Items to be Included in this Report

**Item 2.01 Completion of Acquisition or Disposition of Assets**

On January 10, 2005 we entered into a definitive agreement to acquire the Medicaid assets of SummaCare, Inc., a wholly owned subsidiary of Summa Health System. On May 9, 2005, effective May 1, 2005, we completed the acquisition of these assets.

We paid approximately \$21 million in cash and issued 318,735 shares of common stock as consideration. The cash purchase price was funded through our unregulated cash and investments and \$10 million borrowed under our revolving credit agreement with various financial institutions and LaSalle Bank National Association as administrative agent and arranger. Pursuant to a registration rights agreement, we will file with the SEC a registration statement on Form S-3 for the resale of all shares of common stock issued in the acquisition.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

On May 6, 2005, in connection with our acquisition of the Medicaid assets of SummaCare, Inc. discussed under Item 2.01, we borrowed \$10 million from our \$100 million revolving credit agreement with various financial institutions and LaSalle Bank National Association as administrative agent and arranger to fund a portion of the purchase price. The borrowed funds may be repaid at any time before the expiration date of the credit agreement, which is September 14, 2009. We currently have \$40 million in outstanding borrowings under the agreement. For a description of the material terms of our revolving credit agreement see the Form 8-K filed with the Securities and Exchange Commission on September 16, 2004.
