PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the Board of Directors of CSB Bancorp, Inc., an Ohio corporation (CSB or the Company), of the accompanying proxy to be voted at the 2014 Annual Meeting of Shareholders (the Annual Meeting) to be held on Wednesday, April 23, 2014, at the Carlisle Inn, located at 4949 Walnut Street, Walnut Creek, Ohio 44687 at 7:00 p.m., local time, or at any adjournment(s) thereof. This proxy statement, together with the related proxy and CSB s 2013 Annual Report to Shareholders (the Annual Report), are being mailed to the shareholders of the Company on or about March 25, 2014.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

When And Where Will The Annual Meeting Be Held?

The Annual Meeting will be held on Wednesday, April 23, 2014, at the Carlisle Inn, Walnut Creek, Ohio 44687 at 7:00 p.m., local time. To obtain directions to the Annual Meeting location, please contact Ms. Peggy L. Conn at 330-674-9015.

Why Did I Receive These Proxy Materials?

You have received these proxy materials because CSB s Board of Directors is soliciting a proxy to vote your shares at the Annual Meeting. This proxy statement contains information that CSB is required to provide to you under the rules of the Securities and Exchange Commission (the Commission) and is intended to assist you in voting your shares.

Who May Vote At The Annual Meeting?

Only holders of common shares of record at the close of business on March 11, 2014 are entitled to receive notice of, and to vote at, the Meeting. At the close of business on March 11, 2014, there were 2,736,634 common shares, par value \$6.25 per share, of the Company outstanding and entitled to vote.

Each holder of common shares is entitled to one vote for each common share held on March 11, 2014. At this time, it is not known whether there will be cumulative voting for the election of directors at the Annual Meeting. Cumulative voting is not available for the other proposals referenced and described in this proxy statement. A shareholder wishing to exercise cumulative voting with respect to the election of directors must notify the President, a Vice President or the Secretary of CSB in writing before 7:00 p.m., EDT on April 21, 2014. If cumulative voting is requested and if an announcement of such request is made upon the convening of the Annual Meeting by the Chairman or the Secretary of the Annual Meeting on behalf of the shareholder requesting cumulative voting, you will have votes equal to the number of directors to be elected, multiplied by the number of common shares owned by you, and will be entitled to distribute your votes among the candidates as you see fit. If any shareholder properly demands cumulative voting for the election of directors at the Annual Meeting, your proxy will give the individuals named on the proxy full discretion and authority to vote cumulatively, and in their sole discretion to allocate votes among any or all of the nominees for director, unless authority to vote for any or all of the nominees is withheld.

What Is The Difference Between Holding Shares As A Shareholder Of Record And As A Beneficial Owner ?

If your shares are registered directly in your name, you are considered the shareholder of record of those shares. CSB has sent these proxy materials directly to all shareholders of record. Alternatively, if your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, which is sometimes called street name, then you are the beneficial owner of those shares, and these proxy materials were forwarded to you by that organization. The organization holding your shares is the shareholder of record for purposes of voting the shares at the Annual Meeting. As the beneficial owner, you have the right to direct that organization how to vote the common shares held in your account by following the voting instructions the organization provides to you. If you hold your common shares in street name, you may be eligible to appoint your proxy electronically via the Internet or by telephone and may incur costs associated with the electronic access or telephone usage.

How Do I Vote?

Whether or not you plan to attend the Annual Meeting, we urge you to vote in advance by proxy, electronically over the internet or by telephone. To vote by proxy, you must complete, sign and date the accompanying proxy card and return it in the envelope provided. Please refer to the proxy card for information on voting electronically. If you plan to attend the Annual Meeting and vote in person, we will give you a ballot when you arrive. If your common shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization or another record holder, you must bring a legal proxy from the shareholder of record indicating that you were the beneficial owner of the shares on March 11, 2014 in order to vote in person.

How Will My Common Shares Be Voted?

Those common shares represented by a properly executed proxy received prior to the Annual Meeting and not subsequently revoked will be voted as you direct. If you submit a valid proxy prior to the Annual Meeting but do not complete the voting instructions on the proxy, to the extent permitted by applicable law, your proxy will vote your common shares as recommended by the Board of Directors, as follows:

FOR the election of each of the director nominees listed below under **PROPOSAL ONE ELECTION OF DIRECTORS;**

FOR the ratification of S.R. Snodgrass, P.C. (Snodgrass) as CSB s independent registered public accounting firm for the fiscal year end December 31, 2014 under **PROPOSAL TWO RATIFICATION AND APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

Can Other Matters Be Decided At The Annual Meeting?

On the date that this proxy statement was printed, CSB did not know of any matters to be raised at the Annual Meeting other than those included in this proxy statement. If you submit a valid proxy and other matters are properly presented for consideration at the Annual Meeting, then the individuals appointed as proxies will have the discretion to vote on those matters for you.

May I Revoke My Proxy?

Yes, proxies may be revoked at any time before a vote is taken or the authority granted is otherwise exercised. Revocation may be accomplished by:

the execution of a later dated proxy with regard to the same common shares;

giving notice in writing to Ms. Peggy L. Conn, Corporate Secretary, CSB Bancorp, Inc., 91 North Clay Street, Millersburg, Ohio 44654, which must be received prior to the Annual Meeting; or

notifying the Corporate Secretary in person at the Annual Meeting.

If your shares are held in street name and you wish to revoke your proxy, you should follow the instructions provided to you by the record holder of your shares. If you wish to revoke your proxy in person at the Annual Meeting, you

must bring a legal proxy from the shareholder of record indicating that you were the beneficial owner of the shares on March 11, 2014. Attending the Annual Meeting will not, by itself, revoke your proxy.

What Constitutes A Quorum And What Vote Is Required With Respect To The Proposals Presented At The Annual Meeting?

Under CSB's Code of Regulations, as amended (the "Regulations"), a quorum for purposes of the Annual Meeting shall consist of a majority of the voting capital stock of CSB then outstanding and entitled to vote at the Annual Meeting. The common shares outstanding are the only shares of CSB's capital stock entitled to vote at the Annual Meeting. Common shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum. As of March 11, 2014, there were 2,736,634 common shares outstanding and entitled to vote. Consequently, at least 1,368,318 common shares must be represented at the Annual Meeting in person or by proxy in order to constitute a quorum for the transaction of business.

Abstentions are counted as present for purposes of determining a quorum. Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank or other shareholder of record how to vote their shares using the voting instructions provided by it. If a street name holder does not provide timely instructions, the broker or other nominee may have the authority to vote on some proposals but not others. If the broker or other nominee votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner, this results in a broker non-vote. Broker non-votes on a matter are counted as present for purposes of establishing a quorum for the Annual Meeting, but are not considered entitled to vote on that particular matter. Consequently, broker non-votes generally do not have the same effect as a negative vote on the matter.

What are the Voting Requirements to Elect the Directors and to Approve the Other Proposals in this Proxy Statement?

The vote required to approve each of the proposals that are scheduled to be presented at the Annual Meeting is as follows:

Proposal One Election Of Directors

Vote Required

The director nominees receiving the greatest number of votes shall be elected by the holders of common shares present, represented and entitled to vote at the Annual Meeting. Shareholders have the right to vote cumulatively in the election of directors. In order to exercise the right to vote cumulatively, a shareholder must give written notice to the President, a Vice President or the Secretary of CSB not less than forty-eight hours before the time fixed for the Annual Meeting, and the shareholder's demand for cumulative voting must be announced at the commencement of the Annual Meeting by or on behalf of the shareholder. If cumulative voting is elected, a shareholder may cast as many votes in an election of directors as the number of directors to be elected multiplied by the number of shares held. Broker non-votes and proxies marked **Withhold Authority** will not be counted toward the election of directors or toward the election of individual nominees and, thus, will have no effect other than that they will be counted for establishing a quorum.

Proposal Two Ratification Of Independent Registered Public Accounting Firm

Vote Required

The proposal to ratify the appointment of CSB's independent registered public accounting firm requires the affirmative vote of the holders of a majority of the votes cast on the matter at the Annual Meeting. Shareholders may vote For, Against or Abstain from voting on Proposal Two. This Proposal is considered to be a routine matter and, therefore, CSB does not expect any broker non-votes on Proposal Two. Abstentions will be counted as a vote cast and, thus, will have the same effect as a vote against Proposal Two.

What Are The Recommendations Of CSB s Board Of Directors?

The Board of Directors has determined that voting for the proposals is in the best interests of CSB and recommends that each shareholder vote **For** the election of each of the director nominees listed below under **Proposal One Election Of Directors**, and **For** the ratification of Snodgrass as CSB s independent registered public accounting firm for the fiscal year ending December 31, 2014 under **Proposal Two Ratification And Appointment Of Independent Registered Public Accounting Firm**.

Who Pays The Cost Of Proxy Solicitation?

The accompanying proxy is solicited by and on behalf of the Board of Directors of CSB, whose Notice of Annual Meeting is attached to this proxy statement, and the entire cost of such solicitation will be borne by CSB. In addition to the use of the mail, proxies may be solicited by personal interview, telephone, facsimile and electronic mail by directors, officers and employees of CSB. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of common shares held of record by such persons, and CSB will reimburse them for reasonable out-of-pocket expenses incurred by them in connection therewith.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires CSB's officers, directors and persons who own more than ten percent of CSB's common shares to file reports of ownership and changes in ownership with the Commission and to furnish the Company with copies of all such forms filed. To CSB's knowledge, based solely on its review of the copies of such forms received by the Company, CSB's directors and officers have timely complied with all filing requirements applicable to them.

PROPOSAL ONE ELECTION OF DIRECTORS

CSB's Regulations provide that its business shall be managed by a board of directors of not less than three and not more than twenty-five persons, and that such directors shall be divided into three classes, as nearly equal in number as possible, and have set terms of three years. In accordance with CSB's Regulations, the Board of Directors has currently established the number of directors at seven.

The Board of Directors has nominated Robert K. Baker and J. Thomas Lang to serve until the 2017 Annual Meeting of Shareholders, and until their respective successors are elected and qualified. Messrs. Baker and Lang are each incumbent directors whose present terms expire at the Annual Meeting.

Assuming that at least a majority of the issued and outstanding common shares are present at the Annual Meeting so that a quorum exists, the two nominees for director of CSB receiving the most votes will be elected as directors. Shareholders have the right to vote cumulatively in the election of directors. In order to exercise the right to vote cumulatively, a shareholder must give written notice to the President, a Vice President or the Secretary of CSB not less than forty-eight hours before the time fixed for the Annual Meeting, and the shareholder's demand for cumulative voting must be announced at the commencement of the Annual Meeting by or on behalf of the shareholder. If cumulative voting is elected, a shareholder may cast as many votes in an election of directors as the number of directors to be elected multiplied by the number of shares held. If one or more of the nominees should, at the time of the Annual Meeting, be unavailable or unable to serve as a director, the common shares represented by proxy will be voted to elect the remaining nominees and any substitute nominees designated by the Board of Directors. As of the date of this proxy statement, the Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve.

Starting on the following page for each nominee for election as a director and for each director whose term will continue after the Annual Meeting is a brief statement, as of March 11, 2014, regarding the age, principal occupation or employment, other affiliations and business experience during the last five years for such persons. In addition, the following information provides the Nominating Committee's evaluation regarding re-nomination of each of the director nominees and the key attributes, skills, and qualifications presented by each director nominee and the continuing directors.

The Board Of Directors Recommends That Shareholders Vote For The Election Of The Nominees.

The Board of Directors also believes that its leadership structure has created an environment of open and efficient communication between the Board and management, enabling the Board to maintain an active and informed role in risk management by being able to monitor and manage those matters that may present significant risks to CSB.

The Board of Directors' role in CSB's risk management process includes reviewing regular reports from senior management on areas of material risk to the Company, including operational, financial, legal, regulatory and strategic risks. The Board of Directors reviews these reports to enable it to understand and assess CSB's risk environment, risk management and risk mitigation strategies. While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of both management and the Board also have responsibility for risk management. The Audit Committee assists the Board of Directors in its oversight of CSB's accounting and financial reporting processes. The Compensation Committee oversees the management of risks relating to executive and non-executive compensation plans and arrangements. While each committee oversees certain risks and the management of such risks, the entire Board of Directors is regularly informed of such risks through committee reports.

Executive Sessions

The non-employee directors of the Board meet periodically in executive session to discuss issues related to management, personnel and any other matters deemed appropriate by the non-employee directors. During 2013, the non-employee directors convened in executive session on 2 occasions.

Directors Compensation

Each director of CSB also serves as a director of Commercial & Savings Bank. Outside directors of Commercial & Savings Bank are compensated for board and committee meetings. Directors receive no compensation from CSB. Directors who are employees receive no additional compensation for serving on the board or its committees. Commercial & Savings Bank provides non-employee directors the following cash compensation:

A cash retainer of \$11,000 per year, paid in quarterly installments;

A cash payment of \$550 for each board and committee meeting attended, (Audit Committee Chairman receives \$600 per meeting); and

Reimbursement for customary and usual travel expenses (outside of board and committee meeting attendance).

CSB did not grant any director any share awards or options in 2013.

The following table sets forth compensation information for each of the non-employee directors of CSB and Commercial & Savings Bank:

Committees of the Board of Directors

The Board has three standing subcommittees, the Nominating Committee, the Compensation Committee and the Audit Committee. Each of those committees has a charter with designated responsibilities and each committee functions as described in further detail below.

The Board meets as needed to attend to any business necessitating action between regularly scheduled meetings. Accordingly, the Board has not designated any committee to act on its behalf between regularly scheduled meetings.

In addition to the Board's three standing committees, the Bank has an Executive/Loan Committee, comprised solely of directors of the Company Board. That bank-level committee's duties and activities are further described below.

Nominating Committee

CSB has a Nominating Committee, which recommends to the board the nominees for election as directors. The Nominating Committee currently consists of Ronald E. Holtman, Daniel J. Miller and John R. Waltman. The Nominating Committee will consider candidates for nomination as a director who are recommended by shareholders,

directors and other sources. Under the terms of the Nominating Committee Charter, the Nominating Committee is responsible for ensuring that the Board and its committees are appropriately constituted in order that the Board may effectively meet its fiduciary and other obligations to the shareholders and to the Company. The Nominating Committee develops and recommends to the Board the Corporate Governance guidelines. The Committee is responsible for the selection of individuals for nomination to the Board of Directors and considering incumbent directors for nomination and re-election.

In considering and evaluating potential candidates for positions on the CSB Board of Directors, and consistent with its charter, the Nominating Committee considers, among other things: (i) the potential candidates' knowledge of the communities in which CSB and Commercial & Savings Bank operate; (ii) their experience and any special business, financial, or other expertise; (iii) their reputation for honesty and integrity; and (iv) their ability to provide independent and objective oversight and supervision for matters which may impact CSB and Commercial & Savings Bank. The Nominating Committee also considers applicable requirements of CSB's Regulations and requirements of applicable law and regulations with respect to evaluating potential candidates, as well as other matters which the Nominating Committee deems appropriate in light of the specific circumstances and the potential candidate. To that end, the Nominating Committee may conduct its own analysis and may also seek information from a variety of outside sources in order to ascertain whether a potential candidate meets the referenced criteria.

The Nominating Committee utilizes the same standards and criteria in considering and evaluating potential candidates for positions on the Board of Directors who are recommended by shareholders, when appropriate. The Nominating Committee currently does not have a diversity statement within its charter. Although CSB does not have a specific diversity policy for director candidates, it is the policy of the Nominating Committee that nominees for director should have a diversity of viewpoints, background, experience and skills. Each of the members of the Nominating Committee are independent, as defined by the NASDAQ listing requirements. The Nominating Committee operates under a written charter, which is reviewed annually by the Committee and the Board of Directors and is available on the Company's website at www.csbl.com.

Compensation Committee

The Compensation Committee is responsible for overseeing the administration of the Company's compensation philosophy for appropriate levels of compensation and benefits for directors, officers and employees of CSB. The Compensation Committee currently consists of Robert K. Baker, Ronald E. Holtman, and J. Thomas Lang. All members of the Compensation Committee are considered independent for purposes of the NASDAQ listing requirements. The Compensation Committee operates under a written charter, which is reviewed annually by the Committee and the Board of Directors and is available on the Company's website at www.csbl.com.

Pursuant to the terms of its charter, the Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to its chairperson or a subcommittee of at least two members of the Compensation Committee except such powers and authorities required by law or regulation to be exercised by the whole Committee. The Compensation Committee may invite such members of management to its meetings as it may deem desirable or appropriate, consistent with the maintenance of the confidentiality of compensation discussions. Pursuant to its charter, the Compensation Committee has the authority to select, retain, terminate and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate, without seeking approval of the Board or management. Executive sessions, excluding the chief executive officer, are held in conjunction with his annual performance and compensation review to ensure open dialogue and discussion.

Additional discussion of the Compensation Committee's role is set forth in the Discussion of Executive Compensation Programs section of this proxy statement beginning on page 13.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibility to oversee the accounting and financial reporting processes of CSB. The Audit Committee members are Ronald E. Holtman, Robert K. Baker, and Jeffery A. Robb. All of the members of the Audit Committee are independent directors, as defined by the NASDAQ listing requirements. Among other things, the Audit Committee is responsible for the engagement of independent auditors, reviewing with the independent auditors the plans and results of the audit, and reviewing the adequacy of internal accounting controls. The Board of Directors has determined that Messrs. Baker and Robb meet the requirements of an audit committee financial expert as defined by the Commission. Mr. Baker acquired these attributes through education and his experience as a certified public accountant and as a Controller within private industry. Mr. Robb acquired these attributes through education and his experience in the banking industry and as a certified public accountant. The Audit Committee operates under a written charter, which is reviewed annually by the Committee and the Board and is available on the Company's website at www.csbl.com.

Bank Executive/Loan Committee

The Bank Board's Executive/Loan Committee meets throughout the year to monitor the lending activities of Commercial & Savings Bank and help ensure that such activities are conducted in a manner consistent with CSB's credit policy. As credit risk represents the major risk component within Commercial & Savings Bank, the

Executive/Loan Committee oversees management's implementation and enforcement of CSB's credit risk management framework. The Executive/Loan Committee consists of J. Thomas Lang, Daniel J. Miller, Jeffery A. Robb, Sr., Eddie L. Steiner and John R. Waltman.

SHAREHOLDER NOMINATIONS

The Nominating Committee of the Board of Directors will consider recommendations for nominations to serve as a director received from shareholders in accordance with CSB's Regulations. Shareholder recommendations for nomination should be submitted in writing to Ms. Peggy L. Conn, Secretary, CSB Bancorp, Inc., 91 North Clay Street, Millersburg, Ohio 44654, and must include the shareholder's name, address and the number of shares of CSB beneficially owned by the shareholder. The recommendation must be provided to CSB in writing not less than 14 nor more than 50 days prior to the date of the Annual Meeting. The recommendation should also include the name, age, business address, residence address, principal occupation and number of shares of CSB beneficially owned by the recommended candidate for nomination. Shareholder recommendations must also include the information that would be required to be disclosed in the solicitation of proxies for the election of directors under the federal securities laws. CSB may also require any nominee to furnish additional information regarding the eligibility and qualifications of the candidate recommended.

DISCUSSION OF EXECUTIVE COMPENSATION PROGRAMS

The following Discussion of Executive Compensation Programs provides information regarding the compensation programs for CSB's named executive officers, including: (i) the overall objectives of the Company's compensation programs; (ii) the material elements and factors of CSB's compensation programs; and (iii) a discussion of the Compensation Committee's determinations during 2013 regarding such individuals. For 2013, CSB's named executive officers were:

Eddie L. Steiner	President and Chief Executive Officer of CSB and Chairman, Chief Executive Officer and President of Commercial & Savings Bank.
Paula J. Meiler	Senior Vice President and Chief Financial Officer of CSB and Senior Vice President and Chief Financial Officer of Commercial & Savings Bank.
Steven R. Bailey.	Executive Vice President; Chief Operating Officer and Chief Information Officer of CSB and Commercial & Savings Bank.

The specific amounts paid or payable to the named executive officers are disclosed in the tables and narrative beginning on page 18 of this proxy statement. The following discussion cross-references those specific tabular and narrative disclosures where appropriate.

Compensation Philosophy and Objectives

The Compensation Committee believes that in order to manage and grow a well-run financial services organization it is necessary to establish compensation programs and related opportunities that are attractive, motivating and rewarding to high quality executives, managers and staff. These programs and opportunities must be balanced with their cost to CSB and its shareholders. In order to arrive at the appropriate balance, CSB has established the following compensation philosophy and guidelines for its overall compensation program:

1. in order to attract and retain highly qualified management, CSB strives to provide target base salaries close to the mean of the market rate paid for comparable positions by similarly sized bank holding companies;
2. where practical, CSB establishes performance-based compensation focused on individual results, team results, and contributions to CSB's overall performance.

Compensation Committee Decision-Making Process

The Compensation Committee oversees the compensation of CSB's named executive officers and establishes the Company's overall compensation philosophy and objectives. In addition, the Compensation Committee evaluates and assesses the design of CSB's compensation and benefit programs and monitors external market pay levels and practices, in order to determine appropriate compensation adjustments and future compensation decisions. The Compensation Committee also reviews and approves incentive award opportunities, actual bonus payments and award grants and reviews and recommends for Board of Directors approval the proposed implementation or material changes to CSB's compensation programs. The Compensation Committee assesses such compensation programs within the context of applicable regulatory guidance, with the goal of establishing appropriate incentives to attract, retain and align executives' interests with established current and long-term objectives of CSB without incurring undue risk.

Outside Executive Compensation Consultants

Neither the Compensation Committee nor management engaged an outside executive compensation consultant in 2013.

Peer Group Evaluation

Total compensation for the named executive officers is comprised of base salaries, annual cash incentive awards, retirement plan contributions, severance protection, long-term equity awards and other benefits and perquisites. To determine compensation levels for the named executive officers, as well as other officers, the Compensation Committee reviews compensation survey data from independent sources to ensure that the total compensation program is competitive. Specifically, during 2013, with the participation of CSB's management, including the Company's Chief Executive Officer, the Compensation Committee evaluated its pay practices for both directors and the named executive officers against the following similarly situated financial institutions.

LCNB Corporation	Lebanon, Ohio
Ohio Valley Bancorp	Gallipolis, Ohio
Camco Financial Corporation	Cambridge, Ohio
Middlefield Banc Corp.	Middlefield, Ohio
NB&T Financial Group, Inc.	Wilmington, Ohio
Rurban Financial Corp.	Defiance, Ohio
Cortland Bancorp	Cortland, Ohio
United Bancshares Inc.	Columbus Grove, Ohio
DCB Financial Corp	Lewis Center, Ohio
National Bancshares Corporation	Orrville, Ohio
United Bancorp, Inc.	Martins Ferry, Ohio
Wayne Savings Bancshares, Inc.	Wooster, Ohio

Each of the financial services institutions listed above are publicly-traded institutions ranging in size from approximately 70% of CSB's asset level to approximately 165% of CSB's asset level, and are all located and doing business primarily in Ohio.

2013 Named Executive Officer Compensation

Base Salary

The purpose of the base salary program is to pay for the qualifications, experience, and marketability of the position consistent with market practices. A pay range for each position is established around the mean of the market rate paid for comparable positions by similarly-sized financial institutions. Individual pay within the range is determined by executive performance, job proficiency and contributions over a period of years. For 2013, the base salary levels for all CSB named executive officers are at or below the median of base salaries of peers in other similar-sized financial organizations.

Pay adjustments are tied directly to CSB's performance appraisal process, which evaluates the employee on a series of performance criteria. This process is used for all CSB employees, including the named executive officers. Pay adjustments are typically made annually. In addition to these performance-based base pay adjustments, it is periodically necessary to make additional market adjustments in those instances where market base salary levels move faster than anticipated or where additional duties and responsibilities are added to the job.

Each outside director annually completes a survey of the Chief Executive Officer's performance and objectives for the coming year. The Compensation Committee reviews all director submissions and the Chairman of the Compensation Committee or CSB's board Chairman, or both in concert, then conduct a performance review meeting annually with the Chief Executive Officer. The Chief Executive Officer follows a similar process in annually reviewing the

performance of and establishing coming year objectives for each of the Chief Executive Officer's direct reports.

The amount of a named executive officer's base salary is the reference point for much of the other compensation. For example, the relative ranges of potential annual incentive awards for executives are fairly proportionate to the named executive officers' respective base salaries. In addition, base salary is one component of the contribution formula under CSB's 401(k) and profit sharing plan and the key component in the Company's severance and change in control agreement.

Annual Incentive

The purpose of the annual incentive program is to focus executives on achieving and possibly exceeding CSB's annual performance objectives consistent with safe and sound operations of the Company and Commercial & Savings Bank. In 2013, the performance expectations were established around the attainment of specific performance ratios, performance to current year budget, and satisfactory compliance with regulatory and audit reviews as well as consideration of the potential impact of executives' actions on safe and sound operations and appropriate risk management controls.

Each component of the annual incentive program has a separate measurement. The Compensation Committee retains the flexibility to make discretionary adjustments up or down based on performance that may be subjective. This discretion is not used to change the targets under the plan, only the rewards.

The target annual incentive opportunity during the past fiscal year was 30% of actual base salary for each named executive officer. For 2013, the Company's specific performance ratio was tied to a return on assets at the bank level of 1%. CSB's budgeted net income was \$4.8 million, budgeted return on assets (ROA) was 0.82%, budgeted return on equity (ROE) was 8.92% and the budgeted efficiency ratio was less than 67%. The Company's actual results exceeded budgeted targets.

Long-Term Incentive

In 2012, the 2002 CSB Bancorp, Inc. Share Equity Incentive Plan expired at its tenth anniversary and was not renewed. No stock option grants or awards were granted by the Compensation Committee in 2013. However, CSB's named executive officers are encouraged to own CSB stock in order to align their interests with those of the shareholders. During 2013, all of CSB's named executive officers increased their stock ownership in CSB.

Retirement and Other Post-Employment Benefits

CSB maintains The Commercial & Savings Bank 401(k) Retirement Plan, (the "401(k) Plan"), a qualified 401(k) and profit sharing plan. The 401(k) Plan provides a 50% company match of participant contributions up to a maximum of 2% of each participant's annual qualified compensation. There is also a discretionary profit sharing contribution and the amount may vary directly with CSB profits. The 401(k) Plan provides investment alternatives in the following categories: CSB stock, and the following categories of mutual funds: large, small and mid cap, indexed, growth and bond funds.

Other Benefits and Perquisites

All CSB employees, including the named executive officers are eligible to participate in a comprehensive benefits program, which includes health and welfare, disability, and vacation benefits that are not required to be reported in the tables that follow. Additionally, certain consumer and primary residence mortgage loans granted by Commercial & Savings Bank to directors, officers and all employees receive a 1% reduction to the standard loan interest rate during the period of service to CSB or Commercial & Savings Bank. There were no interest rate reductions received by the named executive officers in 2013. In the ordinary course of business, CSB provided a relocation package to Mr. Bailey, in connection with his hiring in 2012.

Employment Contracts and Other Arrangements

An employment agreement dated August 9, 2004, was entered into with Paula J. Meiler providing, among other things, for employment of Ms. Meiler as Senior Vice President and Chief Financial Officer of CSB and Commercial & Savings Bank pursuant to the terms of the agreement. The agreement is for a two-year term with annual renewals commencing at the second anniversary, and provides for compensation to Ms. Meiler consisting of an annual base salary of \$100,000, a bonus to be paid at the discretion of the Board of Directors, vacation, benefits and certain stock options. On August 9, 2007, an amendment to the agreement provided that the agreement be for a two-year term with annual renewals commencing August 9, 2008. In the event that Ms. Meiler's employment is terminated without cause (as defined in the agreement), the agreement entitles her to a severance payment equal to the unpaid amount otherwise due under the agreement plus six months of the base salary in effect on the date of termination and limited continued benefits for a six month period. The agreement also contains a non-compete provision, prohibiting Ms. Meiler from competing under terms defined by the agreement for a period of one year following the date of termination of the agreement, as well as a change in control provision, which provides Ms. Meiler with certain benefits, including continuation of compensation, stock options, and certain health benefits for stated periods following a change in control as defined therein and termination of employment within a 90-day period before or after such change in control. Such change in control benefits are subject to being reduced so that no excess parachute payment (as defined in Section 280G (b)(1) of the Internal Revenue Code of 1986, as amended) is received by Ms. Meiler.

Potential Payments upon Termination or Change in Control

The following sets forth the benefits that could be paid to Ms. Meiler upon various termination events, which would only be known at the time that the benefits become payable.

If Ms. Meiler's employment was terminated following a change in control as of December 31, 2013, Ms. Meiler would be entitled to a cash severance of \$269,500 (2x base salary) and medical benefits of \$10,771 (1 year). If Ms. Meiler's employment was terminated without cause as of December 31, 2013, Ms. Meiler would be entitled to a cash severance of \$284,303 (base salary unpaid under the agreement plus 6 months) and medical benefits of \$5,386 (6 months).

Ms. Meiler's employment agreement does not provide for any additional payments or benefits for death, disability, voluntary termination of employment by the executive or involuntary termination by the Company for cause. Under those scenarios, Ms. Meiler is only entitled to her accrued and unpaid obligations, such as salary and unused vacation.

Oversight and Risk Management of Compensation Programs

The Compensation Committee oversees the implementation and enforcement of the policies, procedures and practices related to the various compensation programs as part of its duties. The Compensation Committee monitors the compensation policies to ensure that the compensation packages offered to its employees and executive officers do not present such individuals with the potential to engage in excessive or inappropriate risk taking activities.

The Compensation Committee believes that the current compensation structure for employees and executive officers does not encourage unnecessary or excessive risk taking to the extent that it would reasonably be likely to lead to a material adverse effect. It is the opinion of the Compensation Committee that the current compensation program appropriately balances risk and the desire to focus on the short-term and the long-term goals of CSB and does not encourage unnecessary or excessive risk taking.

THE COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the foregoing Executive Compensation Programs with CSB's management. Based on this review and discussion, the Compensation Committee has recommended to the Board of Directors that the Executive Compensation Program be included in CSB's proxy statement and Annual Report on Form 10-K.

REPORT OF THE AUDIT COMMITTEE

The following Audit Committee Report is provided in accordance with the rules and regulations of the Commission. The Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the Board of Directors of CSB. Management of CSB is responsible for CSB's reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with U.S. generally accepted accounting principles. CSB's auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes.

Mr. Robb and Mr. Baker are certified public accountants (inactive), and Mr. Holtman is an attorney licensed to practice law in the State of Ohio. Mr. Robb and Mr. Baker have been designated as audit committee financial experts under Item 407 of the Commission's Regulation S-K.

The Audit Committee has reviewed and discussed with S.R.Snodgrass, P.C. (Snodgrass), CSB's independent registered public accounting firm for the year ended December 31, 2013, the matters required to be discussed by Statement of Accounting Standards No. 61, as may be modified or supplemented. The Audit Committee also has received the written disclosures and the letter from the independent accountants, as required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Snodgrass its independence. Based on the foregoing discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in CSB's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 filed with the Commission.

PROPOSAL TWO RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Snodgrass to act as the independent registered public accounting firm to examine the books, records and accounts of CSB and its subsidiaries for the fiscal year ending December 31, 2014. This appointment is being presented to shareholders for ratification or rejection at the Annual Meeting.

Snodgrass was CSB's independent registered public accounting firm for the fiscal year ended December 31, 2013, and is considered by the Audit Committee and the Board of Directors to be well qualified. By NASDAQ and Commission rules and regulations, selection of the Company's independent registered public accounting firm is the direct responsibility of the Audit Committee. The Board of Directors has determined, however, to seek shareholder ratification of this selection as both a good corporate practice and to provide shareholders an avenue to express their views on this important matter.

The proposal to ratify the appointment of CSB's independent registered public accounting firm requires the affirmative vote of the holders of a majority of the common shares present, represented and entitled to vote at the Annual Meeting. Shareholders may vote For, Against or Abstain from voting on Proposal Two. Broker non-votes will not be counted for the purpose of determining whether Proposal Two has been approved. Abstentions will be counted as present and entitled to vote for purposes of Proposal Two and thus, will have the same effect as a vote against Proposal Two. If shareholders fail to ratify the appointment, the Audit Committee will seek to understand the reasons for such failure and will take those views into account in this and future appointments of CSB's independent registered public accounting firm. Even if the current selection is ratified by shareholders, the Audit Committee reserves the right to terminate the engagement of Snodgrass and appoint a different independent accounting firm at any time during the year if the Audit Committee determines that such change would be in the best interests of CSB and its shareholders.

Representatives of Snodgrass are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Audit Committee and the Board of Directors each recommend a vote FOR ratification of the selection of S.R. Snodgrass, P.C. as the independent registered public accounting firm of CSB for the current year.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES

Fees for professional services rendered by Snodgrass for fiscal 2013 and 2012 were as follows

	2013	2012
Audit Fees ⁽¹⁾	\$ 87,487	\$ 86,132
Audit-Related Fees ⁽²⁾	\$ 11,102	\$ 11,446
Tax Fees ⁽³⁾	\$ 10,915	\$ 11,000
All Other Fees		

- (1) Audit fees are fees for professional services rendered for the audit of the Company's annual financial statements, the review of financial statements included in Form 10-Q filings and for services normally provided by the independent auditor in connection with statutory and regulatory filings or engagements.
- (2) Audit-related fees generally include fees for the audit of the Company's employee benefit plan.

(3) Tax service fees consist of compliance fees for the preparation of original tax returns. All of the above-mentioned services and fees were pre-approved by the Audit Committee. During CSB's most recent fiscal year ended December 31, 2013, there were no disagreements with Snodgrass on any matter of accounting principles or practices, financial disclosure, or auditing scope or procedure.

Audit Committee Procedures for Pre-Approval of Services by the Independent Public Accounting Firm

The Audit Committee will annually approve the scope of, and fees payable for, the year-end audit to be performed by CSB's independent accountants for the next fiscal year.

Management may not engage the independent accountants for any services unless the service contracts are approved by the Audit Committee in advance of the engagement.

If management wishes to engage the independent accountants for any services, Management will define and present to the Audit Committee specific projects and categories of service, and fee estimates, for which the advance approval of the Audit Committee is required. The Audit Committee will review these requests and determine whether to approve the engagement of the independent accountants for the specific projects and categories of service.

Management will report to the Audit Committee regarding the actual spending for these projects and services, compared to the approved amounts on a quarterly basis.

The Audit Committee chairperson will report to the Committee at each regularly scheduled meeting the nature and amount of any non-audit services that the Chairperson has approved.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

CSB has engaged, and intends to continue to engage, in the lending of money through Commercial & Savings Bank to various directors and officers of CSB and Commercial & Savings Bank and their related interests. These loans were made in accordance with applicable law and regulation and in the ordinary course of business on substantially the same terms, including interest rates and collateral, as prevailing at the time for comparable transactions with persons not related to Commercial & Savings Bank and did not involve more than a normal risk of collectability or present other unfavorable features.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2013, none of CSB's named executive officers or directors was a member of the Board of Directors of any other company where the relationship would be construed to constitute a committee interlock within the meaning of the rules of the Commission.
