Item 1.01. Entry into a Material Definitive Agreement.

On November 4, 2010, America's Car-Mart, Inc., a Texas corporation (the "Company"), and its subsidiaries, Colonial Auto Finance, Inc., an Arkansas corporation ("Colonial"), America's Car Mart, Inc., an Arkansas corporation ("ACM"), and Texas Car-Mart, Inc., a Texas corporation ("TCM"), entered into a Loan and Security Agreement ("Agreement") with a group of lenders including Bank of Arkansas, N.A. (\$30.0 million total commitment), Bank of America N.A. (\$45.0 million total commitment), Arvest Bank (\$5.0 million total commitment) and Commerce Bank, N.A. (\$10.0 million total commitment) to replace the Company's existing credit facilities. Bank of Arkansas, N.A., serves as the administrative agent and co-lead arranger of the lenders and Bank of America N.A., serves as collateral agent, co-lead arranger and documentation agent.

The Agreement provides credit facilities for Colonial, ACM and TCM totaling \$90.0 million, consisting of a \$10.0 million ACM-TCM revolving line of credit based on a certain percentage of eligible inventory together with an \$80.0 million Colonial line of credit based on a certain percentage of eligible receivables. Borrowings are secured primarily by accounts receivable and inventory of the respective subsidiaries and accrue interest at a rate determined under a tiered pricing schedule based on the Company's consolidated leverage ratio for the preceding fiscal quarter. The current interest rate under this schedule is LIBOR + 2.75% or Prime less .25%.

The Agreement contains various reporting and performance covenants including (i) maintenance of certain financial ratios and tests, (ii) limitations on borrowings from other sources, (iii) restrictions on certain operating activities and (iv) limitations on the payment of dividends or distributions. The Agreement contains customary events of default that would permit the lenders to accelerate the loans if not cured within applicable grace periods, including the failure to make timely payments under the Agreements, the failure to satisfy covenants and specified events of bankruptcy or insolvency.

Amounts available under the revolving credit lines provided pursuant to the Agreement may be borrowed, repaid and reborrowed from time to time until the expiration of the Agreement on November 4, 2013. The Agreement also contains a \$15.0 million accordion feature. The Company has guaranteed the obligations of its subsidiaries under the Agreement. In addition, any obligations of its subsidiaries to the Company and to its other subsidiaries are subordinated to the obligations under the Agreement.

Proceeds were used to pay off all existing debt under the Company's previous \$61.5 million financing package last amended in January 2010, including an early pay-off of the remaining balance (\$6.3 million) of a \$10.0 million term loan with Bank of Arkansas, N.A. ACM incurred a yield maintenance fee related to the early pay-off of the term loan which will result in a charge of approximately \$.03 per diluted share in the third fiscal quarter of 2011.

The descriptions above are summaries and are qualified in their entirety by the Loan and Security Agreement, Promissory Notes, Guaranties and Security Agreements, which are filed as exhibits to this report and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
