Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously disclosed, on November 9, 2012, Titanium Metals Corporation, a Delaware corporation (the Company), Precision Castparts Corp. (Parent) and ELIT Acquisition Sub Corp. (Purchaser), a wholly owned subsidiary of Parent, entered into an Agreement and Plan of Merger (the Merger Agreement). Various subsidiaries of Parent are parties to commercial agreements with the Company under which the subsidiaries of Parent purchase titanium melted and mill products from the Company in the ordinary course of business. The Company reported in its Form 10-K for the year ended December 31, 2011 that its sales to subsidiaries of Parent totaled 16% of the Company's total sales revenue in 2011.

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Purchaser commenced a tender offer to purchase all outstanding shares of the common stock of the Company (the Shares) at a price of \$16.50 per Share, net to the seller in cash, without interest thereon and less any required withholding of taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated November 20, 2012 (as amended or supplemented, the Offer to Purchase), and the related Letter of Transmittal (which, together with the Offer to Purchase, constituted the Offer).

The Offer, as extended, expired at 5:00 p.m., New York City time, on December 20, 2012. Purchaser accepted for payment a total of 150,520,615 Shares that, based on the information provided by the depository for the Offer, were validly tendered and not withdrawn in the Offer, representing approximately 86.0% of the Company's outstanding Shares (which includes Shares subject to guaranteed delivery procedures). Based on the per Share price and the number of Shares validly tendered and accepted for payment at the expiration of the Offer, as of December 20, 2012, the value of the Shares purchased by Purchaser in connection with the Offer was approximately \$2.5 billion. Parent has indicated that it funded the purchase of the tendered Shares from the proceeds of a \$3.0 billion note offering pursuant to an Underwriting Agreement, dated December 17, 2012, with the several underwriters named therein, for whom Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC acted as representatives.

Following the expiration of the Offer, as extended, and in accordance with the terms of the Merger Agreement, Purchaser commenced a subsequent offering period of the Offer to acquire all remaining untendered Shares. The subsequent offering period will expire at 5:00 p.m., New York City time, on January 4, 2013, unless extended. All Shares properly tendered during the subsequent offering period will be accepted and promptly paid for, and tendering stockholders will receive the same \$16.50 per Share price, without interest and subject to applicable withholding taxes, that was paid in the Offer.

Pursuant to the Merger Agreement, Purchaser will be merged with and into the Company (the Merger) with the Company surviving the Merger as a wholly owned subsidiary of Parent. At the effective time of the Merger, all remaining outstanding Shares not tendered in the Offer, will be acquired for cash at the same \$16.50 per Share price, without interest and subject to applicable withholding taxes, that was paid in the Offer.

The information set forth in Item 5.01 of this Current Report on Form 8-K is incorporated herein by reference.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which was filed as Exhibit 2.1 to the Company's Current Report on Form 8-K/A filed with the Securities and Exchange Commission on November 14, 2012 and incorporated herein by reference.
