*Changes in Company Officers*

On November 12, 2012, the Board of Directors (the Board) of Leap Wireless International, Inc. (the Company) made the following officer appointments:

Jerry V. Elliott, as President and Chief Operating Officer;

R. Perley McBride, as Executive Vice President and Chief Financial Officer; and

Anne M. Liu, as Senior Vice President and Chief Accounting Officer.

*Appointment of Elliott as President and Chief Operating Officer*

Mr. Elliott's appointment as President and Chief Operating Officer is effective immediately. S. Douglas Hutcheson, who prior to the appointment served as the Company's President and Chief Executive Officer, will continue serving as Chief Executive Officer. Mr. Elliott's age, background and experience is set forth in the Company's current report on Form 8-K dated April 24, 2012, filed with the SEC on the date thereof, and such information is incorporated herein by reference.

*Appointment of McBride as Chief Financial Officer*

Mr. McBride's appointment as Executive Vice President and Chief Financial Officer is effective upon his commencement of employment with Cricket Communications, Inc. (Cricket), which is expected to occur on or about December 10, 2012. With his appointment as Chief Financial Officer, Mr. McBride will replace Mr. Elliott in that role.

Mr. McBride, age 46, joins the Company from The Weather Company (TWC), which consists of The Weather Channel television network, The Weather Channel digital properties (weather.com and The Weather Channel mobile), Weather Underground, and the professional division which includes Weather Services International and Weather Central. During his tenure with TWC, Mr. McBride served as the executive vice president of finance from September 2011 to December 2012, overseeing the company's accounting, tax, treasury, procurement, real estate, facilities, financial planning and analysis, operational and strategic planning, risk and insurance, and corporate development functions. Prior to that, Mr. McBride served in senior vice president positions at TWC from April 2010 to September 2011, overseeing treasury, procurement, real estate, facilities, financial planning and analysis, operational and strategic planning, and corporate development functions. From August 1999 to April 2010, Mr. McBride served in finance roles at Frontier Communications, a provider of communication services, including as vice president of financial planning and analysis. Prior to that, from April 1994 to August 1999 Mr. McBride held accounting and finance roles with Sprint PCS and Citizens Communications. Mr. McBride holds a B.S. from Mount Allison University in Canada and an M.B.A. from the University of Houston.

In connection with his appointment, Mr. McBride will receive an annual base salary of \$450,000 and the opportunity to earn an annual performance bonus based on Company and individual performance, with the amount of the bonus targeted at 80% of his base salary. Mr. McBride will also be eligible to receive \$300,000 of sign-on and retention bonuses, payable: (i) \$100,000 within 30 days of his start date; (ii) \$100,000 within 30 days of the first anniversary of his start date; and (iii) \$100,000 within 30 days of the second anniversary of his start date. All payments to be made to him are contingent upon his being an active, full-time employee of Cricket on the date any payment is to be made.

The Company will facilitate Mr. McBride's relocation from Marietta, Georgia. In addition, the Company agreed to provide Mr. McBride a temporary living allowance of \$75,000 within his first year of employment and a second payment of \$50,000 in November 2013 (each amount grossed-up for applicable taxes) for costs associated with his first and second years of employment.

The Compensation Committee of the Board has approved the grant to Mr. McBride of options to purchase 195,000 shares of the Company's common stock and deferred stock units for 100,000 shares of the Company's common stock. The awards vest over a four-year period, with the options vesting in equal 25% increments on the anniversaries of the grant date and the deferred stock units vesting 25% on each of the second and third anniversaries of the grant date and the remaining 50% on the fourth anniversary of the grant date. In order for deferred stock units to vest on (or subsequent to) the foregoing dates, however, the average closing price of the Company's common stock for the prior 30-day period (or for a subsequent 30-day period) must be at or above the closing price of the Company's common stock on the date of grant and any unvested units will expire five years after the date of grant. At vesting, the units may be settled in shares of the Company's common stock or cash, at the Company's election.

The Company and Mr. McBride will also enter into the Company's standard form of severance benefits agreement and director and officer indemnity agreement.

*Appointment of Liu as Chief Accounting Officer*

Ms. Liu, age 51, has served as the Company's vice president, controller since December 2008, having previously served as its assistant controller beginning in December 2006. Prior to joining the Company, Ms. Liu served in a number of accounting and finance roles with Science Applications International Corporation (SAIC) between March 1990 and November 2006, including as vice president of finance.
