Item 8.01 Other Events.

On December 11, 2006, American Home Food Products, Inc. announced that it entered into a non-binding Letter of Intent to acquire 100% of the ownership interests in a privately-held specialty food company (the Target). The terms of the transaction contemplate a payment of approximately \$4.5 million in cash and notes and the assumption of \$1 million in liabilities as part of the purchase consideration. The consummation of the transaction is subject to financing and the execution of a definitive stock purchase agreement. As part of the Letter of Intent, the Company and the Target have agreed to an exclusivity period to complete these negotiations.

The Company further stated that several new directors and officers will join the Company upon the Closing of the transaction.

A copy of the announcement is attached to this Form. The parties have signed a mutual confidentiality agreement and for proprietary reasons have elected to summarize the Letter of Intent in the business announcement and this filing and will not disclose the Target 's identity and all the terms and conditions of the transaction until such time as a definitive stock purchase agreement has been executed. The Company 's board determined that it in the best interest of the Company to limit the disclosure of all the terms of the transaction to safeguard its near term business plans that the board believes are proprietary to the Company and shouldn 't be publicized until a definitive agreement is reached.

With this transaction, the Company intends to recapitalize its existing debts as a condition to the Closing.
