The 2004 Stock Plan includes, among other things, the following three amendments:

(2) A provision that provides that the number of shares available under the 2004 Stock Plan will not be reduced by any shares that are withheld in satisfaction of tax withholding obligations.

(3) The addition of provisions that will provide Google with the ability to deduct for federal income tax purposes, if certain requirements are met, compensation, including equity compensation, in excess of \$1 million that Google may pay to certain of its executive officers in any single year pursuant to the 2004 Stock Plan in connection with restricted stock, stock appreciation rights, restricted stock units, performance units and performance shares, as well as options.
