QUESTIONS AND ANSWERS

We are providing you with this proxy statement, which contains information about the items to be voted upon at our Annual Meeting. To make this information easier to understand, we have presented some of the information below in a question and answer format.

Q: Will my vote make a difference?

A: Yes ***YOUR VOTE IS VERY IMPORTANT.*** Your vote is needed to ensure that the proposals can be acted upon. ***Your immediate response will help avoid potential delays and may save Piedmont significant additional expenses associated with soliciting stockholder votes.***

Q: Why am I receiving this Proxy Statement and proxy card?

A: You are receiving a Proxy Statement and proxy card from us because our board of directors is soliciting your proxy to vote your shares at the annual meeting. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision.

When you vote by using the Internet, by telephone, or by signing and returning the proxy card, you appoint Donald A. Miller, CFA, our Chief Executive Officer, and Robert E. Bowers, our Chief Financial Officer, as your representatives at the Annual Meeting. Messrs. Miller and Bowers will vote your shares at the Annual Meeting as you have instructed them or if an issue that is not on the proxy card comes up for vote, in accordance with their best judgment. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to vote in advance of the Annual Meeting just in case your plans change.

Q: Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

A: Pursuant to rules adopted by the Securities and Exchange Commission, we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice in the mail. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review the proxy statement and annual report over the Internet at <http://www.proxyvoting.com/pdm>. The Notice also instructs you on how you may vote. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials contained on the Notice.

Q: When is the Annual Meeting and where will it be held?

A: The Annual Meeting will be held on Thursday, June 30, 2011, at 11:00 a.m. (Eastern daylight time) at the Metropolitan Club, 5895 Windward Parkway #100, Alpharetta, GA 30005.

Q: What is the record date?

A: The record date is set for April 22, 2011. Only holders of record of common stock as of the close of business on this date will be entitled to vote at the Annual Meeting.

Q: How many shares of common stock are outstanding and can vote?

- A:** As of the record date, there were approximately 172,658,488 shares of our common stock issued and outstanding. Every stockholder is entitled to one vote for each share of common stock held. Only shares of common stock outstanding as of the record date will be eligible to vote at the Annual Meeting.

Q: How many votes do you need to hold the Annual Meeting?

A: In order for us to conduct the Annual Meeting, we must have a quorum, which means that a majority of our outstanding shares of common stock as of the record date must be present in person or by proxy at the Annual Meeting. Your shares will be counted as present at the Annual Meeting if you:

vote over the Internet or by telephone,

properly submit a proxy card (even if you do not provide voting instructions), or

attend the Annual Meeting and vote in person.

Q: On what items am I voting?

A: You are being asked to:

- (i) vote on the Election of Directors the election of eight directors nominated by our board of directors to serve on the board of directors until our 2012 annual meeting of stockholders;
- (ii) vote on the ratification of the appointment of Ernst & Young LLP as Piedmont's independent auditor for fiscal 2011;
- (iii) approve, on an advisory basis, the executive compensation of the named executive officers as disclosed in this proxy statement; and
- (iv) indicate your preference, on an advisory basis, as to whether future advisory votes on executive compensation should be held every one, two or three years.

No cumulative voting rights are authorized, and dissenter's rights are not applicable to the matters being voted upon.

Q: How do I vote if I am a registered stockholder?

A: If you are a registered stockholder, meaning that your shares are registered in your name, you have four voting options: via Internet, by telephone, by mail, or in person as described below.

You may vote by using the Internet. The address of the website for Internet voting can be found on your proxy card. Internet voting is available 24 hours a day until the Annual Meeting. If you have access to the Internet, we encourage you to vote in this manner.

You may vote by telephone. The toll-free telephone number can be found on your proxy card. Telephone voting is available 24 hours a day until the Annual Meeting.

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

You may vote by mail. If you choose to vote by mail, simply mark your proxy card and return it in the enclosed prepaid and addressed envelope.

You may vote by attending the Annual Meeting and voting in person.

If you have Internet access, we encourage you to record your vote on the Internet. It is convenient, and it saves Piedmont significant postage and processing costs. In addition, when you vote via the Internet or by phone prior to the meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and, therefore, not be counted. For further instructions on voting, see your enclosed proxy card in this Proxy Statement.

Q: Are voting procedures different if I hold my shares in the name of a broker, bank or other nominee?

A: If your shares are held in street name through a broker, bank or other nominee, please refer to your proxy card or the instructions they provide regarding how to vote your shares or to revoke your voting instructions. The availability of telephone and Internet voting depends on the voting processes of the broker, bank or other nominee. Written ballots will be passed out to anyone who wants to vote at the Annual Meeting.

However, if you hold your shares in street name, you must obtain a legal proxy from your broker, bank or other nominee to be able to vote in person at the Annual Meeting.

Q: How may I vote for the nominees for director, and how many votes must the nominees receive to be elected?

A: With respect to the election of nominees for director, you may:

vote FOR ALL eight nominees for director;

vote FOR ALL EXCEPT which will be considered a vote in favor of all nominees EXCEPT those nominees you specifically list in the space provided; or

WITHHOLD ALL which will be considered a vote against all director nominees.

Directors are elected by a plurality vote. As a result, the eight nominees receiving the highest number of FOR votes will be elected as directors. If you sign your proxy card with no further instructions, your shares will be voted FOR ALL eight nominees for director.

Q: What happens if a nominee is unable to stand for election?

A: If a nominee is unable to stand for election, the board of directors may reduce the number of directors that serve on the board or designate a substitute nominee. If the board of directors designates a substitute nominee, shares represented by proxies voted for the nominee who is unable to stand for election will be voted for the substitute nominee.

Q: How may I vote for the ratification of Ernst & Young LLP as the independent auditor, and how many votes must the ratification receive to pass?

A: With respect to the ratification of Ernst & Young LLP as independent auditor, you may:

vote FOR the ratification; or

vote AGAINST the ratification.

Ernst & Young LLP will be ratified as the independent auditor for fiscal 2011 at the Annual Meeting if a quorum is present at the Annual Meeting and at least a majority of the votes cast vote FOR the ratification. If you sign your proxy card with no further instructions, your shares will be counted as a vote FOR the ratification of Ernst & Young LLP.

Q: How may I vote on the proposal to approve, on an advisory basis, the executive compensation of the named executive officers as disclosed in this proxy statement, and how many votes must the proposal receive to pass?

A: With respect to this proposal, you may:

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

vote FOR the approval, on an advisory basis, of the compensation of the named executive officers; or

vote AGAINST the approval, on an advisory basis, of the compensation of the named executive officers.

To pass, the proposal must receive the affirmative vote of a majority of the votes cast at the Annual Meeting; however, unlike some of the other proposals you are voting on, this is an advisory proposal which means it is not binding. The board of directors will review the voting results and consider the outcome in making future decisions on executive compensation.

Q: How may I vote on the proposal to indicate, on an advisory basis, my preference for the frequency of future advisory votes on executive compensation?

A: With respect to the advisory vote on the frequency of future advisory votes on executive compensation, you may:

select ONE year;

select TWO years; or

select THREE years.

Unlike the other proposals you are voting on, there is no threshold vote that must be obtained for this proposal to pass. Rather, this is an advisory proposal, which means it is not binding, but the board of directors will take into consideration the outcome of the vote in setting a policy with respect to the frequency of future advisory votes on executive compensation.

Q: How does the board of directors recommend I vote on the proposals?

A: The board of directors recommends a vote FOR ALL nominees for election as director who are named as such in this Proxy Statement; FOR the ratification of Ernst & Young LLP as independent auditor for fiscal 2011; FOR the approval, on an advisory basis, of the compensation of the named executive officers; and for future advisory votes on executive compensation to be held every THREE years.

Q: What if I vote and then change my mind?

A: If you are a registered stockholder, you have the right to revoke your proxy at any time before 11:59 PM the day prior to the stockholder meeting by:

voting again over the Internet or by telephone;

giving written notice to Robert E. Bowers, our Secretary;

attending the Annual Meeting and voting in person; or

returning a new, valid proxy card bearing a later date, that is received before the Annual Meeting date.

If you hold your shares in the name of a broker, bank, or other nominee, please refer to your broker's proxy card or instructions to revoke your vote.

Q: How will the proxies be voted?

A:

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

Any proxy, if it is received in time, is properly signed and is not revoked, will be voted at the Annual Meeting in accordance with the directions of the stockholder signing the proxy. If you return a signed proxy card but do not provide voting instructions, your shares will be voted FOR all of the eight nominees to serve on the board of directors; FOR the ratification of the appointment of Ernst & Young LLP as our external auditors for fiscal 2011; FOR the approval, on an advisory basis, of the compensation of the named executive officers; and for future advisory votes on executive compensation to be held every THREE years.

Q: What are the effects of abstentions and broker non-votes?

A: Abstentions and broker non-votes with respect to a proposal are counted for purposes of establishing a quorum. With respect to the proposals to elect eight nominees to our board of directors; regarding the ratification of Ernst & Young LLP as the independent auditor; to approve, on an advisory basis, the executive compensation of the named executive officers; and to indicate, on an advisory basis, stockholders' preference for the frequency of future advisory votes on executive compensation, abstentions and broker non-votes (as applicable) will have no effect on the outcome of the vote.

If your shares are held in street name through a broker, bank or other nominee and you do not provide voting instructions, your broker, bank or other nominee may only vote your shares on your behalf for routine matters.

On routine matters, such as the ratification of independent auditors, brokerage firms have authority to vote their customers' shares if their customers do not provide voting instructions. When a brokerage firm votes its customers' shares on a routine matter without receiving voting instructions, these shares are counted both for establishing a quorum to conduct business at the meeting and in determining the number of shares voted *for* or *against* the routine matter.

On non-routine matters, such as the election of directors, the advisory vote on executive compensation, and the advisory vote on the frequency of future advisory votes on executive compensation, the brokerage firm cannot vote the shares on that proposal if it has not received voting instructions from the beneficial owner of such shares. A broker non-vote occurs when a beneficial owner fails to provide voting instructions to his or her broker as to how to vote shares held by the broker in street name and the broker does not have discretionary authority to vote without instructions.

Q: Who pays the cost of this proxy solicitation?

A: We will pay all the costs of mailing and soliciting these proxies. Our employees will not be paid any additional compensation for soliciting proxies. Bank of New York Mellon, our proxy solicitor, will be paid an administrative fee of approximately \$6,500 plus \$4.50 per phone vote as well as out-of-pocket expenses for its basic solicitation services. We may also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to beneficial owners.

Q: Is this Proxy Statement the only way that proxies are being solicited:

A: No. In addition to mailing proxy solicitation material, Bank of New York Mellon (our third party proxy solicitor) and our directors and employees may also solicit proxies in person, via the internet, by telephone or by any other electronic means of communication we deem appropriate.

Q: How can I get additional copies of this Proxy Statement or other information filed with the SEC relating to this solicitation?

A: You may obtain additional copies of this Proxy Statement, our 2010 Annual Report on Form 10-K and all other relevant documents filed by us with the SEC free of charge from our Web site at www.piedmontreit.com, at the SEC's Web site located at www.sec.gov, or by calling Shareowner Services at 866-354-3485.

In addition, we file annual, quarterly and special reports, Proxy Statements and other information with the Securities and Exchange Commission (SEC). Our SEC filings are available to the public on the website maintained by the SEC at <http://www.sec.gov>. You may also read and copy any reports, statements or other information we file with the SEC at the SEC's Public Reference Room located at 100 F Street, N.E., Washington, DC 20549. You may also obtain copies of the documents at prescribed rates by writing to the Public Reference Section of the SEC at 100 F Street, N.E., Washington, DC 20549. PROPOSAL II:

RATIFICATION OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR 2011

Engagement of Ernst & Young LLP

On February 24, 2011, the Audit Committee engaged Ernst & Young LLP as our independent registered public accountants to audit our financial statements for the year ended December 31, 2011. This proposal asks you to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm. Although we are not required to obtain such ratification from our stockholders, the board of directors believes it is good practice to do so. Notwithstanding the ratification, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that the change would be in the best interests of the Company and our stockholders. In the event that the appointment of Ernst & Young LLP is not ratified, the Audit Committee will consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

A representative of Ernst & Young LLP will be present at the Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions by stockholders.

Your board of directors unanimously recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accountants for fiscal 2011.

Pre-Approval Policies

The Audit Committee Charter imposes a duty on the Audit Committee to pre-approve all auditing services performed for us by our independent auditors, as well as all permitted non-audit services (including the fees and terms thereof) in order to ensure that the provision of such services does not impair the auditor's independence. Unless a type of service to be provided by our independent auditors has received general pre-approval, it will require specific pre-approval by the Audit Committee.

All requests or applications for services to be provided by our independent auditors that do not require specific pre-approval by the Audit Committee will be submitted to management and must include a detailed description of the services to be rendered. Management will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by our independent auditors.

Requests or applications to provide services that require specific pre-approval by the Audit Committee will be submitted to the Audit Committee by both our independent auditors and our chief financial officer, treasurer, or chief accounting officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The Chairman of the Audit Committee has been delegated the authority to specifically pre-approve all services not covered by the general pre-approval guidelines, up to an amount not to exceed \$75,000 per occurrence. Amounts requiring pre-approval in excess of \$75,000 per occurrence require specific pre-approval by our Audit Committee prior to engagement of Ernst & Young LLP, our current independent auditors. All amounts specifically pre-approved by the Chairman of the Audit Committee in accordance with this policy are to be disclosed to the full Audit Committee at the next regularly scheduled meeting.

Fees Paid to Independent Registered Public Accountants

The Audit Committee reviewed the audit and non-audit services performed by Ernst & Young LLP, as well as the fees charged by Ernst & Young LLP for such services. In its review of the non-audit service fees, the Audit Committee considered whether the provision of such services is compatible with maintaining the independence of Ernst & Young LLP. The aggregate fees billed to us for professional accounting services provided by Ernst & Young LLP, including the audits of our annual financial statements, for the years ended December 31, 2010 and 2009, respectively, are set forth in the table below.

	2010	2009
Audit Fees	\$ 1,086,362	\$ 878,696
Audit-Related Fees		
Tax Fees	406,393	293,399
All Other Fees		
Total	\$ 1,492,755	\$ 1,172,095

For purposes of the preceding table, the professional fees are classified as follows:

Audit Fees These are fees for professional services performed for the audit of our annual financial statements and the required review of quarterly financial statements and other procedures to be performed by the independent auditors to be able to form an opinion on our consolidated financial statements. These fees also cover services that are normally provided by independent auditors in connection with statutory and regulatory filings or engagements, and services that generally only the independent auditor reasonably can provide, such as services associated with filing registration statements, periodic reports, and other filings with the SEC. The reason for the increase in audit fees from 2009 to 2010 was that 2010 included more services provided in conjunction with the filing of our Registration Statement on Form S-11 with the Securities and Exchange Commission for our February 2010 public offering, as well as a full assessment of effectiveness of internal control as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Audit-Related Fees These are fees for assurance and related services that traditionally are performed by independent auditors, such as due diligence related to acquisitions and dispositions, attestation services that are not required by statute or regulation, internal control reviews, non recurring agreed-upon procedures and other professional fees associated with transactional activity.

Tax Fees These are fees for all professional services performed by professional staff in our independent auditor's tax division, except those services related to the audit of our financial statements. These include fees for tax compliance filings, tax planning, and tax advice, including federal, state, and local issues. Services may also include assistance with tax notices, audits and appeals before the IRS and similar state and local agencies. 2010 tax fees include (a) \$73,730 of fees billed in 2010 pertaining to 2010 tax returns whereas 2009 fees only include billings for the 2008 returns; and (b) fees associated with assistance with an IRS audit which took place during 2010.

All Other Fees These are fees for other permissible work performed that do not meet the above-described categories, including assistance with internal audit plans and risk assessments.

For the year ended December 31, 2010, all services rendered by Ernst & Young LLP were pre-approved by the Audit Committee in accordance with the policies and procedures described above.

PROPOSAL III ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pay that reflects performance and alignment of pay with the long-term interests of our stockholders are key principles that underlie our compensation program. In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act), stockholders have the opportunity to vote, on an advisory basis, on the compensation of our named executive officers. This is often referred to as a say on pay, and provides you, as a stockholder, with the ability to cast a vote with respect to our 2010 executive compensation programs and policies and the compensation paid to the named executive officers as disclosed in this proxy statement through the following resolution:

RESOLVED, that the stockholders approve the compensation of the named executive officers, as described in the Compensation Discussion and Analysis section and in the compensation tables and accompanying narrative disclosure in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis section, the compensation paid to our named executive officers is designed to meet the following objectives:

to attract and retain candidates capable of performing at the highest levels of our industry;

to create and maintain a performance-focused culture, by rewarding outstanding company and individual performance based upon objective predetermined metrics;

to reflect the qualifications, skills, experience and responsibilities of each named executive officer;

to link incentive compensation levels with the creation of stockholder value;

to align the interests of our executives and stockholders by creating opportunities and incentives for executives to increase their equity ownership in us; and

to motivate our executives to manage our business to meet and appropriately balance our short- and long-term objectives.

Although the vote is non-binding, the Compensation Committee will review the voting results and consider the outcome in making decisions about future compensation arrangements for our named executive officers.

As required by the Dodd-Frank Act, this vote does not overrule any decisions by the board of directors, will not create or imply any change to or any additional fiduciary duties of the board of directors and will not restrict or limit the ability of stockholders generally to make proposals for inclusion in proxy materials related to executive compensation.

Your board of directors unanimously recommends a vote FOR

the approval, on an advisory basis, of executive compensation.

**PROPOSAL IV ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

The Dodd-Frank Act also provides stockholders with the opportunity to indicate, on an advisory basis, their preference as to the frequency of future say on pay votes, often referred to as a say when on pay. For this proposal, stockholders can indicate whether they would prefer that we hold future advisory votes on executive compensation every one, two or three years.

The board of directors recommends that future advisory votes on executive compensation should be held every three years, or on a triennial basis, so that the next advisory vote would be held at our 2014 annual meeting. The board of directors believes that a triennial vote best aligns with the long-term, cyclical nature of the real estate industry and the fact that certain of our compensation awards are contingent upon a three-year performance cycle.

Providing an advisory vote every three years gives stockholders and proxy advisory firms adequate time to evaluate the effectiveness of our short-term and long-term compensation strategies and related business outcomes. It also provides the Compensation and Nominating Committee time to thoughtfully respond to input from stockholders and implement any necessary changes.

Finally, offering the advisory vote every three years, rather than every one or two years, will improve the ability of institutional funds that hold shares in a large number of public companies like ours to exercise their voting rights in a more deliberate, thoughtful and informed way. We believe that institutions will be able to provide to us with more meaningful input on our compensation program if they are not simultaneously required to evaluate the compensation program of every public company, every year.

Although the vote is non-binding, the board of directors and the Compensation and Nominating Committee will review the voting results in making a decision as to the policy to be adopted by the board of directors on the frequency of future advisory votes on executive compensation.

As required by the Dodd-Frank Act, this vote does not overrule any decisions by the board of directors, will not create or imply any change to or any additional fiduciary duties of the board of directors and will not restrict or limit the ability of stockholders generally to make proposals for inclusion in proxy materials related to executive compensation.

**Your board of directors unanimously recommends a vote for
an advisory vote on executive compensation every **THREE** years.**

INFORMATION REGARDING THE BOARD OF DIRECTORS AND COMMITTEES
Leadership Structure

Our eight member board of directors is comprised of seven independent members and our Chief Executive Officer. Each of our board members are subject to re-election on an annual basis. We do not divide our directors into classes or stagger terms. Mr. Woody has served as our Chairman of the Board since 2007 and is re-elected by the independent directors on an annual basis. The board currently has no formal policy with respect to the separation of the positions of Chairman of the board and Chief Executive Officer; however, the board believes that the current separation of the positions is in the best interests of Piedmont as it provides leadership for the independent board and the added benefit of additional support, experience and oversight for the management team.

Board Committees

Our board of directors has established four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, and the Capital Committee. Each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee complies with the listing requirements and other rules and regulations of the NYSE, as amended or modified from time to time. All members of the committees described below are independent as such term is defined in the NYSE's listing standards and as affirmatively determined by our board of directors.

Our Compensation Committee met five times during 2010.

The Nominating and Corporate Governance Committee

Our board of directors has established a standing Nominating and Corporate Governance Committee, which is comprised of Messrs. Cantrell (Chairman), Buchanan, and Keogler. The members of the Nominating and Corporate Governance Committee are all independent directors who meet the current independence and experience requirements of the NYSE and applicable rules and regulations of the SEC. The Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by our board of directors, a copy of which is available on our website at www.piedmontreit.com. The primary responsibilities of the Nominating and Corporate Governance Committee, as set forth in the committee's charter include:

identifying individuals qualified to serve on the board of directors, consistent with criteria approved by the board of directors, and recommending that the board of directors select a slate of director nominees for election by our stockholders at the annual meeting of our stockholders;

evaluating the independence of candidates for the board of directors;

developing and implementing the process necessary to identify prospective members of our board of directors;

determining the advisability of retaining any search firm or consultant to assist in the identification and evaluation of candidates for membership on the board of directors;

overseeing an annual evaluation of the board of directors, each of the committees of the board and management;

developing and recommending to our board of directors a set of corporate governance principles and policies; and

periodically reviewing our corporate governance structures and procedures and suggesting improvements thereto to our board of directors.

During 2010, the Nominating and Corporate Governance Committee held four meetings.

The Capital Committee

Our board of directors has established a Capital Committee, which is comprised of Messrs. Buchanan (Chairman), McDowell, Swope, and Woody. The primary responsibilities of the Capital Committee include:

reviewing and advising the board of directors on our overall financial performance, including issues related to capital structure, operating earnings, dividends and budgetary and reporting processes; and

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

reviewing and advising the board of directors on investment criteria and acquisition policies, general economic environment in various real estate markets, existing or prospective properties or tenants, and portfolio diversification goals. During 2010, the Capital Committee met five times.

Board Membership Criteria

The Nominating and Corporate Governance Committee annually reviews with the board of directors the appropriate experience, skills and characteristics required of board members in the context of the current membership of the board as well as in the context of potential turnover of the existing board. This review also includes an annual self-assessment of the existing board membership. The assessment includes, consideration of the following characteristics in the context of the perceived needs of the board at the time: financial expertise, chief executive or chief financial officer experience with a preference for REIT-specific experience; public company experience; industry specific knowledge; strategic planning experience or expertise; experience mentoring top level leaders; general management experience; real estate development/construction expertise; investment banking experience; racial and/or gender diversity; legal expertise; risk management expertise; marketing expertise; and international experience. The board considers all of these characteristics when assessing candidates for board membership. Other considerations included in both the annual assessment of existing members and the assessment of new candidates include the candidate or incumbent's independence from conflict with Piedmont, the ability of the candidate or incumbent to attend board meetings regularly and to devote an appropriate amount of effort in preparation for those meetings, and whether the candidate's knowledge and experience of a particular aspect of the real estate industry or particular skill set is additive to the existing experience or skill sets of incumbent members of the board. While we have not adopted a formal policy regarding diversity of our Board, in selecting nominees, the Nominating and Corporate Governance Committee considers the diversity of experience (particularly with regard to different facets of the real estate industry), qualifications, attributes and skills that a potential nominee would bring to the Board. The term "independence" means that the candidate meets the definition of "independent director" contained in Piedmont's corporate governance guidelines and the current independence and experience requirements of the NYSE and applicable rules and regulations of the SEC. Although a number of our directors are retired, it is also expected that independent directors nominated by the board of directors shall be individuals who possess a reputation and hold positions or affiliations befitting a director of a large publicly held company and are active in their occupation, profession, or community.

Selection of Directors

The board of directors is responsible for selecting its own nominees and recommending them for election by the stockholders. The board delegates the screening process necessary to identify qualified candidates to the Nominating and Corporate Governance Committee, in consultation with the Chief Executive Officer.

The Nominating and Corporate Governance Committee annually reviews director suitability and the continuing composition of the board of directors; it then recommends director nominees who are voted on by the full board of directors. All director nominees then stand for election by the stockholders annually.

In recommending director nominees to the board of directors, the Nominating and Corporate Governance Committee solicits candidate recommendations from its own members, other directors, and members of our management. The Nominating and Corporate Governance Committee may engage the services of a search firm to assist in identifying potential director nominees. The Nominating and Corporate Governance Committee will also consider recommendations made by stockholders and other interested persons for director nominees who meet the established director criteria set forth above. In addition, stockholders may nominate candidates for election as directors. In order for a stockholder to make a nomination, the stockholder must satisfy the procedural requirements for such nomination as provided in Article II, Section 12 of our Bylaws. Any stockholder may request a copy of our Bylaws free of charge by writing to our Secretary at our corporate address.

In evaluating the persons nominated as potential directors, the Nominating and Corporate Governance Committee will consider each candidate without regard to the source of the recommendation and take into account those factors that the Nominating and Corporate Governance Committee determines are relevant.

Risk Oversight

The board of directors is involved in risk oversight through direct decision-making authority on significant matters as well as through the oversight of management and appropriate advice and counsel from legal, financial, and compensation advisors. In particular, the board of directors manages risk by reviewing and discussing periodic reports with management including, but not limited to, reports detailing Piedmont's concentrations of geographic, tenant, industry, and lease expiration risk. Through their various committees, the board monitors acquisition, disposition, leasing and investing activities and has delegated authority to the appropriate levels of management to carry out such activities with appropriate governance reporting at respective committee meetings.

In accordance with its charter, the Audit Committee also monitors major issues regarding accounting principles and financial statement presentation, including any significant changes in the application of accounting principles, and major issues regarding the adequacy of Piedmont's internal controls and analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements. In addition, the Audit Committee follows the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on Piedmont's financial statements and the type and presentation of financial information to be included in earnings press releases, reports, and earnings guidance provided to analysts and rating agencies. The Audit Committee reviews and discusses with management, Piedmont's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit Committee is also periodically briefed on Piedmont's processes and policies with respect to risk assessment and risk management and the Audit Committee chairman is interviewed in conjunction with Piedmont's annual risk assessment process. Finally, the Audit Committee is periodically briefed on insurance coverage limits, any significant change in Piedmont's insurance policies, monitoring of Piedmont's code of ethics, whistleblower policy, and insider trading policies as well as quarterly REIT test and debt covenant compliance calculations.

Director Independence

The NYSE requires each NYSE-listed company to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee each comprised solely of independent directors. Our board of directors has adopted the NYSE independence standards as part of its corporate governance guidelines, which can be accessed on our website at <http://www.piedmontreit.com> under the heading Corporate Governance. This document is also available in print to any stockholder who sends a written request to that effect to the attention of Robert E. Bowers, Secretary, Piedmont Office Realty Trust, 11695 Johns Creek Parkway, Suite 350, Johns Creek, Georgia 30097.

In accordance with NYSE rules, the board of directors affirmatively determined that each of the following directors is independent within the meaning of the NYSE's director independence standards, as then in effect:

Michael R. Buchanan

Wesley E. Cantrell

William H. Keogler, Jr.

Frank C. McDowell

Donald S. Moss

Jeffrey L. Swope

W. Wayne Woody

The persons listed above include all of our current directors, other than Mr. Donald A. Miller, our President and Chief Executive Officer.

The board of directors has also determined that each of the current members of our Audit, Compensation, and Nominating and Corporate Governance Committees is independent within the meaning the NYSE's director independence standards applicable to members of such committees. Additionally, our Audit Committee members satisfy the enhanced independence standards set forth in Rule 10A-3(b)(1)(i) under the Exchange Act and NYSE listing standards.

Attendance

Our board of directors met thirteen times during 2010, and each member of the board of directors attended in excess of 75% of the 2010 board and committee meetings on which such director served.

We do not have a formal policy with regard to board member attendance at our annual stockholder meetings; however, we expect most of the members of our board of directors to attend our 2011 annual meeting of stockholders. In 2010, all of the members of our board of directors except one attended the annual meeting of stockholders either telephonically or in person.

Communications with Stockholders

We have established several means for stockholders to communicate their concerns to the board of directors. If the concern relates to our financial statements, accounting practices or internal controls, the concerns should be submitted in writing to the Chairman of our Audit Committee in care of our Secretary at our headquarters address. If the concern relates to our governance practices, business ethics or corporate conduct, the concern may be submitted in writing to the Chairman of our Nominating and Corporate Governance Committee in care of our Secretary at our headquarters address. If a stockholder is uncertain as to which category his or her concern relates, he or she may communicate it to any one of the independent directors in care of our Secretary at our headquarters address. Stockholders or other interested parties who wish to communicate with our Chairman or with the non-management directors as a group may do so by writing to our Chairman at our headquarters address.

Corporate Governance Guidelines and Code of Ethics

Our board of directors, upon the recommendation of the Nominating and Corporate Governance Committee, has adopted corporate governance guidelines establishing a common set of expectations to assist the board of directors in performing their responsibilities. The corporate governance policies and guidelines, which meet the requirements of the NYSE's listing standards, address a number of topics, including, among other things, director qualification standards, director responsibilities, the responsibilities and composition of the board committees, director access to management and independent advisers, director compensation, and evaluations of the performance of the board. Our board of directors has also adopted a code of ethics, including a conflicts of interest policy that applies to all of our directors and executive officers including our principal executive officer, principal financial officer, principal accounting officer and persons performing similar functions. The Code of Ethics meets the requirements of a code of ethics as defined by the rules and regulations of the SEC. A copy of our corporate governance guidelines and our code of ethics is available on our website at www.piedmontreit.com. Any amendments to, or waivers of, the Code of Ethics will be disclosed on our website promptly following the date of such amendment or waivers.

EXECUTIVE COMPENSATION

Note that all information in this proxy statement has been adjusted to give effect to, and all share and per share amounts have been adjusted to give effect to the recapitalization of our common stock which was approved by our stockholders in January 2010. Please refer to our Annual Report on Form 10-K for the year ended December 31, 2010 for a more complete description of the recapitalization transaction.

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis explains our compensation philosophy, objectives, policies and practices and the decisions made with respect to compensation for 2010 for our Chief Executive Officer, Chief Financial Officer and our three other most highly compensated executive officers, whom we refer to collectively as our named executive officers (NEOs), as determined in accordance with applicable SEC rules.

Executive Summary

2010 continued to be a challenging year for the commercial real estate market; however, it was a notable one for Piedmont as we successfully listed our Class A common stock on the NYSE, completed over 2.7 million square feet of leasing transactions, acquired three buildings and sold two. Our total shareholder return for 2010 was in the top quartile in comparison to our peer group (see definition and discussion of the companies which comprise our peer group below). Piedmont's Core Funds From Operations (CFFO) per share decreased from \$1.75 to \$1.65 per share on a fully diluted basis from 2009 to 2010, which equates to a 5.7% decrease. This decrease primarily reflects \$0.12 in dilution per share related to the issuance of 13.8 million shares of common stock during the first quarter of 2010. Despite this dilutive effect of the new shares, our CFFO growth performance approximated the 82nd percentile of our comparative peer group as we outperformed all but two of our twelve peers. The Compensation Committee recognized that we performed well relative to our peer group in 2010 as measured by the metrics established at the beginning of the year, and, in consultation with our independent compensation consultant, determined that short-term incentive compensation awards for 2010 would be paid at above target levels. During 2010, our Compensation Committee made restricted stock awards pursuant to our 2009 long-term incentive plan at target levels based on strong performance against the performance metrics our Compensation Committee had established for the 2009 plan. In addition, during 2010 our Compensation Committee made special discretionary awards to certain employees, including our named executive officers in recognition of their individual contributions to the Company's successful listing and concurrent offering of our common stock in February 2010. Finally, in light of our new listed status, the Compensation Committee further aligned our existing Long Term Incentive Compensation (LTIC) plan with the interests of our stockholders by replacing a portion of the LTIC plan with a multi-year performance share component for 2010. The performance share component is based solely on the comparison of our stock performance against the stock performance of our peer group over a three-year period.

Compensation Committee Members, Independence and Responsibilities

Our executive compensation program is administered by the Compensation Committee of our board of directors. The members of the Compensation Committee currently include Donald S. Moss (Chairman), Wesley E. Cantrell, Frank C. McDowell, and Jeffrey L. Swope, all of whom are independent directors.

The Compensation Committee sets the overall compensation strategy and compensation policies for our executive officers and directors. The Compensation Committee has the authority to determine the form and amount of compensation appropriate to achieve our strategic objectives, including salary, bonus, incentive or performance-based compensation, and equity awards. The Compensation Committee reviews its compensation strategy annually to confirm that it supports our objectives and stockholders' interests and that executive officers are being rewarded in a manner that is consistent with our strategy.

With respect to the compensation of our Chief Executive Officer, the Compensation Committee is responsible for:

reviewing and approving our corporate goals and objectives with respect to the compensation of the Chief Executive Officer;

evaluating the Chief Executive Officer's performance in light of those goals and objectives; and

determining the Chief Executive Officer's compensation (including annual base salary level, annual cash bonus, long-term incentive compensation awards, perquisites and any special or supplemental benefits) based on such evaluation.

With respect to the compensation of executive officers other than the Chief Executive Officer, the Compensation Committee is responsible for:

reviewing and approving the compensation; and

reviewing and approving grants and awards under all incentive-based compensation plans and equity-based plans.

If the Compensation Committee deems it advisable, it can make recommendations to the board of directors with respect to the compensation of executive officers other than the Chief Executive Officer for final approval and if directed by the board, other independent members of the board may assist the Compensation Committee with the determination of compensation levels.

Compensation Philosophy and Objectives

We seek to maintain a total compensation package that provides fair, reasonable and competitive compensation for our executives while also permitting us the flexibility to differentiate actual pay based on the level of individual and organizational performance. We place significant emphasis on annual and long-term performance-based incentive compensation, including cash and equity-based incentives, which are designed to reward our executives based on the achievement of predetermined company and individual goals.

The objectives of our executive compensation programs are:

to attract and retain candidates capable of performing at the highest levels of our industry;

to create and maintain a performance-focused culture, by rewarding outstanding company and individual performance based upon objective predetermined metrics;

to reflect the qualifications, skills, experience and responsibilities of each named executive officer;

to link incentive compensation levels with the creation of stockholder value;

to align the interests of our executives and stockholders by creating opportunities and incentives for executives to increase their equity ownership; and

to motivate our executives to manage our business to meet and appropriately balance our short- and long-term objectives.

Role of the Compensation Consultant

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

To assist in carrying out its responsibilities, the Compensation Committee has engaged Towers Watson, a nationally recognized compensation consulting firm, to assist us in analyzing competitive executive compensation levels and evaluating and implementing our compensation program. Our compensation consultant was not engaged by management to perform any work on behalf of management during 2010. The Compensation Committee considers our compensation consultant to be independent.

During 2010, our compensation consultant met with both management (at the request of the Compensation Committee to act as a liaison or prepare information) and the Compensation Committee jointly as well as individually and provided advice and recommendations regarding our Short and Long Term Incentive Compensation Plans for our employees, including our named executive officers. Our compensation consultant provided our Compensation Committee input on our director compensation program as well as competitive market compensation data and recommendations for pay levels for each component of our executive compensation program.

Our compensation consultant also provided advice and recommendations regarding our awards to both our named executive officers and our employee base as a whole. The compensation consultant attends Compensation Committee meetings as appropriate and consults with our Compensation Committee Chairman, and our Director of Human Resources, our Chief Executive Officer, and senior management team (as directed by the Compensation Committee) on compensation related issues.

Market Reference Data

In August 2010 our compensation consultant provided a competitive market analysis of the pay levels for our five named executive officers relative to the practices of a peer group of 12 public REITs with significant office portfolios as well as market practices based on the NAREIT 2010 Compensation and Benefits Survey. The peer group consisted of the following companies:

Brandywine Realty Trust	Highwoods Properties, Inc.
Brookfield Properties	Kilroy Realty Corporation
Corporate Office Properties Trust	Liberty Property Trust
Cousins Properties Incorporated	Mack-Cali Realty Corporation
Douglas Emmett, Inc.	Parkway Properties
Duke Realty Corporation	SL Green Realty Corp

The above peer group is unchanged from 2009 with the exception that the Compensation Committee eliminated Maguire Properties, Inc given the recent volatility in that company's stock and underlying financial performance. Piedmont's size is generally positioned near the middle of the peer group, and Piedmont's 2009 performance was generally in the upper half of the peers, with the exception of return on average equity, which was at the 44th percentile.

We apply our compensation policies to all of our named executive officers on the same basis, with differences in compensation opportunities between each of our executive officers reflecting each of the officers' roles and responsibilities within our Company, as well as market pay practices. Our assessment of market pay is primarily driven by comparing our pay practices for each of our named executive officers with the pay practices for their comparable position reflected in the market reference data as follows:

Name	Title	Market Data	
		Primary Match	Secondary Match
Donald A. Miller	President and CEO	Peer Group Chief Executive Officer	NAREIT Chief Executive Officer
Robert E. Bowers	Chief Financial Officer	Peer Group Chief Financial Officer	NAREIT Chief Financial Officer
Raymond L. Owens	EVP Capital Markets	NAREIT Head of Capital Markets/ Peer Group Average 3 rd -4 th Highest Paid Executive	
Carroll A. Reddic	EVP Real Estate Operations	NAREIT Head of Asset Management/ Peer Group Average 3 rd -4 th Highest Paid Executive	
Laura P. Moon	Chief Accounting Officer	NAREIT Chief Accounting Officer	

In general, our Chief Executive and Chief Financial Officers' target compensation opportunities were compared to the peer group primarily and NAREIT survey secondarily based on positional match. Because sufficient position matches were not available within the peer group for our Executive Vice Presidents, our pay practices for each of these officers were compared with the pay practices for the 3rd-4th most highly compensated individuals (averaged) for the peer group. Because the 3rd-4th most highly compensated individuals at one or more of these peer group companies may not perform the same duties and have the same responsibilities as our Executive Vice Presidents, our Compensation Committee places less emphasis on the market reference data in the case of the Executive Vice Presidents, and also considered market pay practices based on position specific matches within the NAREIT 2010 compensation survey. Our Chief Accounting Officer's target compensation opportunity was compared to the NAREIT survey exclusively based on positional match.

The following compensation elements were considered in the market analysis:

Annual base salary;

Annual incentive opportunity target and actual;

Total cash compensation base salary and annual short term incentive (target and actual);

Long-term incentives expected value of equity grants made during fiscal year 2009 (where relevant, multi-year performance plan target awards were amortized over the requisite performance period); and

Total direct compensation total cash compensation (target and actual) and long-term incentives.

The Compensation Committee noted that executives within the peer group in some cases received significant value in other compensation, including perquisites, supplemental retirement benefits, dividends paid on unvested restricted shares, and other special one-time payments. This other compensation was excluded from the analysis as it has not been the Company's historical practice to pay such items.

The below chart details the competitive positioning of Piedmont's executive pay relative to the market median:

Name	Title	Base Salary	Piedmont Compensation vs Market Median						
			Total Cash Compensation		Long-Term Incentive Compensation		Total Direct Compensation		
			Target	Actual	Target	Actual	Target	Actual	
Donald A. Miller	President and CEO			q		p		p	
Robert E. Bowers	Chief Financial Officer				q		p		p
Raymond L. Owens	EVP Capital Markets	q	q	q	q	q	q	q	q
Carroll A. Reddic	EVP Real Estate Operations	q	q	q	q	q	q	q	q
Laura P. Moon	Chief Accounting Officer					p		p	

p >10% above Median

± 10% around the Median

q > 10% below the Median

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

In comparison to our targeted median compensation, our Chief Executive and Chief Financial Officers' actual total direct compensation approximates median market practices. Our Executive Vice Presidents' actual total direct compensation is less than the median relative to their peers due to both their lack of positional matches as described above as well as their relatively short tenure in their positions. Ms. Moon's actual total direct compensation was above the median due to her long-term incentive compensation and as such, the Compensation Committee reduced her long-term incentive target for 2010 to better approximate market pay conditions for her position.

In addition to considering market reference data set forth above in making decisions about our named executive officers' compensation opportunities and actual compensation to be paid, the Compensation Committee considers other factors such as each executive officer's experience, scope of responsibilities, performance and prospects; internal equity in relation to other executive officers with similar levels of experience, scope of responsibilities, performance, and prospects; and individual performance of each named executive officer during their tenure with Piedmont.

Role of Executive Officers in Compensation Decisions

Our Chief Executive Officer annually reviews the performance of each of the other named executive officers. He also considers the recommendations of the compensation consultant as well as the recommendations of our Chief Financial Officer with regard to the performance of our Chief Accounting Officer. Based on this review and input, he makes compensation recommendations to the Compensation Committee for all executive officers other than himself, including recommendations for performance targets, base salary adjustments, the discretionary components of our short-term cash incentive compensation, and long-term equity-based incentive awards. The Compensation Committee considers these recommendations along with data and input provided by its compensation consultant. The Compensation Committee retains full discretion to set all compensation for the executive officers.

Summary of Employment Agreements with our Named Executive Officers

We are currently party to employment agreements with each of our named executive officers. These agreements were originally put in place in 2007 and renewed during 2009 and 2010 with no changes. Base salaries and target short-term cash incentive compensation (expressed as a percentage of their base salary) for the named executive officers for 2010 were as follows:

Name and Position	Annual Base Salary	Annual Short-Term Cash Incentive Compensation as a % of Base Salary		
		Threshold	Target	Maximum
Donald A. Miller, CFA Chief Executive Officer	\$ 624,000	50%	100%	175%
Robert E. Bowers Chief Financial Officer	\$ 410,000	40%	80%	120%
Laura P. Moon SVP and Chief Accounting Officer	\$ 209,000	25%	50%	75%
Raymond L. Owens EVP Capital Markets	\$ 235,000	35%	70%	105%
Carroll A. Reddic, IV EVP Real Estate Operations	\$ 237,500	35%	70%	105%

Term. The named executive officer employment agreements were effective in 2007. The initial employment periods ended on December 31, 2009 and were automatically extended for one year. The agreements continue to renew for successive one-year periods, unless either party gives 90 days written notice prior to the end of the renewal term or his or her employment otherwise terminates in accordance with the terms of the agreement.

Clawback. If we are required to prepare an accounting restatement due to our material noncompliance, as a result of misconduct, with any financial reporting requirement under the securities laws, Messrs. Miller and Bowers and Ms. Moon's agreements contain provisions that provide for the executives to reimburse us, to the extent required by Section 304 of the Sarbanes-Oxley Act of 2002, for any incentive-based or equity-based compensation received by the executives from us during the 12-month period following the first public issuance or filing with the SEC (whichever occurs first) of the financial document embodying such financial reporting requirement. In addition, each executive will reimburse us for any profits realized from the sale of our securities during that 12-month period.

Severance. Each of our named executive officers is entitled to receive severance payments under certain circumstances in the event that their employment is terminated. These circumstances and payments are described below under Potential Payments Upon Termination or Change of Control. Our Compensation Committee believes that the negotiation of these severance payments was an important factor in attracting the named executive officers to join us in 2007. The employment agreements with our named executive officers do not provide for tax gross ups in the event such payments are made.

Benefits. The named executive officers participate in the health and welfare benefit programs, including medical, dental and vision care coverage, disability, long-term care and life insurance, and our 401(k) plan that are generally available to the rest of our employees. We do not have any special benefits or retirement plans for our named executive officers other than an annual physical for our Chief Executive Officer.

Elements of 2010 Executive Compensation

The following is a discussion of the base salary, short-term cash incentive compensation and long-term equity compensation that we paid to the named executive officers for 2010.

Base Salary. Our Compensation Committee believes that payment of a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and qualified executives. The goal of our base salary program is to provide salaries at a level that allows us to attract and retain qualified executives while preserving significant flexibility to recognize and reward individual performance with other elements of the overall compensation program. Base salary levels also affect the short-term cash incentive compensation because each named executive officer's target opportunity is expressed as a percentage of base salary. The following items are generally considered by the Compensation Committee when determining base salary annual increases, however no particular weight is assigned to an individual item:

market data provided by the compensation consultant;

comparability to compensation practices of other office REITs of similar size;

our financial resources;

the executive officer's experience, scope of responsibilities, performance and prospects;

internal equity in relation to other executive officers with similar levels of experience, scope of responsibilities, performance, and prospects;

individual performance of each named executive officer during the preceding calendar year.

For 2010, management recommended and the Compensation Committee accepted a continuation of the base salary freeze for our named executive officers instituted during 2009 based on market conditions and pressure on commercial real estate rents and valuations in general.

In addition to an annual base salary review, the Compensation Committee may also consider a base salary review upon a promotion or other change in job responsibility; however no such adjustments were made during 2010.

Short-Term Cash Incentive Compensation Plan. The employment agreements described above provide for target cash incentive payments for each of the named executive officers as a percentage of base salary. Under our Short-Term Incentive Compensation Plan (the STIC Plan), the actual amounts earned under these employment agreements may be greater or less than target based on performance against the objectives set by the Compensation Committee at the beginning of each year.

Under the 2010 STIC Plan, there were five measures considered, four of which were consistent with previous years, and one of which (Total Shareholder Return Relative to Peers) was added for 2010. Each of the measures was assigned a weighting of 20%. Four of the measures were based on specific corporate metrics measured on a quantitative basis and the fifth measure, Board Discretion, was considered on a qualitative

basis. The maximum

performance goals are the same for all of our NEOs with the exception of our Chief Executive Officer for whom our Compensation Committee established higher maximum performance goals for each measure to provide additional incentive to our CEO to lead our company to its highest performance. The following table sets forth the minimum, target, and maximum goals for the four quantitative performance metrics set by the Compensation Committee for the NEOs and the actual performance for the year for the 2010 STIC Plan:

Measure	Threshold	Goal Target	Maximum(1)	Actual Performance
Adjusted Net Income per share	\$1.45	\$1.61	\$1.77	\$1.62
Core FFO Growth Relative to Peer Group	25 th Percentile	50 th Percentile	75 th Percentile	81.6 th Percentile
Weighted Average Committed Capital Per Sq. Foot	\$3.73	\$3.39	\$3.05	\$3.01
Total Shareholder Return Relative to Peers.	25 th Percentile	50 th Percentile	75 th Percentile	78.4 th Percentile

(1) The maximum goals for our Chief Executive Officer for 2010 were: \$1.85 for the Adjusted Net Income metric; 87.5 percentile for the FFO Growth Relative to Peer Group metric; \$2.88 for the Weighted Average Committed Capital Per Sq. Foot metric; and 87.5 percentile for the Total Shareholder Return Relative to Peers metric.

Adjusted Net Income (ANI) is an internally defined performance metric derived from our annual budget which mirrors the calculation of the widely recognized Funds From Operations (FFO) metric that is used in the real estate industry, with the exception that certain non-recurring items such as lease termination income and expense and impairment charges are either removed or matched to occur in the same period regardless of when such items would be recognized in an FFO calculation.

FFO growth relative to the peer group set forth above (see Market Reference Data for a complete description of the peer group) is considered important because a company's ability to grow FFO from year to year is one indicator of the multiple that will be assigned to our company when an equity analyst values our company's securities. The definition of FFO used for purposes of this metric excludes impairment charges. The target performance level for this metric was equal to the median of the peer group. Additionally, the calculation of the award associated with this particular metric is capped at target if Piedmont's FFO growth is negative, as was the case for 2010. Brookfield Properties was excluded from the comparison for this metric as they have adopted International Financial Reporting Standards and their FFO calculation is no longer comparable to Piedmont or the other members of the peer group.

Weighted Average Committed Capital per Square Foot measures the future capital outlays that our management team has committed to in order to execute leases during the current year. This metric serves as a cross-check to ensure that management does not trade long-term capital expenditures to procure short-term growth in FFO. The target performance level for this metric is based on goals for commitments that are market specific and the weighted average performance goal is a function of the level of actual leasing activity in our respective markets.

Total Shareholder Return Relative to Peers was a new component added to the 2010 STIC Plan by our Compensation Committee based on the recommendation of our independent compensation consultant and feedback provided by the investment community as a direct result of our new publicly listed status. The metric compares our annual total shareholder return (TSR) (calculated as the difference between beginning and ending stock price for the period and giving effect to dividends paid during the period, expressed as a percentage of beginning stock price) to the performance of the peer group (see Market Reference Data for a complete description of the peer group). Beginning price was based on average closing price for our initial twenty trading days and end price is based on the average closing price for the last twenty trading days of the year. The target performance level for this metric is the 50th percentile of the peer group and payout is capped at target if TSR is negative.

The Board Discretion component is considered important as it allows the Compensation Committee to appropriately reward aspects of the management team's or individual's performance that may not be captured through the use of the quantitative metrics.

The Compensation Committee established targets for the above metrics that were considered achievable, but not without above average performance.

In February 2011, company and individual performance for the 2010 service period was assessed by the Compensation Committee in accordance with the terms of the 2010 STIC Plan described above and awards to each of the named executive officers were made as follows:

Name	2010 Target Annual Incentive (\$)	2010 Target Annual Incentive as a % of Annual Base Salary	2010 Actual Annual Incentive (\$)	2010 Actual Annual Incentive as a % of Annual Base Salary
Mr. Miller	624,000	100%	769,202	123%
Mr. Bowers	328,000	80%	415,904	101%
Ms. Moon	104,500	50%	126,134	60%
Mr. Owens	164,500	70%	198,555	84%
Mr. Reddic	166,250	70%	200,668	84%

The Compensation Committee determined each executive's actual award set forth above based on actual performance for the four performance metrics under the 2010 STIC Plan as shown in the table above. For the Board Discretion component, the committee determined that payout should be made at or above target for each named executive officer after considering the overall performance of the company for fiscal 2010 as well as the individual performance of each officer. The Compensation Committee further determined that the calculated payout for each of the NEOs was appropriate after considering each NEO's performance review by the CEO and the Compensation Committee's subjective assessment of their individual contributions during 2010.

Long-Term Incentive Compensation Plan. The objective of our Long-Term Incentive Compensation Plan (LTIC Plan) is to attract and retain qualified personnel by offering an equity-based program that is competitive with our peer companies and that is designed to encourage each of our named executive officers, as well as our broader employee base, to balance long-term company performance with short-term company goals and to foster employee retention.

2007 Omnibus Incentive Plan. The stockholder approved plan is designed to provide us with the flexibility to offer performance-based compensation, including stock and cash-based incentive awards, as part of an overall compensation package to attract, motivate, and retain qualified personnel. Officers, employees, non-employee directors, and consultants of ours and our subsidiaries are eligible to be granted cash awards, stock options, stock appreciation rights, restricted stock, deferred stock awards, other stock-based awards, dividend equivalent rights, and performance-based awards under the plan at the discretion of our Compensation Committee.

The Compensation Committee considered that, as a REIT, the grant of restricted stock awards is appropriate because our high dividend distribution requirements lead to a significant portion of our total stockholder return being delivered through our dividends. In the future, we anticipate that any additional awards granted will continue to be in the form of restricted stock, although we may consider other equity and cash-based programs to the extent they more effectively meet our program objectives and provide more favorable tax treatment to us or the individual employee. We feel that appropriately designed equity awards, particularly those with future vesting provisions, align our employees' interests with our own interests and those of our stockholders, thereby motivating their efforts on our behalf and strengthening their desire to remain with us.

Grants in 2010 under LTIC Plan. On May 24, 2010 the Compensation Committee granted equity awards pursuant to our LTIC Plan for the 2009 service period. Awards were in the form of restricted stock and were granted

in accordance with the terms of the 2007 Omnibus Incentive Plan described above. Of the awards granted, 25% vests immediately, while the remaining 75% vests ratably over the next three years on the grant anniversary date. Dividends are not paid on unvested shares. For information on the number of shares of restricted stock granted to each of the named executive officers during 2010, see Grants of Plan Based Awards below.

The Compensation Committee had previously established four performance measures for 2009 to be considered in determining the equity grant. While such measures establish a framework for the Compensation Committee to evaluate performance, the pool of shares granted is established on the grant date by the Compensation Committee in its sole discretion irrespective of actual performance. The following table sets forth the target goals for the three quantitative measures and weights assigned to each measure as well as the actual results for each performance measure (dollars in millions):

Measure	Threshold	Goal Target	Maximum	Actual	Weight
Adjusted Net Income Target	\$245.1	\$272.3	\$299.6	\$272.4	25%
Annual Comparison to NCREIF Office sub-index	Underperform Target by five percentage points	Match the return of the sub-index	Outperform Target by five percentage points	N/A see discussion below	25%
Return on Invested Capital	5.1%	7.6%	10.1%	7.6%	20%
Board Discretion	Qualitative	Qualitative	Qualitative	Qualitative	30%

Adjusted Net Income (ANI) is an internally defined performance metric derived from Piedmont's annual budget which mirrors the calculation of the widely recognized Funds From Operations (FFO) metric that is used in the real estate industry with the exception that certain non-recurring items such as lease termination income and expense and impairment charges are either removed or matched to occur in the same period regardless of when such items would be recognized in an FFO calculation.

The Annual Comparison to the National Council of Real Estate Investment Fiduciaries (NCREIF) Office sub-index was important because it compared our annual dividend income as well as appreciation or depreciation of our underlying assets (as measured by comparing the change in our Net Asset Value per share from period to period) to that of a broader private office market index. Target performance was defined as delivering a return equal to that of the index. Due to the listing of our common stock during 2010, we were no longer required to calculate our Net Asset Value per share and the 25% weighting of this component was reallocated to the Board Discretion component for awards granted in 2010.

Return on Invested Capital (defined as Earnings Before Interest and Depreciation as a percentage of our gross assets) compares our return with a target that approximates our weighted average cost of capital and is considered important because it measures how efficiently we deploy the capital that we have raised.

The targets that the Compensation Committee established for the above quantitative metrics were considered achievable, but not without above average performance. For example, Adjusted Net Income is highly dependent on the achievement of certain leasing goals and the close management of operating and interest expense. The annual comparison to the NCREIF office sub-index target is objectively determined based on the performance of the broader office market and the Return on Invested Capital target is objectively determined by calculating our overall weighted average cost of capital.

The Board Discretion component allows the Compensation Committee to appropriately recognize aspects of the management team's or individual's performance that may not be captured through the use of the quantitative metrics.

As noted above, the metrics established for 2009 represented a framework for the Compensation Committee's consideration in determining the annual grant.

The targeted number of shares that each NEO was eligible to earn under the LTIC for the 2009 service period was determined based on recommendations from our compensation consultant regarding comparability with awards to officers of our peer group of office REITs as well as taking into consideration each officer's salary and experience level. The actual number of shares that each individual NEO earned was determined by increasing or decreasing the targeted number of shares established by our Compensation Committee based on actual performance against the performance measures based on pre-established increments for each measure. For the number of stock awards granted, see the Grants of Plan Based Awards table below. The Compensation Committee believes these awards promote a performance-focused culture by rewarding employees based upon achievement of company goals and individual performance, but also motivate our employees to remain with us for an extended period of time as, although the magnitude of the award is performance based, the employee must satisfy additional tenure requirements for the entire award to vest.

Special Grant in 2010. On May 24, 2010, our compensation committee recommended and the board of directors approved special discretionary restricted stock grants to management and certain employees in recognition of their efforts in achieving the listing and concurrent offering of the Company's common stock in February 2010. The Committee approved a pool of shares valued at \$1,000,000 with discretion for management to allocate such pool (except with regard to the allocation to the CEO which was determined by the board of directors), subject to final approval by the compensation committee and the board of directors. See Grants of Plan Based Awards table below for individual IPO Award grants made pursuant to this award for each of our named executive officers. Of the awards granted, 33.33% vests ratably over the next three years beginning on the grant anniversary date. Dividends are not paid on unvested shares.

2010 LTIC Plan. As a result of our new publicly listed status, on May 11, 2010, the Compensation Committee replaced half of our NEOs previous LTIC opportunities with a Multi-Year Performance Share Compensation Program (the Performance Share Program). The purpose of the Performance Share Program is to motivate and reward long term performance over a multi-year period. The Performance Share Program provides participants with the opportunity to earn shares of Piedmont stock based on our total shareholder return (TSR) performance relative to the peer group. Participants have a defined target award expressed as a number of shares. The target number of shares established for each participant may be earned if Piedmont's TSR is at the median of the peer group, up to 200% of target may be earned if Piedmont's TSR is at or above the 75th percentile of the peer group, and up to 50% of target may be earned if Piedmont's TSR at the 25th percentile of the peer group. No shares are earned if Piedmont's TSR is below the 25th percentile. If our return is between the 25th and 75th percentile, the payout will adjust on a straight-line basis. Performance cycles will overlap, with a new three-year performance cycle beginning each year.

The other half of the 2010 Long-Term Incentive Compensation Plan is comprised of an annual restricted stock grant opportunity (materially consistent with the 2009 LTIC Plan) that provides for four performance measures to be considered, with target goals for the three quantitative measures and weights assigned to each measure (dollars in millions except per share amounts) as follows:

Measure	Threshold	Goal Target	Maximum	Weight
Actual Adjusted Net Income per share ⁽¹⁾ vs. Budget	\$ 1.45	\$ 1.61	\$ 1.77	25%
Actual Adjusted Funds From Operations Before Capital Expenditures ⁽¹⁾ vs. Budget	\$242.0	\$268.9	\$295.8	25%
Actual General and Administrative Expense ⁽¹⁾ vs. Budget	\$ 30.0	\$ 27.2	\$ 24.5	25%
Board Discretion/Individual Performance	Qualitative	Qualitative	Qualitative	25%

⁽¹⁾ Before the accounting impact of the transition to the new multi-year performance share component of the 2010 LTIC

The general goal of the Compensation Committee is for each participant's LTIC Plan opportunity to be divided equally between the annual restricted stock grant program and the Performance Share Program. For the initial 2010-2012 performance period, each participant's Performance Share opportunity was increased 50% and each participant will have the opportunity to earn a portion of the shares annually. The purpose of this special treatment for the initial three-year performance period is to transition from our historic practice of making all awards over a one-year performance period to making a portion of awards over a three-year performance period, without negatively impacting each participant's total annual award opportunity. Shares may be earned up to one-sixth of the total opportunity after the first year, up to 50% of the total opportunity (cumulatively) after the second year, and up to the full opportunity (cumulatively) after the third year. For performance cycles beginning after 2010, we expect that awards will be earned following the full three-year performance period only.

The threshold, target, and maximum dollar value of both the restricted stock award opportunity and the performance share opportunity that each of our named executives is eligible to earn under the terms of the 2010 LTIC Plan is set forth in the "Grants of Plan Based Awards" table below.

Upon the collection of all data which factored into the performance measures set forth above, the actual shares available to be awarded for 2010 were calculated based on actual performance against the measures above. Individual awards to each of the named executive officers were determined by the compensation committee in April 2011.

Share Ownership Guidelines

During 2010, our Compensation Committee also established stock ownership guidelines whereby our named executive officers will be required to own stock equal to the lesser of:

Shares with a value equal to a specified multiple of their base salary; or

A specific number of shares.

Executives will be required to achieve their ownership requirement by year end 2014 and will be required to hold 60% of the shares they are granted pursuant to our LTIC plan, net of taxes, until meeting their ownership guidelines outlined as follows:

	Lesser Of:	
	Multiple of Salary	Shares of Stock
Chief Executive Officer	5x	195,000
Chief Financial Officer	3x	75,000
EVP Capital Markets	2x	30,000
EVP Real Estate Operations	2x	30,000
Chief Accounting Officer	1.5x	19,500

The Impact of Regulatory Requirements on Compensation

Section 162(m) of the Code limits to \$1 million a publicly held company's tax deduction each year for compensation to any covered employee, except for certain qualifying performance-based compensation. Although to date our compensation has complied with Section 162(m), as long as we qualify as a REIT we do not pay taxes at the corporate level; therefore, we believe any potential future loss of deductibility of compensation which may occur would not have a significant adverse impact on us.

To the extent that any part of our compensation expense does not qualify for deduction under Section 162(m), a larger portion of stockholder distributions may be subject to federal income tax as ordinary income rather than return of capital, and any such compensation allocated to our taxable REIT subsidiary whose income is subject to federal income tax would result in an increase in income taxes due to the inability to deduct such compensation.

Although we and the Compensation Committee will be mindful of the limits imposed by Section 162(m), even if it is determined that Section 162(m) applies or may apply to certain compensation packages, we nevertheless reserve the right to structure compensation packages and awards in a manner that may exceed the limitation on deduction imposed by Section 162(m).

⁽¹⁾ The amount of the 2010 stock award is not comparable with previous years presented as SEC rules require the inclusion of the aggregate grant date fair value of the new 2010 Performance Share Program discussed above, even though there can be no guarantee that such amounts will ultimately be earned by the executive.

⁽²⁾ Represents payments made in March 2011 under our STIC Plan for the service year ended December 31, 2010.

⁽³⁾ Represents the aggregate grant date fair value of two restricted stock awards and the Performance Share Program granted during 2010 estimated as the total expense associated with each grant to be recognized for financial statement reporting purposes over the respective service period associated with each grant calculated in accordance with Accounting Standards Codification (ASC) Topic 718, Share-Based Payments. Pursuant to SEC rules the values are not reduced by an estimate for the probability of forfeiture. The aggregate grant date fair value of the 2009 annual restricted stock award granted in 2010 for the service year ended December 31, 2009 and the special IPO Award granted during 2010 were both based on the closing price of our Class A Common stock on the May 24, 2010 grant date of \$18.71 per share reduced by the present value of dividends foregone on the unvested portion of the shares discounted at the appropriate risk-free interest rate. The aggregate grant date fair value of the 2010 Performance Share Program put in place in 2010 is based on an estimated fair value per share as of the grant date of \$28.44 per share which was estimated utilizing a Monte Carlo valuation model that models the plan's potential payoff depending on Piedmont's and its peer group's future stock price movements. The value of the Performance Share Program

award at the grant date assuming the highest level of performance conditions were achieved would have been \$39.60 per share, or the following amounts (in 000 s): Miller - \$2,625; Bowers - \$1,050; Moon - \$225; Owens - \$375; and Reddic - \$375. For more information on the assumptions made in connection with the valuation of these awards, see Note 14 to the notes to our consolidated financial statements in our 2010 Annual Report on Form 10-K.

- (4) Represents the aggregate grant date fair value of restricted stock awards granted during 2009 and 2008 estimated as the total expense associated with each grant to be recognized for financial statement reporting purposes over the respective service period associated with each grant calculated in accordance with ASC Topic 718. Pursuant to SEC rules the values are not reduced by an estimate for the probability of forfeiture. As our stock was not traded during 2009 or 2008, we estimated the fair value of awards on their grant dates based on the estimated net asset value per share price of \$22.20 and \$26.10 per share, respectively, reduced by the present value of dividends foregone on the unvested portion of the shares discounted at the appropriate risk-free interest rate. For more information on the assumptions made in connection with the valuation of these awards, see Note 14 to the notes to our consolidated financial statements in our 2010 Annual Report on Form 10-K.
- (5) All other compensation for 2010 was comprised of the following:

Name and Principal Position	Matching Contributions to 401(k) (\$)	Premium for Company Paid Life Insurance (\$)	Dividends Paid on Restricted Stock Awards Vesting Subsequent to Original Grant Date (\$)	Total Other Compensation (\$)
Donald A. Miller, CFA	16,500	216	45,935	62,651
Robert E. Bowers	22,000	216	22,130	44,346
Laura P. Moon	16,500	216	8,989	25,705
Raymond L. Owens	22,000	216	17,480	39,696
Carroll A. Reddic, IV	16,500	216	8,988	25,704

The above benefits and dividends were paid pursuant to the same benefit plans offered to all of our employees and at the same dividend rate as all of our stockholders, respectively.

Outstanding Equity Awards at Fiscal Year-End

The following table provides information regarding unvested stock awards held by our named executive officers as of December 31, 2010 as well as equity incentive plan awards that had not been earned or vested as of December 31, 2010. All market values were determined by multiplying the number of shares of stock that have not vested or the number of unearned unvested shares by the closing price of our Class A common stock on December 31, 2010 of \$20.14 per share. All equity incentive programs were established pursuant to the 2007 Omnibus Incentive Plan and no options to purchase shares of our common stock have ever been awarded or granted to our named executive officers.

Potential Payments upon Termination or Change of Control

The employment agreements with our named executive officers provide that upon termination of employment either by us without cause or by the executive for good reason (each as generally defined below), the executive will be entitled to the following severance payments and benefits:

With respect to Messrs. Miller and Bowers:

Any unpaid annual salary that has accrued, payment for unused vacation, any earned but unpaid annual bonus for the previous year, unreimbursed expenses, and any rights granted the executive pursuant to our 2007 Omnibus Incentive Plan (all of which we collectively refer to as Accrued Benefits);

a pro-rated annual bonus for the then-current year, and upon execution of a release of any claims by the executive, an amount equal to two times the sum of (1) his annual salary then in effect, and (2) the average of his annual bonus for the three years prior to the year of termination; and

two years of continuing medical benefits for the executive and the executive's spouse and eligible dependents.

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

With respect to Mr. Reddic, Mr. Owens, and Ms. Moon:

any Accrued Benefits;

a pro-rated annual bonus for the then-current year, and upon execution of a release of any claims by the executive, an amount equal to the sum of (1) the executive's annual salary then in effect, and (2) the average of the executive's annual bonus for the three years prior to the year of termination; and

one year of continuing medical benefits for the executive and the executive's spouse and eligible dependents.

Pursuant to the employment agreements, "cause" means any of the following:

any material act or material omission by the executive which constitutes intentional misconduct in connection with our business or relating to the executive's duties or a willful violation of law in connection with our or relating to the executive's duties;

an act of fraud, conversion, misappropriation or embezzlement by the executive of our assets or business or assets in our possession or control;

conviction of, indictment for or entering a guilty plea or plea of no contest with respect to a felony, or any crime involving any moral turpitude with respect to which imprisonment is a common punishment;

any act of dishonesty committed by the executive in connection with our business or relating to the executive's duties;

the willful neglect of material duties of the executive or gross misconduct by the executive;

the use of illegal drugs or excessive use of alcohol to the extent that any of such uses, in the board of directors' good faith determination, materially interferes with the performance of the executive's duties;

any other failure (other than any failure resulting from incapacity due to physical or mental illness) by the executive to perform his material and reasonable duties and responsibilities as an employee, director or consultant; or

any breach of the affirmative covenants made by the executive under the agreement; any of which continues without cure, if curable, reasonably satisfactory to the board of directors within ten days following written notice from us (except in the case of a willful failure to perform his or her duties or a willful breach, which shall require no notice or allow no such cure right).

Subject to certain cure rights available to us, "good reason" shall be present where the executive gives notice to the board of directors of his or her voluntary resignation following either:

our failure to pay or cause to be paid the executive's base salary or annual bonus when due;

a material diminution in the executive's status, including, title, position, duties, authority or responsibility;

a material adverse change in the criteria to be applied with respect to the executive's target annual bonus for the current fiscal year as compared to the prior fiscal year (unless Executive has consented to such criteria);

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

the relocation of our executive offices to a location outside of the Atlanta, Georgia metropolitan area without the consent of the executive;

our failure to provide the executive with awards under the 2007 Omnibus Incentive Plan that are reasonably and generally comparable to awards granted to our other executive officers under the plan;

the occurrence of a change of control of the company; or

solely with respect to Mr. Miller, the failure of the board of directors (or its Nominating and Corporate Governance Committee) to nominate Mr. Miller to the board of directors.

If we notify the executive that we are not renewing the initial term of the employment agreement, or any renewal term, and the executive's employment thereafter terminates as a result of the expiration of the term, the executive is entitled to receive the following severance payments and benefits:

With respect to Mr. Miller and Mr. Bowers:

Any Accrued Benefits;

a pro-rated annual bonus for the then-current year, and upon execution of a release of any claims by him, an amount equal to two times the sum of (1) his annual salary, and (2) the average of his annual bonus for the three years prior to the year of termination; and

one year of continuing medical benefits for the executive and the executive's spouse and eligible dependents.

With respect to Mr. Reddic, Mr. Owens, and Ms. Moon, the same payments and benefits that would be payable upon a termination by us without cause or by the executive with good reason.

If the executive notifies us that he or she is not renewing the initial term of the employment agreement, or any renewal term, he or she is not entitled to receive any severance pay or benefits. If he or she continues to be employed by us after either of us give 90 days prior written notice of non-renewal, his or her employment will be at-will, and the agreement will terminate, except for certain surviving provisions.

If the executive's employment terminates upon his or her death or disability (which is defined in the agreements to mean physical or mental incapacity whereby the executive is unable with or without reasonable accommodation for a period of six consecutive months or for an aggregate of nine months in any twenty-four consecutive month period to perform the essential functions of the executive's duties) the following will occur:

With respect to Mr. Miller and Mr. Bowers:

his estate or legal representative is entitled to receive any Accrued Benefits and a pro-rated annual bonus for the then-current year;

any grants made to the executive that are subject to a time-based vesting condition shall become vested and the number of any unvested Performance Share Program awards earned shall vest on a pro-rated basis considering the number of service months worked as compared to the total service months of the plan;

his estate or legal representative, upon execution of a release, is entitled to an amount equal to two times the sum of (1) his annual salary then in effect and (2) the average of his annual bonus for the three years prior to the year of termination; and

one year of continuing medical benefits for the executive and/or the executive's spouse and eligible dependents.

With respect to Mr. Reddic, Mr. Owens and Ms. Moon:

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

his or her estate or legal representative is entitled to receive any Accrued Benefits and a pro-rated annual bonus for the then-current year;

any grants made to the executive that are subject to a time-based vesting condition shall become vested and the number of any unvested Performance Share Program awards earned shall vest on a pro-rated basis considering the number of service months worked as compared to the total service months of the plan;

his or her estate or legal representative, upon execution of a release, is entitled to an amount equal to the sum of (1) the executive's annual salary then in effect and (2) the average of the executive's annual bonus for the three years prior to the year of termination; and

one year of continuing medical benefits for the executive and/or the executive's spouse and eligible dependents.

Under the employment agreements, if an executive resigns without good reason (which includes retirement), or if we terminate an executive for cause, then such executive is only entitled to receive his or her Accrued Benefits.

In the event of a termination of employment resulting from a change of control event, the employment agreement with each of our named executive officers provides that such termination will be deemed a termination by the executive for good reason, and any previously issued equity grants subject to time-based vesting conditions as well as the number of any unvested Performance Share Program awards earned on a pro-rated basis considering the number of service months worked as compared to the total service months of the plan will immediately become vested. The employment agreements do not provide for tax gross ups in the event such payments are made.

The following table summarizes the potential cash payments and estimated equivalent cash value of benefits that would be payable to the named executive officers under the terms of their employment agreements described above upon termination of those agreements under the various scenarios listed below, assuming the event occurred on December 31, 2010:

disability insurance payouts in the event of disability.

Compensation of Directors

We pay our non-employee directors a combination of cash and equity compensation for serving on the board of directors.

Cash Compensation

As compensation for serving on board of directors, we pay each of our independent directors an annual retainer of \$35,000 and we pay our chairman of the board an additional \$65,000 annually. We also pay annual retainers to our committee chairmen in the following amounts:

\$10,000 to the chairman of the Audit Committee;

\$7,500 to the chairman of the Compensation Committee; and

\$5,000 to the chairman of each of our other committees.

In addition, we pay our independent directors for attending board and committee meetings as follows:

\$1,500 per regularly scheduled board meeting attended;

\$750 per special board meeting attended; and

\$1,500 per committee meeting attended (except that members of the Audit Committee will be paid \$2,500 per meeting attended for each of the four meetings necessary to review our quarterly and annual financial statements).

All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors. We do not provide any perquisites to our directors.

Annual Independent Director Equity Awards

On May 11, 2010, the board of directors approved an annual equity award pursuant to the 2007 Omnibus Incentive Plan for each of the independent directors of \$50,000 payable in the form of 2,525 shares of our common stock. The annual equity awards were determined based on the advice and recommendation of our compensation consultant after considering the peer group described above.

The following table sets forth information regarding the compensation that we paid to our directors during the year ended December 31, 2010. Mr. Miller did not receive any additional compensation for his service as director in 2010.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is responsible for, among other things, reviewing and approving compensation for the executive officers, establishing the performance goals on which the compensation plans are based and setting the overall compensation principles that guide the committee's decision-making. The Compensation Committee has reviewed the Compensation Discussion and Analysis ("CD&A") and discussed it with management. Based on the review and the discussions with management, the Compensation Committee recommended to the board of directors that the CD&A be included in this 2010 proxy statement and the Annual Report on Form 10-K for the year ended December 31, 2010.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee is or has been employed by us. None of our executive officers currently serves, or in the past three years has served, as a member of the board of directors or Compensation Committee of another entity that has one or more executive officers serving on our board of directors.

COMPENSATION POLICIES AND PRACTICES AS THEY RELATE TO RISK MANAGEMENT

To address potential risk to our stockholders our Compensation Committee designed our compensation programs with the following characteristics:

the Compensation Committee of the Board of Directors has discretion to reduce any award that is earned based on achievement of performance goals. If the Compensation Committee believes that any of the targets set forth in the compensation plans has been

Edgar Filing: Piedmont Office Realty Trust, Inc. - Form DEF 14A

achieved in a manner that is not consistent with the long-term best interests of the Company's stockholders, or believes that the overall

compensation to be paid under the terms of the plan is not appropriate for any reason, the Compensation Committee may adjust down the calculated compensation associated with that plan accordingly;

oversight of programs (or components of programs) by a broad-based group of individuals, including human resources, finance, internal audit, and a third-party compensation consultant;

a mix of compensation elements that provide focus on both short- and long-term goals as well as cash and equity-based compensation so as not to inappropriately emphasize one measure of our performance;

caps on the maximum payouts available under certain incentive programs, including both short and long-term incentive plans;

performance goals within incentive programs that reference reportable, broad-based financial metrics;

setting performance goals that are intended to be challenging yet provide employees a reasonable opportunity to reach the threshold amount, while requiring meaningful performance to reach the target level and substantial performance to reach the maximum level;

equity compensation awards that may be earned or vest over a number of years ensuring that our executives' interests align with those of our stockholders over the long term; and

stock ownership guidelines that require our executive officers to accumulate and maintain a significant ownership interest in the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review, Approval or Ratification of Transactions with Related Persons

Our Code of Ethics, which is posted on our Web site at www.piedmontreit.com, prohibits directors and executive officers from engaging in transactions that may result in a conflict of interest with us. Our audit and nominating and corporate committees review any transaction a director or executive officer proposes to have with us that could give rise to a conflict of interest or the appearance of a conflict of interest, including any transaction that would require disclosure under Item 404(a) of Regulation S-K. In conducting this review, these committees ensure that all such transactions are approved by a majority of the board of directors (including a majority of independent directors) not otherwise interested in the transaction and are fair and reasonable to us and on terms not less favorable to us than those available from unaffiliated third parties. No transaction has been entered into with any director or executive officer that does not comply with those policies and procedures. There were no transactions in 2010 that would require disclosure under Item 404(a) of Regulation S-K.

AUDIT COMMITTEE REPORT

Report of the Audit Committee

The following Report of the Audit Committee to stockholders is not soliciting material and is not deemed filed with the SEC and is not to be incorporated by reference in any filing of Piedmont under the Securities Act of 1933 (Securities Act) or the Securities Exchange Act of 1934 (Exchange Act), whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Pursuant to the Audit Committee Charter adopted by the board of directors of Piedmont, the Audit Committee's primary function is to assist the board of directors in fulfilling its oversight responsibilities by overseeing the independent auditors and reviewing the financial information to be provided to the stockholders and others, the system of internal control over financial reporting which management has established, and the audit and financial reporting process. The Audit Committee is composed of three independent directors and met five times in fiscal year 2010. Management of Piedmont has the primary responsibility for the financial statements and the reporting process, including the system of internal control over financial reporting. Membership on the Audit Committee does not call for the professional training and technical skills generally associated with career professionals in the field of accounting and auditing. In addition, the independent auditors devote more time and have access to more information than does the Audit Committee. Accordingly, the Audit Committee's role does not provide any special assurances with regard to the financial statements of Piedmont, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors.

In this context, in fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality and acceptability of the financial reporting and controls of Piedmont; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality and acceptability of the financial and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, as amended, AICPA, Professional Standards, Vol. 1 AU, Section 380 as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and other standards of the Public Company Accounting Oversight Board, rules of the Securities and Exchange Commission, and other applicable regulations. The Audit Committee also received from and discussed with the independent auditors the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board relating to that firm's independence from Piedmont and has discussed with that firm their independence. In addition, the Audit Committee considered the compatibility of non-audit services provided by the independent auditors with the auditors' independence.

The Audit Committee discussed with the independent auditors the overall scope and plans for their audits. The Audit Committee meets periodically with the internal auditor and the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the internal controls, and the overall quality of the financial reporting of Piedmont.

In reliance on these reviews and discussions, the Audit Committee approved the audited financial statements of Piedmont be included in its Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the Securities and Exchange Commission. The board of directors approved the Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the Securities and Exchange Commission.

HOUSEHOLDING

The SEC has adopted a rule concerning the delivery of disclosure documents. This procedure is referred to as Household. This rule benefits both you and Piedmont. It reduces the volume of duplicate information received at your household and helps Piedmont reduce expenses. Each stockholder subject to Household will continue to receive a separate proxy card or voting instruction card.
