Item 3. Source and Amount of Funds or Other Consideration.

On July 11, 2005, the Issuer was formed for the purpose of becoming the stock holding company of Ottawa Savings Bank (the Bank) and the Company was formed for the purpose of becoming the mutual holding company parent of the Issuer. Pursuant to the Ottawa Savings Bank Plan of Reorganization and Minority Stock

Issuance, as amended (the Plan of Reorganization), the Bank became a wholly owned subsidiary of the Issuer, which became a majority owned subsidiary of the Company (the Mutual Holding Company Reorganization). On July 11, 2005, 1,223,701 shares of Common Stock were issued to the Company, and 1,001,210 shares of Common Stock were issued to the public pursuant to the priorities established in the Plan of Reorganization.

Item 4. Purpose of Transaction.

The primary purpose of the Mutual Holding Company Reorganization, which involved the conversion of the Bank from mutual to stock form and the formation of the Issuer and the Company, was to increase capital levels to allow the Bank to better serve customers and support future loan and deposit growth; allow the Bank to remain a community-oriented financial institution; support future branching activities and/or the acquisition of other financial institutions; control the amount of capital being raised; and enhance the Bank's ability to attract and retain qualified directors, management and employees. There are no current plans or proposals regarding future expansion by branching or acquisition.

While the Company intends to exercise its rights as majority stockholder, neither the Company nor the Insiders currently have any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter or bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized or quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to any of those enumerated above. In the future, the Company and/or the Insiders may determine to purchase additional shares of the Issuer's common stock (or other securities of the Issuer) or the Company and/or the Insiders may determine to sell shares of the Issuer's Common Stock. Any such determination will depend on a number of factors, including market prices, the Issuer's prospects and alternative investments. In addition, the Issuer intends to adopt a stock-based incentive plan that will provide grants of stock options and restricted stock, which may be awarded to Insiders. Such plan must comply with rules and regulations of the Office of Thrift Supervision and will be submitted to shareholders for approval at a meeting of shareholders.

Item 5. Interest in Securities of the Issuer.

(a) As of both July 11, 2005 and October 6, 2005, the Company directly and beneficially owned 1,223,701 shares of the Issuer's Common Stock, which represented 55% of the issued and outstanding shares of Common Stock on such date.

(b) The Company has the sole power to vote and the sole power to dispose all of the shares of Common Stock it owns.

(c) Other than the issuance to the Company of the shares of Issuer's Common Stock as of July 11, 2005, the Company has not effected any transaction in the Issuer's Common Stock within the past 60 days.

(d) No person or entity other than the Company has the right to receive, or the power to direct the receipt of, dividends from, or the proceeds from the sale of, the shares of the Issuer's Common Stock reported in this Schedule.

(e) Not Applicable

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

As of the date of this Schedule, neither the Company nor any of the Insiders is a party to any contract, arrangement, understanding or relationship among themselves or with any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the Common Stock, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, the giving or withholding of proxies, or otherwise subject to a contingency the occurrence of which would give another person voting or investment power over the Common Stock.

Item 7. Material to be Filed as Exhibits.
