ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 22, 2012, Tenneco Inc. ("Tenneco") completed a previously announced refinancing of its senior credit facility by entering into an amendment and restatement of that facility as described below. Further, on March 22, 2012, Tenneco successfully completed its consent solicitation in connection with its previously announced cash tender offer for any and all of its outstanding \$250 million 8 1/8 percent Senior Notes due 2015 (the "2015 Notes"). Holders of approximately \$232 million aggregate principal amount of the outstanding 2015 Notes (approximately 92.64%) validly tendered their 2015 Notes as of the consent payment deadline and thus validly delivered the consents necessary for the proposed amendments to the indenture governing the 2015 Notes. On March 22, 2012, Tenneco accepted for purchase all such 2015 Notes validly tendered as of the consent payment deadline and entered into a supplemental indenture effecting the proposed amendments as described below.

Third Amended and Restated Credit Agreement

The Third Amended and Restated Credit Agreement, dated as of March 22, 2012, among Tenneco, JPMorgan Chase Bank, N.A., as administrative agent, and the other lenders party thereto (the "Amended and Restated Credit Facility") enhances Tenneco's financial flexibility by lowering annual interest expense and increasing the size and extending the term of its revolving credit facility. The Amended and Restated Credit Facility remains secured by substantially all of Tenneco's domestic assets and pledges of 65 percent of the stock of certain first-tier foreign subsidiaries, as well as guarantees by Tenneco's material domestic subsidiaries.

The Amended and Restated Credit Facility consists of a \$850 million revolving credit facility and a \$250 million term loan A facility, which replace Tenneco's former \$556 million revolving credit facility, \$148 million term loan B facility and \$130 million tranche B-1 letter of credit/revolving loan facility. The revolving credit facility and the term loan A facility will each mature on March 22, 2017. The term loan A facility is payable in 20 consecutive quarterly installments, commencing June 30, 2012, with 5% being paid each of the first two years, 10% for the third year, 15% for the fourth year and 65% the final year. The proceeds of the term loan A facility will be used to fund Tenneco's previously announced tender offer for any and all of its outstanding 2015 Notes.

Tenneco will pay LIBOR plus 2.50% on borrowings under the revolving credit facility and the term loan A facility. Tenneco previously paid LIBOR plus 4.00% on borrowings under its revolving credit facility and LIBOR plus 4.50% on borrowings under the term loan B facility. The interest rates payable under the Amended and Restated Credit Facility are subject to change if Tenneco's consolidated net leverage ratio changes.

The Amended and Restated Credit Facility continues to include customary provisions that could require all amounts due thereunder to become due and payable, either automatically or at the option of the lenders, if Tenneco fails to comply with the terms of the Amended and Restated Credit Facility or if other customary events occur. The Amended and Restated Credit Facility does not contain any terms that could accelerate the payment of it or affect pricing under it as a result of a credit rating change.

Copies of the Amended and Restated Credit Facility and the related Amended and Restated Guarantee and Collateral Agreement are filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

First Supplemental Indenture

On March 22, 2012, Tenneco, each of the subsidiary guarantors named therein and the Bank of New York Mellon Trust Company, N.A., as trustee, entered into the First Supplemental Indenture (the "First Supplemental Indenture") amending and supplementing the indenture governing the 2015 Notes. The First Supplemental Indenture, among other things, removes substantially all of the restrictive covenants contained in the indenture, eliminates certain events of default contained therein, reduces the minimum notice period required to effect a call for redemption from 30 to 5 days and modifies certain other provisions thereof. A copy of the First Supplemental Indenture is filed as Exhibit 4.3 to this Current Report on Form 8-K and is incorporated herein by reference.

The descriptions and provisions of the Amended and Restated Credit Facility and the First Supplemental Indenture set forth above are summaries only, are not necessarily complete and are qualified in their entirety by reference to the full and complete terms contained in the respective Amended and Restated Credit Facility and First Supplemental Indenture, copies of which are attached as Exhibits 4.1 and 4.3, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information under Item 1.01 is incorporated herein by reference.

ITEM 8.01 OTHER EVENTS.

On March 22, 2012, Tenneco Inc. issued a press release announcing the amendment and restatement of its senior credit facility and completion of its consent solicitation and indenture amendments with respect to its 2015 Notes.
