Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously reported, on November 8, 2018, the Leadership Development and Compensation Committee (the “*Committee*”) of the Board of Directors of Amyris, Inc. (the “*Company*”) approved a 2019 cash bonus plan (the “*Bonus Plan*”) that included the cash bonus plan for the Company’s executive officers, including the Company’s chief executive officer, chief financial officer and other “named executive officers” (collectively, the “*NEOs*”) set forth in the Company’s Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission (the “*SEC*”) on April 27, 2018. The approval of the Bonus Plan and related matters were reported in a Current Report on Form 8-K filed by the Company with the SEC on November 15, 2018, which is incorporated herein by reference.

On February 19, 2019, the Committee approved certain modifications to the Bonus Plan (as modified, the “*Amended Bonus Plan*”). The Amended Bonus Plan provides the following structure for executives:

General Structure. The Amended Bonus Plan provides for funding and payout of cash bonus awards based on quarterly and annual performance during 2019. The funding of the Amended Bonus Plan for each bonus period is based on the Company’s performance under certain metrics set by the Committee for each quarter and for the year. Payouts under the Amended Bonus Plan would occur following a review of the Company’s results and performance for each quarter and for the year and the executive officers’ individual performance results at the end of the year.

Funding Levels and Performance Metrics. The total funding possible under the Amended Bonus Plan is based on a cash value (the “*Target Bonus Fund*”) determined by the executive officers’ target bonus levels. Target bonus levels for the Company’s executive officers vary by officer, but are generally set between 50% and 100% of annual base salary. The aggregate amount of these target bonuses are the basis for the total potential funding of the Amended Bonus Plan. The quarterly and annual funding of the Amended Bonus Plan is based on achievement of the following Company performance metrics for the applicable quarter and full year 2019, respectively: GAAP revenue (weighted 100% for each quarterly period and 50% for the annual period), operating expenses (weighted 30% for the annual period) and earnings before interest, tax, depreciation and amortization (weighted 20% for the annual period). For each quarterly period and for the annual period of the Amended Bonus Plan, “threshold,” “target” and “superior” performance levels are set for each applicable performance metric based on the Company’s historical performance and current operating plan, which performance levels are intended to capture the relative difficulty of achievement of that metric.

Funding Calculation. For each of the four quarterly periods of the Amended Bonus Plan, the Amended Bonus Plan allocates 12.5% of the total Target Bonus Fund. For the annual period of the Amended Bonus Plan, the Amended Bonus Plan allocates 50% of the total Target Bonus Fund. Funding for a given Amended Bonus Plan period is based on the weighted average achievement level of the applicable performance metrics described above that achieve at least the “threshold” performance level for such period. If the Company does not achieve at least a 50% weighted average achievement level of the applicable performance metrics described above for a given Amended Bonus Plan

period (the “*funding threshold level*”), no funding would occur under the Amended Bonus Plan for such period. If the Company achieves the funding threshold level, 50% funding would occur. For a weighted average achievement between the funding threshold level and “target” level, a pro rata increase in funding would occur up to 100% of the Target Bonus Fund for the applicable Amended Bonus Plan period. For weighted average achievement above the target level, an increase in funding of 1.67% for every 1% above target performance would occur up to 150% of the Target Bonus Fund for such period.

Payouts. Any payouts for the quarterly periods of the Amended Bonus Plan would be the same as the funded level based on Company performance (provided the recipient meets eligibility requirements), subject to the final discretion of the Committee. Payouts for the annual period of the Amended Bonus Plan would be made from the aggregate funded amount in the discretion of the Committee based on Company and individual performance, and could range from 0% to 200% of an individual’s funded amount for the annual Amended Bonus Plan period.

On February 19, 2019, the Committee also approved cash bonus awards for the Company’s fiscal year ended December 31, 2018 to the NEOs, which included a cash bonus award to John Melo, the Company’s president and chief executive officer, in the amount of \$224,280.
