18,861,799 Shares of Crimson Exploration Inc. Common Stock
(the "Shares")

This document supplements the prospectus of Crimson Exploration Inc., dated August 9, 2005, as supplemented by the prospectus supplement dated August 16, 2005 and the prospectus supplement dated November 14, 2005, relating to the resale of up to 18,861,799 Shares issuable to certain selling shareholders assuming the exercise of warrants or conversion of certain preferred stock by those shareholders. The information in this prospectus supplement replaces and supersedes the information set forth under "Selling Shareholders" in the prospectus dated August 9, 2005. The table in that section has been modified to reflect the transfer of 175,000 Shares from a named selling shareholder originally included in the prospectus, Petro Capital Advisors, to one donee, St Marks School of Texas, pursuant to the prospectus as supplemented.

This prospectus supplement is not complete without, and may not be delivered or utilized except in connection with, the prospectus supplement dated November 14, 2005, the prospectus supplement dated August 16, 2005 and the prospectus dated August 9, 2005.

SELLING SHAREHOLDERS

The selling shareholders may offer and sell, from time to time, any or all of the Shares. Because the selling shareholders may offer all or only some portion of the 18,861,799 Shares, no estimate can be given as to the amount or percentage of these Shares that will be held by the selling shareholders upon termination of the offering. There will be no proceeds to us from the sale of shares of common stock in this offering. However, we will receive proceeds from the sale of shares of common stock upon the exercise of any warrants. Any proceeds received upon exercise of warrants will be used for general working capital purposes.

The following table sets forth the name and relationship with us, if any, of certain of the selling shareholders and (i) the maximum number of shares of common stock which may be offered for the account of the selling shareholders under this prospectus, (ii) the amount and percentage of common stock that would be owned by the selling shareholders after completion of the offering, assuming a sale of all of the common stock which may be offered hereunder and (iii) the number of shares of common stock beneficially owned by the selling shareholders as of the date of this prospectus. Except as otherwise noted below, the selling shareholders have not, within the past three years, had any position, office or other material relationship with us.

Beneficial ownership is determined under the rules of the Securities and Exchange Commission. The number of shares beneficially owned by a person includes shares of common stock subject to options, warrants and preferred stock held by that person that are currently convertible or exercisable or convertible or exercisable within 60 days of the date of this prospectus. The shares issuable under these securities are treated as if outstanding for computing the percentage ownership of the person holding these securities but are not treated as if outstanding for the purposes of computing the percentage ownership of any other person.
