Recent Developments:

Delivery of STI Beryl

In April 2013, Scorpio took delivery of the eighth vessel under its Newbuilding program, STI Beryl. Upon delivery, STI Beryl began a time charter for up to 120 days at \$19,500 per day. This vessel was partially financed by Scorpio's 2011 Credit Facility.

Newbuilding Vessels

In April 2013, Scorpio reached an agreement with an unaffiliated third party for the purchase of four MR tankers currently under construction at Hyundai Mipo Dockyard Co. Ltd., or HMD, for approximately \$36.5 million each. These vessels are substantially identical to Scorpio's STI Amber-Class vessels previously ordered from HMD and are scheduled to be delivered to Scorpio between June and September 2013. The transaction was completed by novating the existing shipbuilding agreements.

In April 2013, Scorpio exercised certain of its options with HMD for two Handymax ice class-1A vessels, which are scheduled to be delivered to Scorpio in the third quarter of 2014, for approximately \$31.5 million each. When Scorpio exercised these options, it acquired additional fixed price options to purchase additional vessels from HMD.

Currently, Scorpio has contracts for the construction of a total of 38 newbuilding product tankers, which include 22 MR, eight LR2, and eight Handymax ice class-1A vessels with HMD, SPP Shipbuilding Co. Ltd. of South Korea, or SPP, Hyundai Samho heavy Industries Co. Ltd. of South Korea, or HSHI, and Daewoo Shipbuilding & Marine Engineering Co., Ltd., or DSME. Of these newbuilding contracts, four are scheduled to be delivered to Scorpio by September 2013 and the remainder are expected to be delivered to Scorpio by the end of 2014. Scorpio also has fixed-priced options to construct additional newbuilding product tankers at these yards.

As of May 7, 2013, Scorpio had paid \$186.5 million of installment payments related to these newbuilding product tankers, and is committed to make additional installment payments of \$1,211.5 million. Scorpio will need to secure additional debt or equity financing or both to fully fund the remaining balance of its newbuilding obligations.

Appointment of New Director

In April 2013, Scorpio appointed Marianne Økland to its board of directors, or the Board, to serve as a Class III director effective as of April 2, 2013. The Board determined that Ms. Økland is an independent director as the term is defined under the Securities Exchange Act of 1934, as amended, and the New York Stock Exchange Listing Manual.

Replacement of Auditors

On April 2, 2013, the Board, upon recommendation from its audit committee, appointed PricewaterhouseCoopers as its independent auditors for the fiscal year ending December 31, 2013, replacing Deloitte LLP.

Equity Incentive Plan

On April 15, 2013, the Board approved the adoption of the 2013 Equity Incentive Plan, or the Plan, and reserved 5,000,000 common shares, par value \$0.01 per share, of Scorpio for issuance pursuant to the Plan.

Dividend Declaration

On April 15, 2013, the Board declared a quarterly cash dividend of \$0.025 per share, payable on June 25, 2013 to all shareholders of record as of June 11, 2013. The declaration and payment of dividends will be subject at all times to the discretion of the Board. The timing and amount of dividends, if any, will depend on Scorpio's earnings, financial condition, cash requirements and availability, fleet renewal and expansion, any restrictions in its loan agreements, the provisions of Marshall Islands law affecting the payment of dividends and other factors.
