Looking forward to its 2004 earnings news release to be distributed Mar. 1, 2005 and its analyst conference call scheduled on Mar. 2, 2005, the company said that it will be narrowing the 2005 guidance range previously provided for Funds from Operations Modified to reflect the operational performance of on-campus participating properties (FFOM), and lowering earnings guidance previously provided for Funds from Operations (FFO) for the year ended December 31, 2005, in part due to the sale of the San Bernardino project and the delay in closing the acquisition of the Florida portfolio of five properties, which closed in February 2005.

The press release is furnished pursuant to Item 7.01 and shall not be deemed "filed" for purposes of Section 18 of the Securities Act of 1934 (the "Exchange Act"), or subject to the liabilities of that Section. The information in this Current Report shall not be incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
