Edgar Filing: CEDAR FAIR L P - Form DEFA14A

This filing relates to the proposed acquisition of Cedar Fair, L.P. (Cedar Fair) by an affiliate of Apollo Global Management (Apollo) pursuant to the terms of an Agreement and Plan of Merger, dated as of December 16, 2009, by and among Cedar Holdings Ltd (formerly known as Siddur Holdings, Ltd.) (Parent), Cedar Merger Sub LLC (formerly known as Siddur Merger Sub, LLC) (Merger Sub), Cedar Fair and Cedar Fair Management, Inc. Each of Parent and Merger Sub are affiliates of Apollo.

Cedar Fair sent to its unitholders the following letter, on or after March 1, 2010, from Mr. Richard Kinzel, Cedar Fair s Chairman, President and Chief Executive Officer.

March 1, 2010

Dear Fellow Cedar Fair Unitholder:

Your Board of Directors has scheduled a Special Meeting of Unitholders on March 16, 2010 to approve Cedar Fair's definitive merger agreement to be acquired by an affiliate of Apollo Global Management for \$11.50 in cash per each Cedar Fair limited partnership unit.

In order to complete the merger, we need your support. **Because approval of the merger requires approval by unitholders representing no less than 2/3 of outstanding units, failure to vote will have the same effect as voting against the merger.** Therefore, your vote is important, no matter how many or how few units you own. Enclosed with this letter you will find an additional proxy card to cast your vote on the proposed merger.

In order to maximize the value of your Cedar Fair investment, your Board unanimously recommends that you vote *FOR* the merger for the following reasons:

The Merger Provides A Premium Valuation To The Preannouncement Unit Price.

The transaction price represents a **43% premium** over Cedar Fair's volume weighted average closing unit price over the 30 days prior to the merger announcement and a **28% premium** over the closing unit price on December 15, 2009.

The Merger Provides Premium Valuation To Recent Comparable Transactions.

This price provides unitholders with a market valuation that is in excess of recent comparable transactions, including the Busch Entertainment and Six Flags transactions.

A Thorough Go-Shop Process Confirmed The Merger Maximizes Value for All Unitholders.

Your Board carefully negotiated this transaction to include important measures to ensure that you received the highest price for your units. Most importantly, the Company had a 40-day go-shop process during which our financial advisors contacted 32 potential buyers, including both potential financial and strategic buyers, to solicit a transaction at a higher price per unit. **Despite this thorough and extensive process, we received no acquisition proposals from any of these parties. These results confirmed your Board's view that the \$11.50 cash price maximizes value for unitholders.**

Cedar Fair's Cash Distributions Are Suspended And The Return Of Future Cash Distributions Are Uncertain.

As you know, the Company was required to suspend the cash distribution to unitholders due to restrictions in our credit agreement and the impact of a challenging economic environment. We understand that the distribution is important to you and that it is one of the main reasons many of you invested in Cedar Fair. We did not make the decision to suspend the distribution lightly. The simple fact is, if we were to remain a public company, we do not know when or at what level the distribution will be restored.

If the merger is not approved, we will need to reduce and refinance our debt before we can begin to consider reinstating distributions. Despite our best efforts, we may be unable to refinance our debt in a manner that would allow us to resume distributions at any level or at all. **Based on the amount of our outstanding debt, the uncertainties of the future and the experience of the last 18 months, we believe it would be imprudent to re-instate the distribution (even if our financing arrangements allowed) until we were able to reduce our outstanding debt to an appropriate level.**

Unitholders May Be Subject To Tax Liabilities While The Distributions Are Suspended.

While the distribution is suspended, as a unitholder you may be required to report income or loss allocated to you from the partnership and pay any related tax liability even though you are not receiving cash distributions. Furthermore, the absence of the distribution along with a potential tax liability could reduce the public market value of Cedar Fair units and leave the Company without a catalyst for improved unit price performance for the foreseeable future.

Cedar Fair's Inability To Reduce Debt Could Negatively Impact Our Future Financial Condition.

As it stands today, our debt begins maturing in the third quarter of 2011 and if our operating performance continues to decline, we could be in danger of violating certain of the covenants in our credit facility. A failure to reduce our debt and modify the covenants in our credit facility (specifically, the leverage ratios), as well as a deterioration of current credit market conditions, could result in higher cash interest costs in the future and/or may limit our ability to refinance debt.

The Merger Maximizes Value For Unitholders And Enables Unitholders To Capture A Cash Premium Valuation Today And Eliminate Future Uncertainty.

The Company's ability to achieve historical levels of growth in the amusement park space is uncertain. Given the uncertainty regarding economic outlook, future attendance expectations and credit markets as well as the constraints of our capital structure, we believe it will likely be more difficult to drive value for the Company and our unitholders in the future. **The merger enables unitholders to capture a premium valuation in cash today and avoid the uncertainty and execution risks facing the Company.**

FOR ALL OF THESE REASONS, THE CEDAR FAIR BOARD OF DIRECTORS

UNANIMOUSLY BELIEVES THAT THE MERGER IS IN THE BEST INTERESTS OF ALL

UNITHOLDERS AND URGES YOU TO VOTE FOR THE TRANSACTION

To be sure your vote is represented at the special meeting, please take a moment to vote your units by telephone or internet TODAY - simple instructions are contained on the enclosed proxy card. Alternatively, you may sign, date and return the enclosed proxy card by mailing it in the prepaid envelope today.

We urge you to cast your vote **FOR**, to realize an immediate cash premium for your Cedar Fair units.

On Behalf of the Board of Directors,

/s/ RICHARD L. KINZEL
