(1) The performance restricted share grant is divided into two awards of 18,950 shares each. 100% of the first award will be earned if the Company's three-year earnings performance achieves a Board established target. 100% of the second award will be earned if the Company's three-year cumulative free cash flow (excluding acquisition and divestiture events) achieves a Board established target. In each case fewer shares will be earned for lesser performance.

(2) The Board authorized the awards on February 19, 2007. The award was communicated to and accepted by the officer, and became an enforceable right on February 28, 2007.

(3) There were no stock sales on the grant date; the closing price on the preceding date of February 16, 2007 was used.

(4) The stock options will vest and become exercisable in three installments at one, two and three years as follows: 23,360 shares on February 19, 2008; 21,090 shares on February 19, 2009 and 19,650 shares on February 19, 2010 (contingent upon the officer's employment on the scheduled vesting date).

(5) No shares of stock may be acquired by exercise of an option after ten years from the date the option was granted except as provided in the event of the optionee's death.
