Large accelerated filer "

Accelerated filer "

Non-accelerated filer "

Smaller reporting company x

(Do not check if a smaller reporting company)

## DEREGISTRATION OF SECURITIES

On May 31, 2007, Simtek Corporation (the **Registrant**) filed a Post-Effective Amendment No. 2 on Form S-3 (File No. 333-132180) containing an updated prospectus relating to the offering and sale by certain selling security holders of shares of issued and outstanding common stock of the Company, par value \$0.0001 per share (the **Common Stock**), and shares issuable upon exercise of outstanding stock purchase warrants and debentures, all of which Common Stock was included in a combined prospectus that was registered on the Registration Statement on Form S-1 (File No. 333-132180) initially declared effective by the Securities and Exchange Commission on April 28, 2006 (the **Registration Statement**). The Post-Effective Amendment No. 2 was filed to convert such Registration Statement on Form S-1 into a Registration Statement on Form S-3 and registered 11,392,457 shares of Common Stock being offered by the selling security holders. On September 27, 2006, the Registrant filed a Post-Effective Amendment No. 1 (File No. 333-132180) to such Registration Statement on Form S-1 to notify the Securities and Exchange Commission of the reincorporation of the Registrant from Colorado to Delaware and to amend such Registration Statement on Form S-1 accordingly for such reincorporation. This Post-Effective Amendment No. 3 is being filed to remove from registration all authorized shares of Common Stock reserved for issuance that have not yet been issued under the Registration Statement.

Registrant, Cypress Semiconductor Corporation ( **Cypress** ) and Copper Acquisition Corporation, a wholly-owned subsidiary of Cypress ( **Purchaser** ), entered into an Agreement and Plan of Merger, dated as of August 1, 2008 (the **Merger Agreement** ), that provides for, among other things, the merger of Purchaser with and into Registrant with Registrant surviving as a wholly-owned subsidiary of Cypress and the conversion of each outstanding share of Registrant Common Stock into the right to receive \$2.60 in cash (the **Merger** ). The Merger was effected on September 17, 2008, pursuant to Section 253 of the General Corporation Law of the State of Delaware, after Purchaser acquired over 90% of the outstanding Registrant Common Stock. The Merger became effective as specified in a Certificate of Ownership and Merger filed with the Secretary of State of the State of Delaware on September 17, 2008 (the **Merger Date** ).

As a result of the Merger, Registrant has terminated all offerings of Registrant Common Stock pursuant to its existing registration statements, including the Registration Statement. Accordingly, Registrant hereby removes from registration all shares of Registrant Common Stock registered under the Registration Statement which remain unsold as of the Merger Date.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe it meets all of the requirements for filing on Form S-3 and has duly caused this Post-Effective Amendment No. 3 to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Colorado Springs, State of Colorado, on September 22, 2008.

SIMTEK CORPORATION
