**Item 8.01. Other Events**

We regularly review our segment reporting and classifications and may periodically change our reportable segments to align with operational changes. Our latest strategic review of our operations resulted in business segment changes that became effective April 1, 2009. We believe our new strategy, which resulted in these new reportable segments, will enable us to develop a more sustainable portfolio in the future that will drive earnings growth and a better return on our assets. The following table summarizes the changes in our reportable segment structure:

Pursuant to guidance provided in Statement of Financial Accounting Standards No. 131, Disclosures about Segments of an Enterprise and Related Information, and by the Securities and Exchange Commission, we have recast in Exhibit 99.1 filed with this Current Report on Form 8-K the following items that were contained in our Annual Report on Form 10-K for the year ended December 31, 2008 ( Annual Report ), to reflect this change in reportable segments for all periods presented: Item 1 Business, Item 1A Risk Factors, Item 2 Properties, Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations, and Item 8 Financial Statements and Supplementary Data. There is no change to our previously reported Consolidated Statements of Income, Consolidated Balance Sheets, Consolidated Statements of Cash Flows, or Consolidated Statements of Stockholder's Equity for the periods reported therein.

In addition, for the reasons described above, we have recast in Exhibit 99.2 filed with this Current Report on Form 8-K the following items that were contained in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2009 ( Quarterly Report ), to reflect this change in reportable segments for all periods presented: Item 1 Consolidated Financial Statements and Notes Thereto and Item 2 Management s Discussion and Analysis of Financial Condition and Results of Operations. There is no change to our previously reported Consolidated Statements of Income, Consolidated Balance Sheets, or Consolidated Statements of Cash Flows for the periods reported therein.

On June 3, 2009, we issued a press release to provide investors with retrospectively revised quarterly financial schedules for 2007, 2008 and first quarter of 2009 reflecting the change in the Company s reportable segments. A copy of our press release is furnished as Exhibit 99.3 hereto.
