Report of Independent Registered Public Accounting Firm

Stockholders and Board of Directors

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the 180 Park Avenue Buildings for the year ended December 31, 2003. This statement is the responsibility of the 180 Park Avenue Buildings management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the 180 Park Avenue Buildings revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the 180 Park Avenue Buildings for the year ended December 31, 2003 in conformity with U.S. generally accepted accounting principles.

**1. Description of Real Estate Property Acquired**

On June 23, 2004, Wells Operating Partnership II, L.P. ( Wells OP II ), through a wholly owned subsidiary, acquired the 180 Park Avenue Buildings (the Buildings ), two three-story office buildings containing approximately 385,000 square feet located in Florham Park, New Jersey, from Rock-Florham SPE, LLC. Total consideration for the acquisition was approximately \$78.4 million, plus closing costs. Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc. ( Wells REIT II ), a Maryland corporation. Wells REIT II is the sole general partner of Wells OP II.

**2. Basis of Accounting**

The accompanying statements of revenues over certain operating expenses are presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the Buildings after their acquisition by Wells OP II.

**3. Significant Accounting Policies**

**Rental Revenues**

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable decreased revenue by approximately \$0.6 million for the year ended December 31, 2003 and \$0.2 million for the three months ended March 31, 2004.

**Use of Estimates**

## Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form 8-K/A

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

This lease converts to a net lease in May 2006, under which AT&T will be required to reimburse to the landlord all operating expenses. Under the terms of the second lease, AT&T is required to reimburse to the landlord all operating expenses.
