KINGSWAY ANNOUNCES NORMAL COURSE ISSUER BID

Toronto, Ontario (November 7, 2006) (TSX:KFS, NYSE:KFS) Kingsway Financial Services Inc. (**Kingsway**) announced today that The Toronto Stock Exchange (the **Exchange**) has accepted a notice filed by Kingsway of its intention to make a Normal Course Issuer Bid (the **Bid**).

The notice provides that Kingsway may, during the 12 month period commencing November 9, 2006 and ending November 8, 2007, purchase on the Exchange up to 2,800,000 common shares, being less than five percent (5%) of the total number of common shares outstanding. As at November 3, 2006, 56,084,391 common shares were issued and outstanding. The price which Kingsway will pay for any such shares will be the market price at the time of acquisition. The actual number of common shares which may be purchased pursuant to the Bid and the timing of any such purchases will be determined by management of Kingsway. All common shares purchased pursuant to the Bid will be cancelled.

Kingsway purchased 562,800 common shares during the twelve months preceding the date of the notice at an average price of C\$22.13. All of such shares were purchased for cancellation.

Kingsway believes that its common shares have been trading in a price range which does not adequately reflect the value of such shares in relation to the business of Kingsway and its future business prospects. As a result, depending upon future price movements and other factors, Kingsway believes that its outstanding common shares may represent an attractive investment to Kingsway. Furthermore, the purchases are expected to benefit all persons who continue to hold common shares by increasing their equity interest in Kingsway.

About the Company

Kingsway Financial Services Inc. is one of the largest truck insurers and non-standard automobile insurers in North America based on A.M. Best data that we have compiled.
