Item 1.01. Entry into a Material Definitive Agreement.

Credit Agreement

On October 26, 2016, Amyris, Inc. (the “**Company**”) and Guanfu Holding Co., Ltd. (together with its subsidiaries, “**Guanfu**”), an existing commercial partner of the Company, entered into a credit agreement (the “**Credit Agreement**”) to make available to the Company an unsecured credit facility with an aggregate principal amount of up to \$25.0 million (the “**Credit Facility**”), which the Company may borrow from time to time in up to three closings (each such borrowing, a “**Loan**”). Each Loan will have a term of five years and will accrue interest at a rate of 10% per annum, payable quarterly. The Company may at its option repay the Loans before their maturity date, in whole or in part, at a price equal to 100% of the amount being repaid plus accrued and unpaid interest on such amount to the date of repayment.

The Credit Agreement contains customary representations, warranties and covenants of the parties, as well as customary provisions regarding, among other things, dispute resolution and governing law. Upon the occurrence of certain specified events of default under the Credit Facility, the Company will grant to Guanfu an exclusive, royalty-free, global license to certain intellectual property useful in connection with Guanfu’s existing commercial relationship with the Company. In addition, in the event the Company fails to pay interest or principal under any Loan within ten days of when due, the Company will also be required, subject to applicable laws and regulations, to repay the outstanding principal amount under such Loan, together with accrued and unpaid interest, in the form of shares of the Company’s common stock at a per share price equal to 90% of the volume weighted average closing sale price of the Company’s common stock for the 90 trading days ending on and including the trading day that is two trading days preceding such default.

The effectiveness of the Credit Agreement is subject to the parties obtaining certain required approvals, and upon the effective date of the Credit Agreement, the Company will grant to Guanfu the global exclusive purchase right with respect to the Company products subject to the parties’ pre-existing commercial relationship. The initial funding of the Credit Facility is scheduled to occur on December 1, 2016, subject to Guanfu’s right to extend such initial funding to a date no later than December 31, 2016.

Cooperation Agreement

On October 26, 2016, the Company entered into a Cooperation Agreement (the “**Cooperation Agreement**”) with Nenter & Co., Inc. (“**Nenter**”), a subsidiary of Guanfu. Under the Cooperation Agreement, the parties will collaborate to create and develop certain compounds and, in the event the parties achieve certain specified development targets, the parties would establish and implement a worldwide manufacturing and commercialization plan (the “**Commercialization Plan**”) relating thereto. The term of the Cooperation Agreement will be two years from the effectiveness of the

Cooperation Agreement (or five years in the event the parties pursue the Commercialization Plan), which will occur upon the parties obtaining certain required approvals, subject to the rights of the parties to terminate the Cooperation Agreement upon a material breach by the other party or the failure to obtain certain governmental approvals or authorizations, as provided in the Cooperation Agreement. The Cooperation Agreement also contains customary representations, warranties and covenants of the parties, as well as customary terms and provisions regarding, among other things, indemnification, dispute resolution, confidentiality and governing law.

In addition, pursuant to the terms of, and as consideration for, the Cooperation Agreement, promptly after the effectiveness of the Cooperation Agreement, the Company will issue to Nenter a warrant to purchase 10 million shares of the Company's common stock at an exercise price of \$0.50 per share, exercisable on or before December 31, 2016. The warrant will be issued pursuant to the exemption from registration under Section 4(2) of the Securities Act of 1933, as amended (the "*Securities Act*") and Regulation D promulgated under the Securities Act. Furthermore, pursuant to the terms of the warrant, upon the request of Nenter, the Company will use its best efforts to cause the shares of common stock issued upon exercise of the warrant to be registered under the Securities Act within 90 days of the exercise of the warrant.
