We cordially invite you to attend a special meeting of the shareholders of PetroCorp Incorporated to be held at our principal executive office located at 6733 S. Yale Ave., Suite 500, Tulsa, Oklahoma 74136, on [] at 10:00 a.m., Central Time.

At the special meeting you will be asked to consider and vote upon a proposal to approve a merger agreement among PetroCorp Incorporated, Unit Corporation and its wholly owned subsidiary, Unit Acquisition Company. If the merger agreement is approved and we complete the merger, PetroCorp will become a wholly-owned subsidiary of Unit and you will be entitled to receive, in exchange for each share of PetroCorp common stock you own, a minimum of \$13.37 in cash at closing. Up to an additional \$0.50 per share, but not more than the difference between \$13.87 per share and the cash per share received at closing, will be set aside to settle three of our contingent liabilities. Some of this additional amount per share may be paid in cash at the closing if any of our contingent liabilities are favorably settled before closing. Otherwise, additional amounts, if any, will be paid after closing if and as those liabilities are favorably resolved.

Completion of the merger is subject to conditions, including approval of the merger and the merger agreement by the affirmative vote of holders of two-thirds of our outstanding common stock. Holders of approximately 51% of the voting power of the company have agreed to vote in favor of the merger agreement and the merger.

The attached notice of special meeting and proxy statement explain the proposed merger and provide specific information concerning the special meeting. A copy of the merger agreement is attached as Appendix A to the proxy statement. We urge you to read these materials carefully.

Whether or not you plan to attend the special meeting, after you carefully consider the enclosed materials, we urge you to sign, date and promptly return the enclosed proxy card to ensure that your shares will be voted at the special meeting. THE SPECIAL MEETING OF SHAREHOLDERS

Date, Time and Place of the Special Meeting (Page 12)

Purpose of the Special Meeting (Page 12)

The special meeting will be held to consider and vote upon a proposal to approve the merger, to consider and vote upon a proposal to adjourn and reconvene the Special Meeting, if necessary, and to transact such other business as may be properly brought before the meeting.

Recommendation of our Board of Directors (Page 12)

After careful consideration, our board of directors has approved the merger and the merger agreement and recommends that you vote **FOR** all proposals to be voted upon.

Record Date (Page 12)

[_____] is the record date for determining holders of shares of our common stock entitled to vote at the special meeting.

Required Vote (Page 12)

The affirmative vote of the holders of at least two-thirds of the outstanding shares of our common stock must be cast **FOR** the approval of the merger in order for the merger to be completed. The proposal to grant PetroCorp management discretionary authority to adjourn and reconvene the special meeting requires the approval of the holders of at least a majority of the shares held by those present or represented by proxy at the special meeting and eligible to vote on this proposal.

Each share of our common stock is entitled to one vote.

Edgar Filing: PETROCORP INC - Form PRER14A

Holders of approximately 51% of our outstanding shares have agreed to vote FOR the approval of the merger agreement and the merger. In addition, our directors and officers, who hold approximately 6% of our outstanding common stock, have informed us that they intend to vote FOR the merger and the merger agreement.

Table of Contents

Proxies; Revocation (Page 13)

You should complete, date and sign your proxy card and mail it in the enclosed return envelope as soon as possible so that your shares may be represented at the special meeting, even if you plan to attend the meeting in person.

You may revoke your proxy at any time before the special meeting.

THE MERGER

Background of the Merger (Page 14)

For a description of the events leading to the approval of the merger agreement by the board of directors, you should refer to sections of this proxy entitled "The Merger" and "Background of the Merger."

Purposes of the Merger; Effects of the Merger (Page 21)

The principal purpose of the merger is to enable Unit to acquire all of the equity interests of PetroCorp and provide you the opportunity to receive cash for your shares.

The merger will terminate all equity interests in PetroCorp held by public shareholders, and Unit will be the sole beneficiary of any earnings and growth of PetroCorp following the merger. Upon completion of the merger, our common stock will be delisted from the American Stock Exchange and will no longer be publicly traded.

Reasons for the Merger (Page 21)

Our board of directors believes that the merger is fair to and in the best interests of our shareholders and believes that now is an attractive time to sell the company for cash given uncertainties in energy prices, uncertainty in other industry conditions and the risks inherent in attempting to reinvest the company's cash resources.

Merger Financing; Source of Funds (Page 23)

Edgar Filing: PETROCORP INC - Form PRER14A

Unit Corporation plans to finance the merger through cash on hand and available bank financings. The merger is not conditioned upon obtaining financing from any outside sources.

Analysis as to Fairness (Page 23)

After reviewing and analyzing detailed information as to the proposed merger with Unit and deliberating over a period of several months, our board concluded that the consideration to be paid to our shareholders in the proposed transaction with Unit was fair to our shareholders.

Table of Contents

Dissenters' Rights of Appraisal (Page 24)

Our shareholders are entitled to dissenters' rights of appraisal under the Texas Business Corporation Act. Holders of record must follow the steps summarized in this proxy statement under the heading "The Merger - Dissenters' Rights of Appraisal" properly and in a timely manner in order to perfect their dissenters' rights. Shareholders who do not wish to accept the merger consideration provided for in the merger agreement and who follow the procedures set forth in Article 5.12 of that Act, will be entitled to have their common stock appraised and to receive payment in cash of the fair value of their common stock, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, as determined by a court of competent jurisdiction. The fair value may be more or less than the merger consideration.

THE MERGER AGREEMENT

The Merger Consideration (Page 27)

You will be entitled to receive in exchange for each share of PetroCorp common stock you hold:

a minimum initial payment of \$13.37 in cash at the closing;

up to an additional \$0.50 per share, but not more than the difference between \$13.87 and the cash per share received at closing, to be set aside for up to five years in an escrow account to settle three of our contingent liabilities;

some of that additional amount per share may be paid in cash at the closing if any of the three contingent liabilities are favorably settled before closing; otherwise, additional amounts, if any, will be placed into an escrow account and paid after closing if and as those liabilities are favorably resolved.

Whether any payments will be made from that escrow account, and the amount of any payments, will be determined upon settlement or satisfaction of those contingent liabilities, as further described below under the heading "Escrow Agreement."

The closing price of PetroCorp's shares of common stock on June 30, 2003 (the trading day prior to the first public announcement of the proposed merger) was \$11.15 and the average closing price for our shares for the 20 trading days preceding the first public announcement of the proposed merger was \$12.50.

Treatment of Stock Options (Page 28)

We have obtained written consents from the holders of all Company stock options to exercise those options, and we expect that all of those options will be exercised in full immediately prior to the closing.

Treatment of Stock Appreciation Rights (Page 28)

Immediately prior to the effective time of the merger, each outstanding stock appreciation right will be cancelled and we will pay the holder of the right an amount equal to \$13.52 (the average price of our common stock for the ten trading days following our public announcement of the signing of the definitive merger agreement with Unit) less the fair market value of our common stock on the date each stock appreciation right was granted.

Table of Contents

Conditions to the Merger (Page 30)

Each party's obligation to complete the merger depends on the satisfaction of the following conditions, all of which currently remain unsatisfied:

there is no judgment, injunction, order, decree, applicable law or regulation or other governmental order restraining or prohibiting or interfering with the merger, or that, if not complied with, will have, or be reasonably likely to have, a material adverse effect on Unit after consummation of the merger;

the merger agreement and the merger have been approved by holders of our outstanding common stock in accordance with Texas law;

neither the Federal Trade Commission nor Antitrust Division of the Department of Justice have, as a condition to approval of the merger, required Unit to take any action which would be reasonably likely to have a material adverse effect on Unit;

all required approvals and consents of any governmental authorities have been obtained; and

there has not occurred and is continuing any general suspension of trading in securities on any United States national securities exchange, or a declaration of a general banking moratorium or general suspension of payments in respect of banks in the United States.

In addition, the obligation of Unit to complete the merger is subject to additional conditions including, among other things the following (all of which conditions remain unsatisfied, except as otherwise indicated):

the performance of our obligations under the merger agreement;

the accuracy of our representations and warranties;

the absence of a material adverse effect on PetroCorp;

the repatriation of an amount not less than \$38,700,000 (Canadian dollars) from Canada (this condition has been satisfied);

the exercise of dissenters' rights by holders of not more than 5% of our common stock;

the continued effectiveness of voting agreements; and

the exercise of all outstanding stock options for the purchase of our common stock.

Edgar Filing: PETROCORP INC - Form PRER14A

The obligation of PetroCorp to complete the merger is subject to additional conditions as well, all of which currently remain unsatisfied, including, among other things:

the performance by Unit of its obligations under the merger agreement;

the accuracy of its representations and warranties; and

the absence of any material adverse effect on Unit.

Termination (Page 32)

The merger agreement may be terminated by mutual written consent of Unit and PetroCorp.

The merger agreement also may be terminated by either Unit or PetroCorp upon any of the following circumstances:

the merger has not been consummated by December 31, 2003, with some exceptions and potential extensions;

Table of Contents

failure of our shareholders to approve the merger;

any law or regulation makes the consummation of the merger illegal or otherwise prohibited or any judgment, injunction, order or decree enjoining Unit or PetroCorp from consummating the merger is entered and is final and nonappealable.

The merger agreement may be terminated by Unit if:

our board of directors fails to recommend, withdraws or materially modifies its recommendation of the merger in a manner materially adverse to Unit;

our board of directors fails to call and hold a shareholders meeting to vote on the merger;

our board of directors recommends a superior offer; or

PetroCorp breaches its representations, warranties, covenants, or obligations under the merger agreement (other than breaches that would not have a material adverse effect on PetroCorp) and such breach is incapable of being cured or, if capable of being cured, is not cured within 30 days after written notice thereof is received by PetroCorp.

The merger agreement may be terminated by PetroCorp if Unit breaches its representations, warranties, covenants or obligations in the merger agreement (other than breaches that would not have a material adverse effect on Unit) and such breach is incapable of being cured or, if capable of being cured, is not cured within 30 days after written notice thereof is received by Unit.

Termination Fee (Page 32)

If either PetroCorp or Unit terminate the merger agreement due to a breach of the other's representations, warranties, covenants or obligations, then the breaching party will be required to pay the non-breaching party a termination fee of \$3,000,000 as liquidated damages.

PetroCorp will be required to pay to Unit a termination fee of \$3,000,000 if the merger agreement is terminated by Unit for:

the failure of PetroCorp's board to recommend the merger with Unit;

our failure to receive the required shareholder vote if a competing acquisition proposal has been made; and

the failure to consummate the merger with Unit after a competing acquisition proposal has been made.

ESCROW AGREEMENT (Page 33)

Upon closing of the merger agreement, Unit will deposit directly with the escrow agent up to \$6,500,000 in order to settle or satisfy three contingent liabilities of PetroCorp. Those three contingent liabilities are:

amounts payable by PetroCorp under its management agreement with Kaiser-Francis for any period beginning on or after the later of 30 days after closing of the merger or the date PetroCorp ceases using the services of Kaiser-Francis;

potential liabilities and costs in connection with the *Mackie* warrant holders lawsuit in federal court in the Southern District of New York; and

amounts payable by PetroCorp with respect to the taxing authorities in Canada in connection with PetroCorp's recent transaction with Enerplus.

Table of Contents

Unit may deposit an amount less than \$6,500,000 if one or more of these three contingencies are resolved prior to closing. If the amount placed in escrow is less than \$6,500,000, the difference will be added to the cash distributed to our shareholders at closing.

The escrow agent will promptly disburse and deliver the escrowed amount in accordance with any of the following:

joint or substantially identical written instructions executed by Unit and the representatives;

a non-appealable order of a court of competent jurisdiction; or

written notice executed by Unit that PetroCorp is entitled to funds under the merger agreement, as long as the escrow agent does not receive a written notice from the representatives setting forth their objection to the disbursements.

INTERESTS OF DIRECTORS AND OFFICERS IN THE MERGER (Page 36)

In considering the recommendation of our board of directors with respect to the merger, you should be aware that some of our executive officers and members of our board of directors have interests in the transactions contemplated by the merger agreement that are different from, or in addition to, the interests of our shareholders generally. Our board of directors was aware of these interests and considered them, among other matters, in making its recommendation. These interests of our executive officers and members of the board of directors include the following:

pursuant to revised employment agreements, upon consummation of the merger, Gary R. Christopher, our President and Chief Executive Officer and a member of our board of directors, will receive approximately \$608,675, and Richard L. Dunham, our Executive Vice-President, will receive approximately \$518,315, as transaction bonuses;

an aggregate amount of \$270,000 will be paid, upon consummation of the merger, as bonuses to persons who have provided services to PetroCorp under its management agreement with Kaiser-Francis Oil Company, as further described below under the heading, Interests of Directors and Officers in the Merger Bonuses to Kaiser-Francis Employees;

our officers and directors will have the right to exercise their stock options and stock appreciation rights effective immediately prior to the merger; and

after the merger our directors and officers will be indemnified for events that occurred prior to the merger to the fullest extent permitted under applicable law, as well as any liabilities or costs arising out of the transactions contemplated by the merger agreement, to the fullest extent permitted under applicable law.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES (Page 39)

The exchange of PetroCorp shares for cash in the merger will be a taxable transaction for U.S. federal income tax purposes. Accordingly, you will recognize gain or loss equal to the difference between the cash received and your adjusted tax basis in your PetroCorp shares exchanged in the merger. In general, you must calculate gain or loss separately for each block of PetroCorp shares that is exchanged in the merger. If you hold

Edgar Filing: PETROCORP INC - Form PRER14A

your PetroCorp shares as a capital asset, this gain or loss will be capital gain or loss, which generally will be long-term capital gain or loss if you have held your PetroCorp shares for more than one year at the time of the merger.

You are urged to consult with your tax advisor with respect to the particular U.S. federal, state, local, and foreign income tax or other tax consequences of the merger to you.

Table of Contents

VOTING AGREEMENTS (Page 43)

George B. Kaiser, an individual, and United States Fidelity and Guaranty Company, an affiliate of St. Paul Fire and Marine Insurance Company, have executed voting agreements in which each has agreed to vote FOR the approval of the merger agreement and the merger. The shares of PetroCorp common stock beneficially owned by those two shareholders represent approximately 51% of the total outstanding shares of common stock of PetroCorp. Mr. Kaiser is the Chairman of the Board and Chief Executive Officer of Kaiser-Francis Oil Company.

ACCOUNTING TREATMENT (Page 45)

The merger will be accounted for by Unit Corporation using the purchase method of accounting. Under this method of accounting, the purchase price will be allocated to the fair value of the net assets acquired. The excess purchase price over the fair value of the assets acquired will be allocated to goodwill.

RECOMMENDATION OF OUR BOARD OF DIRECTORS

Edgar Filing: PETROCORP INC - Form PRER14A

After careful consideration, our board of directors has approved the merger and the merger agreement and recommends that you vote **FOR** the approval of the merger agreement and the merger. For additional information see **The Merger Reasons for the Merger**. Our board also recommends that you vote **FOR** the proposal to grant PetroCorp management discretionary authority to adjourn and reconvene the special meeting.

RECORD DATE

Our board of directors has fixed the close of business on [] as the record date for the special meeting. Only holders of record of our common stock on the record date are entitled to vote at the special meeting and any adjournment or postponement thereof. On the record date there were [] shares of PetroCorp common stock outstanding and entitled to vote.

QUORUM

In order to carry on the business of the meeting, we must have a quorum, or a majority of our outstanding shares represented at the meeting in person or by proxy. In order to vote, each person with the right to vote shares must be present at the meeting or represented by proxy. Shares owned by PetroCorp (treasury shares) are not voted and do not count for this purpose. Once a share is represented at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting. If we do not have a quorum at the meeting, we expect that the meeting will be adjourned or postponed to solicit additional proxies.

REQUIRED VOTE

Completion of the merger requires approval of the merger agreement and the merger by the affirmative vote of the holders of at least two-thirds of the outstanding shares of PetroCorp common stock. The proposal to grant

Table of Contents

PetroCorp management discretionary authority to adjourn and reconvene the special meeting requires the approval of the holders of at least a majority of the shares held by those present or represented by proxy at the special meeting and eligible to vote on this proposal. Each share of PetroCorp common stock outstanding on the record date of [] entitles the holder to one vote at the special meeting. You may vote by signing, dating and completing the enclosed proxy card and returning it in the enclosed self-addressed envelope by mail or by attending the meeting and voting in person. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting if you desire.

George B. Kaiser, an individual, and United States Fidelity Guaranty Company, an affiliate of St. Paul Fire and Marine Insurance Company, have executed voting agreements in which each has agreed to vote FOR the approval of the merger agreement and the merger. The shares of PetroCorp, stock beneficially owned by those two shareholders represent approximately 51% of the total outstanding shares of common stock of PetroCorp. Mr. Kaiser and his affiliates control 100% of Kaiser-Francis Oil Company. Mr. Kaiser is the President of Kaiser-Francis Oil Company.

In addition, as of [], directors and executive officers of PetroCorp owned in the aggregate approximately 788,000 shares of our common stock entitled to vote at the special meeting, or approximately 6% of our outstanding shares. The directors and executive officers of PetroCorp have informed PetroCorp that they intend to vote all of their shares of PetroCorp common stock FOR the approval of the merger agreement and the merger.

Under the rules of the American Stock Exchange, brokers who hold shares in street name for customers generally have the authority to vote on routine proposals when they have not received instructions from the beneficial owners. However, these rules preclude brokers from exercising their voting discretion with respect to the approval of non-routine matters such as approval of the merger agreement and the merger. Thus, absent specific instructions from the beneficial owner of such shares, brokers are not empowered to vote your shares with respect to the approval of this merger (i.e., broker non-votes).

Abstentions and broker non-votes will have the same effect as votes against the approval of the merger agreement and the merger.

PROXIES; REVOCATION

If you vote your shares of PetroCorp common stock by signing a proxy, your shares will be voted at the special meeting, and the manner in which they will be voted is the manner you indicate on your proxy card. If no instructions are indicated on your signed proxy card, your shares of PetroCorp common stock will be voted FOR the approval of the merger agreement and the merger and FOR the adjournment or postponement of the meeting, if necessary, to solicit additional proxies in favor of the merger.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you also hold shares through a broker or someone else, you may also receive material from them asking how you want to vote. Please respond to all of these requests.

You may revoke your proxy at any time before the special meeting. A proxy may be revoked prior to the vote at the special meeting by submitting a written revocation to the corporate secretary of PetroCorp at 6733 S. Yale Ave., Suite 500, Tulsa, Oklahoma 74136, or by submitting a new proxy, in either case, dated after the date of the proxy that is being revoked. In addition, a proxy may be revoked by voting in

Edgar Filing: PETROCORP INC - Form PRER14A

person at the special meeting. Simply attending the special meeting without voting will not revoke your proxy.

Our board of directors is not currently aware of any other business to be brought before the special meeting. If, however, other matters are properly brought before the special meeting or there is any adjournment or postponement of the special meeting, the persons appointed as proxies will have discretionary authority to vote the shares represented by duly executed proxies in accordance with their discretion and judgment.

Table of Contents

If you have questions about the merger or how to submit your proxy, or if you need additional copies of this proxy statement or the enclosed proxy card or voting instructions, you should contact Gary R. Christopher, President and Chief Executive Officer, PetroCorp Incorporated, 6733 S. Yale Ave., Suite 500, Tulsa, Oklahoma 74136, (918) 491-4500.

ADJOURNMENTS OR POSTPONEMENTS

If at the special meeting of PetroCorp shareholders, the number of shares of PetroCorp common stock present or represented and voting in favor of the approval of the merger is insufficient to approve the merger agreement under Texas law and our Certificate of Incorporation, our management may move to adjourn the special meeting in order to enable the PetroCorp board of directors to continue to solicit additional proxies in favor of the merger.

We are asking you to authorize the holder of any proxy solicited by the PetroCorp board of directors to vote in favor of the adjournment of the special meeting, and any later adjournments, if necessary, to a date or dates not later than May 31, 2004. If the PetroCorp stockholders approve the adjournment proposal, we could adjourn and reconvene the special meeting, and any adjourned session of the special meeting, to a date not later than May 31, 2004 and use the additional time to solicit additional proxies in favor of the merger, including the solicitation of proxies from PetroCorp shareholders that previously voted against the merger.

Under our certificate of incorporation and bylaws, the adjournment proposal requires the approval of a majority of the votes represented in person or by proxy at the special meeting and eligible to vote on the proposal. Accordingly, broker non-votes will have no effect on the outcome of this proposal, but abstentions will have the effect of a vote against this proposal.

SOLICITATION OF PROXIES AND EXPENSES

Officers, directors and employees of PetroCorp may solicit proxies by telephone or in person. However, they will not be paid for soliciting proxies. PetroCorp will request that persons and entities holding shares in their names, or in the names of their nominees that are beneficially owned by others, send proxy materials to and obtain proxies from those beneficial owners. PetroCorp will reimburse those holders for their reasonable expenses in performing those services. Brokerage firms will be requested to forward proxy material to beneficial owners of shares registered in the name of such firms and will be reimbursed for their expenses. In addition, PetroCorp may retain a third-party proxy solicitor to assist it in the solicitation of proxies for a fee plus reimbursement of out-of-pocket expenses. The material features of the contract or arrangement with that proxy solicitor are not yet known, as PetroCorp has not yet retained, or determined whether to retain, a proxy solicitor. PetroCorp will bear the costs of proxy solicitation.

THE MERGER

BACKGROUND OF THE MERGER

Edgar Filing: PETROCORP INC - Form PRER14A

Since early 2000, we have made a concentrated effort to maximize the value of our stock through cost reduction, exploration, exploitation and acquisition. Our ultimate goal was to build a company to be acquired by a larger oil and gas company that would pay true value for our stock. The first step, which we accomplished in 2000, was to reduce our general and administrative expenses. We reduced the cash expenditures for these expenses by over \$4 million annually through our management agreement with Kaiser-Francis Oil Company. Under a management agreement with Kaiser-Francis Oil Company dated on or about August 3, 1999, Kaiser-Francis Oil Company agreed to perform all administrative functions of PetroCorp (as more fully described on page 6 under the heading "What duties will KFOC perform under the management agreement?" in PetroCorp's Form 14A filed September 30, 1999) for a fee that was much less than the general and administrative costs we would incur if we performed these functions ourselves, due to its ability to incrementally absorb these functions into its workforce. This allowed PetroCorp to eliminate all direct and indirect in-house expenses for these functions as well as eliminate the need for most office space.

Table of Contents

We also began a low-key marketing effort to find companies to acquire that would fit with our asset base. In early 2000, we made a proposal to acquire a company three times our size. Our management would not have survived that transaction, but our board of directors and our management believed that the proposed transaction was in the best interests of our shareholders. However, PetroCorp's proposal was not accepted.

During 2000, PetroCorp had serious discussions with 10 companies. Discussions with one of those companies led to our agreement to acquire Southern Mineral Corporation in December 2000. That transaction closed in the second quarter of 2001 and increased our proved reserves by over 70%. During 2001, discussions continued with a number of companies, including Unit Corporation. All serious negotiations and possible transactions were continually reviewed with our board of directors. However, none of these discussions materialized into an actual transaction in 2001.

In January 2002 and February 2002, respectively, we received two offers to acquire PetroCorp. One was a cash offer for approximately \$11 per share. However, that offer was considered inadequate by our board of directors. The other offer was an unsolicited offer from Unit to acquire PetroCorp for approximately \$35 million in cash plus 6,750,000 shares of Unit common stock. Our board of directors thoroughly discussed that offer and determined that Unit's offering price was inadequate. Consequently, our board ultimately decided not to pursue that transaction with Unit at that time.

During 2002, we conducted discussions with more than 20 companies. Our most serious discussions were with Enerplus Resources. Enerplus' evaluation of a possible acquisition of all of PetroCorp led to an offer to purchase PetroCorp's two Canadian subsidiaries. In December 2002, we executed a definitive agreement to sell our Canadian subsidiaries to Enerplus for approximately \$112 million. We closed that transaction on March 5, 2003.

After closing the Enerplus transaction, PetroCorp's board decided to pursue a concentrated effort to market and sell or enter into a merger transaction for the rest of the company. One factor in that decision was our board's belief that PetroCorp was too small to remain a stand-alone public company. Also, our management and board of directors believed that PetroCorp's common stock was selling for a discount to the true value of its assets.

After our board's decision, we began contacting other oil and gas companies, including Unit, to identify possible transactions. In March 2003, we contacted approximately 30 companies. From that group, we made formal presentations to approximately one dozen companies, including a presentation to Unit in April 2003. We received offers from five companies to acquire PetroCorp, including an indication of interest from Unit in May 2003, and one offer to purchase some of the assets of PetroCorp. This process of marketing and selling the company was conducted in order to maximize the value to PetroCorp's shareholders and the board was continually updated on the progress of that process.

The following four tables summarize material financial projections and estimated potential valuations we provided to prospective buyers in connection with our presentations and negotiations to sell the Company. This information is forward looking and involves estimates, risks and uncertainties as described below. Therefore, we urge you not to place undue reliance on this information.

The projected financial information set forth in the first table below was prepared on March 28, 2003. That information is forward looking and is not necessarily indicative of actual financial results since that time or of any future results, which results may be significantly more or less favorable.

Edgar Filing: PETROCORP INC - Form PRER14A

The information set forth in the second, third and fourth tables below was prepared on April 7, 2003 and summarizes estimated potential valuations for the major categories of the Company's assets as of July 1, 2003. These estimated potential valuations are highly speculative and do not necessarily reflect the actual values for which any of these assets could be sold. The preparation of these estimated potential valuations (especially valuations regarding probable oil and gas reserves and oil and gas prospects) is a complex process involving

Table of Contents

subjective and qualitative judgments, and requires numerous assumptions, many of which are beyond PetroCorp's control. Also, the values of these assets are subject to uncertainties and risks, including in particular the costs and risks associated with the development of probable reserves and prospects. The value of these reserves and prospects is inherently uncertain since the costs to develop these assets, and the potential production and revenue streams from those assets, is difficult if not impossible to predict. Much or possibly all of the potential but unproved value of oil and gas prospects may never materialize. For example, after providing the estimated potential valuations to prospective buyers, the N. Cove opportunities were subsequently removed from PetroCorp's listing of unproved reserves due to information acquired as a result of additional development activities in that area.

The estimated potential valuations set forth below were provided to potential buyers in an attempt to disclose all of the assets that would potentially have value to buyers and thereby maximize the value of the Company for the benefit of shareholders. However, these estimated potential valuations are not appraisals or firm valuations of these assets, and thus you should not place undue reliance on this information.

Because these projections and estimated potential valuations are inherently uncertain, none of PetroCorp, Unit, their officers or directors or any other person assumes responsibility if future results or actual values differ materially from the projections and estimates set forth below.

On May 22, 2003, PetroCorp received an initial offer from Unit Corporation in response to PetroCorp's solicitation of offers. Unit offered to purchase all of the outstanding shares of PetroCorp for approximately \$190,000,000 of cash and Unit stock. The consideration offered was comprised of 2 million shares of Unit's common stock and the remainder in cash. The value to be attributed to the Unit stock was to equal the average closing price of the stock for the ten consecutive trading days immediately preceding the third trading day before the merger closing. Unit's offer also contained provisions providing for engineering and accounting due diligence, typical conditions to closing and an adjustment to working capital if PetroCorp's working capital at July 1, 2003 was less than \$101 million. The offer also provided for a \$5 million termination fee if PetroCorp accepted another proposal prior to execution of a definitive agreement.

Edgar Filing: PETROCORP INC - Form PRER14A

On May 29, 2003, after evaluating all of the proposals and indications of interest received by PetroCorp and the progress of the marketing process, our board determined that the terms offered by Unit, including price, were more favorable to our shareholders than the terms offered by any other bidder. All of the other proposals were for cash, but each was significantly inferior to the offer from Unit. The other offering companies were each given the opportunity to increase their bids, but none chose to do so. Consequently, the offers received from other bidders were eliminated from consideration by our board. Therefore, we began negotiating with Unit as to the terms of a letter of intent for Unit to acquire PetroCorp.

As a result of PetroCorp's negotiations with Unit, the termination fee was reduced to \$3 million and made payable by either Unit or PetroCorp upon its breach of the agreement. Limits were also placed on the value attributable to the Unit stock consideration, so that, if the average closing stock price dropped below \$20 per

Table of Contents

share, the value was deemed to be \$20 per share and, if the average sales price exceeded \$24 per share, the value would be deemed to be \$24 per share. The letter of intent provided that Unit and PetroCorp would promptly begin negotiating a definitive merger agreement with comprehensive representations, warranties, indemnities, conditions and agreements typical in such transactions. PetroCorp agreed in the letter of intent not to solicit, initiate or engage in discussions with any other person relating to a competing proposal unless it received an unsolicited bona fide written inquiry, offer or proposal that in the good faith opinion of the Board of Directors would reasonably be expected to result in a superior proposal.

On June 30, 2003 we entered into a letter of intent for Unit to acquire PetroCorp. Most of the commercial terms of the letter of intent were non-binding. However, some of the terms, including terms restricting PetroCorp from soliciting other offers, were binding. The letter of intent provided that Unit would acquire PetroCorp in consideration for the payment of cash and the issuance of two million shares of Unit common stock. On July 1, 2003, PetroCorp announced that it had entered into the letter of intent to be acquired by Unit in a merger transaction valued at approximately \$190,000,000, subject to normal adjustments for transactions of this type, and dependent upon the execution of a definitive agreement and receipt of necessary consents.

After execution of the letter of intent, the parties and their legal advisors continued to negotiate the terms of a definitive merger agreement. Gary R. Christopher, Richard L. Dunham and Steven R. Berlin and their counsel negotiated on behalf of PetroCorp. Various drafts of the merger agreement were prepared, reviewed and revised by the parties. Due diligence was continued and completed. During the preparation and negotiation of the definitive merger agreement several other significant issues emerged that resulted in changes to the transaction structure described in the letter of intent. First, the consideration was reduced by approximately \$8,000,000 from the amount included in the letter of intent. All of this reduction related to the difference between the actual amount of working capital which was verified at the date of signing the merger agreement and the projected amounts, such projections being made on the basis of the best information at the time and consistent with prior projection methodologies, which had been generated five months earlier and which were the basis of the letter of intent. The most significant differences between estimated and actual results were that oil and natural gas prices were not as high as originally projected, legal and litigation expenses related to settling contingent liabilities were significantly higher than estimates, and Unit was unwilling to pay for certain tax benefits of PetroCorp. Additionally, the estimate did not include any accrual for severance and bonuses associated with a successful transaction while these were required to be included in the final calculation under the terms of the merger agreement.

Second, the parties also agreed to create a \$6.5 million escrow to cover three contingent liabilities that might not be resolved prior to closing of the merger. The contingent liabilities and the mechanics of the escrow account are discussed in more detail below under the heading **Escrow Agreement** on page 33 of this proxy statement.

Third, Unit's stock price fell below \$20 per share during the negotiations, and PetroCorp was unwilling to attribute a value to the Unit shares that was greater than their fair market value. Therefore, the parties agreed to eliminate the Unit stock as a part of the consideration, and to make the merger an all cash transaction.

Fourth, Unit wanted some assurances from PetroCorp's largest shareholders that they would vote in favor of the transaction.

As of August 14, 2003, George B. Kaiser and an affiliate of St. Paul Fire and Marine Insurance Company (who together own approximately 51% of the outstanding shares of PetroCorp) entered into voting agreements with Unit in which each of them agreed to vote all of their shares of PetroCorp common stock in favor of the merger and the merger agreement. These voting agreements were material inducements to Unit's willingness to enter into the merger agreement. George B. Kaiser, an affiliate of PetroCorp, was the beneficial owner of an oil and gas drilling company that was acquired by Unit in 2002 for consideration of approximately \$4,500,000 in cash and 7,220,000 shares of Unit or approximately 17% of the ownership of Unit. Mr. Kaiser, an affiliate of

Table of Contents

PetroCorp, is also an affiliate of Bank of Oklahoma, who is the Escrow Agent that will hold the \$6,500,000 that will be used to settle or satisfy the three contingent liabilities. Bank of Oklahoma was selected by the parties for convenience purposes. An affiliate of St. Paul Fire and Marine Insurance Company, United States Fidelity and Guaranty Company, owns approximately 13.7% of the outstanding shares of PetroCorp and has numerous insurance affiliates. PetroCorp has no knowledge as to whether any of these other affiliates might directly or indirectly own shares of either PetroCorp or Unit. PetroCorp and Unit have commercial relationships with these affiliates of Mr. Kaiser and St. Paul Fire and Marine Insurance Company, and such relationships are being conducted under the terms generally available in the banking and insurance markets at the time entered into. Royce Funds (which is not an affiliate of George B. Kaiser or St. Paul Fire and Marine Insurance Company) owns approximately 9.7% of the outstanding shares of PetroCorp and approximately 6.2% of the outstanding shares of Unit.

Our board of directors reviewed and analyzed detailed information as to the fairness of the proposed transaction with Unit, including the fairness of the consideration to be paid to our shareholders. Our management participated in providing and analyzing that detailed information. Our board also had extensive discussions and deliberations over a period of several months relating to the merger. Formal meetings of the board of directors were held May 29, 2003, June 25, 2003 and August 14, 2003 to discuss the proposed merger.

At the May 29, 2003 board meeting, the board discussed in detail the structure and terms of the proposed merger transaction with Unit (as described above in this section). The board also reviewed the economics of the potential transaction with Unit and considered the gradual liquidation of the Company as an alternative to sale of the Company. The board discussed the uncertainties involved in a gradual liquidation of the Company versus the certainty involved in selling the Company on the terms offered by Unit. After considering and discussing these matters, the board determined that the Company should proceed with negotiating the proposed merger transaction with Unit and that it was better for the Company and its shareholders to accept Unit's offer than to continue to operate the assets and gradually liquidate the reserves.

At the June 25, 2003 board meeting, the board reviewed the status of the proposed merger transaction between the Company and Unit. The board also reviewed the form of proposed letter of intent relating to that transaction, including the proposed revision of the price collar to the range of \$20 to \$24 per share of Unit common stock. The board discussed the value of the transaction to PetroCorp's shareholders and discussed in detail the process that was conducted in order to sell the Company (as described above in this section). The board also discussed the premium to be paid by Unit over the then-current market value of the Company's stock and the fact that Unit was offering terms, including price, that were more favorable to the Company's shareholders than the terms offered by any other bidder. After completing these discussions, the board approved the letter of intent, with a revision to the price collar to the range of \$20 to \$24 per share of Unit common stock and authorized the officers of the Company to execute and deliver the letter of intent.

At the August 14, 2003 board meeting, the board reviewed and discussed the proposed definitive merger agreement and the terms and conditions contained in that agreement. The board also discussed the \$8 million adjustment to the merger consideration arising from the adjustment to working capital and the \$6.5 escrow arrangement covering three contingent liabilities (each of which matters is further described above in this section).

At the August 14, 2003 meeting, the board also reviewed and discussed information as to the fairness to PetroCorp shareholders of the transaction with Unit, including the following. The Unit transaction was an all cash transaction with total merger consideration of \$182.1 million for all of the shares of PetroCorp common stock (including stock options to be exercised), with \$6.5 million of the total merger consideration to be held in escrow pending the resolution of certain outstanding contingencies. At that time, the estimated working capital of PetroCorp as of June 30, 2003 was approximately \$92.9 million (including approximately \$3.9 million to be paid in cash by holders of PetroCorp stock options). Subtracting that \$92.9 million amount of working capital from the total \$182.1 million of the cash purchase price offered by Unit yielded an implied price of approximately

Table of Contents

\$89.2 million for the oil and gas assets of PetroCorp. PetroCorp's estimated proved reserves as of June 30, 2003 were 55 BCF equivalent. Dividing the \$89.2 million implied price offered by Unit for all of PetroCorp's oil and gas assets by the 55 BCF equivalent yielded an implied price for PetroCorp's oil and gas assets of \$1.62/mcfe. That price compared favorably to the prices received in comparable mid-continent and gulf coast property sales as compiled by an independent third party. In particular, the prices in comparable mid-continent and gulf coast property transactions for the period January, 2000 through March, 2003 averaged approximately \$1/mcfe, and the prices in those transactions for the first quarter of 2003 averaged approximately \$1.14/mcfe.

After completing all of its reviews, analyses and deliberations at each of the meetings described above, our board concluded at its August 14, 2003 meeting that the consideration to be paid to our shareholders in the proposed transaction with Unit was fair to our shareholders.

In addition, in the context of the proposed merger with Unit, our board determined that it was in the best interests of PetroCorp and its shareholders to settle outstanding litigation and other claims against and in favor of PetroCorp related to the drilling of the Sunny Ernst #1 well in Galveston County, Texas, including potential claims by PetroCorp against Kaiser-Francis, one of our major shareholders. The board considered these matters to be litigation and other claims arising in the ordinary course of our business.

The litigation relating to the Sunny Ernst #1 Well was styled *Aminex USA, Inc. v. PetroCorp Incorporated, Case No. 02CV1085*, and was filed in the 122nd Judicial District Court of Galveston County, Texas. Aminex's original petition, naming PetroCorp as defendant, was filed on September 17, 2002. Kaiser-Francis was later added as an additional defendant. Aminex was one of the working interest owners in that well. PetroCorp was a working interest owner and the named successor operator of the well. Kaiser-Francis acted as PetroCorp's agent to perform the services of operator pursuant to our management agreement with Kaiser-Francis, as further described below under the heading "Interests of Officers and Directors in the Merger - Bonuses to Kaiser-Francis Employees."

Aminex's principal claims in the litigation were that PetroCorp and/or Kaiser-Francis breached the applicable standard of care in drilling the Sunny Ernst #1 Well and that the well should not have been completed due to problems encountered during drilling. In particular, Aminex alleged that PetroCorp and/or Kaiser-Francis used an excessive amount of mud during the drilling process, made mistakes in unitizing the well and failed to properly communicate to Aminex the progress and problems encountered in the drilling of the well. PetroCorp and Kaiser-Francis disputed these claims.

Although specific dollar amounts of damages were not detailed in Aminex's court filings, it appeared that the most aggressive characterization of the magnitude of damages in favor of Aminex was approximately \$3.3 million. PetroCorp and Kaiser-Francis believed that the actual amount of damages, if any, was substantially less than that amount. In addition to this litigation with Aminex, other related claims were made by and against other parties involved in the drilling of the Sunny Ernst #1 Well, but none of those other claims were filed in court.

Our board of directors established a special committee composed solely of independent directors to review, consider and approve proposed settlements in connection with the litigation, potential litigation and other matters relating to the drilling of the Sunny Ernst #1 well. The board found it prudent to establish a special committee because both PetroCorp and Kaiser-Francis Oil Company were named in the litigation as defendants. Kaiser-Francis Oil Company was the operator of the Sunny Ernst #1 well as the agent of PetroCorp under the management agreement. Kaiser-Francis Oil Company is controlled by George B. Kaiser, an affiliate of PetroCorp. Due to the possibility of a conflict of interest, the board formed a special committee comprised of all independent directors (seven of the nine directors of PetroCorp) with no affiliation to Kaiser-Francis Oil Company to evaluate and resolve the litigation. This special committee retained Porter & Hedges to act as its independent legal counsel. Due to the independence and disinterested status of a large percentage of the board members, the board did not find it necessary to establish a special committee of independent directors to consider

Table of Contents

the proposed merger. However, in order to avoid any potential conflict, Steven R. Berlin, an employee of Kaiser-Francis Oil Company and an officer of PetroCorp, abstained from voting on the proposed merger. After consideration of the relevant information and proposed settlement terms, and after thorough deliberation, the special committee determined that it was in the best interests of PetroCorp and its shareholders to settle all claims relating to the Sunny Ernst #1 well. Integral to that decision was the special committee's determination that the litigation and potential claims were contingent liabilities that would cause the purchase price in the Unit transaction to be reduced in excess of the amount required to settle those matters. Unit concurred in writing that the litigation described above between PetroCorp and Kaiser-Francis as defendants and the working interest owner as plaintiff, should be settled on terms outlined to Unit.

In August 2003, in connection with the settlements described above, Kaiser-Francis agreed to pay PetroCorp \$500,000 to settle any claims or potential claims that PetroCorp may have had against Kaiser-Francis. PetroCorp agreed to pay a net amount, after receipt of settlement amounts from Kaiser-Francis and other parties, of approximately \$970,000, in order to settle all existing litigation and all potential claims relating to the drilling of the Sunny Ernst #1 well.

On August 14, 2003, our board of directors passed resolutions approving the merger and the merger agreement. Our board deemed it advisable and in the best interests of PetroCorp and its shareholders for the corporation to engage in the merger and the merger agreement. On June 17, 2003, the board of directors of Unit approved the merger and merger agreement.

On August 14, 2003, Gary R. Christopher, as President of PetroCorp, and Larry D. Pinkston, as President of Unit Corporation and Unit Acquisition Company, executed the merger agreement. PetroCorp and Unit publicly announced the execution of the merger agreement on August 14, 2003.

We recently amended the merger agreement to evidence our agreement to the form of escrow agreement and to allow the company to post a letter of credit to support payment of potential Canadian tax obligations of PetroCorp.

PURPOSES OF THE MERGER; EFFECTS OF THE MERGER

The principal purpose of the merger is to enable Unit to acquire all of the equity interests in PetroCorp and afford PetroCorp's public shareholders the opportunity to receive a cash price for their shares. Unit's acquisition of the equity interests in PetroCorp will be accomplished by the merger of a subsidiary of Unit into PetroCorp, with PetroCorp as the surviving entity. In the merger, all of the issued and outstanding shares of PetroCorp's common stock held by our shareholders will be converted into the right to receive the merger consideration.

The merger will terminate all equity interests in PetroCorp held by our shareholders. Unit will be the sole beneficiary of any earnings and growth of PetroCorp following the merger. Upon completion of the merger, our common stock will be delisted from the American Stock Exchange and will no longer be publicly traded.

REASONS FOR THE MERGER

Edgar Filing: PETROCORP INC - Form PRER14A

In reaching its decision to approve the merger and the merger agreement, and to recommend that the holders of PetroCorp common stock vote to approve the merger and merger agreement, the PetroCorp board of directors consulted with our management and our legal, tax and accounting advisors. The Company's advisors were PricewaterhouseCoopers for accounting and tax, and the following law firms: Dorwart & Associates, counsel to the Company on all non-merger matters; Gable & Gotwals, special counsel to the Company for the merger and Porter & Hedges, special counsel to the independent directors of the Company. Our board of directors also considered a number of factors, including, among others, the following:

the business, competitive position, strategy and prospects of PetroCorp (as well as the risks involved in achieving these prospects), the nature of the exploration and production industry in which PetroCorp competes, and current industry, economic and market conditions;

Table of Contents

the amount of consideration to be received by holders of PetroCorp common stock in the merger;

the fact that the merger consideration is all cash, which provides certainty of value to the holders of PetroCorp common stock compared to a transaction in which stockholders would receive stock or other non-cash consideration;

the current and historical market prices of PetroCorp common stock;

the view of our management that the realizable trading value for shares of PetroCorp common stock to the stockholders is not likely to exceed the merger price in the foreseeable future if PetroCorp remains independent;

the terms of the merger agreement, including the absence of a financing condition:

the general structure of the transaction;

the potential shareholder value that might result from remaining independent or pursuing other strategic alternatives, as well as the risks and uncertainties associated with those alternatives; and

the fact that George B. Kaiser and an affiliate of St. Paul Fire and Marine Insurance Company agreed to enter into voting agreements with Unit to vote all of their shares of PetroCorp common stock to approve the merger agreement and the merger.

PetroCorp's strategy of growth through both drilling and acquisition has been difficult to achieve. Competition for both producing property acquisitions and land for prospects has increased to a level where the entry costs are generally too high. PetroCorp has spent considerable time and resources in optimizing current assets, leaving just a small inventory of remaining prospect ideas. PetroCorp finds itself generally too small to compete in large projects and too large to optimize profits in the small ones.

In addition, our board believes that, at current energy prices, now is an attractive time to sell the company given the many potential uncertainties in energy prices, other industry conditions, including increased competitiveness, extreme volatility of product prices, environmental risks, and increasing operating expenses and the risks inherent in attempting to reinvest the company's cash resources, including the lack of assurance of operating success that might justify a significantly higher price at a later date. Since January of 2002 NYMEX oil prices have fluctuated from a low of \$19.67 per barrel to a high of \$35.86 per barrel. Over the same period, NYMEX natural gas prices have fluctuated from a low of \$2.58 per million british thermal units to \$9.13 per million british thermal units.

Our board also considered possible negative factors in its deliberations concerning the merger. Among other things, our board considered the following:

PetroCorp will no longer exist as an independent company and its shareholders will forego any increased value that might result from PetroCorp's growth; and

under the terms of the merger agreement, PetroCorp is restricted from soliciting other acquisition proposals and must pay to Unit a termination fee if the merger agreement is terminated due to a breach by PetroCorp of its obligations, representations or warranties under the merger agreement, which might potentially discourage other parties from proposing an alternative transaction that might be

more advantageous to shareholders of PetroCorp.

Our board also considered in its deliberations concerning the merger that some of our directors and executive officers may have interests in the merger that are different from or in addition to those of PetroCorp shareholders generally, as further described under the heading **Interests of Officers and Directors in the Merger**, the effects of the merger on PetroCorp's employees and other constituencies and the terms of the merger agreement relating to these matters.

The foregoing discussion addresses the material information and factors considered by the PetroCorp board in its consideration of the merger. After considering these factors, PetroCorp's board concluded that the positive

Table of Contents

factors described above substantially outweighed the negative factors described above. The determination to approve the merger agreement and the merger was made after consideration of all of the factors and analyses as a whole. In addition, the individual members of our board may have given different weights to different factors.

MERGER FINANCING; SOURCE OF FUNDS

Unit Corporation has informed us that the aggregate consideration to be paid to our shareholders pursuant to the merger agreement will be financed through cash on hand and available bank financings. The merger is not conditioned upon obtaining financing from any outside sources.

ANALYSIS AS TO FAIRNESS

Our board of directors reviewed and analyzed detailed information as to the fairness of the proposed transaction with Unit, including the fairness of the consideration to be paid to our shareholders. Our management participated in that process by analyzing and providing to our board of directors detailed information about PetroCorp, Unit and the merger, including the information described below. Among other things, our management:

reviewed business and financial information relating to PetroCorp and Unit, including (a) annual reports on Form 10-K and related audited financial statements for the fiscal years ended December 31, 2002 and December 31, 2001, and (b) quarterly reports on Form 10-Q and related unaudited financial statements for the fiscal quarters ended March 31, 2003 and June 30, 2003;

reviewed estimates of PetroCorp's reserves;

analyzed historical and projected financial and operating data of PetroCorp;

discussed current and projected operations and prospects of PetroCorp with PetroCorp's directors, management and staff;

reviewed the trading history of PetroCorp common stock;

participated in the planning and process of marketing and selling PetroCorp, including providing written and oral information to potential bidders, making presentations and soliciting proposals;

participated in discussions and negotiations among the representatives of Unit and their advisors with respect to the proposed merger transaction;

reviewed the merger agreement, including the schedules and other exhibits thereto, and the agreements to be executed in connection therewith; and

Edgar Filing: PETROCORP INC - Form PRER14A

reviewed such other financial studies, analyses and other information, and performed such other investigations and analyses, as deemed necessary or advisable.

Our board also had extensive discussions and deliberations over a period of several months relating to the merger. Those discussions and deliberations were held during formal meetings of the board of directors on May 29, 2003, June 25, 2003 and August 14, 2003. The Board determined that the Company's size limits its ability to achieve true asset value to shareholders in the future and that the Unit offer compared favorably to other recent sale transactions of other companies. The board's analysis included a comparison of the proposed consideration against prices received in comparable mid-continent and gulf coast property sales as compiled by an independent company for the period from January 2000 through March 2003.

A summary of the material factors involved in the board's analysis and deliberations with respect to comparable mid-continent and gulf-coast transactions is set forth above under the heading "The Merger Background of the Merger." The board determined that those transactions were comparable based upon the factors set forth below and the judgment and experience in the oil and gas industry of the board members. First, the comparable transactions involved similar types of assets as those owned by PetroCorp (i.e. proved oil and gas

Table of Contents

reserves). Second, the comparable transactions involved oil and gas assets with similar production characteristics to the oil and gas assets of PetroCorp (i.e. similar reserve lines, decline rates, production issues and market prices for produced hydrocarbons). Third, the comparable transactions involved assets that were located in the same general regions of the United States as those owned by PetroCorp (i.e. in the mid-continent and gulf-coast regions). Finally, those assets were sold in transactions that were recent enough in time to PetroCorp's proposed transaction with Unit to be deemed comparable by the board. After completing all of such reviews, analyses and deliberations, our board concluded that the consideration to be paid to our shareholders in the proposed transaction with Unit was fair to our shareholders.

Unit was provided engineering reports, production and expense history on individual properties, accounting information, prospect information, seismic data, and information on furniture, fixtures and staffing requirements.

The board did not retain an independent third party to advise the board with respect to the fairness of the proposed merger with Unit.

REGULATORY APPROVALS

Except for the filing of articles of merger with the Texas Secretary of State to effect the merger, we are not aware of any governmental approvals or actions that are required for completion of the merger. Should any additional approval or action be required, we intend to seek the required approval or take the required action.

DISSENTERS' RIGHTS OF APPRAISAL

Under the Texas Business Corporation Act, shareholders who do not wish to accept the merger consideration provided for in the merger agreement and who follow the procedures set forth in Article 5.12 of that Act, will be entitled to have their common stock appraised and to receive payment in cash of the fair value of their common stock, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, as determined by a court of competent jurisdiction. The fair value may be more or less than the merger consideration. The full text of Articles 5.11, 5.12 and 5.13 of the Texas Business Corporation Act is reprinted in its entirety as *Appendix D* to this proxy statement.

Any of our shareholders who are shareholders of PetroCorp as of the record date may exercise dissenters' rights in connection with the merger by properly complying with the requirements of Articles 5.11, 5.12, and 5.13 of the Texas Business Corporation Act. The required procedure set forth in those articles must be followed exactly or you may lose your right to dissent from the merger. The following information is a general summary of dissenters' rights and, as a summary, is qualified by and not a substitute for the full text of the provisions of Articles 5.11, 5.12, and 5.13 of the Texas Business Corporation Act. A complete copy of those articles is attached as *Appendix D* to this proxy statement. We encourage you to read those articles carefully.

Each holder of shares of PetroCorp common stock outstanding as of the record date who follows the procedures set forth in Articles 5.11, 5.12, and 5.13 of the Texas Business Corporation Act will be entitled to demand the repurchase of such holder's shares of PetroCorp common stock for a purchase price equal to the fair value of such holder's shares. Under Texas law, the fair value of your shares for purposes of the exercise of dissenters' rights means the value of your shares as of the day immediately preceding the day the vote is taken authorizing the merger, excluding any increase or decrease in the value of the shares in anticipation of the proposed merger. Such fair value is determined by appraisers appointed by a court. The appraisers are directed to make their determination upon such investigation as to them may deem proper.

In order to be entitled to exercise your dissenters' rights, you must file a written objection to the merger with us prior to the special meeting. The written objection must state:

that you will exercise your right to dissent if the merger becomes effective; and

your address where notice of the effectiveness of the merger should be delivered or mailed.

Table of Contents

You should send your written objection to us at PetroCorp Incorporated, 6733 S. Yale Ave., Suite 500, Tulsa, Oklahoma 74136, Attention: Corporate Secretary. Neither a proxy nor a vote against the merger are sufficient to constitute a written objection as required under the Texas Business Corporation Act. Failure to vote against the merger will not affect your appraisal rights, but voting in favor of the merger will void your dissenters' rights.

If the merger is approved by our shareholders and subsequently becomes effective, then within 10 days of the effectiveness of the merger, we must deliver or mail notice of the effectiveness of the merger to each dissenting shareholder that did not vote in favor of the merger. Any dissenting shareholder that did not vote in favor of the merger may then make a written demand on us for the payment of the fair value of the shareholder's shares within 10 days of the delivery or mailing of the notice by us. Such demand must state the number of shares of common stock owned by the dissenting shareholder and the dissenting shareholder's estimate of the fair value of his or her common stock as of the day immediately prior to the meeting date, excluding any increase or decrease in value of the shares in anticipation of the proposed merger. Any shareholder that fails to make such a demand within the 10-day period will lose the right to dissent and will be bound by the terms of the merger. In order to preserve dissenters' rights, within 20 days of making a demand for payment, a dissenting shareholder holding certificated shares must also submit such share certificates to us for the appropriate notation of the demand. At our option, we may terminate the dissenting shareholder's rights under Article 5.12 of the Texas Business Corporation Act for each holder of certificated shares who fails to submit the share certificates within the 20 day period unless a court of competent jurisdiction directs otherwise, upon a showing to the court by the shareholder that there is good and sufficient cause.

Within 20 days of receipt of a proper demand for payment by a dissenting shareholder, we must deliver or mail to the dissenting shareholder written notice that either:

accepts the amount the dissenting shareholder claimed and agrees to pay the amount of the shareholder's demand within 90 days after the effectiveness of the merger and, in the case of shares represented by certificates, upon receipt of the dissenting shareholder's duly endorsed share certificates; or

contains our estimate of the fair value of the dissenting shareholders' common stock and offers to pay the amount of our estimate within 90 days after the effectiveness of the merger so long as the dissenting shareholder gives us notice within 60 days after the date of our notice that he or she agrees to accept our estimate and, in the case of shares represented by certificates, surrenders to us duly endorsed stock certificates.

If we and the dissenting shareholder agree upon the value of the dissenting shareholder's shares within 60 days after the effectiveness of the merger, we will pay the amount of the agreed value to the dissenting shareholder within 90 days of the effectiveness of the merger and, in the case of shares represented by certificates, upon receipt of the dissenting shareholder's duly endorsed share certificates. Upon payment of the agreed value, the dissenting shareholder will no longer have any interest in those shares.

If we and the dissenting shareholder do not agree upon the value of the dissenting shareholder's shares within 60 days after the effectiveness of the merger, then either the dissenting shareholder or we may, within 60 days after the expiration of such 60-day period, file a petition in a court of competent jurisdiction seeking a determination of the fair value of the dissenting shareholder's common stock. We will file with the court a list of all shareholders who have demanded payment for their shares with whom an agreement as to value has not been reached within 10 days following receipt of such a petition filed by a dissenting shareholder or upon the filing of such a petition by us. The clerk of the court will give notice of the hearing of any such petition to us and to all of the dissenting shareholders on the list provided by us. We and all dissenting shareholders notified in this manner will be bound by the final judgment of the court as to the value of the shares.

Edgar Filing: PETROCORP INC - Form PRER14A

In considering such a petition, the court will determine which of the dissenting shareholders have complied with the provisions of the Texas Business Corporation Act and are entitled to the payment of the fair value of

Table of Contents

their shares and will appoint one or more qualified appraisers to determine the fair value of the shares. The appraisers will also allow us and the dissenting shareholders to submit to them evidence as to the fair value of the shares.

Upon receipt of the appraisers' report, the court will determine the fair value of the shares of the dissenting shareholders and will direct the payment by us to the dissenting shareholders of the amount of the fair value of their respective shares, with interest from the date 91 days after the effectiveness of the merger to the date of the judgment. The judgment shall be paid immediately to holders of uncertificated shares and shall be payable to holders of shares represented by certificates only upon receipt of the dissenting shareholder's duly endorsed share certificates. Upon payment of the judgment, the dissenting shareholders will no longer have any interest in the shares.

Any dissenting shareholder may withdraw his or her demand at any time before receiving payment for the shares or before a petition has been filed seeking determination of the fair value of the shares. No dissenting shareholder may withdraw his or her demand after payment has been made or, unless we consent to the withdrawal, if a petition has been filed.

Any dissenting shareholder that has properly demanded payment for his or her shares of common stock will not have any rights as a shareholder, except the right to receive payment for the shares and the right to claim that the transactions contemplated by the merger agreement, including the merger, were fraudulent.

If you are considering dissenting from the merger, you are urged to consult your own legal counsel.

THE MERGER AGREEMENT

The following is a summary of the material terms of the merger agreement. This summary is qualified in its entirety by reference to the merger agreement, a copy of which is attached to this proxy statement as Appendix A. We encourage you to read the merger agreement because it, and not this summary, is the legal document that governs the merger. We recently amended the merger agreement to evidence our agreement to the form of escrow agreement and to allow the company to post a letter of credit to support payment of potential Canadian tax obligations of PetroCorp.

STRUCTURE AND EFFECTIVE TIME

The merger agreement provides for the merger of a subsidiary of Unit with and into PetroCorp upon the terms and subject to the conditions of the merger agreement. PetroCorp will survive the merger and continue to exist after the merger as a wholly owned subsidiary of Unit.

The merger will be conducted in accordance with the requirements of the Texas Business Corporation Act. Immediately after the closing of the merger, we will file articles of merger meeting the requirements of Texas law and make all other filings or recordings required in connection with the merger. The merger will become effective when the articles of merger are filed with the Texas Secretary of State or at a later time if specified in the articles of merger.

From and after the effective time of the merger, PetroCorp will possess all the rights, privileges, powers and franchises, and be subject to all of the restrictions, disabilities and duties of PetroCorp and Unit Corporation's merger subsidiary, Unit Acquisition Company, as provided under Texas law. The closing of the merger will take place as soon as practicable when all of the conditions set forth in the merger agreement have been fulfilled or waived in accordance with the merger agreement.

Table of Contents

THE MERGER CONSIDERATION

At the effective time of the merger, without any action on the part of the stockholders of PetroCorp, each share of PetroCorp common stock outstanding immediately prior to the effective time (other than shares owned by PetroCorp or Unit) will be converted into the right to receive the following merger consideration:

cash in an amount equal to the quotient obtained by dividing (x) the \$182,120,000 transaction value, as adjusted as described below, minus \$6,500,000 by (y) the total number of shares of PetroCorp common stock outstanding immediately prior to the effective time of the merger; and

a pro rata amount of any distributions made from the \$6,500,000 placed into escrow at the closing to settle or satisfy contingent liabilities of PetroCorp. For additional information relating to this escrow arrangement, see Escrow Agreement below.

Adjustments will be made to the \$182,120,000 transaction value as follows:

the transaction value will be adjusted by the amount that the actual costs, expenses and liabilities and payments made or accrued prior to closing in connection with the disputes relating to the completion of the Sunny #1 well less any amounts received by PetroCorp differs from \$970,000 (These disputes have been settled and resulted in no adjustment to the transaction value.);

the transaction value will be adjusted by the amount that the actual costs, expenses and liabilities and payments made or accrued prior to closing in connection with the resolution of all matters relating to the sale of PetroCorp's Canadian properties or subsidiaries to Enerplus exceeds \$457,000 (These matters have been resolved and resulted in no adjustment to the transaction value.); and

the transaction value will be reduced to the extent that the aggregate of the amounts paid or payable to PetroCorp prior to closing upon exercise of all of PetroCorp's outstanding stock options is less than \$4,150,979. Since the merger agreement was signed, options have been exercised resulting in payment of \$280,226 to PetroCorp, and the remaining holders of outstanding stock options have agreed to exercise their options prior to the closing.

The minimum initial payment of \$13.37 for each share of PetroCorp common stock will not be affected by any adjustments even if the actual liabilities exceed the escrowed amount.

Shares of PetroCorp common stock held or owned by PetroCorp, by Unit or by any subsidiary of Unit will be cancelled and no payment will be made with respect thereto. Each share of common stock of Unit Acquisition Company outstanding immediately prior to the effective time of the merger will be converted into and become one share of common stock of PetroCorp and will constitute the only outstanding shares of capital stock of PetroCorp. In this manner, PetroCorp will become a wholly owned subsidiary of Unit.

From and after the effective time of the merger, all shares of PetroCorp common stock converted to cash as described above will no longer be outstanding and will automatically be cancelled, retired and cease to exist. Any holders of such stock will have no further rights with respect to such stock, other than the right to receive the merger consideration described above.

PAYMENT PROCEDURE

Unit will appoint Corporate Stock Transfer or another exchange agent reasonably acceptable to PetroCorp as the exchange agent to exchange certificates representing shares of PetroCorp common stock for the merger consideration. Unit will provide the merger consideration, less the escrowed amount, to the exchange agent. Promptly after the effective time of the merger, Unit will send, or will cause the exchange agent to send, to each record holder of the PetroCorp common stock at the effective time, a transmittal letter for use in effecting delivery of shares of PetroCorp common stock to the exchange agent.

Table of Contents

Each holder of shares of PetroCorp common stock, upon surrender to the exchange agent of certificates representing such shares, together with a properly completed letter of transmittal, will be entitled to receive the merger consideration represented by such certificates as described in this agreement. Until surrendered, each certificate will represent only the right to receive the merger consideration.

TREATMENT OF STOCK OPTIONS

We have obtained written consents from all holders of Company stock options to exercise all of such options immediately prior to closing. We have also amended the terms of the stock option plans or arrangements as necessary to allow all of the outstanding options to be exercised in full immediately prior to the closing. Exercise of all of the stock options, and payment in full of the exercise prices for such options, is a condition to the obligation of Unit to close the merger transaction. However, given the written consents we have obtained from the holders of all options to exercise those options, we expect that this condition will be satisfied at closing.

As an accommodation to our option holders, PetroCorp plans to loan to its option holders, other than its executive officers and directors, as allowed by law, the cumulative exercise price for the stock options. Such loans will be repaid on or shortly after the closing date in connection with the payment of the cash merger consideration to the shareholders of PetroCorp. Options covering 84,500 shares of common stock are held by non-executive officers and directors (with a total exercise price of \$707,688). The term of the loan will be less than a week, and the interest charged will be 4% per annum.

TREATMENT OF STOCK APPRECIATION RIGHTS

In connection with, and immediately prior to the effective time of the merger, each unexpired and unexercised outstanding stock appreciation right previously granted under our existing compensation plans will be cancelled and we will pay to the holder of the right an amount equal to \$13.52 (the average price of our common stock for the ten trading days following our public announcement of the signing of the definitive merger agreement with Unit) less the fair market value of our common stock on the date each stock appreciation right was granted. Upon payment of that amount, each such stock appreciation right shall be retired and cease to exist. Our board of directors recently amended the plan under which the stock appreciation rights were granted to conform to the terms of the merger agreement and the description immediately above.

CHARTER AND BYLAWS

The articles of incorporation of PetroCorp will remain the articles of incorporation of the surviving corporation after the merger until subsequently amended in accordance with applicable law. The by-laws of Unit Acquisition Company will become the by-laws of the surviving corporation until subsequently amended in accordance with applicable law.

DIRECTORS AND OFFICERS

From the effective time of the merger, until successors are duly elected or appointed and qualified in accordance with applicable law, the directors of Unit Acquisition Company will be the directors of the surviving corporation and the officers of Unit Acquisition Company will be

the officers of the surviving corporation.

REPRESENTATIONS AND WARRANTIES

In the merger agreement we made representations and warranties that cover a number of matters relating to our company and its business, including among other things:

capitalization;

Table of Contents

reports to the Securities and Exchange Commission;

financial statements;

liabilities, litigation and taxes;

employee benefit plans;

environmental matters;

contracts;

hedging, oil and gas operations, gas imbalances and royalties;

properties and oil and gas reserves;

insurance;

intangible property;

transactions with affiliates; and

foreign corrupt practices and international trade sanctions.

The representations and warranties contained in the merger agreement will not survive the effective time of the merger or termination of the merger agreement.

COVENANTS; CONDUCT OF THE BUSINESS OF PETROCORP PRIOR TO THE MERGER

In the merger agreement we also made various affirmative and negative covenants with respect to our business and operations during the period from the date of the merger agreement until the effective time of the merger. During this time, we are required to conduct our business in the ordinary course consistent with past practice and to use our best efforts to preserve intact our business organizations and relationships with third parties. Also, we must obtain the prior written consent to, among other things:

change our charter documents;

issue or redeem securities;

make capital expenditures beyond a threshold level;

increase compensation benefits;

change accounting practices;

incur liabilities, liens or indebtedness; and

acquire or dispose of assets.

NON SOLICITATION PROVISIONS

In the merger agreement we agreed not to, and we agreed to use reasonable efforts to cause our officers, directors, employees, investment bankers, consultants, attorneys, accountants, agents and other representatives not to, directly or indirectly, take any action to solicit or facilitate any acquisition proposal. An acquisition proposal is any bona fide written offer or proposal for any:

acquisition or purchase of any of our business or assets that constitute 10% or more of our net revenues, net income or assets;

acquisition or purchase of 10% or more of any class of our equity securities;

tender offer or exchange offer that, if consummated, would result in any person beneficially owning 10% or more of any class of our equity securities; or

Table of Contents

merger, business combination, joint venture, partnership, dissolution or similar transaction involving us whose business constitutes 10% or more of our net revenue, net income or assets, other than the transactions contemplated by the merger agreement.

However, prior to the date of approval of the merger by our shareholders, PetroCorp may:

furnish information and access to any person making an acquisition proposal to our board of directors which we did not knowingly encourage, solicit or initiate; and

may participate in discussions and negotiate with such person concerning the acquisition proposal if:

our board concludes in good faith, after receipt of the advice of a financial advisor of nationally recognized reputation and outside legal counsel, that the acquisition proposal is reasonably likely to result in a superior proposal;

we comply with all of our obligations under the merger agreement; and

our board receives from the person making the acquisition proposal an executed confidentiality agreement the material terms of which are (x) no less favorable to PetroCorp or Unit, as applicable, and (y) no less restrictive to the person making such acquisition proposal than those contained in the confidentiality agreement.

A superior proposal is a bona fide written acquisition proposal for or in respect of at least a majority of the outstanding shares of our common stock:

on terms that our board determines in its good faith judgment (after consultation with, and taking into account the advice of, a financial advisor of nationally recognized reputation, taking into account all the terms and conditions of the acquisition proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation) are more favorable from a financial point of view to its shareholders than the merger and the other transactions contemplated by the merger agreement; and

that constitutes a transaction that is reasonably likely to be consummated on the terms set forth, taking into account all legal, financial, regulatory and other aspects of such proposal.

INDEMNIFICATION AND INSURANCE

After the merger, Unit will cause the surviving corporation to indemnify our officers, directors and employees against all losses and other liabilities relating to the merger. Those indemnified parties will be entitled to the advancement of expenses, subject to a customary reimbursement agreement. All rights to indemnification in favor of our directors, officers or employees will survive the merger and continue in effect after the merger. After the merger, Unit will cause PetroCorp to maintain the current PetroCorp directors and officers liability insurance policies. However, Unit may substitute policies with similar coverage. Those substitute policies must be approved in advance by Gary R. Christopher, our current CEO.

CONDITIONS TO THE MERGER

Each party's obligation to consummate the merger is subject to the satisfaction of the following conditions, all of which currently remain unsatisfied:

the merger agreement and the merger will have been approved by our shareholders in accordance with Texas law;

no provision of any applicable law or regulation and no judgment, injunction, order or decree will prohibit or enjoin the consummation of the merger or, if not complied with, will have or be reasonably likely to have a material adverse effect on Unit including the surviving corporation after the effective time of the merger;

neither the Federal Trade Commission nor the Antitrust Division of the Department of Justice, as the case may be, will have, as a condition to its approval of the merger and the other transactions

contemplated by the merger agreement, required Unit to take any action which, individually or in the aggregate, would result in, or be reasonably likely to result in, a material adverse effect on Unit including the surviving corporation after the effective time of the merger;

there will not be any action or proceeding by any governmental authority seeking to (i) restrain or otherwise interfere with the ownership or operation by Unit of PetroCorp's or Unit's business or to compel Unit to dispose of or hold separate the business or assets of PetroCorp or Unit, (ii) limit the ability of Unit effectively to exercise full rights of ownership of the shares of PetroCorp common stock (or shares of stock of the surviving corporation after the merger), or (iii) require divestiture by Unit of any shares of PetroCorp common stock (or shares of stock of the surviving corporation after the merger);

there will not be any statute, rule, regulation, injunction, order or decree which would result in a material adverse effect on Unit (including the surviving corporation after the merger) after the effective time of the merger;

all required approvals or consents of any governmental authority will have been obtained and any applicable waiting periods will have expired; and

there will not be any general suspension of trading in securities on any United States national securities exchange, or a declaration of a general banking moratorium or any general suspension of payments in respect of banks in the United States.

The obligations of Unit and its merger subsidiary to consummate the merger are subject to, among others, satisfaction of the following additional conditions. These conditions which have already been met include a parenthetical reference to that effect. The remaining conditions currently remain unsatisfied.

we will have performed all of our obligations and the representations and warranties we made in the merger agreement will be true and correct;

since the date of the merger agreement, there will not have been any event, occurrence, development or state of circumstances which, individually or in the aggregate, would have or has had or would be reasonably likely to have, a material adverse effect on us;

PetroCorp was required to repatriate from Canada an amount of not less than \$38,700,000 Canadian. (See the third bullet point under the heading "Escrow Agreement - The Escrowed Amount" for more details.) (Sufficient funds have now been repatriated, and this condition has been satisfied.);

the shares held by shareholders dissenting from this transaction as provided under Texas law and as described in the merger agreement will not exceed five percent (5%) of our outstanding common stock;

The voting agreements will have been entered into no later than 6 business days from the date of the merger agreement, and will remain in effect and no shareholder of PetroCorp shall be in material default thereunder (These agreements have been entered into and remain in effect without a material default.); and

All of the outstanding stock options for the purchase of PetroCorp's common stock shall have been exercised in full and the exercise prices payable under the terms of each such option shall have been paid in full or such payment shall have been provided for in a manner acceptable to Unit. \$280,226 worth of common stock options have been exercised, and the remaining holders of outstanding stock options have all agreed to exercise their options prior to the closing.

Edgar Filing: PETROCORP INC - Form PRER14A

Our obligation to consummate the merger is subject to the satisfaction of the following further conditions, both of which currently remain unsatisfied:

Unit will have performed all of its obligations on or before closing and the representations and warranties of Unit contained in the merger agreement will be true and correct; and

Table of Contents

since the date of the merger agreement, there will not have been any event, occurrence, development or state of circumstances which, individually or in the aggregate, would have, or would be reasonably likely to have, a material adverse effect on Unit.

TERMINATION

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger (despite obtaining approval of our shareholders to the merger and the merger agreement):

by written consent of PetroCorp and Unit;

by either PetroCorp or Unit:

if the merger has not been consummated by December 31, 2003, except that if the effective time of the merger has not occurred by such date by reason of nonsatisfaction of conditions relating to regulatory and governmental approval, and all other conditions have been satisfied or waived, then that date will be extended to March 15, 2004; however, the right to terminate the merger agreement under this provision will not be available to any party whose failure to fulfill any obligation under the merger agreement caused the failure of the condition to occur; or

if we do not receive the required vote of our shareholders at a meeting of shareholders or any adjournment thereof;

by either PetroCorp or Unit if there is any law or regulation that makes consummation of the merger illegal or otherwise prohibited or if any judgment, injunction, order or decree enjoining Unit or PetroCorp from consummating the merger is entered and such judgment, injunction, order or decree becomes final and nonappealable;

by Unit if our board fails to recommend, or withdraws or modifies in a manner materially adverse to Unit, its approval or recommendation of the merger agreement or the merger, or fails to call and hold the shareholder meeting in accordance with the merger agreement, or recommends a superior proposal, or our board resolves to do any of the foregoing;

by either Unit or PetroCorp, with some exceptions, upon a breach by the other of any representations, warranties, covenants or obligations contained in the merger agreement, which breach would result in the failure to satisfy one or more of the conditions to closing set forth in the merger agreement; or

by either Unit or PetroCorp if the final amount of working capital meets levels determined in accordance with the merger agreement (The final amount of working capital has been fixed within the agreed range, and, therefore, does not give rise to a termination right.).

TERMINATION FEE

If the merger agreement is terminated as a result of a breach as described above in the next to last bullet point under the heading Termination immediately above, then the breaching party will pay to the non-breaching party \$3,000,000 as liquidated damages and not as a penalty.

Edgar Filing: PETROCORP INC - Form PRER14A

In addition, PetroCorp will pay to Unit the above referenced \$3,000,000 not later than the date of termination of the merger agreement upon the occurrence of any of the following:

Unit terminates the merger agreement as a result of our board of directors failing to recommend the merger, or withdrawing or modifying its approval of the merger;

either PetroCorp or Unit terminates the merger agreement as a result failure of PetroCorp to receive the required vote of shareholders at a meeting of shareholders or any adjournment thereof and prior to the shareholder meeting an acquisition proposal has been made to PetroCorp or to the stockholders of PetroCorp; or

Table of Contents

any person makes to PetroCorp or to the stockholders of PetroCorp an acquisition proposal and thereafter the merger agreement is terminated for failure to consummate the merger by December 31, 2003 or March 15, 2004, as applicable, as further described above.

AMENDMENT, EXTENSION AND WAIVER

Any provision of the merger agreement may be amended or waived prior to the effective time of the merger if such amendment or waiver is in writing and signed by all parties or, in the case of a waiver, by the party against whom the waiver is to be effective. However, after the approval of the merger agreement by the shareholders of PetroCorp, no such amendment or waiver will, without the further approval of such stockholders, change the amount or kind of consideration to be received in exchange for any shares of capital stock of PetroCorp or any term of the certificate of incorporation of Unit.

ESCROW AGREEMENT

The following is a summary of the escrow agreement that we will enter into as of the closing of the merger with Bank of Oklahoma, N.A., a national banking association, as escrow agent and Gary R. Christopher and Steven R. Berlin, as representatives of the former shareholders of PetroCorp. When we refer to the former shareholders of PetroCorp, we mean those shareholders who were PetroCorp shareholders as of the effective time of the merger. A copy of the form of escrow agreement is attached to this proxy statement as Appendix B.

THE ESCROWED AMOUNT

Under the escrow agreement, simultaneously with the closing of the merger agreement, Unit will deposit directly with the escrow agent \$6,500,000 to settle or satisfy three contingent liabilities of PetroCorp, or a lesser amount if one or more of the contingencies covered by the escrow are resolved prior to closing. We refer to the amount placed in escrow as the escrowed amount. The three contingent liabilities covered by the escrow are:

the estimated amount of the fees, costs and other amounts payable by PetroCorp under its First Amended and Restated Management Agreement with Kaiser Francis Oil Company dated as of March 2, 2001 for any period of time commencing after the later of 30 days following the closing of the merger or the date PetroCorp ceases using the services of Kaiser-Francis;

the potential liabilities and costs which could be incurred by PetroCorp in connection with the lawsuit captioned *R.A. Mackie & Co., L.P. and Wein Securities Corp. v. PetroCorp Incorporated and PetroCorp Acquisition Corporation*, Case No. 02-CIV-198 in the District Court for the Southern District of New York (See footnote 13 of PetroCorp's Annual Report for the year ended December 31, 2002 filed on Form 10-K for a description of this litigation); and

the amounts payable by PetroCorp with respect to the taxing authorities in Canada in connection with PetroCorp's recent transaction with Enerplus (In December 2002, PetroCorp Incorporated merged into its U.S. subsidiary that owned a portion of a Canadian subsidiary of PetroCorp. Application was made to Canadian authorities to treat this merger as a tax-exempt transaction in Canada, as was done with previous similar transactions for PetroCorp. The Canadian authorities have not assessed a tax, but indicated they want to review the transaction in detail due to the proximity in time between the merger and the sale of the Canadian subsidiaries to Enerplus. PetroCorp does not expect to have a final decision from the Canadian authorities by the anticipated close of the PetroCorp sale to Unit. If a tax were assessed, any tax in excess of the escrowed amount will be borne by Unit and it will not affect the minimum

initial payment of \$13.37 for each share of PetroCorp common stock.).

Table of Contents

The escrow agent will deposit the escrowed amount into a PetroCorp Escrow Account and hold that amount pursuant to the terms of the escrow agreement.

The purpose of the escrow arrangement is to provide an amount of funds available to cover the three contingent liabilities described above. Because the potential resolution of these matters is inherently difficult to predict, we cannot state with certainty when any amounts may be distributed from that account or guarantee that any amounts will be distributed from that account. In the event that the three contingent liabilities described above exceed the escrowed amount, the minimum initial payment of \$13.37 for each share of PetroCorp common stock will not be affected.

DISBURSEMENTS

The escrow agent will promptly disburse and deliver the escrowed amount in accordance with any of the following:

joint or substantially identical written instructions executed by Unit and the representatives;

a non-appealable order of a court of competent jurisdiction; or

written notice executed by Unit that PetroCorp is entitled to funds under the merger agreement, as long as such disbursement instruction includes the information set forth below and the escrow agent does not receive a written notice from the representatives setting forth their objection to the disbursements.

PETROCORP DISBURSEMENT INSTRUCTIONS

Each PetroCorp disbursement instruction (as described in the third bullet set forth immediately above), will contain the following information:

a reference to the escrow agreement and the PetroCorp Escrow Account;

the portion of the escrowed amount to be disbursed to PetroCorp pursuant to the notice;

instructions as to the method and destination of disbursements; and

a summary statement of the event or condition that has occasioned the delivery of the PetroCorp disbursement instruction.

The escrow agent is not responsible for evaluating the truth or sufficiency of the summary statement referred to above. If, after five days from the date of the PetroCorp disbursement instruction is received by the representatives, the escrow agent has not received a written notice from the

representatives setting forth their objection to the disbursement and the reasons for their objections, then the escrow agent will promptly disburse all or the applicable portion of the escrowed amount in accordance with the disbursement instruction. If escrow agent does receive an objection notice within the five-day period, then the escrow agent will not make the disbursement until one of the following occurs:

the escrow agent receives joint or substantially identical written instructions to do so executed by Unit and the representatives; or

the escrow agent receives a non-appealable order to do so from a court of competent jurisdiction.

TERM OF THE ESCROW AGREEMENT

The escrow agreement will remain in force until the 30th day after the fifth anniversary of the initial deposit of funds into the PetroCorp Escrow Account, at which time all of the remaining escrowed amount, net of any amounts due escrow agent for the portion of the escrow agent's expenses to be paid as provided below, will be disbursed to Unit. If, on the termination date, the escrowed amount exceeds the amount allocable to the then outstanding matters or claims under the merger agreement as described on Exhibit A to the escrow agreement, then any such excess will be disbursed as directed by the representatives to the former shareholders of PetroCorp.

Table of Contents

FEES OF THE ESCROW AGENT

The escrow agent will be paid a fee of \$5,000 per year for its services.

Such fees will be paid entirely by Unit. Any cost reimbursements payable to the escrow agent (including attorneys fees) will be paid from the escrowed amount.

RESPONSIBILITIES OF THE ESCROW AGENT

The escrow agent will have no responsibility except for the custody, safekeeping and delivery of the escrowed amounts in accordance with the escrow agreement. The escrow agent will not be liable for any acts or omissions under the escrow agreement in connection with the escrowed amount (including its own negligent acts) except as a result of the escrow agent's gross negligence or willful misconduct. If any question, dispute or disagreement arises with respect to the escrowed amount or other matters arising out of the escrow agreement, the escrow agent will not be required to act until such dispute is finally resolved. In addition, the escrow agent will have the absolute right in its discretion to do either of the following:

withhold and stop all further performance under the escrow agreement until reasonably satisfied that the question, dispute or disagreement has been resolved and that the escrow agent will be released from any further liability; or

file suit and obtain final judgment an order, settlement or instructions satisfactory to it as to the disbursement of the escrowed amount.

The escrow agent will not be required to post a bond in connection with its services under the escrow agreement.

RESIGNATION OF THE ESCROW AGENT

The escrow agent may resign and be discharged from its duties and obligations under the escrow agreement by giving written notice of its resignation, specifying an effective date of at least thirty days after the date of its notice. The escrow agent will deliver the escrowed amount to a new escrow agent named in a joint or substantially identical written notice from Unit and the representatives.

DUTIES, OBLIGATIONS AND RIGHTS OF REPRESENTATIVES

Gary R. Christopher and Steven R. Berlin will represent the former shareholders of PetroCorp and ensure the proper administration of the escrowed amount in accordance with the escrow agreement and the merger agreement. The representatives will be entitled to reimbursement of any reasonable out-of-pocket expenses actually incurred in good faith in making disbursements to the former shareholders of PetroCorp and in otherwise carrying out their duties and responsibilities under the escrow agreement. No shareholder will be entitled to receive any portion of the

escrowed amount unless, until and to the extent that some or all of the escrowed amount has been paid to the exchange agent.

MISCELLANEOUS

The rights granted to former shareholders of PetroCorp under the escrow arrangement are an integral part of the consideration to be received in the merger transaction. The rights of the former shareholders of PetroCorp with respect to the escrow arrangement do not represent an ownership interest in any of the parties to the merger.

Table of Contents

The rights are not transferable except by operation of law or will. The rights will not be represented by any form of certificate or similar instrument. Any amounts paid pursuant to the rights under the escrow arrangement do not depend upon the operating results of any of the parties to the merger.

INTERESTS OF DIRECTORS AND OFFICERS IN THE MERGER

Some members of our management and board of directors have interests in the merger that are in addition to or different from the interests of our stockholders. Our board was aware of these interests and considered them in approving the merger and the merger agreement.

AMENDED AND RESTATED EMPLOYMENT AGREEMENTS

We previously entered into employment agreements dated as of December 28, 2001 with Gary R. Christopher, who is our President and Chief Executive Officer and a member of our board of directors, and Richard L. Dunham, who is our Executive Vice President. These 2001 employment agreements provide, among other things, that Mr. Christopher and Mr. Dunham would receive a transaction bonus in the event of a business combination transaction involving PetroCorp.

The original employment agreements provided for payments to the employees if the Company, or substantially all of its assets, were sold during the term of the agreements; but, they did not envision a sale of the assets or Company in a series of transactions. The Company is effectively being sold in two steps: the Canadian operations to Enerplus in March and the Unit transaction; accordingly, there was not an agreement as to the methodology to make the calculation. (A literal application of the contract wording resulted in calculated payments which would have been substantially above those envisioned when the contracts were negotiated.) The parties amended the agreements to clarify the calculation methodology to reflect the original intent of the parties as it applied to cover the sale of the Company in a series of transactions. No other changes were made.

The proposed merger transaction with Unit would constitute a business combination for which Mr. Christopher and Mr. Dunham would receive a transaction bonus under those 2001 employment agreements. In that regard, we recently entered into new employment agreements with Mr. Christopher and Mr. Dunham, to be effective upon closing of the merger. Pursuant to those new agreements, upon closing of the proposed merger, the existing 2001 employment agreements will terminate (including the existing obligation to pay the transaction bonus), and, Mr. Christopher and Mr. Dunham will each receive instead a closing bonus calculated and paid in the following manner:

If the transaction value of the merger is between \$183,800,000 and \$183,850,000, Mr. Christopher and Mr. Dunham will each receive a closing bonus in an amount equal to 255% of their respective current annual salaries. The closing bonuses will be increased by 1% for each full \$400,000 that the transaction value is greater than \$183,850,000 and the closing bonus will be decreased by 1% for each full \$400,000 that the transaction value is less than \$183,800,000. Mr. Christopher's current annual salary is \$242,500. Mr. Dunham's current annual salary is \$206,500. The transaction value is approximately \$182,120,000. Therefore, Mr. Christopher will receive approximately \$608,675 and Mr. Dunham will receive approximately \$518,315 as termination bonuses at the closing of the merger transaction.

The effectiveness of the new employment agreements with Mr. Christopher and Mr. Dunham are conditioned on the closing of the proposed merger. Our board of directors has considered and approved these new employment agreements.

In addition, Messrs. Christopher and Dunham hold stock options that they will exercise as discussed below in this section under the headings Stock Options and Amount of Stock Options and Stock Appreciation Rights.

BONUSES TO KAISER-FRANCIS EMPLOYEES

PetroCorp entered into a First Amended and Restated Management Agreement with Kaiser-Francis Oil Company dated March 2, 2001 in which Kaiser-Francis agreed to provide most of the services that otherwise would have been provided by employees of PetroCorp. Our board of directors has authorized, subject to and upon closing of the merger agreement, the payment of cash bonuses to employees of Kaiser-Francis Oil Company who have provided services to PetroCorp under the management agreement. These bonuses include bonuses to some of the Kaiser-Francis Oil Company employees who serve as officers of PetroCorp. Steven R. Berlin is an employee of Kaiser-Francis Oil Company and an executive officer of PetroCorp. The other non-executive officers of PetroCorp are also employees of Kaiser-Francis Oil Company. Kaiser-Francis Oil Company will distribute the bonuses based on advice from PetroCorp's compensation committee, and the majority of the bonuses are expected to go to PetroCorp officers that are Kaiser-Francis Oil Company employees. The aggregate amount of those bonuses will not exceed \$270,000.

SEPARATION BENEFITS AGREEMENT

Pursuant to a separation benefits agreement, dated September 27, 1993, with PetroCorp, Lealon L. Sargent, the Chairman of our Board of Directors, will receive \$50,000 per year for 10 years following his retirement from the company, which was effective at the end of 1997. Should his death occur prior to the receipt of all benefits under the agreement, Mr. Sargent's surviving spouse or estate, as applicable, will receive the remainder of such payments.

STOCK OPTIONS

We have agreed that all outstanding stock options will vest and become exercisable in full immediately prior to the closing of the merger. We expect that all stock options will be exercised in full immediately prior to the closing. Exercise of all of the stock options, and payment in full of the exercise prices for such options, is a condition to the obligation of Unit to close the merger transaction.

As an accommodation to our option holders, PetroCorp plans to loan to its option holders, other than executive officers and directors, to the extent allowed by law, the cumulative exercise price for the stock options. Such loans would be repaid on or shortly after the closing date in connection with the payment of the cash merger consideration to the shareholders of PetroCorp. For additional information relating to the merger consideration payable upon closing of the merger, see the information under the heading "The Merger Agreement" "The Merger Consideration."

Immediately prior to the filing of the articles of merger, we will terminate our stock option plans. Termination of those plans will be effective upon the filing of the articles of merger. Upon termination, we will have no further liability with respect to our stock option plans.

STOCK APPRECIATION RIGHTS

Edgar Filing: PETROCORP INC - Form PRER14A

Under the PetroCorp Incorporated 2000 Stock Option Plan we previously granted stock appreciation rights to some of our directors. Those stock appreciation rights entitle the holder to receive in cash the difference between the fair market value of our common stock on the date of exercise and the fair market value on the date the stock appreciation right was granted. At the effective time of the merger, each outstanding stock appreciation right will be cancelled and converted into the right to receive the difference between \$13.52 (the average price of our common stock for the ten trading days following our public announcement of the signing of the definitive merger agreement with Unit) and the fair market value of our common stock on the date the stock appreciation right was originally granted.

Table of Contents**AMOUNT OF STOCK OPTIONS AND STOCK APPRECIATION RIGHTS**

There are currently a total of 442,150 outstanding stock options and 105,000 stock appreciation rights. Our executive officers and directors collectively hold 357,650 of those stock options and our outside directors hold all of those stock appreciation rights. Some of stock options and stock appreciation rights are unvested, but all will be vested or become vested immediately prior to the effective time of the merger.

The following executive officers hold the following number of PetroCorp stock options and, upon closing the merger transaction, would receive the net dollar amount for their options set forth below after payment of the respective cumulative exercise prices for those options (assuming full distribution of the escrowed amount), less any applicable taxes:

<u>Name</u>	<u>Title</u>	<u>Number of Options</u>	<u>Net Amount After Payment of Exercise Prices</u>
Gary R. Christopher	President and Chief Executive Officer	85,650	\$ 427,812
Steven R. Berlin	Chief Financial Officer and Secretary	20,000	\$ 105,525
Richard L. Dunham	Executive Vice President	45,000	\$ 247,275

None of the executive officers of PetroCorp holds stock appreciation rights. The amount set forth in the above table in the column entitled Net Amount After Payment of Exercise Prices assumes payment to stockholders of the entire amount of the escrowed funds.

The following directors hold the following number of PetroCorp stock options and stock appreciation rights and, upon closing the merger transaction, would receive the net dollar amount for their options and stock appreciation rights after payment of the respective cumulative exercise prices for those options (assuming full distribution of the escrowed amount), less any applicable taxes:

INDEMNIFICATION AND INSURANCE

After the merger, Unit will cause the surviving corporation to indemnify your officers, directors and employees against all losses and other liabilities arising out of the merger. For additional information see The Merger Agreement Indemnification and Insurance.

INTERESTS OF OFFICERS AND DIRECTORS

Effective January 1, 2002, Gary R. Christopher, President, Chief Executive Officer and a director of PetroCorp, and Richard L. Dunham, Executive Vice President of PetroCorp, left the employment of Kaiser-Francis and became employees of PetroCorp.

Mark W. Files was nominated as a director upon the recommendation of St. Paul Fire and Marine Insurance Company, which is a beneficial owner of approximately 13.7% of our common stock. However, Mr. Files is not employed by or otherwise associated with St. Paul.

Messrs. Coughlin and Fuller were nominated as directors by the board of directors of Southern Mineral Corporation pursuant to a merger between PetroCorp and Southern Mineral, whereby Southern Mineral was merged into PetroCorp Acquisition Company, a wholly owned subsidiary of PetroCorp Incorporated.

POST-CLOSING OFFICERS AND DIRECTORS

At the effective time of the merger, and until successors are elected or appointed, the officers and directors of Unit Acquisition Company will become our directors and officers. Accordingly, we will cause our current directors and officers to deliver written resignations at that time.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of material U.S. federal income tax consequences of the merger to the shareholders of PetroCorp. This discussion is based on provisions of the Internal Revenue Code of 1986, as amended (the Code), applicable Treasury regulations promulgated under the Code, Internal Revenue Service rulings and judicial interpretations in effect as of the date of this proxy statement, all of which are subject to change, possibly with retroactive effect. There can be no assurance that future legislative, judicial or administrative action will not affect the accuracy of the statements or conclusions in this proxy statement.

This summary does not address all the U.S. federal income tax considerations that may be relevant to shares received pursuant to the exercise of employee stock options or otherwise as compensation or with respect to shareholders who are subject to special tax treatment under the Code, including without limitation persons who are non-U.S. persons, insurance companies, dealers or brokers in securities or currencies, tax-exempt organizations, life insurance companies, regulated investment companies and financial institutions and may not apply to shareholders in light of individual circumstances, such as holding shares as a hedge or as part of a hedge, straddle, conversion, synthetic security integrated investment or other risk-reduction transaction or who are subject to alternative minimum tax. It also does not address the tax consequences of the merger under foreign, state or local tax laws. Accordingly, shareholders are urged to consult with their own tax advisors with respect to the particular U.S. federal, state, local or foreign income tax or other tax consequences of the merger to them.

The exchange of PetroCorp shares for cash in the merger will be a taxable transaction for U.S. federal income tax purposes, and accordingly a shareholder will recognize gain or loss equal to the difference between the cash received and such shareholder's adjusted tax basis in the PetroCorp shares exchanged therefor. In general, a shareholder must calculate gain or loss separately for each block of PetroCorp shares that is exchanged in the merger. If a shareholder holds PetroCorp shares as a capital asset, this gain or loss will be capital gain or loss, which will be long-term capital gain or loss if the shareholder has held such PetroCorp shares for more than one year at the time of the merger. In general, a non-corporate shareholder is subject to a maximum U.S. federal income tax rate of 15% on any net long-term capital gains. In addition, there are limits on the deductibility of capital losses.

Unless a shareholder complies with reporting or certification procedures or is an exempt recipient (in general, corporations and certain other entities) under applicable provisions of the Code and Treasury regulations, such shareholder may be subject to a withholding tax of 30% with respect to any cash payments received pursuant to the merger. Backup withholding is not an additional tax. Any amount withheld under these

Table of Contents

rules will be credited against a shareholder's U.S. federal income tax liability provided such shareholder furnishes the required information to the IRS. A shareholder that does not comply with the backup withholding rules may be subject to penalties imposed by the IRS.

THE PRECEDING SUMMARY DOES NOT CONSIDER ANY PARTICULAR SHAREHOLDER'S INDIVIDUAL FACTS AND CIRCUMSTANCES. THE TAX CONSEQUENCES OF THE MERGER TO ANY PARTICULAR SHAREHOLDER WILL DEPEND ON HIS OR HER INDIVIDUAL FACTS AND CIRCUMSTANCES. SHAREHOLDERS ARE STRONGLY URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE TAX CONSEQUENCES TO THEM OF THE MERGER.

SECURITY OWNERSHIP OF BENEFICIAL OWNERS AND MANAGEMENT

PROCEDURE FOR SURRENDERING YOUR CERTIFICATES

Prior to the effectiveness of the merger, Unit will designate Corporate Stock Transfer, or another exchange agent acceptable to us to allow shareholders to exchange their certificates representing common stock entitled to payment pursuant to the merger agreement. Unit will pay the merger consideration to the exchange agent.

Promptly after the effective time of the merger, Unit or the exchange agent shall mail a transmittal letter to each record holder of certificates representing PetroCorp common stock, advising such holder of the procedure for surrendering to the exchange agent such certificates. The transmittal letter will specify that delivery will be effective, and that the risk of loss and title to the shares will pass, only upon proper deliver of the certificates to the exchange agent. Until properly surrendered, each certificate representing shares of PetroCorp common stock will only represent the right to receive the merger consideration. **DO NOT SEND YOUR SHARE CERTIFICATES UNTIL YOU RECEIVE A TRANSMITTAL LETTER FROM THE EXCHANGE AGENT.**

If a check or wire transfer for the merger consideration is to be issued to any other person or entity other than the person in whose name the surrendered certificates for common stock are registered on the books of the Company, it shall be a condition of the exchange that the certificates are properly endorsed or in the proper form for transfer and that the person requesting such exchange shall pay to the exchange agent all transfer or other taxes, if any, required by reason of the issuance of such check or wire transfer in the name of a person other than the registered owner of the certificates surrendered, or shall establish to the satisfaction of the exchange agent that such taxes have been paid or are not applicable.

Upon the surrender and exchange of a certificate representing common stock, the exchange agent will pay the holder by check or wire transfer, without interest, the amount of the merger consideration that the holder is entitled to receive at the closing (not including any escrowed funds) less any amount required to be withheld under applicable federal income tax regulations. All surrendered certificates will be cancelled. Shareholder may receive an additional payment with respect to the escrow arrangement as further described under the heading **The Merger Agreement** **The Merger Consideration**.

If any part of the merger consideration is unclaimed one year after the effective time of the merger the exchange agent will return those funds to Unit, upon Unit's request. Upon the return of the merger consideration to Unit, holders of any certificates representing common stock of PetroCorp shall look solely to Unit for the payment of the merger consideration in respect of their shares. Failure to surrender certificates representing shares of PetroCorp common stock prior to the end of the three-year period after the effective time of the merger (or any earlier date on which any amount would escheat to, or become the property of, any governmental agency under applicable law) will, to the extent permitted by law, result in the forfeiture of the merger consideration in respect to those certificates. The amounts that would otherwise have been paid to the holders in respect of those certificates will, to the extent permitted by applicable law, become the property of Unit, free and clear of all claims or interest of any person previously entitled thereto.

George B. Kaiser, an individual, and United States Fidelity and Guaranty Company, an affiliate of St. Paul Fire and Marine Insurance Company, have entered into voting agreements with PetroCorp in which each agreed, among other things, to vote FOR the merger and the merger agreement at the special meeting. The following is a summary of the material terms of the voting agreement. This summary is qualified in its entirety by reference to the form of voting agreements attached as *Appendix C* to this proxy statement.

As of the record date for the special meeting, United States Fidelity and Guaranty Company was the beneficial owner of 1,639,624 shares of PetroCorp common stock and Mr. Kaiser was the beneficial owner of 4,804,962 shares of PetroCorp common stock. Together these shares constituted approximately 51% of the outstanding shares of common stock of PetroCorp. Under the voting agreements, each of United States Fidelity and Guaranty Company and Mr. Kaiser have agreed:

to vote FOR the approval of the merger agreement, the merger and any matter necessary for consummation of the transactions contemplated by the merger agreement; and

to vote AGAINST:

any acquisition proposal;

any proposal for action or agreement that would reasonably be expected to result in a breach of a covenant, agreement, representation or warranty or any other obligation under the merger agreement;

any extraordinary corporate transaction, such as a merger, consolidation or other business combination involving PetroCorp and its subsidiaries;

a sale, lease or transfer of a material amount of assets of PetroCorp or one of its subsidiaries, or a reorganization, recapitalization, dissolution or liquidation of PetroCorp or any of its subsidiaries;

any change in a majority of the persons who constitute the board of directors of PetroCorp;

any change in the present capitalization of PetroCorp or any amendment of PetroCorp's articles of incorporation or bylaws;

any other material change in PetroCorp's corporate structure or business; and

any other action reasonably expected to impede the transactions contemplated by the merger agreement.

Under the voting agreements, United States Fidelity and Guaranty Company and Mr. Kaiser agreed that, without the prior written consent of Unit, they would refrain from:

Edgar Filing: PETROCORP INC - Form PRER14A

selling or offering to sell, transferring, assigning or otherwise in any way disposing of the shares of PetroCorp common stock, except for a transaction in which they retain the full rights to vote the shares in accordance with the voting agreement;

granting any proxy or powers of attorney, or depositing any of the shares into a voting trust or entering into a voting agreement with respect to any of the shares; or

taking any action that would reasonably be expected to have the effect of hindering the performance of their obligations under the voting agreement or making any of their representations or warranties contained in the voting agreement untrue or incorrect.

The restrictions listed above do not prohibit United States Fidelity and Guaranty Company from offering to sell, selling or otherwise transferring or disposing of any of its shares in accordance with Rule 144 of the Securities Act of 1933.

Under the voting agreement, United States Fidelity and Guaranty Company and Mr. Kaiser agreed, among other things, to revoke all prior proxies or powers of attorney with respect to their shares of PetroCorp common stock and to appoint Unit as their proxy to vote their shares as their proxy with respect to the matters set forth in the voting agreement. The proxy granted to Unit is irrevocable, to the fullest extent permitted by law, throughout the term of the merger agreement.

United States Fidelity and Guaranty Company and Mr. Kaiser also agreed to not solicit a takeover proposal, participate in discussions for a takeover proposal, provide confidential information to or enter into any agreement with respect to a takeover proposal with any third party as well as to inform Unit regarding any takeover proposal by a third party. They also waived any dissenter's rights they may otherwise have had.

THE RIGHTS AGREEMENT

As required in the merger agreement, our board has taken the necessary action by approving the transaction, and will take any further necessary action, to render the rights issued pursuant to the terms of the Rights Agreement inapplicable to the merger, the merger agreement and the other transactions contemplated therein.

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this **Agreement**) is dated as of August 14, 2003, and is entered into by PETROCORP INCORPORATED, a Texas corporation (the **Company**), UNIT CORPORATION, a Delaware corporation (**Unit**), and UNIT ACQUISITION COMPANY, a newly formed Texas corporation and a wholly owned subsidiary of Unit (**Merger Subsidiary**).

RECITALS:

The respective Boards of Directors of Unit, Merger Subsidiary and Company have approved the merger (the **Merger**) of Merger Subsidiary into the Company as well as the other transactions contemplated by this Agreement. Subject to the conditions of this Agreement, each issued and outstanding share of common stock, par value \$0.01 per share, of the Company (**Company Common Stock**) and Common Stock Equivalent (as defined below), not owned by Unit, Company or their respective Subsidiaries, will be converted into the right to receive the Merger Consideration (as defined below);

The respective Boards of Directors of Unit, Merger Subsidiary and the Company have determined that the Merger is in the best interests of their respective stockholders.

Accordingly, the parties, in consideration of the promises and the respective representations, warranties and covenants in this Agreement agree as follows:

Article 1.

THE MERGER

Section 1.1 The Merger.

(a) At the Effective Time, Merger Subsidiary will be merged with and into the Company in accordance with the requirements of the Texas Business Corporation Act (the **Texas Law**), whereupon the separate existence of Merger Subsidiary will cease, and the Company will be the surviving corporation in the Merger (the **Surviving Corporation**). At the election of Unit, a direct wholly owned subsidiary of Unit may be substituted for Merger Subsidiary as a constituent corporation in the Merger. In such event, the parties agree to execute an appropriate amendment to this Agreement in order to reflect such substitution.

(b) Immediately after the Closing the Company will file Articles of Merger (the **Articles of Merger**) meeting the requirements of Texas Law and make all other filings or recordings required by Texas Law in connection with the Merger. The Merger will become effective when the Articles of Merger are filed with the Secretary of State of the State of Texas or at a later time if specified in the Articles of Merger (the **Effective**

Time).

(c) From and after the Effective Time, the Surviving Corporation will possess all the rights, privileges, powers and franchises and be subject to all of the restrictions, disabilities and duties of the Company and Merger Subsidiary, all as provided under Texas Law.

(d) The closing of the Merger (the **Closing**) will take place (i) at the offices of Unit, 1000 Kensington Tower I, 7130 South Lewis, Tulsa, Oklahoma, as soon as practicable when the conditions set forth in Article 9 (other than those conditions that by their nature are to be fulfilled at the Closing, but subject to the fulfillment or waiver of such conditions) have all been fulfilled or waived in accordance with this Agreement, or (ii) at such other place and time or on such other date as the Company and Unit may agree in writing (the date of the Closing is the **Closing Date**).

Table of Contents

Section 1.2 Conversion of Shares, Options and Stock Appreciation Rights.

(a) At the Effective Time by virtue of the Merger and without any action on the part of the holder:

(i) each share of the Company Common Stock held or owned by the Company (as treasury stock or otherwise), by Unit or any Subsidiary of Unit immediately prior to the Effective Time (together with the associated Company Right (as defined in Section 3.5), if any) will be canceled, and no payment will be made with respect thereto;

(ii) each share of common stock of Merger Subsidiary outstanding immediately prior to the Effective Time will be converted into and become one share of common stock of the Surviving Corporation with the same rights, powers and privileges as the shares so converted and will constitute the only outstanding shares of capital stock of the Surviving Corporation; and

(iii) each share of Company Common Stock (together with the associated Company Right) outstanding immediately prior to the Effective Time will, except as otherwise provided in Section 1.2(a)(i), be converted into the right to receive:

A. Cash in an amount equal to the quotient obtained by dividing (x) the Transaction Value by (y) the total number of shares of Company Common Stock outstanding immediately prior to the Effective Time, excluding the shares described in Section 1.2(a)(i) (the **Cash Consideration**); and

B. A prorata distribution of the Escrowed Amount, if any, as described in Section 1.2(c) of this Agreement (the **Escrow Distribution**).

As used herein, the term **Transaction Value** means \$182,120,000, as adjusted pursuant to Section 1.2(b) below, less the amount of the Escrowed Funds. The Cash Consideration and the Escrow Distribution to be received as consideration pursuant to the Merger are referred to as the **Merger Consideration**.

(b) In addition to any other adjustments that the parties may agree on, the Transaction Value will be adjusted for the following:

(i) The Transaction Value shall be reduced by the amount by which the actual amount of costs, expenses, liabilities, obligations and payments made or accrued prior to Closing in connection with the final settlement and resolution of the litigation captioned *Aminex USA, Inc. v. PetroCorp Incorporated and Kaiser-Francis Oil Company*, No. 02-CV 1085 in the 122nd Judicial District Court of Galveston County, Texas, less the amount of any reimbursements or other payments received by the Company in respect thereto from Kaiser Francis Oil Company, differs from \$970,000;

(ii) The Transaction Value shall be adjusted by the amount by which the actual amount of costs, expenses, liabilities, obligations and payments made or accrued in connection with the final settlement and resolution of the outstanding matters and issues arising in connection with the sale

Edgar Filing: PETROCORP INC - Form PRER14A

of the Company's Canadian properties or subsidiaries to Enerplus exceeds \$457,000; and

(iii) The Transaction Value shall be reduced to the extent that the aggregate of the amounts paid or payable to the Company prior to Closing upon exercise of the outstanding stock options (as contemplated by Section 1.2(c)) is less than \$4,150,979.

(c) From and after the Effective Time, all shares of Company Common Stock (together with the associated Company Rights) converted in accordance with Section 1.2(a)(iii) will no longer be outstanding and will automatically be canceled, retired and will cease to exist. Each holder of a certificate representing any Company Common Stock will cease to have any rights with respect to the Company Common Stock, except the right to receive the Merger Consideration. From and after the Effective Time, all certificates representing the common stock of Merger Subsidiary will for all purposes be deemed to represent the number of shares of common stock of the Surviving Corporation into which they were converted in accordance with Section 1.2(a)(ii).

Table of Contents

(d) At the time of Closing, Unit will deposit \$6,500,000.00 (the **Escrowed Amount**) with Bank of Oklahoma, N.A. (the **Escrow Agent**) pursuant to the terms of the Escrow Agreement to be entered into between Unit and the Escrow Agent on the Closing Date substantially in the form of Exhibit A hereto (the **Escrow Agreement**). The Escrow Amount is attributable to the matters or items listed in Exhibit B hereto. If, at the Closing Date, any of the matters or items listed in Exhibit B have been resolved and no longer represent contingent or outstanding obligations or potential or actual liabilities of the Company, the amounts attributable thereto shall be eliminated from the Escrowed Amount (and thereby added to the Transaction Value), provided that Unit shall have been provided with such releases, waivers or other documentation or evidence as it may require in its reasonable discretion to establish such resolution or settlement.

Section 1.3 Surrender and Payment.

(a) Before the Effective Time, Unit will appoint Corporate Stock Transfer (or another exchange agent reasonably acceptable to the Company) (the **Exchange Agent**) to exchange certificates representing shares of Company Common Stock (**Certificates**) for the Merger Consideration. Unit will provide the Exchange Agent, as needed, the Merger Consideration. Promptly after the Effective Time, Unit will send, or will cause the Exchange Agent to send, to each record holder of the Company Common Stock at the Effective Time, a transmittal letter for use in the exchange (which will specify that the delivery will be effected, and risk of loss and title will pass, only upon proper delivery of the Certificates to the Exchange Agent) in such form as the Company and Unit may reasonably agree, for use in effecting delivery of shares of Company Common Stock to the Exchange Agent.

(b) Each holder of shares of Company Common Stock that have been converted into a right to receive the Merger Consideration, upon surrender to the Exchange Agent of a Certificate, together with a properly completed letter of transmittal, will be entitled to receive the Merger Consideration for the shares of Company Common Stock represented by such Certificate. Until surrendered, each Certificate will, after the Effective Time, represent only the right to receive the Merger Consideration.

(c) If any part of the Merger Consideration is to be registered in the name of a Person other than the Person in whose name the surrendered Certificate is registered, it will be a condition to that registration that the surrendered Certificate will be properly endorsed or otherwise be in proper form for transfer and that the Person requesting the delivery of the Merger Consideration will pay to the Exchange Agent any transfer or other taxes required as a result of such registration in the name of a Person other than the registered holder of such Certificate or establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable. For purposes of this Agreement, **Person** means an individual, a corporation, a limited liability company, a partnership, an association, a trust or any other entity or organization, including a government or political subdivision or any agency or instrumentality thereof.

(d) After the Effective Time, there will be no further registration of transfers of shares of Company Common Stock. If, after the Effective Time, Certificates are presented to the Exchange Agent, the Surviving Corporation or Unit, they will be canceled and exchanged for the consideration provided for, and in accordance with the procedures set forth, in this Article 1.

(e) Any part of the Merger Consideration that remains unclaimed one year after the Effective Time will be returned to Unit, upon demand, and any holder who has not exchanged his shares of Company Common Stock for the Merger Consideration will look only to Unit for delivery of the Merger Consideration in respect of that holder's shares. Despite the foregoing, Unit will not be liable to any holder of shares for any Merger Consideration delivered to a public official under any applicable abandoned property laws. Any Merger Consideration remaining unclaimed three years after the Effective Time (or such earlier date immediately prior to such time as such amounts would otherwise escheat to or become property of any governmental entity) will, to the extent permitted by applicable law, become the property of Unit free and clear of any claims or interest of any Person.

Section 1.4 *Stock Options.* Prior to (but effective at) the Effective Time, the Company shall (i) obtain any consents from all holders of Company Options and (ii) make any amendments to the terms of such stock option or compensation plans or arrangements that, in the case of either clause (i) or (ii), are necessary to allow all of the outstanding options to be exercised in full on or prior to the Closing Date. Immediately prior to the Effective Time, the Company shall terminate the Company's Amended and Restated 1992 PetroCorp Stock Option Plan, the Option Plan (collectively, the **Company Stock Option Plan**) effective as of the Effective Time with no further liability to the Company.

Section 1.5 *Adjustments.* If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of the Company will occur by reason of any reclassification, recapitalization, stock split or combination, exchange or readjustment of shares, or any stock dividend thereon with a record date during such period, the Merger Consideration will be appropriately adjusted to provide the holders of shares of Company Common Stock the same economic effect as contemplated by this Agreement prior to such event.

Section 1.6 *Withholding Rights.* The Surviving Corporation and Unit will each be entitled to deduct and withhold from the consideration otherwise payable to any Person pursuant to this Article 1 that amount required to be deducted and withheld under any federal, state, local or foreign law. To the extent that amounts are withheld by the Surviving Corporation or Unit, as the case may be, such withheld amounts will be treated for all purposes of this Agreement as having been paid to the holder of the shares of Company Common Stock in respect of which such deduction and withholding was made by the Surviving Corporation or Unit, as the case may be.

Section 1.7 *Lost Certificates.* If any Certificate is lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Unit or the Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as the Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration to be paid in respect of the shares of Company Common Stock represented by such Certificate as contemplated by this Article 1.

Section 1.8 *Dissenters Rights.* Shares of Company Common Stock outstanding immediately prior to the Effective Time and held by stockholders who have not voted in favor of the Merger and who have made written demand for payment of the fair value for their shares under Texas Law (collectively, the **Dissenting Shares**) will not be converted into or represent the right to receive the Merger Consideration. Those stockholders will be entitled to receive payment of the fair value of their shares of Company Common Stock under Texas Law, except that all Dissenting Shares held by stockholders who have failed to perfect or who effectively have withdrawn or lost their rights to appraisal of their Company Common Stock under Texas Law will be deemed to have been converted into and to be exchangeable, as of the Effective Time, for the Merger Consideration in the manner provided in Section 1.2. The Company will give Unit prompt notice of any demands received by the Company for appraisal of any shares of Company Common Stock in accordance with Texas Law. Unit will have the right to control all negotiations and proceedings with respect to such demands except as required by applicable law. The Company will not, except with the prior written consent of Unit which may be withheld in its sole discretion without any obligation to provide an explanation for the exercise of that discretion, make any payment with respect to, or settle or offer to settle, any such demands.

(b) The Company will (A) promptly (and in no event later than 48 hours after receipt of an Acquisition Proposal) notify (which notice will be provided orally and in writing and will identify the Person making the Acquisition Proposal and set forth the material terms thereof) Unit after receipt of an Acquisition Proposal, any indication of which it has knowledge that any Person is considering making an Acquisition Proposal, or any request for nonpublic information relating to the Company or any of its Subsidiaries or for access to the properties, books or records of the Company or any of its Subsidiaries by any Person that has made, or to the Company's knowledge may be considering making, an Acquisition Proposal, and (B) will keep Unit informed of the status of any such Acquisition Proposal or request. For purposes of this Agreement, **Superior Proposal** means any bona fide written Acquisition Proposal for or in respect of at least a majority of the outstanding shares of Company Common Stock (i) on terms that the Board of Directors of the Company determines in its good faith judgment (after consultation with, and taking into account the advice of, a

The resolution of the dispute by the Accounting Firm will be final and binding on the parties. The fees and expenses of the Accounting Firm will be borne equally by the Company, on the one hand, and Unit, on the other hand.

APPENDIX B

ESCROW AGREEMENT

THIS ESCROW AGREEMENT (Agreement), dated as of _____, 2003 among Bank of Oklahoma, N.A., a national banking association (Escrow Agent), PetroCorp Incorporated, a Texas corporation (PetroCorp), Gary R. Christopher and Steven R. Berlin, as representatives of the Former Shareholders of PetroCorp (the Representatives) and Unit Corporation, a Delaware corporation (Unit).

RECITALS:

A. PetroCorp and Unit are parties to that certain Agreement and Plan of Merger dated August 14, 2003, as may be amended from time to time (as so amended, the Merger Agreement);

B. The Merger Agreement provides for the establishment of an escrow fund out of a portion of the cash proceeds otherwise payable to the holders of PetroCorp Common Stock (who are referenced in this Agreement from time to time as the Former Shareholders of PetroCorp) at the Closing of the Merger from which certain liabilities, contingent liabilities or obligations of PetroCorp pursuant to the Section 1.2(d) of the Merger Agreement will be paid; and

C. The parties hereto desire to establish such an escrow on the terms and conditions hereinafter set forth.

NOW, in consideration of the premises and of the covenants and agreements contained in this Agreement, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **Capitalized Terms.** Capitalized terms used herein that are not otherwise defined herein will have the same meaning as in the Merger Agreement;

2. **Appointment of Escrow Agent.** PetroCorp, the Representatives and Unit hereby appoint and designate Bank of Oklahoma, N.A. as the Escrow Agent for the purposes set forth in this Agreement, and Bank of Oklahoma, N.A. hereby accepts such appointment, all on the terms and subject to the conditions of this Agreement.

3. **Deposit of Escrowed Amount.** Simultaneously with the Closing of the Merger Agreement, Unit will cause to be deposited directly with Escrow Agent the Escrowed Amount of \$6,500,000 [or, such lesser amount as may be required if any of the matters subject to the Escrow Account have been resolved prior to Closing based upon the allocated values for each matter as described on the attached Exhibit A]. Escrow Agent will deposit the Escrowed Amount it receives in an account to be entitled PetroCorp Escrow Account. Escrow Agent will invest the Escrowed Amount only upon joint or substantially identical written instructions of the Representatives and Unit, and such investments will be

limited to interest bearing bank accounts, including savings accounts and bank money-market accounts, short-term certificates of deposit issued by a bank, short-term securities issued or guaranteed by the United States government, or such other investments as may be instructed by joint or substantially identical written instructions from the Representatives and Unit. Any such investments and any interest, dividends or other amounts received by the Escrow Agent in respect thereof will be deemed at all times part of the Escrowed Amount. None of Escrow Agent, Unit or the Representatives will be liable for any loss on any investments made in accordance with this Agreement or such written instructions. Copies of all investment instructions delivered to the Escrow Agent will also be sent to the Representatives and Unit. Copies of all account statements will be sent by Escrow Agent to each of the Representatives and Unit.

4. ***Disbursements During Term of Agreement.*** Escrow Agent will promptly disburse and deliver the Escrowed Amount in accordance with any of (a) joint or substantially identical written instructions executed by Unit and the Representatives; (b) a nonappealable order of a court of competent jurisdiction; or (c) pursuant to

Table of Contents

Section 5 of this Agreement, a written notice executed by Unit that PetroCorp is entitled to funds under Article I of the Merger Agreement (such a notice as described in this item (c) being referred to as a **PetroCorp Disbursement Instruction**). When used with respect to a disbursement by Escrow Agent in this Agreement, **promptly** means within five business days. A **business day** means a day on which federal banking institutions are open in the State of Oklahoma.

5. PetroCorp Disbursement Instruction. Each PetroCorp Disbursement Instruction will contain the following information: (a) a reference to this Agreement and the PetroCorp Escrow Account, (b) the portion of the Escrowed Amount to be disbursed to PetroCorp pursuant to the notice, (c) instructions as to the method and destination of disbursements (e.g., wire transfer instructions), and (d) a summary statement of the event or condition that has occasioned the delivery of the PetroCorp Disbursement Instruction. Escrow Agent will not be responsible for evaluating the truth or sufficiency of the summary statement referred to in clause 5(d) above. Unit will send a copy of any PetroCorp Disbursement Instruction to the Representatives at the same time it sends the PetroCorp Disbursement Instruction to Escrow Agent. If, after five business days from the date the PetroCorp Disbursement Instruction was received by the Representatives, Escrow Agent has not received a written notice from the Representatives setting forth their objection to the disbursement and the reasons for their objections (**Objection Notice**), then Escrow Agent will promptly disburse the applicable portion of the Escrowed Amount in accordance with PetroCorp Disbursement Instruction. The Representatives will deliver to Unit a copy of any Objection Notice at the same time the Objection Notice is delivered to Escrow Agent. If Escrow Agent receives an Objection Notice within the 5-day period, then Escrow Agent will not make the disbursement until (1) Escrow Agent receives joint or substantially identical written authorization to do so executed by Unit and either of the Representatives, or (2) Escrow Agent receives a nonappealable order to do so from a court of competent jurisdiction.

6. Term of Agreement; Disbursements. This Agreement will become effective as of the date first mentioned above and continue in force until 5:00 p.m., Tulsa, Oklahoma time on the 30th day after the 5th anniversary of the initial deposit of funds into the PetroCorp Escrow Account, at which time, all of the remaining Escrowed Amount, net of any amounts due Escrow Agent for the portion of Escrow Agent's expenses to be paid as provided in Section 7, will be disbursed to Unit; *provided, however*, that if on the termination date, Unit and the Representatives agree that the Escrowed Amount exceeds the amount allocable to the then outstanding matters or claims under the Merger Agreement as described on Exhibit A hereto, as the same may have been amended or modified by mutual agreement of Unit and the Representatives, any such excess will be disbursed as directed by the Representatives for distribution to the Former Shareholders of PetroCorp. Upon disbursement of all of the Escrowed Amount in accordance with this Agreement, Escrow Agent's responsibilities will terminate. The term **Former Shareholders** means those shareholders who were holders of PetroCorp Common Stock at the Effective Time of the Merger.

7. Fees of Escrow Agent. Escrow Agent will be paid a fee of \$5,000 per year for its services hereunder. Such fees will be paid entirely by Unit. Any cost reimbursements payable to the Escrow Agent (including attorneys' fees) will be paid from the Escrowed Amount.

8. Responsibilities of Escrow Agent. Escrow Agent will have no responsibility except for the custody, safekeeping and delivery of the Escrowed Amount in accordance with this Agreement and will not be required to take any action pertaining to the Escrowed Amount or this Agreement other than as set forth in this Agreement. Escrow Agent will not be liable for any act done or omitted to be done by it under this Agreement or in connection with the Escrowed Amount (including its own negligent acts), except as a result of Escrow Agent's gross negligence or willful misconduct. Escrow Agent is not a party to, is not bound by and does not need to consider (even though it may have knowledge of) the terms or provisions of any agreement or undertaking by, between or among Unit and the Representatives or any other third party (other than this Agreement and any instructions or notices it receives hereunder). Unit and the Representatives covenant that they will not commence any action against Escrow Agent, at law, in equity or otherwise, as a result of any action taken or omitted by Escrow Agent pursuant to this Agreement or for any disbursement made as authorized herein except in

Table of Contents

connection with the gross negligence or willful misconduct of Escrow Agent. Escrow Agent will have no duty to determine or inquire into any happening or occurrence, or any performance or failure of performance of Unit and the Representatives or of any third party respecting agreements or arrangements among them or with any other party. If any question, dispute or disagreement arises among any one or more of the parties hereto and/or any other party respecting the Escrowed Amount, the proper interpretation of this Agreement, the duties of Escrow Agent hereunder or the rights of the parties or any such third parties to this Escrow Agreement, Escrow Agent will not be required to act and will not be held liable for its refusal to act until such question, dispute or disagreement is finally resolved. In addition, Escrow Agent will have the absolute right in its discretion to do either or both of the following:

(a) withhold and stop all further performance under this Agreement until Escrow Agent is satisfied, by receipt of a written document in form and substance reasonably satisfactory to Escrow Agent and executed and binding upon all interested parties hereto or otherwise, that the question, dispute or disagreement has been resolved and that Escrow Agent will be released from any further liability with respect thereof; or

(b) file suit and obtain by final judgment an order, settlement or instructions satisfactory to it as to the disbursement, if any, of any Escrowed Amount and binding all interested parties.

Escrow Agent will not be required to post a bond in connection with any services under this Agreement. Escrow Agent may consult with counsel of its own choice, be reimbursed for such expenses, and will have full and complete authorization and protection for any action it takes or suffers in good faith under this Agreement in accordance with the opinion of such counsel (who will not be counsel for Unit or the Representatives).

9. **Reliance by Escrow Agent.** Escrow Agent may rely and will be protected in acting or refraining from acting in reliance upon written notice, instruction or request furnished to it under this Agreement which it believes to be genuine and to have been signed or presented by the proper party or parties and to take statements made therein as correct without any affirmative duty of investigation.

10. **Resignation of Escrow Agent.** Escrow Agent may resign and be discharged from its duties or obligations under this Agreement by giving written notice of its resignation specifying an effective date at least 30 days after the date of its notice. Escrow Agent will deliver the Escrowed Amount to a new Escrow Agent named in a joint or substantially identical written notice from Unit and the Representatives. If the old Escrow Agent receives no such notice within 30 days after delivery of its resignation notice, it may deposit the Escrowed Amount into the registry of a court of competent jurisdiction.

11. **Allocation and Payment of Disbursements.** The Escrow Agent will use the address for Unit, the Exchange Agent and the Representatives set forth in Section 15 for notices and disbursements and all other purposes pertaining to this Agreement, unless otherwise notified in writing by Unit and the Representatives.

12. **Taxation and Reporting of Income and Expense.** For federal income tax and state tax purposes, all interest or other income earned on funds or property subject to this Agreement will be allocated to and reported by the recipient of the interest or other income. No partnership or joint venture will be created by this Agreement, and no partnership tax return will be filed with respect to this Agreement.

13. **Substitute Escrow Agent.** Escrow Agent agrees that Unit and the Representatives may at any time, by joint or substantially identical written instructions (setting forth the name and address of a substitute Escrow Agent), remove Escrow Agent as escrow agent under this Agreement. Upon receipt of a notice, Escrow Agent will promptly deliver to the person named in the notice, at the address set forth in the notice,

all Escrowed Amount, at which time its responsibility under this Agreement will terminate.

14. ***Duties, Obligations and Rights of Representatives.*** Unit and the Representatives agree that the Representatives have become parties to this Agreement by reason of their role as representatives of the Former Shareholders of PetroCorp and their interests as Former Shareholders of PetroCorp in ensuring the proper

administration of the Escrowed Amount in accordance with this Agreement and the Merger Agreement. The Representatives will be entitled to reimbursement out of the Escrowed Amount for any amount of reasonable out-of-pocket expenses actually incurred in good faith by the Representatives or the Exchange Agent in making disbursements to Former Shareholders of PetroCorp to ensure the proper administration of the Escrowed Amount in accordance with this Agreement and the Merger Agreement or otherwise in carrying out their duties and responsibilities hereunder, including disbursement to the Former Shareholders of PetroCorp. In no event will the Representatives be personally liable to any other shareholders or Former Shareholders of PetroCorp (whether or not they were shareholders as of the Effective Time of the Merger) for any action taken or omitted to be taken by a Representative in connection with this Agreement, and no such shareholder will be entitled to receive as Merger Consideration under the Merger Agreement any portion of the Escrowed Amount unless, until and to the extent that some or all of the Escrowed Amount has been paid to the Exchange Agent. Upon the death, resignation or disability of a Representative, the parties will treat and give effect to any successor that may be agreed to by Unit and named in a written notice to the Escrow Agent from the remaining Representative. The Escrow Agent, Unit and PetroCorp will be entitled to rely upon the act by either of the Representatives as the act of the Representatives and any notice, instruction or other document required to be signed by the Representatives must be signed by at least one Representative.

15. **Notices; Instructions.** (a) Any notice, authorization, request or demand required hereunder will be in writing. Any party hereto will be deemed to have delivered and given any notice or other item required to be delivered under this Agreement upon the deposit thereof by Escrow Agent in the United States mail by registered or certified mail, postage prepaid, or by recognized overnight delivery service, or by facsimile, and addressed as follows:

Accordingly, the rule of contract construction that an agreement will be construed against the draftsman will have no application in the construction or interpretation of this Agreement. If any one or more of the provisions of this Agreement will be invalid, illegal or unenforceable in any respect, then the legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby. VOTING AGREEMENT

This VOTING AGREEMENT (this **Agreement**), is entered into as of August 14, 2003 by and among UNIT CORPORATION, a Delaware corporation (**Parent**), UNIT ACQUISITION COMPANY, a Texas Corporation and a wholly owned subsidiary of Parent (**Merger Sub**) and the undersigned stockholder of PETROCORP INCORPORATED, a Texas Corporation (the **Company**), as an individual (the **Stockholder**). Capitalized terms used in this Agreement but not otherwise defined shall have the meanings ascribed to them in the Merger Agreement (defined below).

RECITALS

Concurrently with the execution and delivery of this Agreement, Parent, Merger Sub and the Company are entering into an Agreement and Plan of Merger (the **Merger Agreement**) pursuant to which Merger Sub will merge with and into the Company (the **Merger**);

The Stockholder beneficially owns (as such term is defined pursuant to Rule 13d-3(a) promulgated under the Securities Exchange Act of 1934, as amended), such number of the Company's Common Stock as indicated next to the Stockholder's signature on the signature page to this Agreement;

As a condition and inducement to the Parent and Merger Sub's willingness to enter into the Merger Agreement, the Stockholder is entering into this Agreement to cause all shares of the Company Common Stock beneficially owned by the Stockholder, whether owned as of or acquired after the date of this Agreement (the **Subject Shares**), to be voted in the manner specified in Section 1 of this Agreement.

THEREFORE, in consideration of the foregoing and the covenants, agreements, representations and warranties set forth herein, the parties agree as follows:

Section 1. Voting of Subject Shares; Support of Merger. At any meeting (whether annual or special and whether or not an adjourned or postponed meeting) of the Company's stockholders (the **Meeting**), however called, or in connection with any action or approval by written consent of the Company's stockholders at which a proposal is made to approve the Merger Agreement and the consummation of the Merger pursuant thereto (the **Company Proposal**), Stockholder will, in the event that Parent is unable to vote all Subject Shares pursuant to the irrevocable proxy in the form attached hereto as Annex I (the **Proxy**) at the meeting, appear at the meeting or otherwise cause all Subject Shares to be counted as present thereat for purposes of establishing a quorum and vote or consent (or cause to be voted or consented) all Subject Shares:

(a) in favor of the Company Proposal and such other matters as Parent reasonably believes are necessary to be approved under applicable law to consummate the Merger and the other transactions contemplated by the Merger Agreement in accordance with the terms of the Merger Agreement; and

(b) against any actions (other than those actions that relate to the Merger and the other transactions contemplated by the Merger Agreement) that would materially adversely affect the ability of Parent to consummate the Merger without material delay, including, without limitation, the adoption or approval of any Adverse Proposal.

For purposes of this agreement, the term *Adverse Proposal* means any (a) Acquisition Proposal, (b) proposal or action that would reasonably be expected to result in a breach of any covenant, agreement, representation or warranty of the Company set forth in the Merger Agreement, or (c) the following actions (other than the Merger and the other transactions contemplated by the Merger Agreement): (i) any extraordinary corporate transaction, such as a merger, consolidation or other business combination involving the Company or its Subsidiaries; (ii) a sale, lease or transfer of a material amount of assets of the Company or one of its Subsidiaries, or a

reorganization, recapitalization, dissolution or liquidation of the Company or any of its Subsidiaries; (iii)(1) any change in a majority of the persons who constitute the board of directors of the Company as of the date hereof; (2) any change in the present capitalization of the Company or any amendment of the Company's articles of incorporation or bylaws, as amended to date; (3) any other material change in the Company's corporate structure or business; or (4) any other action that, in the case of each of the matters referred to in clauses (iii)(1), (2) and (3) is intended, or could reasonably be expected, to impede, interfere with, delay, postpone, or adversely affect the Merger and the other transactions contemplated by this letter agreement and the Merger Agreement or increase the likelihood that such transactions will not be consummated. The Stockholder further irrevocably agrees (i) not to enter into any agreement or understanding with any person to vote or give instructions in any manner inconsistent with or violative of the terms of this Section 1, and (ii) that such Stockholder will do all such things and take all such steps as the Parent may reasonably require be done or taken by such Stockholder to support the Merger and complete the transactions contemplated by the Merger Agreement or any amendment, supplement or modification thereof, including, without limitation, taking any action that may be necessary to call or cause the Meeting to be called and the Company Proposal to be presented at the Meeting.

Section 2. Transfer of Subject Shares. Except as otherwise contemplated by the Merger Agreement or this Agreement, from and after the date of this Agreement until the termination of this Agreement pursuant to Section 6, the Stockholder will not, directly or indirectly, without the prior written consent of the Parent:

(a) offer for sale, sell, transfer, tender, pledge, encumber, assign or otherwise in any way dispose of, or enter into any contract, option or other arrangement or understanding with respect to or consent to the offer for sale, sale, transfer, tender, pledge, encumbrance, assignment or any other disposition of, any or all of the Subject Shares, or any interest therein, other than in a transaction in which Stockholder retains the full rights to vote the Subject Shares in accordance with this Agreement;

(b) grant any proxy or powers of attorney, deposit any of the Subject Shares into a voting trust or enter into a voting agreement with respect to any of the Subject Shares;

(c) take any action that would reasonably be expected to have the effect of preventing or disabling the Stockholder from performing its obligations under this Agreement or making any representation or warranty of the Stockholder contained in this Agreement untrue or incorrect; or

ART. 5.12. PROCEDURE FOR DISSENT BY SHAREHOLDERS AS TO SAID CORPORATE ACTIONS

A. Any shareholder of any domestic corporation who has the right to dissent from any of the corporate actions referred to in Article 5.11 of this Act may exercise that right to dissent only by complying with the following procedures:

(1)(a) With respect to proposed corporate action that is submitted to a vote of shareholders at a meeting, the shareholder shall file with the corporation, prior to the meeting, a written objection to the action, setting out that the shareholder's right to dissent will be exercised if the action is effective and giving the shareholder's address, to which notice thereof shall be delivered or mailed in that event. If the action is effected and the shareholder shall not have voted in favor of the action, the corporation, in the case of action other than a merger, or the surviving or new corporation (foreign or domestic) or other entity that is liable to discharge the shareholder's right of dissent, in the case of a merger, shall, within ten (10) days after the action is effected, deliver or mail to the shareholder written notice that the action has been effected, and the shareholder may, within ten (10) days from the delivery or mailing of the notice, make written demand on the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, for payment of the fair value of the shareholder's shares. The fair value of the shares shall be the value thereof as of the day immediately preceding the meeting, excluding any appreciation or depreciation in anticipation of the proposed action. The demand shall state the number and class of the shares owned by the shareholder and the fair value of the shares as estimated by the shareholder. Any shareholder failing to make demand within the ten (10) day period shall be bound by the action.

(b) With respect to proposed corporate action that is approved pursuant to Section A of Article 9.10 of this Act, the corporation, in the case of action other than a merger, and the surviving or new corporation (foreign or domestic) or other entity that is liable to discharge the shareholder's right of dissent, in the case of a merger, shall, within ten (10) days after the date the action is effected, mail to each shareholder of record as of the effective date of the action notice of the fact and date of the action and that the shareholder may exercise the shareholder's right to dissent from the action. The notice shall be accompanied by a copy of this Article and any articles or documents filed by the corporation with the Secretary of State to effect the action. If the shareholder shall not have consented to the taking of the action, the shareholder may, within twenty (20) days after the mailing of the notice, make written demand on the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, for payment of the fair value of the shareholder's shares. The fair value of the shares shall be the value thereof as of the date the written consent authorizing the action was delivered to the corporation pursuant to Section A of Article 9.10 of this Act, excluding any appreciation or depreciation in anticipation of the action. The demand shall state the number and class of shares owned by the dissenting shareholder and the fair value of the shares as estimated by the shareholder. Any shareholder failing to make demand within the twenty (20) day period shall be bound by the action.

(2) Within twenty (20) days after receipt by the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, of a demand for payment made by a dissenting shareholder in accordance with Subsection (1) of this Section, the corporation (foreign or domestic) or other entity shall deliver or mail to the shareholder a written notice that shall either set out that the corporation (foreign or domestic) or other entity accepts the amount claimed in the demand and agrees to pay that amount within ninety (90) days after the date on which the action was effected, and, in the case of shares represented by certificates, upon the surrender of the certificates duly endorsed, or shall contain an estimate by the corporation (foreign or domestic) or other entity of the fair value of the shares, together with an offer to pay the amount of that estimate within ninety (90) days after the date on which the action was effected, upon receipt of notice within sixty (60) days after that date from the shareholder that the shareholder agrees to accept that amount and, in the case of shares represented by certificates, upon the surrender of the certificates duly endorsed.

Table of Contents

(3) If, within sixty (60) days after the date on which the corporate action was effected, the value of the shares is agreed upon between the shareholder and the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, payment for the shares shall be made within ninety (90) days after the date on which the action was effected and, in the case of shares represented by certificates, upon surrender of the certificates duly endorsed. Upon payment of the agreed value, the shareholder shall cease to have any interest in the shares or in the corporation.

B. If, within the period of sixty (60) days after the date on which the corporate action was effected, the shareholder and the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, do not so agree, then the shareholder or the corporation (foreign or domestic) or other entity may, within sixty (60) days after the expiration of the sixty (60) day period, file a petition in any court of competent jurisdiction in the county in which the principal office of the domestic corporation is located, asking for a finding and determination of the fair value of the shareholder's shares. Upon the filing of any such petition by the shareholder, service of a copy thereof shall be made upon the corporation (foreign or domestic) or other entity, which shall, within ten (10) days after service, file in the office of the clerk of the court in which the petition was filed a list containing the names and addresses of all shareholders of the domestic corporation who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the corporation (foreign or domestic) or other entity. If the petition shall be filed by the corporation (foreign or domestic) or other entity, the petition shall be accompanied by such a list. The clerk of the court shall give notice of the time and place fixed for the hearing of the petition by registered mail to the corporation (foreign or domestic) or other entity and to the shareholders named on the list at the addresses therein stated. The forms of the notices by mail shall be approved by the court. All shareholders thus notified and the corporation (foreign or domestic) or other entity shall thereafter be bound by the final judgment of the court.

C. After the hearing of the petition, the court shall determine the shareholders who have complied with the provisions of this Article and have become entitled to the valuation of and payment for their shares, and shall appoint one or more qualified appraisers to determine that value. The appraisers shall have power to examine any of the books and records of the corporation the shares of which they are charged with the duty of valuing, and they shall make a determination of the fair value of the shares upon such investigation as to them may seem proper. The appraisers shall also afford a reasonable opportunity to the parties interested to submit to them pertinent evidence as to the value of the shares. The appraisers shall also have such power and authority as may be conferred on Masters in Chancery by the Rules of Civil Procedure or by the order of their appointment.

D. The appraisers shall determine the fair value of the shares of the shareholders adjudged by the court to be entitled to payment for their shares and shall file their report of that value in the office of the clerk of the court. Notice of the filing of the report shall be given by the clerk to the parties in interest. The report shall be subject to exceptions to be heard before the court both upon the law and the facts. The court shall by its judgment determine the fair value of the shares of the shareholders entitled to payment for their shares and shall direct the payment of that value by the existing, surviving, or new corporation (foreign or domestic) or other entity, together with interest thereon, beginning 91 days after the date on which the applicable corporate action from which the shareholder elected to dissent was effected to the date of such judgment, to the shareholders entitled to payment. The judgment shall be payable to the holders of uncertificated shares immediately but to the holders of shares represented by certificates only upon, and simultaneously with, the surrender to the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, of duly endorsed certificates for those shares. Upon payment of the judgment, the dissenting shareholders shall cease to have any interest in those shares or in the corporation. The court shall allow the appraisers a reasonable fee as court costs, and all court costs shall be allotted between the parties in the manner that the court determines to be fair and equitable.

E. Shares acquired by the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, pursuant to the payment of the agreed value of the shares or pursuant to payment of the judgment entered for the value of the shares, as in this Article provided, shall, in the case of a merger, be treated as provided in the plan of merger and, in all other cases, may be held and disposed of by the corporation as in the case of other treasury shares.

Table of Contents

F. The provisions of this Article shall not apply to a merger if, on the date of the filing of the articles of merger, the surviving corporation is the owner of all the outstanding shares of the other corporations, domestic or foreign, that are parties to the merger.

G. In the absence of fraud in the transaction, the remedy provided by this Article to a shareholder objecting to any corporate action referred to in Article 5.11 of this Act is the exclusive remedy for the recovery of the value of his shares or money damages to the shareholder with respect to the action. If the existing, surviving, or new corporation (foreign or domestic) or other entity, as the case may be, complies with the requirements of this Article, any shareholder who fails to comply with the requirements of this Article shall not be entitled to bring suit for the recovery of the value of his shares or money damages to the shareholder with respect to the action.

ART. 5.13. PROVISIONS AFFECTING REMEDIES OF DISSENTING SHAREHOLDERS

A. Any shareholder who has demanded payment for his shares in accordance with either Article 5.12 or 5.16 of this Act shall not thereafter be entitled to vote or exercise any other rights of a shareholder except the right to receive payment for his shares pursuant to the provisions of those articles and the right to maintain an appropriate action to obtain relief on the ground that the corporate action would be or was fraudulent, and the respective shares for which payment has been demanded shall not thereafter be considered outstanding for the purposes of any subsequent vote of shareholders.

B. Upon receiving a demand for payment from any dissenting shareholder, the corporation shall make an appropriate notation thereof in its shareholder records. Within twenty (20) days after demanding payment for his shares in accordance with either Article 5.12 or 5.16 of this Act, each holder of certificates representing shares so demanding payment shall submit such certificates to the corporation for notation thereon that such demand has been made. The failure of holders of certificated shares to do so shall, at the option of the corporation, terminate such shareholder's rights under Articles 5.12 and 5.16 of this Act unless a court of competent jurisdiction for good and sufficient cause shown shall otherwise direct. If uncertificated shares for which payment has been demanded or shares represented by a certificate on which notation has been so made shall be transferred, any new certificate issued therefor shall bear similar notation together with the name of the original dissenting holder of such shares and a transferee of such shares shall acquire by such transfer no rights in the corporation other than those which the original dissenting shareholder had after making demand for payment of the fair value thereof.

C. Any shareholder who has demanded payment for his shares in accordance with either Article 5.12 or 5.16 of this Act may withdraw such demand at any time before payment for his shares or before any petition has been filed pursuant to Article 5.12 or 5.16 of this Act asking for a finding and determination of the fair value of such shares, but no such demand may be withdrawn after such payment has been made or, unless the corporation shall consent thereto, after any such petition has been filed. If, however, such demand shall be withdrawn as hereinbefore provided, or if pursuant to Section B of this Article the corporation shall terminate the shareholder's rights under Article 5.12 or 5.16 of this Act, as the case may be, or if no petition asking for a finding and determination of fair value of such shares by a court shall have been filed within the time provided in Article 5.12 or 5.16 of this Act, as the case may be, or if after the hearing of a petition filed pursuant to Article 5.12 or 5.16, the court shall determine that such shareholder is not entitled to the relief provided by those articles, then, in any such case, such shareholder and all persons claiming under him shall be conclusively presumed to have approved and ratified the corporate action from which he dissented and shall be bound thereby, the right of such shareholder to be paid the fair value of his shares shall cease, and his status as a shareholder shall be restored without prejudice to any corporate proceedings which may have been taken during the interim, and such shareholder shall be entitled to receive any dividends or other distributions made to shareholders in the interim.
