Item 1.01 Entry into a Material Definitive Agreement

On May 12, 2005, Dominion Resources, Inc. and its wholly-owned subsidiaries Virginia Electric and Power Company and Consolidated Natural Gas Company entered into a \$2.5 billion Five-Year Revolving Credit Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, Citibank, N.A., as Syndication Agent, Barclays Bank PLC, The Bank of Nova Scotia and Wachovia Bank, National Association, as Co-Documentation Agents, and a group of 24 additional lenders. J.P. Morgan Securities Inc. and Citigroup Global Markets Inc. served as Joint Lead Arrangers and Joint Bookrunners. This credit facility replaces the borrowing companies' \$1.5 billion three-year facility dated May 27, 2004 and \$750 million three-year facility dated May 30, 2002. The principal changes from the previous agreements were the \$250 million increase in availability, the extension of the maturity date to May 12, 2010, and an increase in the maximum allowed debt to capital ratio for Virginia Power and CNG to 65%. The previous credit agreements, under which no loans were outstanding, were terminated upon the closing of the new facility. Certain letters of credit that were supported by the previous agreements were transferred to the new facility. A copy of the new revolving credit agreement is included as Exhibit 10.1.
