## Third Quarter 2014 Consolidated Financial Results

### NATUZZI:SIGNS OF IMPROVEMENT

- **NET SALES UP BY 8.2%**
- **SIGNIFICANT REDUCTION (-12.2%) IN FIXED SG&A COSTS**
- **10.9% REDUCTION IN QUARTERLY OPERATING LOSS**

SANTERAMO IN COLLE, Italy--(BUSINESS WIRE)--November 28, 2014--The Board of Directors of Natuzzi S.p.A. (NYSE:NTZ) (“Natuzzi” or the “Company”) has approved its consolidated financial results for third quarter 2014.

After the meeting of the Board of Directors, the Chief Executive Officer, Pasquale Natuzzi, commented:

*“Third quarter financial results highlight the first benefits from those measures announced and implemented during the course of the year: both order flow and turnover increased compared to the same period of the prior year.*

*The brand and distribution strategy upon which we have built our business plan confirms its validity. Among the factors that have contributed to this result we highlight:*

- *the new Natuzzi Italia and Natuzzi Editions collections presented during the Milan and High Point fairs and Retail Spring Congress*
- *the launch of our Re-Vive armchair within the recliner segment*
- *the broadening of our product offering to include living room and bedroom furnishings, as well as beds*

*The industrial efficiency recovery measures announced in recent quarters and aimed at solving production delays in China and Italy that affected our turnover during the prior two quarters have started to generate the expected benefits. Third quarter turnover was €111.7 million, up 8.2% compared to the same period of 2013. This increase in turnover is meaningful in relative terms if we consider its progression over each of the first three quarters of the year compared to each of the first three quarters of 2013: – 11,2% in the first quarter; -1,2% in the second quarter; and + 8,2%% in the third quarter.*

---

*The gradual improvement in productivity within our manufacturing plants over the last few months has positively affected our gross margin, which increased from 25.8% in the second quarter of 2014 to 27.9% in the third quarter of 2014 (a 2.1% improvement), notwithstanding an increase in raw materials.*

*Furthermore, fixed selling, general and administrative costs fell by 12.2% compared to the third quarter of 2013, both in absolute terms (a €2.8 million reduction), and as a percentage of net sales (a 4.2% reduction on net sales), decreasing from 22.5% of net sales in the third quarter of 2013 to 18.2% of net sales in the third quarter of 2014, which decrease was attributable, in part, to the introduction of rationalization measures designed to optimize our commercial structure.*

*The actions implemented thus far have allowed Natuzzi to reduce its quarterly operating loss by 10.9% and improve its quarterly EBITDA by 18.9%, as compared to the third quarter of 2013.*

*We intend to continue implementing our “lean-enterprise” program, designed to improve efficiencies, reduce costs and generate higher operating cash flow.*
