PROXY STATEMENT

for

Annual Meeting of Stockholders
to be held on June 28, 2013

PROXY SOLICITATION

ChinaNet Online Holdings, Inc., a Nevada corporation (the "Company") is soliciting proxies on behalf of the Board of Directors (the "Board") in connection with the annual meeting of stockholders on June 28, 2013 and at any adjournment thereof. The Company will bear the entire cost of preparing, assembling, printing and mailing this Proxy Statement, the accompanying proxy, and any additional material that may be furnished to stockholders. Proxies also may be solicited through the mails or direct communication with certain stockholders or their representatives by Company officers, directors, or employees, who will receive no additional compensation therefor.

May 31, 2013 is the approximate date on which this Proxy Statement and the accompanying form of proxy are first being sent to stockholders.

GENERAL INFORMATION ABOUT VOTING

Record Date, Outstanding Shares, and Voting Rights

As of May 17, 2013, the record date for the meeting, the Company had outstanding 22,186,540 shares of Common Stock being the class of stock entitled to vote at the meeting. Each share of Common Stock entitles its holder to one vote.

Procedures for Voting or Revoking Proxies

You may vote your proxy by completing, dating, signing, and mailing the accompanying form of proxy in the return envelope provided. The persons authorized by any of those means to vote your shares will vote them as you specify or, in absence of your specification, as stated on the form of proxy. Abstentions and broker non-votes represented by submitted proxies will be included in the calculation of the number of the shares present at the Annual Meeting for the purposes of determining a quorum. "Broker non-votes" means shares held of record by a broker that are not voted because the broker has not received voting instructions from the beneficial owner of the shares and either lacks or declines to exercise the authority to vote the shares in its discretion. You may revoke any proxy by notifying the Company in writing at the above address, ATTN: Secretary, or by voting a subsequent proxy or in person at the meeting.

Proposal One. Directors are elected by a plurality, and the nominees who receive the most votes will be elected. Proposal One is considered a "non routine" matter under NASDAQ Stock Market ("NASDAQ") rules, and, accordingly, brokerage firms and nominees do not have the authority to vote their clients' unvoted shares on Proposal

One or to vote their clients' shares if the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal One.

Proposal Two. To be approved, the ratification of Marcum Bernstein & Pinchuk LLP, as the Company's independent accountants must receive the affirmative vote of the majority of the shares of Common Stock present in person or by proxy and cast at the Annual Meeting. Proposal Two is considered a "routine" matter under NASDAQ rules, and, accordingly, brokerage firms and nominees have the authority to vote their clients' unvoted shares on Proposal Two as well as to vote their clients' shares where the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal Two.

Proposal Three. To be approved, the proposal regarding the Company's executive compensation for the fiscal year ended December 31, 2012 must receive the affirmative vote of the majority of the shares of Common Stock present in person or by proxy and cast at the Annual Meeting. Proposal Three is considered a "non-routine" matter under NASDAQ rules, and, accordingly, brokerage firms and nominees do not have the authority to vote their clients' unvoted shares on Proposal Three or to vote their clients' shares if the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal Three. The vote on Proposal Three is advisory and therefore not binding on the Company, the Compensation Committee or the Board of Directors. Although non-binding, the Board of Directors values the opinions that the stockholders express in their votes, and the votes will provide information to the Compensation Committee regarding investor sentiment about the Company's executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation in the future.

Proposal Four. The proposal regarding the determination of the frequency of the advisory vote on the Company's executive compensation must receive the affirmative vote of the majority of the shares of Common Stock present in person or by proxy and cast at the Annual Meeting. Stockholders are not voting to approve or disapprove the recommendation of the Board of Directors. Instead, stockholders are selecting one of the frequency alternatives (every year, every two years or every three years or abstaining). Proposal Four is considered a "non-routine" matter under NASDAQ rules, and, accordingly, brokerage firms and nominees do not have the authority to vote their clients' unvoted shares on Proposal Four or to vote their clients' shares if the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal Four. With respect to this item, if none of the frequency alternatives (every year, every two years or every three years) receives a majority of the votes cast, the Company will consider the frequency that receives the highest number of votes by stockholders to be the frequency that has been selected by the stockholders. This vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board of Directors. Although the vote is non-binding, the Board of Directors values the opinions that the stockholders express in their votes and will take into account the outcome of the vote when considering how frequently the Company should conduct a vote on its executive compensation going forward. However, because this vote is advisory and not binding on the Company or the Board of Directors, the Board of Directors may decide that it is in the Company's and the stockholders' best interests to hold a vote on the Company's executive compensation more or less frequently than the option that receives the most votes from the stockholders.

Attending the Meeting

You may obtain directions to the meeting at www.chinanet-online.com or by writing to the Company at the above address, ATTN: Secretary. If you attend the meeting, you may vote there in person, regardless of whether you have voted by any of the other means mentioned in the preceding paragraph.

Board Operations

Board Leadership Structure

Mr. Handong Cheng holds the positions of chief executive officer and chairman of the Board of the Company. The Board believes that Mr. Cheng's services as both chief executive officer and chairman of the Board is in the best interest of the Company and its stockholders. Mr. Cheng possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company in the advertising and media industry and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters relating to the business of the Company. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's stockholders, employees and customers.

The Board has not designated a lead director. Given the limited number of directors comprising the Board, the independent directors call and plan their executive sessions collaboratively and, between meetings of the Board, communicate with management and one another directly. Under these circumstances, the directors believe designating a lead director to take on responsibility for functions in which they all currently participate might detract from rather than enhance performance of their responsibilities as directors.

Director Qualifications

The Company seeks directors with established strong professional reputations and experience in areas relevant to the strategy and operations of our businesses. The Company also seeks directors who possess the qualities of integrity and candor, who have strong analytical skills and who are willing to engage management and each other in a constructive and collaborative fashion, in addition to the ability and commitment to devote time and energy to service on the Board and its committees. We believe that all of our directors meet the foregoing qualifications.

The Nominating and Corporate Governance Committee and the Board believe that the leadership skills and other experience of the Board members, as described below, provide the Company with a range of perspectives and judgment necessary to guide our strategies and monitor their execution.

Handong Cheng. Mr. Cheng is the founder of the Company and has been serving the franchise and advertising media industries for more than ten years. In 2003, he participated in the establishment of Beijing ChinaNet Online Advertising limited and Business Opportunity Online (Beijing) Networking Technology Ltd. (www.28.com), an entity engaged in operational, administration and management activities. Mr. Cheng has contributed to the Board's strong leadership and vision for the development of the Company.

Zhige Zhang. Mr. Zhang has years of experience in capital markets, financial and software development management. Prior joining the Company, he was responsible for marketing and investment operations at Konka Group. In 2001, Mr. Zhang started working in the software and network technology industry integrating with new advertising technology from PRECOM, who has wealth of experience in software development management and the network technology advertising industry.

Douglas MacLellan. Mr. MacLellan has been working in China since 1983 and has experience with joint venture and wholly-foreign owned enterprise structuring. In addition, Mr. MacLellan has over fifteen years of active audit committee chair experience.

Zhiqing Chen. Mr. Chen contributes to the Board extensive legal knowledge with respect to foreign investments and mergers and acquisitions. Mr. Chen also has experience working with PRC enterprises and international corporations.

Mototake Watanabe. Mr. Watanabe has over thirteen years of experience in management, finance, business strategy and audit.

The Audit Committee held four meetings during 2012.

The members of the Audit Committee are Douglas MacLellan, Chair, Zhiqing Cheng, and Mototake Watanabe. The Board has determined that Douglas MacLellan is an audit committee financial expert, as defined in the Exchange Act.

Potential nominees to the Board are required to have such experience in business or financial matters as would make such nominee an asset to the Board and may, under certain circumstances, be required to be "independent", as such term is defined under Rule 5605 of the listing standards of NASDAQ and applicable SEC regulations. Security holders wishing to submit the name of a person as a potential nominee to the Board must send the name, address, and a brief (no more than 500 words) biographical description of such potential nominee to the Nominating and Corporate Governance Committee at the following address: Nominating and Corporate Governance Committee of the Board of Directors, c/o ChinaNet Online Holdings, Inc., No. 3 Min Zhuang Road, Building 6, Yu Quan Hui Gu Tuspark, Haidian District, Beijing, PRC. Potential director nominees will be evaluated by personal interview, such interview to be conducted by one or more members of the Nominating and Corporate Governance Committee, and/or any other method the Nominating and Corporate Governance Committee deems appropriate, which may, but need not, include a questionnaire. The Nominating and Corporate Governance Committee may solicit or receive information concerning potential nominees from any source it deems appropriate. The Nominating and Corporate Governance

Committee need not engage in an evaluation process unless (i) there is a vacancy on the Board, (ii) a director is not standing for re-election, or (iii) the Nominating and Corporate Governance Committee does not intend to recommend the nomination of a sitting director for re-election. A potential director nominee recommended by a security holder will not be evaluated differently from any other potential nominee. Although it has not done so in the past, the Nominating and Corporate Governance Committee may retain search firms to assist in identifying suitable director candidates.

The Board does not have a formal policy on Board candidate qualifications. The Board may consider those factors it deems appropriate in evaluating director nominees made either by the Board or stockholders, including judgment, skill, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily. In considering candidates for the Board, the directors evaluate the entirety of each candidate's credentials and do not have any specific minimum qualifications that must be met. "Diversity," as such, is not a criterion that the Committee considers. The directors will consider candidates from any reasonable source, including current Board members, stockholders, professional search firms or other persons. The directors will not evaluate candidates differently based on who has made the recommendation.

Stockholders can mail communications to the Board, c/o Secretary, ChinaNet Online Holdings, Inc., No. 3 Min Zhuang Road, Building 6, Yu Quan Hui Gu Tuspark, Haidian District, Beijing, PRC, who will forward the correspondence to each addressee.

PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Audit Committee has appointed Marcum Bernstein & Pinchuk LLP as independent accountants for fiscal 2013. Representatives of Marcum Bernstein & Pinchuk LLP are expected to be present at the Annual Meeting to respond to appropriate questions and will have an opportunity to make a statement, if they so desire.

In the event the stockholders fail to ratify the selection of Marcum Bernstein & Pinchuk LLP, the Audit Committee will reconsider whether to retain the firm. Even if the selection is ratified, the Audit Committee and the Board, in their discretion, may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders

On July 30, 2009, the Company engaged Bernstein & Pinchuk LLP (“BP”) to serve as its independent auditor. The decision to engage BP as the Company’s principal independent accountant was approved by the Board of Directors of the Company on July 30, 2009. During the two fiscal years of the Company ended December 31, 2007 and 2008, and through the date of BP’s engagement, the Company did not consult BP regarding either: (i) the application of accounting principles to a specified transaction (either completed or proposed), or the type of audit opinion that might be rendered on the Company’s financial statements; or (ii) any matter that was either the subject of a “disagreement” or “reportable event” within the meaning set forth in Regulation S-K, Item 304(a)(1)(iv) or (a)(1)(v).

The practice of Bernstein & Pinchuk LLP (“B&P”), the Company’s independent registered public accounting firm, entered into a joint venture agreement with Marcum LLP and formed Marcum Bernstein & Pinchuk LLP (“MarcumBP”) in a transaction pursuant to which B&P merged its China operations into Marcum BP and certain of the professional staff of B&P joined MarcumBP as employees of MarcumBP (the “Merger”). Accordingly, and solely as a result of the Merger, effective April 14, 2011 (the “Resignation Date”), B&P effectively resigned as the Company’s independent registered public accounting firm and MarcumBP became the Company’s independent registered public accounting firm. This change in the Company’s independent registered public accounting firm was approved by the Audit Committee of the Company’s Board of Directors on April 20, 2011.

There were no disagreements between the Company and B&P on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, from the time of B&P’s engagement up to the date of its resignation which disagreements that, if not resolved to B&P’s satisfaction, would have caused B&P to make reference to the subject matter of the disagreement in connection with its report issued in connection with the audit of the Company’s financial statements. None of the reportable events described under Item 304(a)(1)(v)(A)-(D) of Regulation S-K occurred within the two fiscal years of the Company ended December 31, 2009 and 2010 and subsequently up to the date of its resignation in 2011. The audit report of B&P on the financial statements of the Company as of December 31, 2009 and 2010 did not contain any adverse opinion or disclaimer of opinion, and such audit report was not qualified or modified as to uncertainty, audit scope or accounting principles. At the time of the resignation, B&P provided us with a letter addressed to the SEC stating that it agreed with the above statements. This letter was filed as an exhibit to our Current Report on Form 8-K, which was filed with the SEC on April 20, 2011.
