**Item 8.01. Other Events.**

On August 1, 2007, Power Integrations, Inc. ( "Power Integrations" ) sent a memorandum from Rafael Torres, the Chief Financial Officer of Power Integrations, to Power Integrations employees regarding a proposed tender offer (the "Preliminary Communication" ) pursuant to which Power Integrations would offer to amend, at the election of the applicable current employee-option holder, specified portions of certain stock options granted under certain Power Integrations stock option plans (the "Affected Options" ). Affected Options that are amended in connection with the proposed tender offer will generally have the same material terms and conditions as they did prior to the amendment, including the same exercise and vesting schedule and expiration date, except that amended options will have a new exercise price. The Preliminary Communication does not constitute an offer to Power Integrations option-holders to amend their Affected Options. The memorandum is filed as Exhibit 99.1 hereto.

**Tender offer statement**

This Current Report on Form 8-K is for informational purposes only and is not an offer to buy, or the solicitation of an offer to sell, any shares. The full details of any tender offer, including complete instructions on how to tender shares, will be included in the offer to purchase, the letter of transmittal and related materials, which would be mailed to optionholders promptly following commencement of the offer. Optionholders should read carefully the offer to purchase, the letter of transmittal and other related materials when they are available because they will contain important information. Optionholders may obtain free copies, when available, of the offer to purchase and other related materials that will be filed by Power Integrations with the Securities and Exchange Commission at the Commission's website at [www.sec.gov](http://www.sec.gov). When available, optionholders also may obtain a copy of these documents, free of charge, from Power Integrations' information agent to be appointed in connection with the offer.
