An investment in our securities involves certain risks. Before buying our securities, you should read and consider the risk factors included in our periodic reports, in the prospectus supplements or any offering material relating to any specific offering, and in other information that we file with the SEC which is incorporated by reference in this prospectus. We have elected to be treated as a REIT for U.S. federal income tax purposes. In order to maintain our status as a REIT, we must comply with a number of requirements under U.S. federal income tax law that are discussed in [U.S. Federal Income Tax Considerations](#). The applicable prospectus supplement or other applicable offering materials delivered with this prospectus will provide any necessary information about additional U.S. federal income tax considerations, if any, related to the particular securities being offered.

Unless otherwise indicated in the applicable prospectus supplement, we will not receive the proceeds of sales by selling security holders, if any. Further details relating to the use of net proceeds from any specific offering will be described in the applicable prospectus supplement or other applicable offering materials.

**RATIO OF EARNINGS TO FIXED CHARGES AND
RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED
SHARE DISTRIBUTIONS**

The table below presents our ratio of earnings to fixed charges. The ratio of earnings to fixed charges were computed by dividing earnings by fixed charges. For this purpose, earnings is the sum of income from continuing operations before adjustment for income from equity investees, plus fixed charges (excluding capitalized interest) and distributed income of equity investees. Fixed charges consist of interest expensed and capitalized and amortized premiums, discounts and capitalized expenses related to indebtedness. The ratios are based solely on historical financial information and no pro forma adjustments have been made.

Years Ended December 31	2009(1)	2008	2007	2006	2005
Ratio of earning to fixed charges	0.8x	2.7x	2.6x	2.7x	2.6x

The table below presents our ratio of earnings to combined fixed charges and preferred share distributions. The ratio of earnings to combined fixed charges and preferred share distribution were calculated by dividing earnings by combined fixed charges and preferred share distributions. For this purpose, the terms earnings and fixed charges have the meanings assigned above. The ratios are based solely on historical financial information and no pro forma adjustments have been made.

Years Ended December 31	2009(1)	2008	2007	2006	2005
Ratio of earning to combined fixed charges and preferred share distributions	0.6x	2.0x	1.9x	2.1x	2.0x

- (1) Earnings for the year ended December 31, 2009 includes \$42.2 million in impairment charges for properties held and used and \$71.0 million in provision for loan losses.

DESCRIPTION OF SHARES OF BENEFICIAL INTEREST

The following description of our shares of beneficial interest (shares) is only a summary and is subject to, and qualified in its entirety by reference to, the provisions governing such shares contained in our Declaration of Trust and Bylaws, copies of which we have previously filed with the SEC. Because it is a summary, it does not contain all of the information that may be important to you. See Where You Can Find More Information for information about how to obtain copies of the Declaration of Trust and Bylaws. This summary also is subject to and qualified by reference to the descriptions of the particular terms of the securities described in the applicable prospectus supplement or other applicable offering materials.

Our Declaration of Trust authorizes us to issue up to 75,000,000 common shares, par value \$0.01 per share, and 25,000,000 preferred shares, par value \$0.01 per share, 2,300,000 of which are designated as Series A Cumulative Redeemable Preferred Shares (Series A Preferred Shares), 3,200,000 of which are designated as Series B Preferred Shares, 6,000,000 of which are designated as Series C Preferred Shares, 4,600,000 of which are designated as Series D Preferred Shares, and 3,450,000 of which are designated as Series E Preferred Shares. Our Declaration of Trust authorizes our Board of Trustees to determine, at any time and from time to time the number of authorized shares of beneficial interest, as described below. As of March 15, 2010, we had 42,921,582 common shares issued and outstanding, 3,200,000 Series B Preferred Shares issued and outstanding, 5,400,000 Series C Preferred Shares issued and outstanding, 4,600,000 Series D Preferred Shares issued and outstanding, and 3,450,000 Series E Preferred Shares issued and outstanding. On May 29, 2007, we completed the redemption of all 2,300,000 of our then outstanding Series A Preferred Shares. As of March 15, 2010, no Series A Preferred Shares were issued and outstanding. As of the date of this prospectus no other class or series of preferred shares has been established. For a summary of restrictions on ownership and transfers of shares, see Description of Certain Provisions of Maryland Law and EPR s Declaration of Trust and Bylaws Restrictions on Ownership and Transfer of Shares.

Our Declaration of Trust contains a provision permitting our Board of Trustees, without any action by our shareholders, to amend the Declaration of Trust at any time to increase or decrease the aggregate number of shares or the number of shares of any class that we have authority to issue. Our Declaration of Trust further authorizes our Board of Trustees to cause us to issue our authorized shares and to reclassify any unissued shares into other classes or series. We believe that this ability of our Board of Trustees will provide us with flexibility in structuring possible future financings and acquisitions and in meeting other business needs which might arise. Although our Board of Trustees has no intention at the present time of doing so, it could authorize us to issue a new class or series that could, depending upon the terms of the class or series, delay, defer or prevent a change of control of EPR.

The transfer agent and registrar for our shares is Computershare Trust Company, N.A.

Common Shares

All of our common shares are entitled to the following, subject to the preferential rights of any other class or series of shares which may be issued and to the provisions of our Declaration of Trust regarding the restriction of the ownership of shares:

to receive distributions on our shares if, as and when authorized by our Board of Trustees and declared by us out of assets legally available for distribution; and

upon our liquidation, dissolution, or winding up, to receive all remaining assets available for distribution to common shareholders after satisfaction of our liabilities and the preferential rights of any preferred shares.

Subject to the provisions of our Declaration of Trust on restrictions on transfer, each outstanding common share entitles the holder to one vote on all matters submitted to a vote of shareholders, including the election of trustees. Holders of our common shares do not have cumulative voting rights in the election of trustees.

Table of Contents

Holders of our common shares have no preference, conversion, exchange, sinking fund, redemption or, except to the extent expressly required by the law pertaining to Maryland real estate investment trusts, appraisal rights. Shareholders have no preemptive rights to subscribe for any of our securities.

For other information with respect to our common shares, including effects that provisions in our Declaration of Trust and Bylaws may have in delaying, deferring or preventing a change in our control, see Description of Certain Provisions of Maryland Law and EPR's Declaration of Trust and Bylaws below.

Preferred Shares

General

Our Declaration of Trust authorizes our Board of Trustees to determine the preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms and conditions of redemption of our authorized and unissued preferred shares. These may include:

the distinctive designation of each series and the number of shares that will constitute the series;

the voting rights, if any, of shares of the series;

the distribution rate on the shares of the series, any restriction, limitation or condition upon the payment of the distribution, whether distributions will be cumulative, and the dates on which distributions accumulate and are payable;

the prices at which, and the terms and conditions on which, the shares of the series may be redeemed, if the shares are redeemable;

the purchase or sinking fund provisions, if any, for the purchase or redemption of shares of the series;

any preferential amount payable upon shares of the series upon our liquidation or the distribution of our assets;

if the shares are convertible, the price or rates of conversion at which, and the terms and conditions on which, the shares of the series may be converted into other securities; and

whether the series can be exchanged, at our option, into debt securities, and the terms and conditions of any permitted exchange.

The issuance of preferred shares, or the issuance of any rights or warrants to purchase preferred shares, could discourage an unsolicited acquisition proposal. In addition, the rights of holders of common shares will be subject to, and may be adversely affected by, the rights of holders of any preferred shares that we may issue in the future.

The following describes some general terms and provisions of the preferred shares to which a prospectus supplement or other applicable offering materials may relate. The statements below describing the preferred shares are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our Declaration of Trust, including the articles supplementary for the applicable series of preferred shares, and our Bylaws.

The applicable prospectus supplement or other applicable offering materials will describe the specific terms as to each issuance of preferred shares, including:

any other specific preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms and conditions of redemption of the preferred shares.

As described under Description of Depositary Shares, we may, at our option, elect to offer depositary shares evidenced by depositary receipts. If we elect to do this, each depositary receipt will represent a fractional interest in a share or multiple shares of the particular series of the preferred shares issued and deposited with a depositary. The applicable prospectus supplement or other applicable offering materials will specify that fractional interest.

Rank

Unless our Board of Trustees otherwise determines and we so specify in the applicable prospectus supplement or other applicable offering materials, we expect that the preferred shares will, with respect to distribution rights and rights upon liquidation or dissolution, rank senior to all of our common shares, senior to our junior securities, on parity with our priority securities and junior to our senior securities.

Distributions

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form S-3ASR

Holders of preferred shares of each series will be entitled to receive distributions at the rates and on the dates shown in the applicable prospectus supplement or other offering materials. Even though the preferred shares may specify a fixed rate of distribution, our Board of Trustees must authorize and declare those distributions and they may be paid only out of assets legally available for payment. We will pay each distribution to holders of record as they appear on our share transfer books on the record dates fixed by our Board of Trustees. In the case of preferred shares represented by depositary receipts, the records of the depositary referred to under Description of Depositary Shares will determine the persons to whom distributions are payable.

Distributions on any series of preferred shares may be cumulative or noncumulative, as provided in the applicable prospectus supplement or other offering materials. We refer to each particular series, for ease of reference, as the applicable series. Cumulative distributions will be cumulative from and after the date shown in the applicable prospectus supplement or other applicable offering materials. If our Board of Trustees fails to authorize a distribution on any applicable series that is noncumulative, the holders will have no right to receive, and we will have no obligation to pay, a distribution in respect of the applicable distribution period, whether or not distributions on that series are declared payable in the future.

Table of Contents

Unless otherwise provided in the applicable prospectus or other applicable offering materials, if the applicable series is entitled to a cumulative distribution, we may not declare, or pay or set aside for payment, any full distributions on any other series of preferred shares ranking, as to distributions, on a parity with or junior to the applicable series, unless we declare, and either pay or set aside for payment, full cumulative distributions on the applicable series for all past distribution periods and the then current distribution period. If the applicable series does not have a cumulative distribution, we must declare, and pay or set aside for payment, full distributions for the then current distribution period only unless otherwise provided in the applicable prospectus supplement or other applicable offering materials. Unless otherwise provided in the applicable prospectus or other applicable offering materials, when distributions are not paid, or set aside for payment, in full upon any applicable series and the shares of any other series ranking on a parity as to distributions with the applicable series, we must declare, and pay or set aside for payment, all distributions upon the applicable series and any other parity series proportionately, in accordance with accrued and unpaid distributions of the several series. Unless otherwise provided in the applicable prospectus supplement or other applicable offering materials, for these purposes, accrued and unpaid distributions do not include unpaid distribution periods on noncumulative preferred shares. No interest will be payable in respect of any distribution payment that may be in arrears unless otherwise provided in the applicable prospectus or other applicable offering materials.

Unless otherwise provided in the applicable prospectus supplement or other applicable offering materials, except as provided in the immediately preceding paragraph, unless we declare, and pay or set aside for payment, fu
