**PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS**

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Getty Realty Corp. (hereinafter called the "Company" or "Getty"), to be voted at the Annual Meeting of Stockholders to be held at 270 Park Avenue, 11th Floor, New York, New York, on May 14, 2009 at 3:30 p.m., and at any adjournments or postponements thereof, for the purpose of electing a Board of Directors, ratifying the appointment of independent auditors and transacting such other business as may properly come before the meeting or any adjournment or postponement thereof.

Voting Rights, Outstanding Shares and Quorum

At the close of business on March 26, 2009, the record date for stockholders entitled to vote at the meeting, there were 24,766,216 shares of Getty common stock outstanding. Each outstanding share of common share is entitled to one vote. The common shares vote as a single class. In order to constitute a quorum at the meeting, there must be present, or voting by proxy, holders of a majority of the outstanding common stock.

Broker Non-Votes and Abstentions

A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (generally referred to as being held in "street name") but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. With respect to the proposals regarding the election of directors and ratification of auditors, abstentions and broker non-votes will not be treated as votes cast and, therefore, will not affect the outcome of any such matter, although they will be considered present for the purpose of determining the presence of a quorum.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation.

Voting of Proxies

All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal.

This Proxy Statement and form of proxy card is being sent to stockholders on or about April 10, 2009.

ELECTION OF DIRECTORS

Five directors are to be elected at the meeting for a term of one year or until their respective successors are elected and qualified. If a quorum is achieved at the meeting, a director will be elected for a term of one year if the number of votes cast “FOR” that director exceeds the number of votes cast “AGAINST” that director. Each share may be voted for as many individuals as there are directors to be elected.

You may use the enclosed proxy card to cast your votes for the election of the nominees named in the table below. In the event that any of the nominees should become unable or unwilling to serve as a director, we intend to vote your proxy for the election of the person, if any, who is designated by the Board of Directors. The persons nominated for election as directors are as follows:

DIRECTORS' MEETINGS, COMMITTEES AND EXECUTIVE OFFICERS

Directors' Meetings

For 2008, the Board of Directors consisted of Messrs. Cooper, Coviello, Driscoll, Liebowitz and Safenowitz.

During the year ended December 31, 2008, the Board of Directors held six meetings (including four regular meetings and two special meetings). Each of the directors attended all of the meetings of the Board of Directors, and of the Committees of the Board on which the director served. Each of the directors also attended the Annual Meeting of Stockholders in May 2008. Each of the nominees plans to attend this year's Annual Meeting of Stockholders to be held on May 14, 2009.

Independence of Directors

The Board of Directors has determined that Messrs. Cooper, Coviello, Driscoll and Safenowitz are "independent" as defined in the listing standards of the New York Stock Exchange (the "NYSE"). In making these determinations, the Board of Directors considered all relevant facts and circumstances, including the "independence" standards set forth in Section 303A.02 of the rules of the New York Stock Exchange. In doing so, the Board of Directors affirmatively determined that none of the directors or any of their family members, other than Mr. Leo Liebowitz (who is the Chief Executive Officer of Getty), has had any relationship with Getty (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), other than as a shareholder and director of Getty, within the last three years. Accordingly, the Board of Directors has affirmatively determined that each of the directors, other than Mr. Liebowitz, is "independent".

It has been and will continue to be the practice of the Board of Directors to meet at least quarterly each year and have Mr. Liebowitz, as Chairman, chair such meetings. Additionally, it has been the practice of the non-management directors to meet in executive session, without Mr. Liebowitz or any of the other members of management attending, at least quarterly each year, and to have Mr. Driscoll chair such sessions.

Committees

The Board of Directors has an Audit Committee, a Nominating/Corporate Governance Committee and a Compensation Committee, the membership and functions of which are described below.

Audit Committee

The Audit Committee met 10 times in 2008. The Audit Committee consisted of Messrs. Coviello (Chairman), Driscoll and Safenowitz. The Audit Committee selects the firm of independent public accountants that audits the consolidated financial statements of Getty and its subsidiaries, discusses the scope and the results of the audit with the accountants and discusses Getty's financial accounting and reporting principles as well as the adoption of new accounting pronouncements. The Audit Committee also examines and discusses the adequacy of Getty's financial controls with the accountants and with management. In addition to regular meetings, at least one Audit Committee member meets telephonically with management and Getty's independent auditors to review the Company's annual and quarterly reports and other reports, as appropriate, prior to their filing with the SEC. The entire Audit Committee met with management and Getty's independent auditors to review the Company's audited financial statements for the fiscal year ended December 31, 2008, and recommended to the Board of Directors that the financial

Edgar Filing: GETTY REALTY CORP /MD/ - Form DEF 14A

statements be included in the Company's Annual Report on Form 10-K for such fiscal year. Additionally, the Audit Committee reviews, and discusses with management, management's specific disclosures contained in "Management's Discussion and Analysis of Financial Condition and Results of Operations". Please also see the Audit Committee Report included in this Proxy Statement.

The Board of Directors has determined that each member of the Audit Committee is "independent" and that each is "financially literate" as such term is defined in the listing standards of the NYSE. In addition, the Board has determined that each member of the Audit Committee meets the independence tests set forth in Section 301 of the Sarbanes-Oxley Act of 2002 and regulations promulgated thereunder by the SEC. The Board has also determined that Mr. Coviello and Mr. Driscoll each qualifies as an "audit committee financial expert" under the relevant rules of the SEC, and each has the requisite accounting/financial management expertise required by the listing standards of the NYSE.

The Charter of the Audit Committee provides that members of the Audit Committee may not be members of the audit committee of three or more other public companies unless such other memberships have been disclosed to the Board and the Board has determined that such simultaneous service does not impair the ability of such member to serve effectively on the Audit Committee.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee met twice in 2008. The Nominating/Corporate Governance Committee consisted of Messrs. Safenowitz (Chairman), Cooper, and Coviello. The Nominating/Corporate Governance Committee recommends nominees for election to the Board and reviews the role, composition and structure of the Board and its committees. The Nominating/Corporate Governance Committee also recommends candidates to the Board for election as officers.

The Board of Directors has determined that each member of the Nominating/Corporate Governance Committee is "independent" as such term is defined in the listing standards of the NYSE. The Nominating/Corporate Governance Committee Charter includes policies with regard to stockholder recommendations of nominees to the Board of Directors.

Stockholders wishing to recommend candidates for election to the Board must supply information in writing regarding the candidate to Mr. Joshua Dicker, Vice President, General Counsel and Secretary of the Company, at Getty's executive offices. This information should include the candidate's name, biographical data and an analysis of the candidate based on the director candidate criteria described below. The recommendation must also include all information relating to the proposed director nominee that would be required to be disclosed in a solicitation of proxies for election of directors in an election contest under applicable securities law. Stockholders wishing to nominate a candidate must comply with the advance notice requirements in our By-Laws. Please refer to our By-Laws for more specific information. Additional information regarding proposed nominees may be requested by the Nominating/Corporate Governance Committee.

Each nominee must possess fundamental qualities of intelligence, honesty, good judgment, and high standards of ethics, integrity, fairness and responsibility. The Nominating/Corporate Governance Committee also will consider the following criteria, among others the Committee deems appropriate, including the specific needs of the Board at the time:

- experience in corporate management, such as serving as an officer or former officer of a publicly held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today's business environment;
- the director's past attendance at meetings and participation in and contributions to the activities of the Board (if applicable);

- experience in our industry and with relevant social policy concerns;
- understanding of our business on a technical level;
- educational and professional background and/or academic experience in an area of our operations;
- experience as a board member of another publicly held company;
- practical and mature business judgment, including ability to make independent analytical inquiries;
- “independence,” as defined by the New York Stock Exchange listing standards;
- financial literacy;
- standing in the community; and
- ability to foster a diversity of backgrounds and views and to complement the Board’s existing strengths.

On the basis of the information gathered in this process, the Nominating/Corporate Governance Committee will determine which nominees to recommend to the Board. Recommendations received prior to any Nominating/Corporate Governance Committee meeting where director nominees are to be considered will be considered at that meeting. The Nominating/Corporate Governance Committee uses the same process for evaluating all nominees, regardless of the source of the recommendation. This process includes, among other things, personal interviews, discussions with professional references, background checks, credit checks and resume verification.

The Nominating/Corporate Governance Committee never has received any recommendation for a director nominee from any stockholder or group of stockholders owning more than 5% of the common stock of Getty for more than one fiscal year.

Compensation Committee

The Compensation Committee met twice in 2008. The Compensation Committee consisted of Messrs. Cooper (Chairman), Coviello and Safenowitz. The Compensation Committee is responsible for developing and, with the approval of the Board, implementing the compensation plans, policies and programs of the Company, and producing an annual report on executive compensation for inclusion in the Company’s proxy materials in accordance with applicable rules and regulations. It is the Compensation Committee’s responsibility to ensure that compensation programs are designed to encourage high performance and promote accountability and assure that employee interests are aligned with the interests of the Company’s stockholders.

The Compensation Committee administers the Supplemental Retirement Plan for Executives of Getty Realty Corp. and Participating Subsidiaries (“the Supplemental Retirement Plan”) and the Getty Realty Corp. 2004 Omnibus Incentive Compensation Plan (the “2004 Plan”) (which is the equity compensation plan approved by the stockholders at the Annual Meeting of Stockholders in May 2004), and reviews, and recommends to the Board, for Board approval, the compensation of the directors and each of the officers of Getty.

The Compensation Committee’s Charter provides that the Committee may delegate any or all of its responsibilities, except that the Committee may not delegate its responsibilities with respect to:

- its annual review and approval of compensation for officers, directors and certain highly compensated employees;
- its recommendation to the Chairman of the Board of any changes in non-management director compensation;
- its management and annual review of, and responsibilities with respect to, all bonus, incentive compensation, stock option and other equity-based compensation, employee pension and welfare benefit plans;
- any other matters that involve executive compensation; or
- any matters where the Committee has determined that such compensation is intended to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”) by virtue of being approved by a committee of “outside directors” or is intended to be exempt from Section 16(b) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) pursuant to Rule 16b-3 by virtue of being approved by a committee of “non-employee directors.”

The Chief Executive Officer, along with the Compensation Committee, reviews compensation for executive officers other than the Chief Executive Officer. No executive officer other than the Chief Executive Officer plays a role in determining or recommending the amount or form of executive and director compensation. The Compensation Committee does not currently engage any consultant related to executive or director compensation.

The Board of Directors has determined that each member of the Compensation Committee is “independent” as such term is defined in the listing standards of the NYSE.

Website Access to Charters

The Charters for each of the committees of the Board of Directors, the Corporate Governance Guidelines, and our Business Conduct Guidelines (which serves as our “code of ethics” under the Sarbanes-Oxley Act of 2002 and our “code of business conduct and ethics” under the NYSE rules and covers officers, employees and directors), may be accessed through the Getty website at www.gettyrealty.com by clicking on “Corporate Governance.” Additionally, copies may be requested in writing by submitting the request to Mr. Joshua Dicker, Vice President, General Counsel and Secretary, at the address for Getty’s executive offices provided in this Proxy Statement. The Code of Conduct applies to all employees, officers and directors of the Company and any waivers of the Code of Conduct for directors or executive officers, if any, will be disclosed in the Company’s Annual Proxy Statement. There were no such waivers in 2008.

Concerns relating to accounting, internal controls or auditing matters are handled in accordance with procedures established by the Audit Committee with respect to such matters.

Executive Officers

In addition to Mr. Liebowitz, the Company's executive officers are Mr. Kevin C. Shea, age 49, Executive Vice President of Getty since May 2004 (Vice President since 2001), Mr. Thomas J. Stirnweis, age 50, Vice President, Treasurer and Chief Financial Officer of Getty since 2003 (Corporate Controller and Treasurer since 2001) and Mr. Joshua Dicker, age 48, Vice President, General Counsel and Secretary of Getty (Vice President since February 2009, General Counsel and Secretary since February 2008).

There are no family relationships between any of the Company's directors or executive officers.

Mr. Shea has been with Getty since 1984. Prior to 2001, he was Director of National Real Estate Development for the Company.

Mr. Stirnweis joined Getty in January 2001 as Corporate Controller and Treasurer. Prior to joining Getty, he was Manager of Financial Reporting and Analysis of Marketing, where he provided services to Getty under a services agreement following the spin-off of Marketing in March 1997. Prior thereto, he held the same position at the Company from November 1988.

Mr. Dicker joined Getty in February 2008. Prior to joining Getty, he was a partner in the law firm Arent Fox LLP, resident in its New York City office, specializing in corporate and transactional matters.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Discussion and Analysis describes Getty's policies with respect to the compensation of the Chief Executive Officer and the other executive officers. The Compensation Committee is responsible for setting the policies which govern base salary and other compensation and employee benefits including Getty's retirement and profit sharing plan, supplemental retirement plan for executives, stock option plan (which expired in 2009), and incentive compensation plan, and for determining the amounts payable under these plans, subject to review by the Board of Directors with respect to certain determinations as described in the next paragraph.

Compensation of Getty's executive officers (with the exception of the Chief Executive Officer) is reviewed by the Chief Executive Officer with the Compensation Committee and is discussed, reviewed and approved by the full Board of Directors. The compensation of the Chief Executive Officer is discussed, reviewed and approved by the Compensation Committee.

Overview

Getty's compensation program for executive officers is designed to effectively manage and limit annual increases in the Company's aggregate compensation expense while providing executive officers (other than the Chief Executive Officer) with a total compensation package that is adequate to retain them, encourage high performance, and promote accountability. Getty's compensation policies are also designed to promote increased stockholder value by aligning the financial interests of Getty's executive officers with those of its stockholders. The Compensation Committee believes that its current policies, plans and programs are adequate for these purposes.

Getty's Chief Executive Officer, Mr. Leo Liebowitz, is the Company's largest stockholder. Accordingly, the Company believes that he is committed to promoting the enhancement of cash flows and earnings and, consequently, increased stockholder values, and that his financial interests are aligned with those of the Company's stockholders without regard to his compensation. In setting the Chief Executive Officer's compensation, the Compensation Committee is guided by what it believes is reasonable for his position in view of his contributions to the Company's performance without regard to retention.

Getty relies on a combination of annual compensation and employee benefits and long-term compensation in the form of stock-based grants to retain its other executive officers. Stock-based grants are viewed by the Compensation Committee as the means of aligning the financial interests of Getty's executive officers with those of its stockholders. Getty's compensation program for executive officers does not as a general matter include annual incentive awards.

The Compensation Committee reviews, from time to time, the annual compensation survey conducted by the National Association of Real Estate Investment Trusts ("NAREIT"), but does not engage in benchmarking. Generally, the Compensation Committee focuses on regional "cost of living" increases in determining annual increases in base salaries. Cash compensation and the number of restricted stock units (including dividend equivalents paid with regard to such restricted stock units) granted annually are in amounts which the Compensation Committee considers to be sufficient to retain its executive officers and to align their interests with those of Getty's stockholders.

Section 162(m) of the Internal Revenue Code denies publicly-held corporations the federal income tax deduction for compensation in excess of \$1.0 million paid to its chief executive officer and four other

most highly compensated officers during a fiscal year unless the compensation is “performance-based”. At this time the compensation paid to our Chief Executive Officer and other officers do not approach the limits imposed by the Section 162(m) limitations on deductibility. In the event that the compensation of any officer approaches the Section 162(m) limitations in the future, the Compensation Committee will consider such limitations in determining such officer’s total compensation.

The primary elements of compensation for executive officers are the following:

- Base salary;
- Equity incentive compensation (*i.e.* restricted stock units (“RSUs”) with dividend equivalents);
- Retirement and other plans; and
- Perquisites and other benefits.

Base Salary

Annual increases in base salaries of Getty’s executive officers typically have been determined by multiplying base salaries of Getty’s executive officers for the prior year by a percentage representing a cost of living increase. The Compensation Committee generally does not evaluate base salaries each year other than to consider cost of living increases. Historically, the annual percentage increase in base salaries of Getty’s executive officers has been three (3%) percent, except in 2008 and 2009 as described below. In view of the fact that the relevant cost of living index in 2008 did not appreciably increase compared to the prior year, the Compensation Committee determined in February 2009 that a cost of living increase adjustment was not necessary for executive officers.

Following the resignation in 2007 of Getty’s prior General Counsel, the Compensation Committee undertook to review the base salaries of Mr. Thomas Stirnweis, the Company’s Vice President, Treasurer and Chief Financial Officer, and Mr. Kevin Shea, the Company’s Executive Vice President, both from a market standpoint and in connection with the evaluation of compensation terms being considered for a new General Counsel.

Following this review, in February 2008, Mr. Stirnweis’ base salary was increased to \$250,000, and Mr. Shea’s base salary was increased to \$265,000. At the same time, Getty appointed Mr. Joshua Dicker as General Counsel and Secretary at a base salary of \$235,000. Mr. Dicker’s salary was arrived at in negotiations between Getty and Mr. Dicker. In preparation for these negotiations, the Compensation Committee considered the 2007 NAREIT Compensation Survey and the base salaries of Getty’s other executive officers.

In February 2009 the Compensation Committee decided, based on the recommendation of the Chief Executive Officer and Mr. Dicker’s performance in his first year with the Company, to promote Mr. Dicker to Vice President in addition to retaining his titles as General Counsel Secretary, and to increase his base salary to \$250,000.

Equity Incentive Compensation

2004 Incentive Compensation Plan

At the 2004 Annual Meeting of Stockholders, the stockholders approved the 2004 Plan for officers and other valued employees of the Company and its subsidiaries and members of the Board. The 2004 Plan provides for the grant of restricted stock, restricted stock units, cash, stock or other performance awards,

dividend equivalents, deferred stock awards, stock payments and other stock awards to eligible individuals. The 2004 Plan does not provide for the grant of stock options. The 2004 Plan also permits a grant to each employee of 10 shares of common stock on or about December 31st of each year (which, in the case of 2008, was granted to each full-time employee), as well as a grant to each employee, on each fifth anniversary of his or her employment, of 10 shares of common stock for each five years of employment.

The 2004 Plan is administered by the Compensation Committee which has the power to determine eligibility, the types and sizes of awards, the price and timing of awards, terms of vesting, the acceleration or waiver of any vesting restriction and the timing and manner of settling vested awards. In 2008, the Board of Directors approved certain technical amendments to the 2004 Plan to comply with the provisions of Section 409A of the Internal Revenue Code. As amended, the 2004 Plan provides that the Compensation Committee may not exercise its discretion to accelerate the payment or settlement of any awards where such payment or settlement constitutes “deferred compensation” within the meaning of Section 409A unless and to the extent such accelerated payment or settlement is permissible under Section 409A.

An aggregate of 1,000,000 shares of common stock are available for grant pursuant to the 2004 Plan, subject to adjustments for stock dividends and stock splits. The aggregate maximum number of shares of common stock that may be subject to awards granted under the 2004 Plan to all participants during any calendar year is 80,000.

The Compensation Committee may terminate, amend, or modify the 2004 Plan at any time; provided, however, that stockholder approval must be obtained for any amendment to the extent such approval is required in order to comply with any applicable law, regulation or stock exchange rule, or to increase the maximum number of shares which may be issued, in any year or in aggregate, under the 2004 Plan.

In no event may an award be granted pursuant to the 2004 Plan on or after the tenth anniversary of the last date on which Getty’s stockholders approved the 2004 Plan.

Generally, to better align the interests of the Company’s directors, officers and employees with the interests of the Company’s stockholders, the Compensation Committee grants equity based awards under the 2004 Plan consisting of restricted stock units (including dividend equivalents paid with regard to such restricted stock units). For 2008, the Compensation Committee granted 2,500 restricted stock units (and related dividend equivalents) to each executive officer (including the Chief Executive Officer) and to each director (other than the Chief Executive Officer). The Compensation Committee does not utilize performance targets in determining the number equity-based awards to issue.

(3) The 2004 Plan permits awards of restricted stock, restricted stock units, cash, stock or other performance awards, dividend equivalents, deferred stock awards, stock payments and stock awards. Retirement Plans

Getty has a retirement and profit-sharing plan with deferred 401(k) savings plan provisions (the "Retirement Plan") for employees meeting certain service requirements. An annual discretionary profit sharing contribution is determined by the Board of Directors. The contribution is calculated as a percentage of the sum of (i) the employee's compensation (as defined in the Retirement Plan) up to the maximum allowed under Internal Revenue Service regulations, and (ii) the excess of that amount over the social security taxable wage base. For 2008, the Board of Directors elected to contribute 1% of that sum for each eligible employee. This percentage was consistent with prior years. Under the terms of the Retirement Plan, the Company matches 50% of each participating employee's elective contribution to the Retirement Plan, but in no event more than 3% of the employee's compensation. The Company's contributions to the Retirement Plan vest in accordance with a six-year vesting schedule and are paid upon retirement, death, disability, or termination of employment, as described more fully in the Retirement Plan.

Getty also has the Supplemental Retirement Plan for executive officers and other senior management employees. The Board of Directors has sole discretion to select annually the eligible employees for whom contributions will be made. Under the Supplemental Retirement Plan, which is not qualified for purposes of Section 401(a) of the Internal Revenue Code, a participating employee may receive in his trust account an amount equal to 10% of his compensation (as defined in the Supplemental Retirement Plan), reduced by the amount of any contributions allocated to the employee by the Company under the

Retirement Plan. The amounts paid to the trustee under the Supplemental Retirement Plan may be used to satisfy claims of general creditors in the event of Getty's or any of its subsidiaries' bankruptcy. The trustee may not cause the Supplemental Retirement Plan to be other than "unfunded" for purposes of the Employee Retirement Income Security Act of 1974, as amended. An employee's account vests in the same manner as under the Retirement Plan and is paid upon separation of service from the Company. Under the Supplemental Retirement Plan, during any fiscal year the Board of Directors may elect not to make any payment to the account of any or all eligible employees. In 2008, the Board of Directors approved certain technical amendments to the Supplemental Retirement Plan in order to comply with Section 409A of the Internal Revenue Code.

Potential Payments Upon Termination or Change in Control

In December 1994, Getty entered into agreements with certain key employees, providing for severance payments upon enumerated termination and change of control events. Mr. Stirnweis is currently the only employee covered by these arrangements. The Company's obligation under Mr. Stirnweis' severance agreement is triggered by the termination of Mr. Stirnweis' employment (i) by the Company other than for cause, (ii) by the Company or its successor following a change in control, or (iii) by the Company or Mr. Stirnweis following assignment of materially different employment by the Company. (Mr. Stirnweis' employment will be considered "materially different" if it is on terms materially less favorable to Mr. Stirnweis than the terms in effect as of the date of the severance agreement, or if his place of employment is relocated more than 15 miles from Jericho, NY.) If Mr. Stirnweis' employment is so terminated, the Company is obligated to pay severance compensation for a period of 12 months following the termination, in an amount equal to his Guaranteed Salary minus any amount of similar compensation Mr. Stirnweis may receive from another employer during such 12-month period. "Guaranteed Salary" is defined in the severance agreement as the sum of (a) Mr. Stirnweis' current base salary; (b) the greater of 20% of his current base salary or the benefits received by him under any bonus plan; (c) his current expected annual benefits under the Supplemental Retirement Plan; (d) the total of the current expected annual employer contributions made to his account under the Retirement Plan; and (e) his current annual automobile reimbursement. If, following a change in control, the Company or its successor continues to compensate Mr. Stirnweis but at a total salary less than his Guaranteed Salary, the Company is obligated to pay the difference during the 12-month severance period. In addition, if as a result of one of the above events, Mr. Stirnweis suffers a loss or reduction in healthcare benefits, the Company will pay the full cost of continuation coverage pursuant to the Consolidated Budget Reconciliation Act of 1984 ("COBRA"). In 2008, technical amendments were made to Mr. Stirnweis' severance agreement to comply with Section 409A of the Internal Revenue Code.

Getty does not believe that potential payments to Mr. Stirnweis under his severance agreement influence decisions regarding other elements of his, or other executive officers', compensation.

Pursuant to a long-standing arrangement, upon the death of Mr. Liebowitz, benefits in an amount equal to twelve months' salary will be paid to his estate. In the event of termination of Mr. Liebowitz' employment due to illness or incapacity for a period of one year or longer, benefits equal to twenty-four months' salary will be payable to Mr. Liebowitz.

(1) Stock awards are in the form of restricted stock units. Getty generally records compensation expense with respect to the grant of awards under the 2004 Plan using the fair value method of accounting. Under accounting principles generally accepted in the United States of America, Getty will record compensation expense for a restricted stock award equal to the excess of the fair market value of the award determined as of the date of the grant over the amount (if any) the participant pays for the stock, and will recognize this amount as compensation expense ratably over the five-year vesting period of the restricted stock award. The future value of future dividends is assumed to be reflected in the closing per share price of the common stock, and, consequently, in the fair value of each award. Therefore, the dividend equivalents paid on restricted stock units are not shown separately in this table. Awards subject to performance vesting conditions will result in similar compensation expense measured at the grant date, which may be adjusted periodically as vesting becomes more or less likely, and amounts recognized as compensation expense in any period in which vesting occurs. Getty will charge retained earnings in the amount of any payment of dividend equivalents granted under the 2004 Plan. The Company pays dividends on restricted stock units only to the extent dividends are declared on shares of its common stock. See also Note 8 to Getty's Consolidated Financial Statements for the year ended December 31, 2008, included in Getty's Annual Report on Form 10-K for the year ended December 31, 2008.

(2) The fair value of Getty's stock options is recognized as compensation expense ratably over the four-year vesting period of the options. No stock options have been granted to employees by Getty since the year ended December 31, 2002. The stock options granted in 2002 became fully vested in 2006. The fair value of the stock options granted during the year ended December 31, 2002 was estimated as \$0.56 per option on the date of grant using the Black-Scholes option-pricing model and assuming an expected

dividend yield of 9.0%, an expected volatility of 18%, a risk-free interest rate of 3.6%, and an expected life of the options of 7 years. (1) Directors receive annual retainer fees of \$20,000, except that the Chairman of the Audit Committee receives an annual retainer fee of \$22,000. Directors also receive Committee and Board meeting fees of \$1,000 for each meeting attended (except for telephonic meetings, for which the fee is \$500), except that the Chairman of the Audit Committee receives \$1,500 for each Audit Committee meeting (except for telephonic meetings, for which he receives \$750). Directors who are employees of Getty do not receive

retainers or Board meeting fees. In his capacity as lead independent director, during 2008 Mr. Driscoll was requested by the Board of Directors to act as the Company's lead representative in discussions with Marketing regarding possible modifications to the Company's Master Lease with Marketing and, in connection therewith, to work with management on supporting matters, including analysis of issues and development of strategies. Because of these increased Board responsibilities, the Board of Directors determined to provide Mr. Driscoll additional Board compensation on a per diem basis. Accordingly, Mr. Driscoll earned \$67,500 in additional director fees related to services provided in 2008. The arrangement is continuing in 2009.

(2) The Company granted 2,500 restricted stock units to each non-employee director in 2008. The fair value of the restricted stock units granted to such directors in 2008 was determined based on the closing market price of Getty's stock on the date of grant and was estimated at \$26.86 per unit with an aggregate grant date fair value estimated at \$67,150 for each such director and \$268,600 in the aggregate. The fair value of the grants is recognized as compensation expense ratably over the five year vesting period of the grants. Vested restricted stock units are settled upon termination of service from the Board of Directors. At December 31, 2008, Messrs. Cooper, Coviello and Safenowitz each had 2,500 restricted stock units outstanding and Mr. Driscoll had 7,500 restricted stock units outstanding. See also Note 8 to Getty's Consolidated Financial Statements for the year ended December 31, 2008, included in Getty's Annual Report on Form 10-K for the year ended December 31, 2008.

(3) The fair value of Getty's options is recognized as compensation expense ratably over the four-year vesting period of the options. At December 31, 2008, Mr. Coviello had 7,000 options outstanding and exercisable, Mr. Driscoll had 5,000 options outstanding, of which 1,250 were exercisable, and Mr. Safenowitz had 5,250 options outstanding and exercisable. REPORT OF THE AUDIT COMMITTEE

To Our Stockholders:

This report addresses our compliance with rules of the SEC and the listing standards of the NYSE designed to enhance audit committee effectiveness, to improve public disclosure about the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies.

Independence/Qualifications

The Board of Directors has determined that each member of the Audit Committee is “independent”, as such term is defined in the listing standards of the NYSE, and that each member who served on the Audit Committee for 2008 is “financially literate”, as such term is defined in the listing standards of the NYSE. The Board has also determined that Mr. Coviello and Mr. Driscoll each qualifies as an “audit committee financial expert” under the relevant rules of the SEC and each has the requisite accounting/financial management expertise required by the listing standards of the NYSE.

Sarbanes-Oxley Act Compliance

During the past year, the Audit Committee met regularly with management to assure that the Company’s internal financial controls continued to meet applicable standards under the Sarbanes-Oxley Act and are compliant with the listing standards of the New York Stock Exchange. The Company’s internal financial controls were reviewed and tested by PricewaterhouseCoopers LLP, our independent auditors, who have issued an unqualified audit report on our internal financial controls. Their report is included with the consolidated financial statements in our Annual Report to Shareholders. At the Audit Committee meeting held on February 26, 2009, the Committee reviewed our internal financial controls with management and PricewaterhouseCoopers LLP, and determined that Getty is in compliance with the requirements applicable to it.
