**Item 7.01 Regulation FD Disclosure**

On March 23, 2006, the Company's publicly traded subsidiary, First Advantage Corporation ( "First Advantage" ), issued an additional 1,650,455 shares of its Class B common stock to FADV Holdings LLC, a subsidiary of the Company that was formed for the purpose of holding the Company's interest in First Advantage. The issuance of the Class B common stock was in accordance with the agreements entered into with First Advantage in connection with the Company's contribution of its Credit Information Group ( "CIG" ) to First Advantage during the third quarter of 2005. Such contribution included the Company's minority interest in DealerTrack Holdings, Inc. ( "DealerTrack" ). Pursuant to those agreements, First Advantage agreed to issue additional shares of Class B common stock to FADV Holdings LLC in the event that DealerTrack should consummate an initial public offering of its stock within a certain timeframe following the CIG contribution if the value of the contributed minority interest in DealerTrack, as determined by such initial public offering, exceeded \$50 million. The initial public offering was completed by DealerTrack within the required timeframe, resulting in the required issuance of the 1,650,455 shares of First Advantage Class B common stock.
