Item 1.01. Entry into a Material Definitive Agreement.

Effective as of October 9, 2012, Gulfport Energy Corporation (Gulfport) entered into a Fifth Amendment (the Fifth Amendment) to its senior secured revolving credit agreement, originally dated as of September 30, 2010, as subsequently amended (the Credit Agreement), among Gulfport, as borrower, The Bank of Nova Scotia, as administrative agent and letter of credit issuer and lead arranger, and certain lenders and agents party thereto. The Fifth Amendment (a) modified certain covenants in the Credit Agreement to permit Gulfport to undertake its recently announced offering of senior notes due 2020 to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act (the Note Offering) and (b) provided for a reduction in the borrowing base to an amount to be determined upon completion of the Note Offering. The preceding summary of the Fifth Amendment is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 10.1 hereto and incorporated herein by reference.

An affiliate of Scotia Capital (USA) Inc. acts as administrative agent, letter of credit issuer and sole lead manager and affiliates of each of Credit Suisse (USA) LLC, Deutsche Bank Securities, Inc., IBERIA Capital Partners L.L.C. and KeyBanc Capital Markets Inc. act as lenders under the Credit Agreement and will receive a portion of the net proceeds of the proposed Note Offering, if completed. Amegy Bank National Association is also a lender under the Credit Agreement and is acting as a financial advisor to Gulfport in connection with the proposed Note Offering. Certain lenders under the Credit Agreement or their affiliates have entered, and may in the future enter, into hedging transactions with Gulfport or its affiliates, in the ordinary course of business, for which they have received and will receive customary compensation.

Item 7.01. Regulation FD Disclosure.

On October 9, 2012, Gulfport issued a press release announcing production results on its Shugert 1-1H well in the Utica Shale and provided an operational update. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Item 8.01. Other Events.

Gulfport previously reported that on May 7, 2012 it entered into a Contribution Agreement (the Contribution Agreement) with Diamondback Energy, Inc. (Diamondback), pursuant to which Gulfport agreed to contribute to Diamondback, prior to the closing of Diamondback 's pending initial public offering (the Diamondback IPO), all of Gulfport 's oil and gas interests in the Permian Basin, which represented approximately 67% of Gulfport 's proved reserves as of December 31, 2011, in exchange for (i) shares of common stock representing 35% of Diamondback 's outstanding common stock immediately prior to the closing of the Diamondback IPO and (ii) \$63.6 million in the form of a non-interest bearing promissory note, which will be repaid in full upon the closing of the Diamondback IPO with a portion of the net proceeds from the Diamondback IPO, which consideration is subject to certain post-closing adjustments. As previously reported, Gulfport 's obligation to make this contribution is contingent upon, among other conditions, Gulfport 's satisfaction with the terms of the Diamondback IPO and is subject to certain customary closing conditions. If this contribution is completed, Gulfport would be required under Item 2.01 of Form 8-K to provide certain pro forma financial information illustrating the effect of Gulfport 's contribution of its oil and gas interests in the Permian Basin to Diamondback in connection with the Diamondback IPO. Such pro forma financial information is included as Item 9.01 of this Current Report on Form 8-K and is incorporated herein by reference. This pro forma financial information also illustrates the effect of the proposed Note Offering. None of Gulfport 's contribution to Diamondback, the Diamondback IPO or the Note Offering has been completed at this time, and there is no assurance that any of these transactions will be completed.

Item 9.01. Financial Statements and Exhibits

(b) Pro Forma Financial Information.

GULFPORT ENERGY CORPORATION

Introduction to the Unaudited Pro Forma Financial Statements

The following unaudited pro forma financial information is presented to illustrate the effect of Gulfport Energy Corporation's (the "Company") (1) contribution of its oil and gas interests in the Permian Basin to Diamondback Energy, Inc. ("Diamondback") in connection with Diamondback's initial public offering (the "Diamondback IPO") in exchange for (i) shares of common stock representing 35% of Diamondback's outstanding common stock immediately prior to the closing of the Diamondback IPO and (ii) \$63,590,050 in the form of a non-interest bearing promissory note to be repaid in full upon the closing of the Diamondback IPO and (2) the offering of \$250 million aggregate principal amount of senior notes (the "note") on Gulfport's historical financial position and operating results. The unaudited pro forma balance sheet as of June 30, 2012 is based on the historical statements of the Company as of June 30, 2012 after giving effect to the transactions as if they had occurred on June 30, 2012. The unaudited pro forma statements of operations for the six months ended June 30, 2012 and the fiscal year ended December 31, 2011 are based on the historical financial statements of the Company for such periods after giving effect to the transactions as if they had occurred on January 1, 2011. The unaudited pro forma financial information should be read in conjunction with the Company's historical consolidated financial statements and notes thereto included in the Company's reports filed with the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

The preparation of the unaudited pro forma consolidated financial information is based on financial statements prepared in accordance with accounting principles generally accepted in the United States of America. These principles require the use of estimates that affect the reported amounts of assets, liabilities, revenues and expenses. Actual results could differ from those estimates.

The unaudited pro forma consolidated financial information is provided for illustrative purposes only and does not represent what the actual results of operations or the financial position of the Company would have been had the transactions occurred on the respective dates assumed, nor is it indicative of the Company's future operating results or financial position. The pro forma adjustments reflected in the accompanying unaudited pro forma consolidated financial information reflect estimates and assumptions that the Company's management believes to be reasonable.
