**Item 1.01. Entry into a Material Definitive Agreement.**

On February 2, 2017, Anika Therapeutics S.r.l., the wholly owned Italian subsidiary of Anika Therapeutics, Inc. (the “Company”), entered into an amendment (the “Lease Amendment”) to a build-to-suit lease agreement dated October 9, 2015 with Consorzio Zona Industriale E Porto Fluviale di Padova, as landlord. The Company filed a translated copy of the original lease agreement as an exhibit to a Current Report on Form 8-K filed with the Securities and Exchange Commission on October 14, 2015. Pursuant to the Lease Amendment, the parties agreed to discretionary changes to the to-be-leased facility requested by Anika Therapeutics S.r.l. during construction. Additionally, the parties memorialized their expectation that Anika Therapeutics S.r.l. will commence occupancy of the to-be-leased facility during the first quarter of 2017, with penalties to be incurred by the landlord if it fails to meet its delivery obligations under the Lease Amendment. Aside from these amendments, no material terms contained in the original lease agreement were altered by the Lease Amendment.

Additionally, on February 2, 2017, the Company finalized an extension, including the determination of a new monthly base rent, of a lease agreement dated January 4, 2007 with Farley White Wiggins LLC, as landlord, pursuant to which the Company leased 134,000 square feet of general office, research and development, and manufacturing space at its corporate headquarters in Bedford, Massachusetts (the “Bedford Lease”). The Company filed a copy of the Bedford Lease as an exhibit to a Current Report on Form 8-K filed with the Securities and Exchange Commission on January 10, 2007. In accordance with the terms and processes set forth in the Bedford Lease, the Company extended its lease term from November 1, 2017 through October 31, 2022 at a monthly base rent of approximately \$126,000. No other terms of the Bedford Lease were altered.
