Section 2 Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

Compass Group Diversified Holdings LLC (the Company) and Compass Diversified Holdings (Holdings) and, together with the Company, collectively CODI, us or we) acquires and manages small to middle market businesses in the ordinary course of its business. The following description relates to the recent divestitures of one such business.

Staffmark Holdings, Inc.

On October 17, 2011, the Company entered into a Stock Purchase Agreement (the Staffmark Purchase Agreement) with Recruit Co., LTD. and RGF Staffing USA, Inc. (collectively Recruit), pursuant to which the Company and all other shareholders of the Company's subsidiary business, Staffmark Holdings, Inc. (Staffmark), sold all of the issued and outstanding capital stock of Staffmark to Recruit. The total enterprise value for Staffmark was \$295 million.

The transaction is subject to typical escrow requirements and adjustment for certain changes in the working capital of Staffmark. The Staffmark Purchase Agreement contains customary representations, warranties, covenants and indemnification provisions.

At the closing, the Company received approximately \$220 million in cash in respect of its debt and equity interests in Staffmark and for the payment of accrued interest and fees after payments to non-controlling shareholders and payment of all transaction expenses. In addition, Staffmark is expected to receive a tax refund of approximately \$5 million from the recording of transaction expenses incurred in connection with the transaction, which refund, according to the terms of the Staffmark Purchase Agreement, will be distributed upon receipt to the Company and each other shareholder of Staffmark who sold shares of Staffmark. The profit allocation due to the Company's manager, Compass Group Management LLC (the Manager), for this sale is estimated to range from \$11 million to \$15 million, which is expected to be paid in the first quarter of 2012 and which amount has been previously expensed and reflected in CODI's supplemental put accrual. It is anticipated that CODI will recognize a gain of between \$75 million and \$90 million for the fiscal quarter ending December 31, 2011 as a result of the sale of Staffmark. The net proceeds will be used to repay substantially all of the outstanding debt under the Company's revolving credit facility with Madison Capital Funding LLC, as agent.

The Company's shareholders of record on October 17, 2011 will be allocated their share of the gain resulting from the sale of the Company's interest in Staffmark.

Shareholders are encouraged to consult with their own tax advisors with respect to the application of tax laws to their particular circumstances.

The foregoing brief description of the Staffmark Purchase Agreement is not meant to be exhaustive and is qualified in its entirety by the Staffmark Purchase Agreement itself, which is attached hereto as Exhibit 2.1. The Staffmark Purchase Agreement has been included to provide shareholders with information regarding its terms. It is not intended to provide any other factual information about CODI, Recruit or any other party to the Staffmark Purchase Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Staffmark Purchase Agreement, which subsequent information may or may not be fully reflected in the public disclosures of CODI, Recruit or any other party to the Staffmark Purchase Agreement.
