**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On May 17, 2011, the stockholders of CSG Systems International, Inc. (the Company or CSG) approved the material terms of the revised performance goals that may apply to awards to certain executive officers under the CSG Systems International, Inc. Performance Bonus Program (the Bonus Program).

The Bonus Program, which is administered by the Compensation Committee of CSG's Board of Directors (the Compensation Committee), provides for the payment of annual cash bonus awards for: (i) the persons designated as executive officers of the Company; and (ii) any other employee of the Company who is or may be a covered employee of the Company as defined in Section 162(m)(3) of the Internal Revenue Code of 1986, as amended. The Bonus Program requires that, no later than ninety days after the beginning of each calendar year, the Compensation Committee establish in writing an annual performance bonus plan (the Annual Bonus Plan) that includes: (i) one or more performance goals that must be attained in order for a participant to receive a bonus award for such year; and (ii) the method, in terms of an objective formula or standard, for computing the amount of the bonus award if applicable performance goals are attained. The Bonus Program specifies the objective business criteria that the Annual Bonus Plan's performance goals are required to be based upon. Prior to the payment of bonus awards, the Compensation Committee must certify in writing that the applicable performance goals have been attained.

Under the 2011 Annual Bonus Plan, established in writing by the Compensation Committee and approved by the CSG's Board of Directors on March 1, 2011, the maximum amount of compensation payable as a performance award under the Bonus Program to a participant for any calendar year is 200% of the annual base salary of such participant as of the last day of such calendar year, based on the achievement of their individual performance objectives and the achievement of pre-established Company performance goals. The 2011 Annual Bonus Plan's performance goals are based on CSG's targeted 2011 revenue and 2011 operating income. If the lower end of the range of either of the 2011 Annual Bonus Plan performance goals is not achieved, then no bonus awards will be paid under the 2011 Annual Bonus Plan regardless of the achievement of individual performance objectives.
