acquired partnerships were not available. The Registrant indicated that it would file the necessary financial information within seventy-one days after the date that the Form 8-K had to be filed, or no later than February 2, 2005.

Concurrently in the Form 8-K, the Registrant stated that the acquisitions of partnership interests in Blackburn Limited Partnership and Second Blackburn Limited Partnership (collectively, Blackburn), which were to be acquired pursuant to previously-entered into Purchase and Sale Agreements, were expected to be consummated in December 2004. The Registrant provided this information as Arrowhead, Moorings and Blackburn were related businesses and under the common control by affiliates of CRI-II and the acquisitions of the partnerships interests in such partnerships were originally intended to be consummated contemporaneously. The acquisitions of the partnership interests in Blackburn consummated on December 29, 2004 and, in accordance with applicable SEC rules, the necessary financial information relating to such partnerships is required to be filed no later than March 16, 2005.

Upon further review of the requirements of Rules 3-05 and 3-14 of Regulation S-X promulgated by the SEC and Item 9.01 of Form 8-K, the Registrant has determined that the financial information of the four partnerships acquired from CRI-II should be reported on a combined basis. Therefore, no later than March 16, 2005 the Registrant intends to file by amendment to the Form 8-K (the Blackburn Form 8-K) filed by the Registrant on January 4, 2005 with respect to the acquisitions of the partnership interests in Blackburn the financial information related to Arrowhead and Moorings, as part of the combined group of the four partnerships acquired from CRI-II.
