In connection with the preparation of the financial statements for the J. Gordon Gaines, Inc., Retirement Savings Plan, (the Plan), Vesta Insurance Group, Inc. (the Registrant) determined that the number of shares of the Registrant's common stock that have been acquired by the Plan and allocated to participant accounts exceeded the number of shares that were subject to the registration statement on Form S-8, originally filed on July 1, 1994, covering such transactions. The Registrant has determined that it will be unable to file a complete annual report on Form 11-K concerning the Plan until such time as that registration statement may be amended or supplemented, or a new registration statement may be filed, to cover additional Plan transactions in the Registrant's common stock.
