PROXY STATEMENT

FOR 2004 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS ABOUT

THE MEETING AND VOTING

Q: What am I being asked to vote on?

A: We are asking you to vote on the following:

the election of three members to our Board of Directors to serve until 2007;

the ratification of the appointment of PricewaterhouseCoopers LLP as our independent auditors for 2004; and

any other business that may properly come before the meeting or any adjournment or postponement of the meeting.

Q: Who may vote?

A: All stockholders of record as of the close of business on March 5, 2004 are entitled to vote. Holders of our common stock are entitled to one vote per share. As of March 5, 2004, 28,667,704 shares of our common stock were outstanding and entitled to vote.

Q: Who may attend the meeting?

A: All stockholders as of the record date, or their duly appointed proxies, may attend the meeting.

Q: How do I vote?

A: You may vote in two ways:

you may come to the annual meeting and cast your vote in person; or

you may vote by signing and returning the enclosed proxy card. If you do, the persons named on the card will vote your shares in the manner you indicate.

Q: Who is soliciting my proxy?

A: U.S. Concrete is soliciting your proxy on behalf of its Board of Directors.

Q: What happens if I do not indicate how I wish to vote on one or more of the proposals?

A: If you return your signed proxy card, but do not indicate how you wish to vote, the persons named as proxies will vote your shares FOR election of all the nominees for director (Proposal No. 1) and FOR ratification of the appointment of PricewaterhouseCoopers LLP

Edgar Filing: US CONCRETE INC - Form DEF 14A

(Proposal No. 2). We are unaware of any other matters that may come before the annual meeting. If they do, the proxy holders will vote the proxies according to their best judgment.

Q: What if I vote by proxy and then change my mind?

A: You can revoke your proxy at any time before the annual meeting by:

writing to U.S. Concrete's Corporate Secretary at the mailing address in the answer to the last question on the next page;

delivering a properly executed proxy dated after the date of the proxy you want to revoke; or

attending the annual meeting and casting your vote in person.

Q: When did U.S. Concrete first distribute this proxy statement and the accompanying form of proxy to stockholders?

A: We first distributed this proxy statement and the accompanying form of proxy to our stockholders on or about April 2, 2004.

Q: What constitutes a quorum?

A: The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote at the meeting constitutes a quorum. We need a quorum of stockholders to hold a valid annual

meeting. If you have properly signed and returned your proxy card, you will be considered part of the quorum. We will count abstentions and broker non-votes as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker votes on some matters on the proxy card, but not on others because the broker does not have the authority to do so. If a quorum is not present, the chairman or the holders of a majority of the shares of common stock present in person or by proxy at the annual meeting may adjourn the meeting, without notice other than an announcement at the meeting, until the required quorum is present.

Q: What vote is required for the passage of each of the proposals up for consideration at the annual meeting?

A: Directors are elected by a plurality of the shares of common stock present in person or by proxy and voting at the meeting in the election of directors. Ratification of PricewaterhouseCoopers LLP as our independent auditors for 2004 requires the affirmative vote of a majority of the votes cast on the proposal. Abstentions and broker non-votes will have no effect on the vote for directors or the ratification of the appointment of our independent auditors.

Q: Who will count the votes?

A: Representatives of American Stock Transfer & Trust Company will tabulate the votes.

Q: What shares are included on the proxy card?

A: The shares listed on your card represent all the shares of common stock held in your name, as distinguished from shares held by a broker in street name. You will receive a separate card from your broker if you hold shares in street name.

Q: What does it mean if I get more than one proxy card?

A: It indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all your shares are voted.

Q: What is U.S. Concrete's mailing address?

A: Our mailing address is U.S. Concrete, Inc., 2925 Briarpark, Suite 500, Houston, Texas 77042.

**INFORMATION CONCERNING THE BOARD OF DIRECTORS
AND COMMITTEES**

Board of Directors

Our Board met six times and took action by unanimous written consent on four occasions during 2003. Our Board has standing audit, compensation, and nominating and corporate governance committees. During 2003, each member of the Board then in office attended at least 75% of the aggregate number of meetings of the Board and any committee of the Board on which such director served. The Board has determined that five of its seven directors, Ms. Ricciardello and Messrs. Colson, Porter, Simpson and Walker, are independent directors within the meaning of applicable Nasdaq National Market (Nasdaq) listing standards.

U.S. Concrete's policy is to encourage all members of the Board to attend our annual meetings of stockholders. All members of the Board attended last year's annual meeting.

Audit Committee

The audit committee, which met seven times during 2003, consists of Ms. Ricciardello and Messrs. Colson and Simpson. The audit committee is governed by a charter that it has adopted, a copy of which is attached as Appendix A to this proxy statement. U.S. Concrete's common stock is quoted on the Nasdaq. As a result, we are subject to the Nasdaq listing standards. Each member of the audit committee is an independent director in accordance with the applicable corporate governance standards of the Nasdaq. The Board has further determined that Ms. Ricciardello is an audit committee financial expert as defined in the applicable rules of the Securities and Exchange Commission (SEC). For information relating to Ms. Ricciardello's background, see her biographical information under Election of Directors above.

The audit committee assists our Board in fulfilling its oversight responsibility relating to:

our financial statements and financial reporting process;

the qualifications, independence and performance of our independent auditors;

the performance of our internal audit function; and

our compliance with legal and regulatory requirements.

Our management is responsible for preparing our financial statements, and our independent auditors are responsible for auditing those financial statements. The audit committee is not providing any expert or special assurance as to our financial statements or any professional certification as to the independent auditor's work. The following functions are among the key duties and responsibilities of the audit committee:

Edgar Filing: US CONCRETE INC - Form DEF 14A

the appointment, compensation, retention and oversight of the work of our independent auditors, including considering their independence;

reviewing and pre-approving all audit and permitted non-audit services that may be performed by our independent auditors;

reviewing and discussing the scope and results of the independent auditors' annual audit and quarterly reviews of our financial statements, and any other matters required to be communicated to the audit committee by the independent auditors;

discussing with management, our senior internal auditor and our independent auditors the adequacy and effectiveness of our disclosure controls and procedures, our internal controls and procedures for financial reporting and our risk assessment and risk management policies;

reviewing and discussing with management and our independent auditors our audited and interim unaudited financial statements;

recommending to the Board whether our audited financial statements should be included in our annual report on Form 10-K for that year;

reviewing the appointment of our senior internal auditor, reviewing and discussing with such individual the scope and staffing of our internal audits and reviewing all significant internal audit reports; and

reviewing and assessing, on an annual basis, the adequacy of the audit committee's charter and recommending revisions to the Board.

The audit committee meets separately with the independent auditors to provide an open avenue of communication.

Compensation Committee

The compensation committee, which met three times and took action by unanimous written consent on three occasions during 2003, consists of Messrs. Colson, Foster and Porter. The following functions are among the key duties and responsibilities of the compensation committee:

administering our incentive compensation plans; and

determining salaries for executive officers and incentive compensation for senior employees and other key management personnel.

For additional information, see Report of the Compensation Committee Regarding Executive Compensation.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee, which met once and took action by unanimous written consent on two occasions during 2003, consists of Messrs. Simpson, Porter and Walker. The nominating and corporate governance committee is governed by a charter it has adopted, a copy of which is attached as Appendix B to this proxy statement. Each member of the nominating and corporate governance committee is an independent director within the meaning of applicable Nasdaq listing standards. The following functions are among the key duties and responsibilities of the nominating and corporate governance committee:

evaluating candidates for membership on the Board;

recommending to the full Board all nominees for election to the Board by our stockholders;

recommending directors to be elected by the Board to fill vacancies on the Board; and

Edgar Filing: US CONCRETE INC - Form DEF 14A

reviewing, and making recommendations to the Board regarding, corporate governance matters.

In carrying out its function to evaluate and recommend nominees for election to the Board, the nominating and corporate governance committee considers a candidate's mix of skills, experience, character, commitment and diversity of background, all in the context of the requirements of the Board at that point in time. Each candidate should be prepared to participate fully in Board activities, including attendance at, and active participation in, meetings of the Board, and not have other personal or professional commitments that would, in the nominating and corporate governance committee's judgment, interfere with or limit such candidate's ability to do so. Additionally, in determining whether to recommend a director for re-election, the nominating and corporate governance committee also considers the director's past attendance at Board and committee meetings and participation in and contributions to the activities of the Board. The nominating and corporate governance committee has no stated specific, minimum qualifications that must be met by a candidate for a position on our Board. The nominating and corporate governance committee does, however, believe it appropriate for at least one member of the Board to meet the criteria for an audit committee financial expert as

defined by SEC rules, and for a majority of the members of the Board meet the definition of independent director within the meaning of applicable Nasdaq listing standards.

The nominating and corporate governance committee's methods for identifying candidates for election to the Board (other than those proposed by U.S. Concrete's stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources, including: members of the Board; our executives; individuals personally known to the members of the Board; and other research. The nominating and corporate governance committee also has authority to select and compensate a third-party search firm to help identify candidates, if it deems it advisable to do so.

The nominating and corporate governance committee will consider nominees stockholders recommend. Stockholders may submit nominations to the nominating and corporate governance committee in care of Corporate Secretary, U.S. Concrete, Inc., 2925 Briarpark, Suite 500, Houston, Texas 77042. As to each person a stockholder proposes to nominate for election as a director, our bylaws provide that the nomination notice must (1) include the name, age, business address and principal occupation or employment of that person, the number of shares of common stock that person owns beneficially or of record and any other information relating to that person that Section 14 of the Securities Exchange Act of 1934 and the related SEC rules and regulations require and (2) be accompanied by the written consent of the person that stockholder proposes to nominate for election as a director to be named in the proxy statement as a nominee and to serve as a director if elected. The nomination notice must also include, as to that stockholder and that beneficial owner, if any, of common stock on whose behalf that stockholder is making the nomination or nominations:

the name and address of that stockholder, as they appear on U.S. Concrete's books, and the name and address of that beneficial owner;

the number of shares of common stock which that stockholder and that beneficial owner each owns beneficially or of record;

a description of all arrangements and understandings between that stockholder or that beneficial owner and each proposed nominee of that stockholder and any other person or persons (including their names) pursuant to which that stockholder will make the nomination(s);

a representation by that stockholder that he or she intends to appear in person or by proxy at that meeting to nominate the person(s) named in that nomination notice; and

any other information relating to that stockholder and that beneficial owner that Section 14 of the Securities Exchange Act of 1934 and the related SEC rules and regulations require.

To be timely for consideration at our 2005 annual meeting, our Corporate Secretary must receive a stockholder's nomination notice at our principal executive offices, at the address set forth above, no earlier than November 1, 2004 and no later than the close of business on January 30, 2005.

The nominating and corporate governance committee will consider all candidates identified through the processes described above, whether identified by the committee or by a stockholder, and will evaluate each of them on the same basis.

Employment Agreements

We entered into new employment agreements in May 2003 with several key employees and each of the named executive officers, including Messrs. Martineau, Harlan, Albanese, Albanese and Mitschele. Each of these agreements:

provides for an annual minimum base salary;

entitles the employee to participate, on the same basis generally as other executive officers, in general employee benefit plans and programs available to our employees; and

has an initial term of three years in the case of Messrs. Martineau and Harlan and an initial term of two years in the case of Messrs. Albanese, Albanese and Mitschele.

Beginning in May 2005, in the case of the agreements with Messrs. Martineau and Harlan, and May 2004, in the case of the agreements with Messrs. Albanese, Albanese and Mitschele, each of these agreements is subject to an automatic daily extension, such that it will then provide for a continuous one-year term, subject to the right of either party to terminate the employee's employment at any time. If we terminate that employment without cause or the employee terminates that employment for good reason, we generally will be required to pay to the employee (1) his base salary at the time of termination for the longer of the balance of the initial term or 12 months, (2) a bonus equal to the average amount of the employee's bonus in the preceding three years multiplied by the percentage of full weeks the employee was employed by us during the year of termination and (3) health insurance premiums for 18 months following termination. Additionally, all options, restricted stock awards and similar awards granted to the employee prior to the termination would immediately vest and become exercisable in full and remain outstanding in accordance with their terms.

Edgar Filing: US CONCRETE INC - Form DEF 14A

Under each of the employment agreements, if there is a change in control of our company, all stock options, restricted stock awards and similar awards granted to the employee prior to the change in control would immediately vest and become exercisable and would remain outstanding in accordance with their terms. Additionally, if within one year after the change in control the employee terminates his employment for good reason or is terminated without cause, the employee will receive the same severance as described in the preceding paragraph, except the severance will be three times the base salary in the case of Messrs. Martineau and Harlan and two times the base salary in the case of Messrs. Albanese, Albanese and Mitschele. If after the first anniversary of the change in control the employee terminates his employment for good reason or is terminated without cause, the employee will receive the same severance as described in the preceding paragraph.

In addition to their severance payments, on the occurrence of a change in control, these employees would be entitled to receive, at each employee's election, either (1) options to purchase stock of the acquiring company for the same number of shares as they would have received had they exercised their U.S. Concrete options immediately prior to the transaction resulting in a change in control and received for the shares acquired on exercise of such options shares of the acquiring company in the change in control transaction; the aggregate exercise price for the shares covered by such

options would be equal to the aggregate exercise price for the U.S. Concrete options; or (2) a lump-sum after-tax payment not less than the amount of gain they would have realized on exercise of such options of the acquiring company and sale of the underlying shares.

Each of these agreements also provides for benefits if the employee dies or becomes disabled. If the employment of the employee terminates for any reason other than for cause by us or without good reason by the employee, that termination will not affect the term or exercisability of any incentive plan stock options the employee holds.

Compensation Committee Interlocks and Insider Participation

In 2003, Messrs. Foster, Colson and Porter served as members of the compensation committee. Porter & Hedges, L.L.P., a Houston, Texas law firm of which Mr. Porter is Chairman, performed legal services for us in 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On completion of our initial public offering in 1999, we entered into new facilities leases, or extended existing leases, with former stockholders or affiliates of former stockholders of our subsidiaries, Central Concrete Supply Co., Inc. and Eastern Concrete Materials, Inc. (formerly known as Baer Concrete, Incorporated). Those leases generally provide for initial lease terms of 15 to 20 years, with one or more extension options we may exercise. The following summarizes the current annual rentals we must pay during the initial lease terms:

	Number of Facilities	Aggregate Annual Rentals
Central	2	\$ 323,916
Eastern	2	311,745

We believe the rentals we must pay under each of these leases are at fair market rates. William T. Albanese, a former owner of Central, Thomas J. Albanese, a former owner of Central, and Michael D. Mitschele, the former owner of Eastern, are executive officers of our company.

We extended a loan of \$70,595 to Mr. Martineau, our chief executive officer and one of our directors, in May 2002. The loan, which remained outstanding during 2003, does not bear interest.

T. William Porter, a member of our board of directors, is the Chairman of Porter & Hedges, L.L.P., a Houston, Texas law firm. Porter & Hedges, L.L.P. performed legal services for us in 2003; however, the amount of fees paid to that firm was not material.

We employed Karl Walker, the son of Robert S. Walker, one of our directors, during 2003. We paid Karl Walker an aggregate of \$77,465 in salary, bonus compensation and 401(k) plan matching contributions in 2003. In 2003, we granted Mr. Walker 300 shares of restricted common stock. We granted these shares on the same terms and conditions as the shares granted to other employees in 2003.

Our subsidiary, Central, employed Lauren Cerrito, the daughter of William T. Albanese, Daniel Albanese, the son of William T. Albanese, and Joseph Cerrito, the son-in-law of William T. Albanese, during 2003. Central paid Ms. Cerrito an aggregate of \$177,921 in salary, bonus compensation and 401(k) plan matching contributions in 2003. Central paid Daniel Albanese an aggregate of \$85,386 in salary, bonus compensation and 401(k) plan matching contributions in 2003. Central paid Mr. Cerrito an aggregate of \$91,249 in salary, bonus compensation and 401(k) plan matching contributions in 2003. In 2003, we granted to Ms. Cerrito and Mr. Cerrito 2000 shares and 175 shares of restricted common stock, respectively. We granted these shares on the same terms and conditions as the shares we granted to other employees in 2003.

Our subsidiary, Superior Concrete Materials, Inc., employed Todd Martineau, the son of Eugene P. Martineau, during 2003. Superior paid Todd Martineau an aggregate of \$75,614 in salary, bonus compensation and 401(k) plan matching contributions in 2003. In 2003, we granted to Todd Martineau 450 shares of restricted common stock. We granted these shares on the same terms and conditions as the shares we granted to other employees in 2003.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and any persons beneficially owning more than 10% of our common stock to report their initial ownership of common stock and any subsequent changes in that ownership to the SEC. SEC rules establish due dates for these reports, and we are required to disclose in this proxy statement any failure to file by these dates. All required 2003 filings were made on a timely basis. In making these disclosures, we relied solely on written statements of directors, executive officers and stockholders and copies of the reports that they have filed with the SEC.

REPORT OF THE AUDIT COMMITTEE

To the Board of Directors of U.S. Concrete, Inc.:

We have reviewed and discussed with management U.S. Concrete's audited financial statements as of and for the year ended December 31, 2003.

In addition, we have discussed with PricewaterhouseCoopers LLP, U.S. Concrete's independent auditors, the matters required to be discussed by Statement of Auditing Standards No. 61, *Communication with Audit Committees*, as amended, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independent Standards Board's Standard No. 1, *Independence Discussions with Audit Committees*, as amended, and we have discussed with that firm its independence from U.S. Concrete. We also considered whether PricewaterhouseCoopers LLP's provision of services that are not related to the audit of U.S. Concrete's financial statements is compatible with maintaining that firm's independence from U.S. Concrete.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors of U.S. Concrete that the audited financial statements referred to above be included in U.S. Concrete's annual report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE

REGARDING EXECUTIVE COMPENSATION

The compensation committee (the Committee) administers U.S. Concrete's executive compensation program. The Committee is responsible for establishing appropriate compensation goals for executive officers and evaluating the performance of executive officers in meeting those goals. No member of the Committee is a current or former employee or officer of U.S. Concrete.

The Committee seeks to reward senior management for building long-term stockholder value. In addition, the Committee designs executive compensation programs to provide the ability to attract, motivate and retain the management personnel necessary to U.S. Concrete's success by providing an executive compensation program comparable to that offered by competitive companies to their management personnel. Finally, the Committee believes we must compensate our executive officers fairly for their contributions to our short-term and long-term performance. The Committee uses annual base salaries, annual bonuses and equity incentives to achieve these goals.

Base Salary

Base salaries for executives are determined initially by evaluating the executives' levels of responsibility, prior experience, breadth of knowledge, internal equity issues and external pay practices. The Committee reviews executive salaries annually based on a variety of factors, including individual performance, general levels of market salary increases and U.S. Concrete's overall results. The Committee grants salary increases within a pay-for-performance framework. Performance for base salary purposes is assessed using a qualitative, rather than a quantitative, performance assessment; no specific performance formula or weighting of factors is used in determining base salary levels. However, the Committee considers operating performance, execution of our business strategy, earnings levels and progress in implementing business development efforts in establishing base salary increases for executives. Mr. Martineau received a base salary of \$525,926 during 2003, which was an increase from 2002. The Committee is aware that base salaries of our executive officers were previously below those paid by comparably sized, publicly traded companies, and increased Mr. Martineau's salary in recognition of that fact and based on his individual performance during the year.

Annual Bonus Plan

The Committee has adopted an annual bonus plan to provide executive officers and other key employees with additional performance incentives in the form of an annual bonus for meeting certain financial, operational and personal goals set on an annual basis. The annual bonus plan provides that a portion of each key employee's annual bonus is determined based on achieving predetermined earnings targets. The remainder of each key employee's bonus is discretionary based on individual performance in achieving predetermined goals set by the employee and approved by a supervisor. Bonus levels vary in accordance with each key employee's level of responsibility. Pursuant to the above standard and in light of U.S. Concrete's annual financial results, no executive officers or key employees, including Mr. Martineau, were awarded a bonus for 2003.

Incentive Compensation

The Committee traditionally has granted executives discretionary annual stock options under U.S. Concrete's 1999 Incentive Plan. Recently, U.S. Concrete began granting restricted stock rather than stock options to its executives. The guidelines used by the Committee to establish the size of a stock option or restricted stock award include an executive's responsibility and performance.

Edgar Filing: US CONCRETE INC - Form DEF 14A

The Committee approved grants of 117,894 shares of restricted stock to the named executive officers during 2003, which in the case of Messrs. Martineau, Harlan and Mitschele related to their service in 2002 and in the case of Messrs. Albanese and Albanese were granted in exchange for options tendered by them pursuant to our 2003 stock option exchange program. The Committee did not grant any stock options to the named executive officers in 2003. It is anticipated that the Committee will grant shares of restricted stock to the named executive officers in 2004 that relate to their service in 2003.

Mr. Martineau was granted 55,432 shares of restricted stock in 2003, valued at \$4.51 per share (the fair market value of a share of our common stock as of the date of grant), related to his service in 2002. In determining the number

of restricted shares granted to Mr. Martineau, the Committee considered numerous subjective factors indicative of his dedication to the success of U.S. Concrete. The Committee will consider similar factors in determining the number of restricted shares to be granted to Mr. Martineau in 2004 related to his service in 2003.

As of March 25, 2004, Mr. Martineau owned 420,805 shares of common stock (55,432 of which are restricted shares) and held options to purchase a total of 515,000 shares. The Committee believes that this equity interest provides an appropriate link to the interests of our company's stockholders.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a deduction to public companies to the extent of excess annual compensation over \$1 million paid to certain executive officers, except for qualified performance-based compensation. U.S. Concrete had no nondeductible compensation expense for the year ended December 31, 2003. The Committee plans to review this matter as appropriate and take action as may be necessary to preserve the deductibility of compensation payments to the extent reasonably practical and consistent with U.S. Concrete's compensation objectives.

This report is furnished by the Compensation Committee of the Board of Directors.

PERFORMANCE GRAPH

The following graph compares, for the period from May 26, 1999, the date of our IPO, to December 31, 2003, the cumulative stockholder return on our common stock with the cumulative total return on the Standard & Poor's 500 Index and a peer group index we selected that includes six public companies within our industry. The comparison assumes that (1) \$100 was invested on May 26, 1999 in our common stock, the S&P 500 Index and the peer group index and (2) all dividends were reinvested.

The companies that comprise the peer group index are Lafarge North America, Inc., Texas Industries, Inc., Florida Rock Industries, Inc., Eagle Materials Inc. (formerly known as Centex Construction Products, Inc.), Martin Marietta Materials, Inc. and Vulcan Materials Company. This group is the same as the group we used in the proxy statement for our 2003 annual meeting of stockholders.

PROPOSAL NO. 2

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT AUDITORS**

The audit committee of our Board has selected PricewaterhouseCoopers LLP to serve as our independent auditors for the year ending December 31, 2004. PricewaterhouseCoopers LLP has audited our financial statements since May 16, 2002. Although we are not required to seek your approval of this appointment, it is customary practice to do so. No determination has been made as to what action the audit committee and the Board would take if you fail to ratify the appointment. Even if the appointment is ratified, the audit committee retains discretion to appoint a new independent audit firm if the audit committee concludes such a change would be in the best interests of U.S. Concrete. We expect representatives of PricewaterhouseCoopers LLP to be present at the meeting and available to respond to appropriate questions by stockholders. They will have the opportunity to make a statement if they so desire.

On May 16, 2002, our Board dismissed Arthur Andersen LLP as our independent auditors for the year ended December 31, 2002 and appointed PricewaterhouseCoopers LLP as our independent auditors for the year ended December 31, 2002. That appointment was made at the recommendation of the audit committee.

During the two years ended December 31, 2000 and 2001, and the subsequent interim period through May 16, 2002, there were no disagreements between Arthur Andersen LLP and us on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused Arthur Andersen LLP to make a reference to the subject matter of the disagreements in connection with its reports on our consolidated financial statements for those years; and, during that period, we did not experience any reportable events of the kinds listed in Item 304(a)(1)(v) of Regulation S-K.

The audit report of Arthur Andersen LLP on our consolidated financial statements as of and for the years ended December 31, 2000 and 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the two years ended December 31, 2000 and 2001, and the subsequent interim period through May 16, 2002, U.S. Concrete did not consult with PricewaterhouseCoopers LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Assuming the presence of a quorum, the affirmative vote of a majority of the votes cast on the proposal is necessary to ratify the selection of PricewaterhouseCoopers LLP as our independent auditors for the year ending December 31, 2004. The enclosed form of proxy provides a means for you to vote for the ratification of the selection of independent auditors, to vote against it or to abstain from voting for or against it. **If you execute and return a proxy, but do not specify how to vote the shares represented by your proxy, the persons named as proxies will vote FOR the ratification of the selection of PricewaterhouseCoopers LLP as independent auditors.** In determining whether this item has received the requisite number of affirmative votes, abstentions and broker non-votes will not affect the vote.

Your Board recommends a vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors for 2004.

Fees Paid to Independent Auditors

The following table sets forth the fees paid to our independent auditors, PricewaterhouseCoopers LLP, during 2002 and 2003.

Fee Category	2003	2002
Audit Fees		
Audit-Related Fees	\$ 524,850(1)	\$ 360,150(1)
Tax Fees	20,650(2)	20,750(2)
All Other Fees	1,400(3)	1,666(3)
Total	\$ 546,900	\$ 382,566

- (1) Audit fees relate to professional services rendered in connection with the audit of our annual financial statements, quarterly review of financial statements included in our Forms 10-Q and audit services provided in connection with other statutory and regulatory filings.
- (2) Audit-related fees include professional services related to consultation on accounting standards or transactions and audits of our 401(k) plan.
- (3) All other fees consist of fees for products and services other than the services reported above. In 2003 and 2002, these fees consisted of licensing fees for accounting research software.

Policy on Pre-Approval by Audit Committee of Services Performed by Independent Auditors

The audit committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. The audit committee will generally pre-approve specific audit services for the upcoming or current fiscal year, subject to a specified cost level. Any service that is not included among the pre-approved audit services and any non-audit service must be separately pre-approved by the Audit Committee Chairperson. The Chairperson reports any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate to management any of its responsibilities to pre-approve services performed by our independent auditors.

None of the services related to the audit-related fees, tax fees or other fees described above was approved by the audit committee pursuant to the waiver of pre-approval provisions set forth in applicable rules of the SEC.

EXPENSES RELATING TO THIS PROXY SOLICITATION

We will pay all expenses relating to this proxy solicitation. In addition to this solicitation by mail, our officers, directors and regular employees may solicit proxies by telephone or personal call without extra compensation for that activity. We also expect to reimburse banks, brokers and other persons for reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of our common stock and obtaining the proxies of those owners. We estimate these expenses to be approximately \$6,000.

OTHER INFORMATION

Date for Submission of Stockholder Proposals

Under rules the SEC has established, any stockholder who wishes to have a qualified proposal considered for inclusion in our proxy statement for our 2005 Annual Meeting of Stockholders must send notice of the proposal to our Corporate Secretary at our principal executive offices, 2925 Briarpark, Suite 500, Houston, Texas 77042, so that we receive that notice by no later than the close of business on December 3, 2004. If you submit a stockholder proposal, you must provide your name and address, the number of shares of common stock you hold of record or beneficially, the date or dates on which you acquired those shares and documentary support for any claim of beneficial ownership.

In addition, our bylaws establish an advance-notice procedure for stockholder proposals to be brought before an annual meeting. The procedure provides that stockholders must submit proposals to us in writing containing certain information specified in our bylaws no earlier than the 180th day and no later than the close of business on the 90th day prior to the first anniversary of our preceding year's annual meeting. These requirements are in addition to the SEC's requirements with which a stockholder must comply to have a stockholder proposal included in our proxy statement. Stockholders may obtain a copy of our bylaws by making a written request to our Corporate Secretary.

Under these bylaw provisions, we must receive stockholder proposals for our 2005 Annual Meeting of Stockholders no earlier than November 1, 2004 and no later than the close of business on January 30, 2005. Stockholders must deliver the proposals to Corporate Secretary, U.S. Concrete, Inc., 2925 Briarpark, Suite 500, Houston, Texas 77042.

We received no stockholder proposals and no stockholder director nominations for the 2004 Annual Meeting of Stockholders.

Other Matters

The Board of Directors does not intend to bring any other matters before the annual meeting and has not been informed that any other matters are to be presented by others. If any other matters properly come before the annual meeting, the persons named in the enclosed form of proxy will vote all proxies according to their best judgment. The form of proxy provides that the persons named as proxies have discretionary authority to vote on matters not known or determined on the date of this proxy statement.
