Report of Independent Registered Public Accounting Firm

Stockholders and Board of Directors

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the Highland Landmark III Building for the year ended December 31, 2003. This statement is the responsibility of the Highland Landmark III Building's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the Highland Landmark III Building's revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the Highland Landmark III Building for the year ended December 31, 2003 in conformity with U.S. generally accepted accounting principles.

Notes to Statements of Revenues Over Certain Operating Expenses

For the year ended December 31, 2003

and the nine months ended September 30, 2004 (unaudited)

1. Description of Real Estate Property Acquired

On December 28, 2004, Wells REIT II/Lincoln-Highland Landmark III, LLC (the Joint Venture), a joint venture between Wells REIT II Highland Landmark III, LLC and Lincoln - Highland Landmark III, LLC (Lincoln), acquired the Highland Landmark III Building (the Building), a nine-story office building containing approximately 275,000 square feet located in Downers Grove, Illinois. Total consideration for the acquisition was approximately \$52.7 million, of which \$50.0 million was funded by Wells REIT II Highland Landmark III, LLC, which is a wholly owned subsidiary of Wells Operating Partnership II, LP (Wells OP II). Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc. (Wells REIT II), a Maryland corporation. Wells REIT II is the sole general partner of Wells OP II.

2. Basis of Accounting

The accompanying statements of revenues over certain operating expenses are presented in conformity with U. S. generally accepted accounting principles and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the Building after its acquisition by the Joint Venture.

3. Significant Accounting Policies

Rental Revenues

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable increased revenue by approximately \$0.1 million for the year ended December 31, 2003 and approximately \$0.2 million for the nine months ended September 30, 2004.

Use of Estimates

The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Table of Contents**Highland Landmark III Building****Notes to Statements of Revenues Over Certain Operating Expenses (continued)****For the year ended December 31, 2003****and the nine months ended September 30, 2004 (unaudited)****4. Description of Leasing Arrangements**

The Building is 92% leased, with PeopleSoft USA, Inc. (PeopleSoft) and New York Life Insurance Company (New York Life) leasing approximately 51% of the Building's rentable square footage under long-term lease agreements. PeopleSoft and New York Life contributed 50% and 16%, respectively, of rental income for the year ended December 31, 2003. Under the terms of the PeopleSoft and New York Life leases, each tenant is required to reimburse to the landlord all operating expenses. The remaining rentable square footage is leased to various office and retail tenants under lease agreements with terms that vary in length and with various reimbursement clauses.

5. Future Minimum Rental Commitments

Future minimum rental commitments for the years ended December 31 are as follows (in thousands):

2004	\$ 4,144
2005	4,254
2006	3,740
2007	2,934
2008	1,684
Thereafter	3,600
	<u>20,356</u>
	<u>\$ 20,356</u>

Subsequent to December 31, 2003, PeopleSoft, New York Life and United States Steel Corporation will contribute approximately 36%, 19% and 14%, respectively, of the future minimum rental income from the leases in place at that date.

6. Interim Unaudited Financial Information

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form 8-K/A

The statement of revenues over certain operating expenses for the nine months ended September 30, 2004 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the financial statement for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
