On and effective as of April 2, 2007, the Board of Directors of TODCO (the Company) approved an amendment and restatement of the Company's bylaws (the Bylaws) to add Section 5 to Article I of the Bylaws. Section 5 provides that if at any time ownership of Company stock by non-U.S. citizens reaches a percentage that would cause the Company to no longer be a U.S. citizen qualified to engage in coastwise trade under maritime laws, the Company will have the power to cause any stock transfer to be ineffective that would cause the non-U.S. citizen ownership of Company common stock to exceed twenty-five percent. The amended and restated bylaws allow the Company to institute a dual stock certificate program whereby stock certificates owned by U.S. citizens and non-U.S. citizens will be marked U.S. Citizen and Non-U.S. Citizen, respectively. This program allows the Company to confirm the percentage of Company stock owned by non-U.S. citizens and may require stockholders to further confirm their citizenship from time to time. The Company is in the process of designing and implementing procedures that will allow it to confirm the amount of Company common stock owned by non-U.S. citizens.
