IGAMES ENTERTAINMENT, INC. ANNOUNCES PURCHASE OF
CHEX SERVICES AND MONEY CENTERS OF AMERICA; MERGER
WILL PRODUCE FIRST YEAR REVENUES IN EXCESS OF \$30 MILLION

LAS VEGAS, NV - iGames Entertainment Inc. (OTC Bulletin Board: IGMS - News) and Money Centers of America, Inc. of King of Prussia, PA today announced that a definitive agreement with Equitex, Inc. (Nasdaq: EQTX - News) was signed for the purchase of Equitex's Chex Services subsidiary for total consideration of approximately \$63 million, net of cash acquired and debt assumed.

The sale of Chex Services was unanimously approved and ratified by the Equitex board of directors after Equitex's independent advisor determined that amongst other factors, the iGames Entertainment and Money Centers of America, Inc., combination of seasoned management, superior financing, and proprietary products provided more value for the Equitex shareholders than the previously announced transaction between Equitex and Cash Systems, Inc.

Jeremy Stein, CEO of iGames Entertainment stated, "We expect the combination of the three businesses to generate 2004 revenues in excess of \$30 million and cash flow exceeding \$5 million based on the current installed customer base. We expect the collective sales efforts and cost cutting to contribute additional revenues and cash flows to our 2004 performance. These transactions are a continuation of our business plan to produce substantial reoccurring revenues with a platform that should help us to achieve our 25% growth expectations."

The final disposition of the sale of the Chex Services subsidiary, which is anticipated to occur in early 2004, is subject to customary closing conditions, including shareholder proxy, review and clearance.
