Item 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**Compensation of Named Executive Officers**

On May 10, 2005, the Governance Committee of the Board of Directors (the Governance Committee) approved the grant of equity awards to our five executive officers named below. The equity awards were granted pursuant to our 2001 Omnibus Plan. The Governance Committee also approved the target amounts and performance measures for 2005 cash bonuses under our 2003 Executive Incentive Plan. The equity awards and 2005 bonus targets were initially approved by the Compensation Committee of the Board of Directors (the Compensation Committee) on May 9, 2005, subject to ratification and approval by the Governance Committee. The equity awards and 2005 cash bonuses will be earned if we achieve certain net income targets during the last three quarters of fiscal year 2005, as shown in the tables below.

The table below shows the equity award and 2005 cash bonus that will be earned by each executive officer upon achievement of the applicable performance targets for the last three quarters of 2005. No equity awards will be earned if net income for the last three quarters of 2005 is less than or equal to \$22,605,000. No 2005 cash bonuses will be earned if net income for the last three quarters of 2005 is less than \$22,605,000. If the net income achieved is between the target amounts shown, the executive will receive a pro-rated portion of the equity award and 2005 cash bonus. Achievement of the lowest and highest target amounts would represent net income growth of 5% and 21%, respectively, for 2005.

Equity Awards. The equity awards will be paid in restricted shares of our common stock or in stock-settled stock appreciation rights (SARs), as indicated above. If the net income targets are achieved and the equity awards are earned, each award will vest in three equal installments over a period of three years starting January 1, 2006. Upon vesting, the SARs will entitle an executive officer to receive a number of shares of our common stock with a market value equal to the difference between: (a) the market value of our common stock on the date the executive converts the SAR into common stock, and (b) the conversion price of the SAR specified in the award. The conversion price of each SAR described above is \$24.12. The SARs will expire on January 1, 2011. At the option of the executives, the SARs may be converted into common stock, in whole

or in part, at any time after vesting and before expiration.

2005 Bonuses. The amount of the 2005 cash bonuses earned by each executive will be finally determined and paid in the first quarter of 2006, when audited results for 2005 become available.
