The Current Report on Form 8-K of Getty Realty Corp. (the “Company”) filed on January 13, 2011 (“the Initial Form 8-K”) is hereby amended solely to provide unaudited pro forma financial information related to a sale/leaseback and loan transaction with CPD NY Energy Corp. (“CPD NY”), a subsidiary of Chestnut Petroleum Dist. Inc., whereby the Company acquired 45 fee owned and 14 leasehold interests in 59 Mobil-branded gasoline station and convenience store properties and also took a security interest in 6 other Mobil-branded gasoline stations and convenience store properties effective January 13, 2011 (the “CPD Transactions”), all as described in the Initial Form 8-K.

The Company’s total investment in the CPD Transactions was \$111.3 million, which was initially financed entirely with borrowings under the Company’s existing \$175.0 million amended and restated senior unsecured credit agreement. Shortly thereafter, in the first quarter of 2011, the Company repaid approximately \$92.3 million of the borrowings then outstanding under the Credit Agreement with funds primarily received from the net proceeds of a 3,450,000 share common stock offering.

The properties were acquired or financed in a simultaneous transaction among ExxonMobil, CPD NY and the Company whereby CPD NY acquired a portfolio of 65 gasoline station and convenience stores from ExxonMobil and simultaneously completed a sale/leaseback of 59 of the acquired properties with the Company. The lease between the Company’s wholly-owned subsidiary, GTY NY Leasing, Inc., as lessor, and CPD NY, as lessee, governing the properties is a unitary triple net lease agreement (the “Unitary Lease”), with an initial term of 15 years, and options for up to three successive renewal terms of 10 years each. The Unitary Lease requires CPD NY to pay a fixed annual rent for the properties (the “Rent”), plus an amount equal to all rent due to third party landlords pursuant to the terms of third party leases. The Rent is scheduled to increase on the third anniversary of the date of the Unitary Lease and on every third anniversary thereafter. Under the terms of the triple net lease, CPD NY as lessee is also required to pay all amounts pertaining to the properties subject to the Unitary Lease, including environmental expenses, taxes, assessments, licenses and permit fees, charges for public utilities and all governmental charges. Partial funding to CPD NY for the CPD Transactions was also provided by the Company through the issuance of a \$18.4 million secured, self-amortizing loan having a 10-year term.

The unaudited pro forma financial information provided herein was not available to the Company at the time the Company filed the Initial Form 8-K.

NOTES TO UNAUDITED PRO FORMA CONSOLIDATED BALANCE SHEET

1. Basis of Presentation:

The pro forma consolidated balance sheet is unaudited. Certain information and footnote disclosures that would be included in the financial statement presented in accordance with accounting principles generally accepted in the United States have been condensed or omitted. Management believes the disclosures are adequate to make the unaudited pro forma consolidated balance sheet presented not misleading. The pro forma consolidated balance sheet should be read in conjunction with the historical consolidated financial statements, including the notes thereto, and other information contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2010.

The unaudited pro forma consolidated balance sheet of the Company reflects the financial condition of the Company as of December 31, 2010 (i) on a historical basis, (ii) as adjusted to reflect the Company's acquisition on January 13, 2011 of 45 fee owned and 14 leasehold interests in 59 Mobil-branded gasoline station and convenience store properties from, and simultaneous leaseback to, CPD NY and the issuance on January 13, 2011 to CPD NY of a \$18,400,000 secured, self-amortizing loan having a 10-year term, the accrual of related expenses, the borrowings under the Company's Credit Agreement to fund the purchase of the gasoline station and convenience store properties, and (iii) as adjusted to reflect the repayment of approximately \$92,253,000 of the borrowings then outstanding under the Credit Agreement with funds primarily received from the net proceeds of a 3,450,000 share common stock offering completed in the first quarter of 2011, in each case as if the transactions had occurred on December 31, 2010.

The Company's pro forma allocation of the purchase price to the assets acquired is preliminary and subject to change. The purchase price has been allocated to the assets based on the initial estimates of fair value. These allocations are preliminary and may not be indicative of the final allocations. The Company continues to evaluate the assumptions used in valuing the real estate. The Company anticipates finalizing these allocations during the latter part of 2011. A change in the final allocation from what is presented may result in an increase or decrease in identified assets or the recognition of additional assets, liabilities or expenses.

The Company estimated the fair value of acquired tangible assets to be \$92,900,000 (consisting of land, buildings and improvements) "as if vacant".
