Item 1.01 Entry into a Material Definitive Agreement.

On October 16, 2014, Casella Waste Systems, Inc. (the Company) completed a financing transaction involving \$11.0 million aggregate principal amount of Solid Waste Disposal Revenue Bonds (Casella Waste Systems, Inc. Project) Series 2013 (the Bonds) issued by Business Finance Authority of the State of New Hampshire (BFA), consisting of (i) the conversion and remarketing of \$5.5 million principal amount of Bonds originally issued in 2013 and (ii) the issuance of \$5.5 million principal amount of additional Bonds.

The Bonds were issued or converted, as applicable, on October 16, 2014, pursuant to an indenture by and between U.S. Bank National Association, as trustee, and BFA, as amended on September 5, 2014 (the Indenture) and are guaranteed by substantially all of the subsidiaries of Casella pursuant to a Guaranty Agreement among the guarantors named therein and U.S. Bank National Association, as trustee under the Indenture, dated as of October 1, 2014 and entered into by the parties thereto on October 16, 2014 (the Guaranty). Pursuant to the Financing Agreement, dated as of March 1, 2013, between BFA and the Company (the Financing Agreement), the Company has borrowed, or will borrow, as the case may be, the proceeds of the Bonds to finance or refinance certain capital projects.

The Bonds will mature, subject to earlier optional and mandatory redemption, on April 1, 2029. In addition, on October 1, 2019 and any other conversion date of any new interest rate period for the Bonds and on certain other dates specified in the Indenture, each holder of the Bonds is required to tender the Bonds held by it for purchase and the Bonds are required to be purchased. Merrill Lynch, Pierce, Fenner & Smith Incorporated, as remarketing agent for the Bonds, is required to use its best efforts to remarket any Bonds tendered for purchase. Funds for the payment of the purchase price of any Bonds so purchased will be paid from the proceeds of any such resale or, to the extent such funds are insufficient, from the proceeds of a letter of credit, if the Bonds are supported by a letter of credit at such time, or from payments by the Company or by the guarantors named in the Guaranty Agreement. After the end of the initial term interest rate period, the Bonds may be converted to a variable (daily or weekly) interest rate period or may remain in a term interest rate period. The interest rate on the Bonds will be reset at the end of each interest period.

Pursuant to the Guaranty, each guarantor will guarantee to the trustee for the benefit of the owners and beneficial holders of the Bonds, the full and prompt payment of (i) the principal of and redemption premium, if any, on the Bonds when and as the same become due; (ii) the interest on the Bonds when and as the same become due; (iii) the purchase price of Bonds tendered or deemed tendered for purchase pursuant to the Indenture; and (iv) all loan payments and purchase price payments due or to become due from the Company under the Financing Agreement (collectively, the Guaranteed Obligations). The obligations of each guarantor under the Guaranty will, subject to the release provisions contained therein, remain in full force and effect until the entire principal payment of, redemption premium, if any, and interest on or purchase price of the Bonds has been paid or provided for according to the terms of the Indenture and all other Guaranteed Obligations have been paid and satisfied in full.

The Bonds are issued as tax exempt bonds. If the Company or BFA, as applicable, does not comply with certain of their covenants under the Indenture or Financing Agreement, or if certain representations or warranties made by the Company in the Financing Agreement or in certain related certificates of the Company are false, then the interest on the Bonds may become includable in gross income for federal income tax purposes, retroactively to the date of original issuance of such Bonds. If the Bonds are declared to be taxable or the Financing Agreement is determined to be invalid, the Indenture provides that the Bonds are subject to mandatory redemption at a redemption price equal to 100% of the principal amount thereof, without premium, plus accrued interest to the date of redemption.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
