On January 28, 2011, the Compensation Committee of the Board of Directors of NuStar GP LLC, the general partner of NuStar Energy L.P.'s general partner, determined that NuStar Energy L.P.'s total unitholder return was in the top quartile of its peer group for 2010. As a result, the performance units granted to Mr. Brattlof in 2008, 2009 and 2010 that were available to vest for 2010 performance vested at

- (1) 150%, in accordance with the applicable agreements. Under the agreements, performance units available to vest that do not vest in a given year are carried forward for one year. In addition, under the omnibus amendments to the applicable award agreements, performance units that would have lapsed in January 2010 were carried forward for an additional year. These carried-forward units vested at 100%, in accordance with the agreements.
