The filing, which includes the Joint Press Release issued by Knight Capital Group, Inc. and GETCO Holding Company, LLC on April 15, 2013 may contain certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are typically identified by words such as believe, expect, anticipate, intend, target, estimate, continue, positions, prospect, potential, by future conditional verbs such as will, would, should, could or may, or by variations of such words or by similar expressions. Forward-looking statements are not historical facts and are based on current expectations, estimates and projections about the parties' industry, management beliefs and certain assumptions made by management, many of which, by their nature, are inherently uncertain and beyond our control. Accordingly, readers are cautioned that any such forward-looking statements are not guarantees of future performance and are subject to certain risks, uncertainties and assumptions that are difficult to predict including, without limitation, risks associated with the August 1, 2012 technology issue at Knight that resulted in Knight sending numerous erroneous orders in NYSE-listed and NYSE Arca securities into the market and the impact to Knight's capital structure and business as well as actions taken in response thereto and consequences thereof, risks associated with Knight's ability to recover all or a portion of the damages that are attributable to the manner in which NASDAQ OMX handled the Facebook IPO, risks associated with changes in market structure, legislative, regulatory or financial reporting rules, risks associated with past or future changes to organizational structure and management and the costs, integration, performance and operation of businesses previously acquired or developed organically, or that may be acquired or developed organically in the future. Readers should carefully review the risks and uncertainties disclosed in Knight's reports with the SEC, including, without limitation, those detailed under Certain Factors Affecting Results of Operations and Risk Factors in Knight's Annual Report on Form 10-K for the year-ended December 31, 2012 and in other reports or documents Knight or KCG files with, or furnishes to, the SEC from time to time and those detailed in the Joint Proxy Statement / Prospectus under the heading Cautionary Statement Regarding Forward Looking Information and Risk Factors, among others.

In addition to factors previously disclosed in Knight's reports filed with the SEC and those identified elsewhere in this filing, the following factors among others, could cause actual results to differ materially from forward-looking statements or historical performance: ability to obtain regulatory approvals and meet other closing conditions to the mergers, including approval by Knight and GETCO stockholders, on the expected terms and schedule; delay in closing the mergers; difficulties and delays in integrating the Knight and GETCO businesses or fully realizing cost savings and other benefits; business disruption following the mergers; the inability to sustain revenue and earnings growth; customer and client actions; and the inability to realize cost savings or revenues or to implement integration plans and other consequences associated with mergers, acquisitions and divestitures.

On April 15, 2013, Knight and GETCO issued the following joint press release:

KNIGHT CAPITAL GROUP AND GETCO ANNOUNCE FILING OF AMENDED S-4 REGISTRATION STATEMENT AND AMENDMENT TO MERGER AGREEMENT

Value of aggregate consideration for Knight stockholders and GETCO unitholders in the transaction remains unchanged

JERSEY CITY, N.J. and CHICAGO, Ill. (April 15, 2013) Knight Capital Group, Inc. (NYSE Euronext: KCG) (Knight) and GETCO Holding Company, LLC (GETCO) announced today that Knight Holdco, Inc. (KCG), the new public holding company that will be the parent

Edgar Filing: KNIGHT CAPITAL GROUP, INC. - Form 425

company of Knight and GETCO after the close of the transaction, filed an amendment to its previously filed Registration Statement on Form S-4 with the Securities and Exchange Commission (SEC), which includes, among other items, a description of amendments made by the parties to the merger agreement, dated December 19, 2012, to adjust the exchange ratios by which Knight Class A Common Stock and GETCO units will be exchanged for KCG common stock.

Under the amended and restated merger agreement, dated April 15, 2013, Knight stockholders will have the right to elect to receive \$3.75 per share in cash for each share of Knight Class A Common Stock or one-third of a share of KCG common stock. The cash portion of the consideration for Knight stockholders remains subject to pro-ratio if the holders of more than 66.7 percent of the Knight common stock eligible for election in the transaction properly elect to receive the cash consideration for their Knight shares. GETCO Class A, Class B and Class P unitholders, under the revised terms, are expected to receive, in the aggregate, approximately 76.7 million shares of KCG common stock and 24.4 million warrants to acquire additional common stock.

The adjustment to the exchange ratio does not affect the value of the aggregate consideration paid either to Knight stockholders or GETCO unitholders. These adjustments are designed to ensure that the trading price of KCG common stock at closing is above the NYSE's minimum stock price listing requirement, which is \$4.00 per share.

The amended Registration Statement is available at www.sec.gov (under Knight Holdco, Inc.) as well as www.knight.com/investorrelations/secfiling.asp.

Once declared effective by the SEC, the final Joint Proxy Statement of Knight and GETCO and a Prospectus relating to the stock of KCG to be issued in the transaction will be distributed to Knight stockholders and GETCO unitholders in advance of each company's special meeting to approve the transaction.
