Item 2.05. Costs Associated with Exit or Disposal Activities

As previously disclosed in Form 8-K filed on May 15, 2008, Jamba, Inc. (the Company) made the determination to reduce the Company's workforce and close certain underperforming Company stores. At the time of filing, the Company was unable in good faith to make a determination of an estimate or range of estimates required by paragraphs (b), (c) and (d) of Item 2.05 of Form 8-K with respect to the charges related to the lease terminations and closings of these 10 stores and lease terminations of 7 signed leases for un-built stores. The Company has filed this information, as well as an update on its store closing and cost reduction plan in its Form 8-K dated August 28, 2008 and the information set forth therein relating to these lease termination and store closures is incorporated herein by reference.

Forward-Looking Statement. This Current report on Form 8-K contains forward-looking statements relating to the U.S. Company-operated store closures, including statements regarding the timing of store closures, charges and expenses relating to the store closures and the related impact to partners, as well as plans regarding net new Company-operated stores for fiscal 2009. These forward-looking statements, as well as the underlying estimates and assumptions relating to such statements, are based on currently available operating, financial and competitive information and are subject to a number of significant risks and uncertainties. Actual future results may differ materially depending on a variety of factors including, but not limited to, risks related to achieving expected costs savings, income tax and other benefits associated with the store closures in the anticipated time frame, if at all, and the risks detailed in the Company's filings with the Securities and Exchange Commission, including the Risk Factors section of Jamba Juice Annual Report on Form 10-K for the fiscal year ended January 1, 2008 and of Jamba Juice Quarterly Report on Form 10-Q for the fiscal quarter ended April 22, 2008. The Company assumes no obligation to update any of these forward-looking statements.
