (1) a dissolution, liquidation or sale of all or substantially all of the assets of the Company; (2) a merger or consolidation in which the Company is not the surviving corporation; or (3) a merger in which the Company is the surviving corporation but the shares of the Company's common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise.

Term, Termination and Amendment of the 2015 Plan

Unless earlier terminated by the Board of Directors, the 2015 Plan will terminate, and no further awards may be granted, ten years after the date on which it is approved by stockholders. The Board may amend, suspend or terminate the 2015 Plan at any time, except that, if required by applicable law, regulation or stock exchange rule, shareholder approval will be required for any amendment. The amendment, suspension or termination of the 2015 Plan or the amendment of an outstanding award generally may not, without a participant's consent, materially impair the participant's rights under an outstanding award.

New Plan Benefits

A new plan benefits table for the 2015 Plan and the benefits or amounts that would have been received by or allocated to participants for the last completed fiscal year under the 2015 Plan if the 2015 Plan was then in effect, as described in the federal proxy rules, are not provided because all awards made under the 2015 Plan will be made at the Compensation Committee's discretion, subject to the terms of the 2015 Plan. Therefore, the benefits and amounts that will be received or allocated under the 2015 Plan are not determinable at this time. The equity grant program for our non-employee directors is described under the Director Compensation section in this Proxy Statement.

Equity Compensation Plan Table

Set forth on Page 15 of this Proxy Statement is a table reflecting information as of December 31, 2014 with regard to the Company's current equity compensation.

Federal Income Tax Information

The following is a brief summary of the U.S. federal income tax consequences of the 2015 Plan generally applicable to the Company and to participants in the 2015 Plan who are subject to U.S. federal taxes. The summary is based on the Code, applicable Treasury Regulations and administrative and judicial interpretations thereof, each as in effect on the date of this Proxy Statement, and is, therefore, subject to future changes in the law, possibly with retroactive effect. The summary is general in nature and does not purport to be legal or tax advice. Furthermore, the summary

does not address issues relating to any U.S. gift or estate tax consequences or the consequences of any state, local or foreign tax laws.

Nonqualified Stock Options. A participant generally will not recognize taxable income upon the grant or vesting of a nonqualified stock option with an exercise price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a nonqualified stock option, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the stock option on the date of

exercise and the exercise price of the stock option. When a participant sells the shares, the participant will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the participant received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the exercise price of the stock option.

Incentive Stock Options. A participant generally will not recognize taxable income upon the grant of an incentive stock option. If a participant exercises an incentive stock option during employment or within three months after employment ends (12 months in the case of permanent and total disability), the participant will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes (although the participant generally will have taxable income for alternative minimum tax purposes at that time as if the stock option were a nonqualified stock option). If a participant sells or otherwise disposes of the shares acquired upon exercise of an incentive stock option after the later of (a) one year from the date the participant exercised the option and (b) two years from the grant date of the stock option, the participant generally will recognize long-term capital gain or loss equal to the difference between the amount the participant received in the disposition and the exercise price of the stock option. If a participant sells or otherwise disposes of shares acquired upon exercise of an incentive stock option before these holding period requirements are satisfied, the disposition will constitute a disqualifying disposition, and the participant generally will recognize taxable ordinary income in the year of disposition equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of the stock option (or, if less, the excess of the amount realized on the disposition of the shares over the exercise price of the stock option). The balance of the participant's gain on a disqualifying disposition, if any, will be taxed as short-term or long-term capital gain, as the case may be.

With respect to both nonqualified stock options and incentive stock options, special rules apply if a participant uses shares of common stock already held by the participant to pay the exercise price or if the shares received upon exercise of the stock option are subject to a substantial risk of forfeiture by the participant.

Stock Appreciation Rights. A participant generally will not recognize taxable income upon the grant or vesting of a SAR with a grant price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a SAR, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the SAR on the date of exercise and the grant price of the SAR.

Restricted Stock Awards, Restricted Stock Units, and Performance Awards. A participant generally will not have taxable income upon the grant of restricted stock, restricted stock units or performance awards. Instead, the participant will recognize ordinary income at the time of vesting or payout equal to the fair market value (on the vesting or payout date) of the shares or cash received minus any amount paid. For restricted stock only, a participant may instead elect to be taxed at the time of grant.

Other Stock or Cash-Based Awards. The U.S. federal income tax consequences of other stock or cash-based awards will depend upon the specific terms of each award.

Tax Consequences to the Company. In the foregoing cases, we generally will be entitled to a deduction at the same time, and in the same amount, as a participant recognizes ordinary income, subject to certain limitations imposed under the Code.

Code Section 409A. We intend that awards granted under the 2015 Plan comply with, or otherwise be exempt from, Code Section 409A, but make no representation or warranty to that effect.

Tax Withholding. We are authorized to deduct or withhold from any award granted or payment due under the 2015 Plan, or require a participant to remit to us, the amount of any withholding taxes due in respect of the award or

payment and to take such other action as may be necessary to satisfy all obligations for the payment of applicable withholding taxes. We are not required to issue any shares of common stock or otherwise settle an award under the 2015 Plan until all tax withholding obligations are satisfied.

Vote Required

Approval of the 2015 Plan requires a number of FOR votes that is a majority of the votes cast by the holders of our shares of common stock entitled to vote on the proposal, with abstentions counting as votes against the proposal.

The Board of Directors recommends a vote FOR the approval of the Intellicheck Mobilisa, Inc. 2015 Omnibus Incentive Plan.

9.2. Other Terms.

The Board shall determine at the Grant Date, the time or times at which and the circumstances under which a SAR may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the time or times at which SARs shall cease to be or become exercisable following Separation from Service or upon other conditions, the method of exercise, whether or not a SAR shall be in tandem or in combination with any other Award, and any other terms and conditions of any SAR.

9.3. Term of SARs.

The term of a SAR granted under the Plan shall be determined by the Board, in its sole discretion; *provided, however*, that such term shall not exceed ten (10) years.

9.4. Payment of SAR Amount.

Upon exercise of a SAR, a Grantee shall be entitled to receive payment from the Company (in cash or Stock, as determined by the Board) in an amount determined by multiplying:

The Purchase Price shall be payable in a form described in **Section 11** or, in the discretion of the Board, in consideration for past Services rendered.

10.6. Delivery of Stock.

Upon the expiration or termination of any Restricted Period and the satisfaction of any other conditions prescribed by the Board, the restrictions applicable to shares of Restricted Stock or Restricted Stock Units settled in Stock shall lapse, and, unless otherwise provided in the Award Agreement, a stock certificate for such shares shall be delivered, free of all such restrictions, to the Grantee or the Grantee s beneficiary or estate, as the case may be.

11. FORM OF PAYMENT FOR OPTIONS AND RESTRICTED STOCK

11.1. General Rule.

Payment of the Option Price for the shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock shall be made in cash or in cash equivalents acceptable to the Company, except as provided in this **Section 11**.

11.2. Surrender of Stock.

To the extent the Award Agreement so provides, payment of the Option Price for shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock may be made all or in part through the tender to the Company of shares of Stock, which shares shall be valued, for purposes of determining the extent to which the Option Price or Purchase Price for Restricted Stock has been paid thereby, at their Fair Market Value on the date of exercise or surrender. Notwithstanding the foregoing, in the case of an Incentive Stock Option, the right to make payment in the form of already owned shares of Stock may be authorized only at the time of grant.

A-10

11.3. Cashless Exercise.

With respect to an Option only (and not with respect to Restricted Stock), to the extent permitted by law and to the extent the Award Agreement so provides, payment of the Option Price may be made all or in part by delivery (on a form acceptable to the Company) of an irrevocable direction to a licensed securities broker acceptable to the Company to sell shares of Stock and to deliver all or part of the sales proceeds to the Company in payment of the Option Price and any withholding taxes described in **Section 17.3**.

11.4. Other Forms of Payment.

To the extent the Award Agreement so provides, payment of the Option Price or the Purchase Price for Restricted Stock may be made in any other form that is consistent with applicable laws, regulations and rules, including, but not limited to, the Company's withholding of shares of Stock otherwise due to the exercising Grantee.

12. TERMS AND CONDITIONS OF PERFORMANCE AWARDS

12.1. Performance Conditions.

The right of a Grantee to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions.

12.2. Performance Awards Granted to Designated Covered Employees.

If and to the extent that the Committee determines that a Performance Award to be granted to a Grantee who is designated by the Committee as having the potential to be a Covered Employee should qualify as performance-based compensation for purposes of Section 162(m), the grant, exercise and/or settlement of such Performance Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this **Section 12.2**. Notwithstanding anything herein to the contrary, the Committee in its discretion may provide for Performance Awards to Covered Employees that are not intended to qualify as performance-based compensation for purposes of Section 162(m).

12.2.1. Performance Goals Generally.

The performance goals for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this **Section 12.2**. Performance goals shall be objective and shall otherwise meet the requirements of Section 162(m) and regulations thereunder including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Performance Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance Awards. Performance goals may, in the discretion of the Committee, be established on a Company-wide basis, or with respect to one or more business units, divisions, subsidiaries or business segments, as applicable. Performance goals may be absolute or relative (to the performance of one or more comparable companies or indices). To the extent consistent with the requirements of Section 162(m), the Committee may determine at the time that goals under this **Section 12** are established, the extent to which measurement of performance goals may exclude the impact of charges for restructuring, discontinued operations, extraordinary items, debt redemption or retirement, asset write downs, litigation or claim judgments or settlements, acquisitions or divestitures, foreign exchange gains and losses, and other unusual non-recurring items, and the cumulative effects of tax or accounting changes (each as defined by generally accepted accounting principles and as identified in the Company's financial statements or other SEC filings).

Performance goals may differ for Performance Awards granted to any one Grantee or to different Grantees.

12.2.2. Business Criteria.

One or more of the following business criteria for the Company, on a consolidated basis, and/or specified subsidiaries or business units of the Company (except with respect to the total stockholder return and earnings

A-11

per share criteria), shall be used exclusively by the Committee in establishing performance goals for such Performance Awards: (i) cash flow; (ii) earnings per share, as adjusted for any stock split, stock dividend or other recapitalization; (iii) earnings measures (including EBIT and EBITDA); (iv) return on equity; (v) total stockholder return; (vi) share price performance, as adjusted for any stock split, stock dividend or other recapitalization; (vii) return on capital; (viii) revenue; (ix) income; (x) profit margin; (xi) return on operating revenue; (xii) brand recognition/acceptance; (xiii) customer metrics (including customer satisfaction, customer retention, customer profitability, or customer contract terms); (xiv) productivity; (xv) expense targets; (xvi) market share; (xvii) cost control measures; (xviii) balance sheet metrics; (xix) strategic initiatives; (xx) implementation, completion or attainment of measurable objectives with respect to recruitment or retention of personnel or employee satisfaction; (xxi) return on assets; (xxii) growth in net sales; (xxiii) the ratio of net sales to net working capital; (xxiv) stockholder value added; (xxv) improvement in management of working capital items (inventory, accounts receivable or accounts payable); (xxvi) sales from newly-introduced products; (xxvii) successful completion of, or achievement of milestones or objectives related to, financing or capital raising transactions, strategic acquisitions or divestitures, joint ventures, partnerships, collaborations, or other transactions; (xxviii) product quality, safety, productivity, yield or reliability (on time and complete orders); (xxix) funds from operations; (xxx) regulatory body approval for commercialization of a product; (xxxi) debt levels or reduction or debt ratios; (xxxii) economic value; (xxxiii) operating efficiency; (xxxiv) research and development achievements; or (xxxv) any combination of the forgoing business criteria; *provided, however*, that such business criteria shall include any derivations of business criteria listed above (e.g., income shall include pre-tax income, net income, operating income, etc.).

12.2.3. Timing for Establishing Performance Goals.

Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance Awards, or at such other date as may be required or permitted for performance-based compensation under Section 162(m).

12.2.4. Settlement of Performance Awards; Other Terms.

Settlement of Performance Awards shall be in cash, Stock, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance Awards.

12.3. Written Determinations.

All determinations by the Committee as to the establishment of performance goals, the amount of any Performance Award pool or potential individual Performance Awards and as to the achievement of performance goals relating to Performance Awards, shall be made in writing in the case of any Award intended to qualify under Section 162(m) to the extent required by Section 162(m). To the extent permitted by Section 162(m), the Committee may delegate any responsibility relating to such Performance Awards.

12.4. Status of Section 12.2 Awards under Section 162(m).

It is the intent of the Company that Performance Awards under **Section 12.2** hereof granted to persons who are designated by the Committee as having the potential to be Covered Employees within the meaning of Section 162(m) and regulations thereunder shall, if so designated by the Committee, constitute qualified performance-based compensation within the meaning of Section 162(m) and regulations thereunder. Accordingly, the terms of **Section 12.2**, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Grantee will be a Covered Employee with respect to a fiscal year that

has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards, as having the potential to be a Covered Employee with respect to that fiscal year or any subsequent fiscal year. If any provision of the Plan or any agreement relating to such Performance Awards does not comply or is inconsistent with the requirements of Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

A-12

13. OTHER STOCK-BASED AWARDS.

13.1. Grant of Other Stock-based Awards.

Other Stock-based Awards may be granted either alone or in addition to or in conjunction with other Awards under the Plan. Other Stock-based Awards may be granted in lieu of other cash or other compensation to which a Service Provider is entitled from the Company or may be used in the settlement of amounts payable in shares of Common Stock under any other compensation plan or arrangement of the Company. Subject to the provisions of the Plan, the Committee shall have the sole and complete authority to determine the persons to whom and the time or times at which such Awards shall be made, the number of shares of Common Stock to be granted pursuant to such Awards, and all other conditions of such Awards. Unless the Committee determines otherwise, any such Award shall be confirmed by an Award Agreement, which shall contain such provisions as the Committee determines to be necessary or appropriate to carry out the intent of this Plan with respect to such Award.

13.2. Terms of Other Stock-based Awards.

Any Common Stock subject to Awards made under this **Section 13** may not be sold, assigned, transferred, pledged or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

14. REQUIREMENTS OF LAW

14.1. General.

The Company shall not be required to sell or issue any shares of Stock under any Award if the sale or issuance of such shares would constitute a violation by the Grantee, any other individual exercising an Option, or the Company of any provision of any law or regulation of any governmental authority, including without limitation any federal or state securities laws or regulations. If at any time the Company shall determine, in its discretion, that the listing, registration or qualification of any shares subject to an Award upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of shares hereunder, no shares of Stock may be issued or sold to the Grantee or any other individual exercising an Option pursuant to such Award unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Award. Specifically, in connection with the Securities Act, upon the exercise of any Option or the delivery of any shares of Stock underlying an Award, unless a registration statement under such Act is in effect with respect to the shares of Stock covered by such Award, the Company shall not be required to sell or issue such shares unless the Board has received evidence satisfactory to it that the Grantee or any other individual exercising an Option may acquire such shares pursuant to an exemption from registration under the Securities Act. Any determination in this connection by the Board shall be final, binding, and conclusive. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option shall not be exercisable until the shares of Stock covered by such Option are registered or are exempt from registration, the exercise of such Option (under circumstances in which the laws of such jurisdiction apply) shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

14.2. Rule 16b-3.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards and the exercise of Options granted to officers and directors hereunder will

qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or Committee does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

A-13

15. EFFECT OF CHANGES IN CAPITALIZATION
15.1. Changes in Stock.

If (i) the number of outstanding shares of Stock is increased or decreased or the shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date or (ii) there occurs any spin-off, split-up, extraordinary cash dividend or other distribution of assets by the Company, the number and kinds of shares for which grants of Awards may be made under the Plan (including the per-Grantee maximums set forth in **Section 4**) shall be equitably adjusted by the Company; provided that any such adjustment shall comply with Section 409A. In addition, in the event of any such increase or decrease in the number of outstanding shares or other transaction described in clause (ii) above, the number and kind of shares for which Awards are outstanding and the Option Price per share of outstanding Options and SAR Exercise Price per share of outstanding SARs shall be equitably adjusted; provided that any such adjustment shall comply with Section 409A.

15.2. Effect of Certain Transactions.

Except as otherwise provided in an Award Agreement and subject to the provisions of **Section 15.3**, in the event of a Corporate Transaction, the Plan and the Awards issued hereunder shall continue in effect in accordance with their respective terms, except that following a Corporate Transaction either (i) each outstanding Award shall be treated as provided for in the agreement entered into in connection with the Corporate Transaction or (ii) if not so provided in such agreement, each Grantee shall be entitled to receive in respect of each share of Common Stock subject to any outstanding Awards, upon exercise or payment or transfer in respect of any Award, the same number and kind of stock, securities, cash, property or other consideration that each holder of a share of Common Stock was entitled to receive in the Corporate Transaction in respect of a share of Common stock; *provided, however*, that, unless otherwise determined by the Committee, such stock, securities, cash, property or other consideration shall remain subject to all of the conditions, restrictions and performance criteria which were applicable to the Awards prior to such Corporate Transaction. Without limiting the generality of the foregoing, the treatment of outstanding Options and SARs pursuant to this **Section 15.2** in connection with a Corporate Transaction in which the consideration paid or distributed to the Company's stockholders is not entirely shares of common stock of the acquiring or resulting corporation may include the cancellation of outstanding Options and SARs upon consummation of the Corporate Transaction as long as, at the election of the Committee, (i) the holders of affected Options and SARs have been given a period of at least fifteen days prior to the date of the consummation of the Corporate Transaction to exercise the Options or SARs (to the extent otherwise exercisable) or (ii) the holders of the affected Options and SARs are paid (in cash or cash equivalents) in respect of each Share covered by the Option or SAR being canceled an amount equal to the excess, if any, of the per share price paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash consideration to be determined by the Committee in its sole discretion) over the Option Price or SAR Exercise Price, as applicable. For avoidance of doubt, (1) the cancellation of Options and SARs pursuant to clause (ii) of the preceding sentence may be effected notwithstanding anything to the contrary contained in this Plan or any Award Agreement and (2) if the amount determined pursuant to clause (ii) of the preceding sentence is zero or less, the affected Option or SAR may be cancelled without any payment therefore. The treatment of any Award as provided in this **Section 15.2** shall be conclusively presumed to be appropriate for purposes of **Section 15.1**.

15.3. Change in Control

15.3.1. Consequences of a Change in Control

For Awards granted to Non-Employee Directors, except as may otherwise be provided in the applicable Award Agreement, upon a Change in Control all outstanding Awards that may be exercised shall become fully exercisable, all restrictions with respect to outstanding Awards shall lapse and become vested and non-forfeitable, and any specified performance goals with respect to outstanding Awards shall be deemed to be satisfied at target.

A-14

For Awards granted to any other Service Providers, except as may otherwise be provided in the applicable Award Agreement, either of the following provisions shall apply, depending on whether, and the extent to which, Awards are assumed, converted or replaced by the resulting entity in a Change in Control:

To the extent such Awards are not assumed, converted or replaced by the resulting entity in the Change in Control, then upon the Change in Control such outstanding Awards that may be exercised shall become fully exercisable, all restrictions with respect to such outstanding Awards, other than for Performance Awards, shall lapse and become vested and non-forfeitable, and for any outstanding Performance Awards the target payout opportunities attainable (i) under such Awards shall be deemed to have been fully earned as of the Change in Control based upon the greater of: (A) an assumed achievement of all relevant performance goals at the target level, or (B) the actual level of achievement of all relevant performance goals against target as of the Company's fiscal quarter end preceding the Change in Control and the Award shall become vested pro rata based on the portion of the applicable performance period completed through the date of the Change in Control.

To the extent such Awards are assumed, converted or replaced by the resulting entity in the Change in Control, if, within two years after the date of the Change in Control, the Service Provider has a Separation from Service either (1) by the Company other than for cause or (2) by the Service Provider for good reason (each as defined in the applicable Award Agreement), then such outstanding Awards that may be exercised shall become fully exercisable, all restrictions with respect to such outstanding Awards, other than for Performance Awards, shall (ii) lapse and become vested and non-forfeitable, and for any outstanding Performance Awards the target payout opportunities attainable under such Awards shall be deemed to have been fully earned as of the Separation from Service based upon the greater of: (A) an assumed achievement of all relevant performance goals at the target level, or (B) the actual level of achievement of all relevant performance goals against target as of the Company's fiscal quarter end preceding the Change in Control and the Award shall become vested pro rata based on the portion of the applicable performance period completed through the date of the Separation from Service.

15.3.2. Change in Control Defined

Except as may otherwise be defined in an Award Agreement, a **Change in Control** shall mean any single transaction or event, other than an Acquisition, pursuant to which (i) a majority of the members of the Board resign or are replaced, or (ii) one person or a number of persons acting together as a group own more than 50 percent of the combined voting power of Company. The term Acquisition means (1) a dissolution, liquidation or sale of all or substantially all of the assets of the Company; (2) a merger or consolidation in which the Company is not the surviving corporation; or (3) a merger in which the Company is the surviving corporation but the shares of the Company's common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise.

Notwithstanding the foregoing, if it is determined that an Award hereunder is subject to the requirements of Section 409A and payable upon a Change in Control, the Company will not be deemed to have undergone a Change in Control unless the Company is deemed to have undergone a change in control event pursuant to the definition of such term in Section 409A.

15.4. Adjustments

Adjustments under this **Section 15** related to shares of Stock or securities of the Company shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share.

16.

NO LIMITATIONS ON COMPANY

The making of Awards pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

A-15

17. TERMS APPLICABLE GENERALLY TO AWARDS GRANTED UNDER THE PLAN

17.1. Disclaimer of Rights.

No provision in the Plan or in any Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Company either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, no Award granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a Service Provider. The obligation of the Company to pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

17.2. Nonexclusivity of the Plan.

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals), including, without limitation, the granting of stock options as the Board in its discretion determines desirable.

17.3. Withholding Taxes.

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state, or local taxes of any kind required by law to be withheld (i) with respect to the vesting of or other lapse of restrictions applicable to an Award, (ii) upon the issuance of any shares of Stock upon the exercise of an Option or SAR, or (iii) otherwise due in connection with an Award. At the time of such vesting, lapse, or exercise, the Grantee shall pay to the Company or the Affiliate, as the case may be, any amount that the Company or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Company or the Affiliate, which may be withheld by the Company or the Affiliate, as the case may be, in its sole discretion, the Grantee may elect to satisfy such obligations, or the Company may require such obligations to be satisfied, in whole or in part, (i) by causing the Company or the Affiliate to withhold the minimum required number of shares of Stock otherwise issuable to the Grantee as may be necessary to satisfy such withholding obligation or (ii) by delivering to the Company or the Affiliate shares of Stock already owned by the Grantee. The shares of Stock so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. The Fair Market Value of the shares of Stock used to satisfy such withholding obligation shall be determined by the Company or the Affiliate as of the date that the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 17.3** may satisfy his or her withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements.

17.4. Captions.

The use of captions in this Plan or any Award Agreement is for the convenience of reference only and shall not affect the meaning of any provision of the Plan or any Award Agreement.

17.5. Other Provisions.

Each Award Agreement may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Board, in its sole discretion. In the event of any conflict between the terms of an employment agreement and the Plan, the terms of the employment agreement govern.

A-16

17.6. Number and Gender.

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, etc., as the context requires.

17.7. Severability.

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

17.8. Governing Law.

The Plan shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of law, and applicable Federal law.

17.9. Section 409A.

The Plan is intended to comply with Section 409A to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered to be in compliance therewith. Any payments described in the Plan that are due within the short-term deferral period as defined in Section 409A shall not be treated as deferred compensation unless applicable laws require otherwise. Notwithstanding anything to the contrary in the Plan, to the extent required to avoid accelerated taxation and tax penalties under Section 409A, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to the Plan during the six (6) month period immediately following the Grantee's Separation from Service shall instead be paid on the first payroll date after the six-month anniversary of the Grantee's Separation from Service (or the Grantee's death, if earlier). Notwithstanding the foregoing, neither the Company nor the Committee shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Grantee under Section 409A and neither the Company nor the Committee will have any liability to any Grantee for such tax or penalty.

17.10. Separation from Service.

The Board shall determine the effect of a Separation from Service upon Awards, and such effect shall be set forth in the appropriate Award Agreement. Without limiting the foregoing, the Board may provide in the Award Agreements at the time of grant, or any time thereafter with the consent of the Grantee, the actions that will be taken upon the occurrence of a Separation from Service, including, but not limited to, accelerated vesting or termination, depending upon the circumstances surrounding the Separation from Service.

17.11. Transferability of Awards.

17.11.1. Transfers in General.

Except as provided in **Section 17.11.2**, no Award shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution, and, during the lifetime of the Grantee, only the Grantee personally (or the Grantee's personal representative) may exercise rights under the Plan.

17.11.2. Family Transfers.

If authorized in the applicable Award Agreement, a Grantee may transfer, not for value, all or part of an Award (other than Incentive Stock Options) to any Family Member. For the purpose of this **Section 17.11.2**, a not for value transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights; or (iii) a transfer to an entity in which more than fifty percent of the voting interests are owned by Family Members (or the Grantee) in exchange for an interest in that entity. Following a transfer under this **Section 17.11.2**, any such Award shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer.

Subsequent transfers of transferred Awards are prohibited except to Family Members of the original Grantee in accordance with this **Section 17.11.2** or by will or the laws of descent and distribution.

A-17

17.12. Dividends and Dividend Equivalent Rights.

If specified in the Award Agreement, the recipient of an Award under this Plan may be entitled to receive, currently or on a deferred basis, dividends or dividend equivalents with respect to the Common Stock or other securities covered by an Award. The terms and conditions of a dividend equivalent right may be set forth in the Award Agreement.

Dividend equivalents credited to a Grantee may be paid currently or may be deemed to be reinvested in additional shares of Stock or other securities of the Company at a price per unit equal to the Fair Market Value of a share of Stock on the date that such dividend was paid to stockholders, as determined in the sole discretion of the Committee. Notwithstanding the foregoing, in no event will dividends or dividend equivalents on any Award which is subject to the achievement of performance criteria be payable before the Award has become earned and payable.

**The Plan was adopted by the Board of Directors on
March 19, 2015 and was approved by
the stockholders of the Company on _____, 2015.**
